Rules of the Committee on Transportation and Infrastructure
United States House of Representatives, 114th Congress
(Adopted January 27, 2015)

RULE I. GENERAL PROVISIONS

(a) APPLICABILITY OF HOUSE RULES.--

(1) IN GENERAL.--The Rules of the House are the rules of the Committee and its subcommittees so far as applicable, except that a motion to recess from day to day, and a motion to dispense with the first reading (in full) of a bill or resolution, if printed copies are available, are non-debatable privileged motions in the Committee and its subcommittees.

(2) SUBCOMMITTEES.--Each subcommittee is part of the Committee, and is subject to the authority and direction of the Committee and its rules so far as applicable.

(3) INCORPORATION OF HOUSE RULE ON COMMITTEE PROCEDURE.--Rule XI of the Rules of the House, which pertains entirely to Committee procedure, is incorporated and made a part of the rules of the Committee to the extent applicable. Pursuant to clause 2(a)(3) of Rule XI of the Rules of the House, the Chairman of the Committee is authorized to offer a motion under clause 1 of Rule XXII of the Rules of the House whenever the Chairman considers it appropriate.

(b) PUBLICATION OF RULES.--Pursuant to clause 2(a) of Rule XI of the Rules of the House, the Committee's rules shall be publicly available in electronic form and published in the Congressional Record not later than 30 days after the Chairman is elected in each odd-numbered year.

(c) VICE CHAIRMAN.--The Chairman shall appoint a vice chairman of the Committee and of each subcommittee. If the Chairman of the Committee or subcommittee is not present at any meeting of the Committee or subcommittee, as the case may be, the vice chairman shall preside. If the vice chairman is not present, the ranking member of the majority party on the Committee or subcommittee who is present shall preside at that meeting.

RULE II. REGULAR, ADDITIONAL, AND SPECIAL MEETINGS

(a) REGULAR MEETINGS.--Regular meetings of the Committee shall be held on the first Wednesday of every month to transact its business unless such day is a holiday, or the House is in recess or is adjourned, in which case the Chairman shall determine the regular meeting day of the Committee for that month. A regular meeting of the Committee may be dispensed with if, in the judgment of the Chairman, there is no need for the meeting. This paragraph shall not apply to meetings of any subcommittee.

(b) ADDITIONAL MEETINGS.--The Chairman may call and convene, as he or she considers necessary, additional meetings of the Committee for the consideration of any bill or resolution pending before the Committee or for the conduct of other committee business. The Committee shall meet for such purpose pursuant to the call of the Chairman.

(c) SPECIAL MEETINGS.--If at least three members of the Committee desire that a special meeting of the Committee be called by the Chairman, those members may file in the offices of the Committee their written request to the Chairman for that special meeting. Such request shall specify the measure or matter to be considered. Immediately upon the filing of the request, the clerk of the Committee shall notify the Chairman of the filing of the request. If, within 3 calendar days after the filing of the request, the Chairman does not call the requested special meeting to be held within 7 calendar days after the filing of the request, a majority of the members of the Committee may file in the offices of the Committee their written notice that a special meeting of the Committee will be held, specifying the date and hour thereof, and the measure or matter to be considered at that special meeting. The Committee shall meet on that date and hour. Immediately upon the filing of the notice, the clerk of the Committee shall notify all members of the Committee that such meeting will be held and inform them of its date and hour and the measure or matter to be considered; and only the measure or matter specified in that notice may be considered at that special meeting. Such notice shall also be made publicly available in electronic form and shall be deemed to satisfy paragraph (d)(1).

(d) NOTICE.--

(1) MINIMUM NOTICE PERIOD.--Pursuant to clause 2(g)(3) of Rule XI of the Rules of the House, the Chairman shall make a public announcement of the date, place, and subject matter of a Committee or subcommittee meeting, which may not commence earlier than the third day on which members have notice thereof.

(2) CHANGES IN MEETING TIMES.--A meeting may commence sooner than announced if the Chairman, with concurrence of the ranking minority member, determines there is good cause to begin the meeting sooner or the Committee or subcommittee so determines by majority vote, a quorum being present for the transaction of business. The

Chairman shall make a public announcement of the meeting time change at the earliest possible opportunity.

(3) NOTIFICATION OF DAILY DIGEST CLERK.--The clerk of the Committee shall notify the Daily Digest Clerk of the Congressional Record as soon as possible after a public announcement of a time change for a Committee or subcommittee meeting is made under this paragraph.

(e) PROHIBITION ON SITTING DURING JOINT SESSION.--The Committee may not sit during a joint session of the House and Senate or during a recess when a joint meeting of the House and Senate is in progress.

RULE III. MEETINGS AND HEARINGS GENERALLY

(a) MINIMUM PERIOD FOR AVAILABILITY OF COMMITTEE MARKUP TEXT.--Pursuant to clause 2(g)(4) of Rule XI of the Rules of the House, the Chairman shall make publicly available, in electronic form, the text of any legislation to be marked up at least 24 hours prior to the commencement of a meeting for the markup of legislation, or at the time of a meeting announcement under paragraph (d)(2) of Committee Rule II if made within 24 hours before such meeting.

(b) OPEN MEETINGS.--Each meeting for the transaction of business, including the markup of legislation, and each hearing of the Committee or a subcommittee shall be open to the public, except as provided by clause 2(g) of Rule XI of the Rules of the House.

(c) MEETINGS TO BEGIN PROMPTLY.--Each meeting or hearing of the Committee shall begin promptly at the time so stipulated in the public announcement of the meeting or hearing.

(d) ADDRESSING THE COMMITTEE.--Except as provided under paragraph (e) of Committee Rule VI, a Committee member may address the Committee or a subcommittee on any bill, motion, or other matter under consideration--

(1) only when recognized by the Chairman for that purpose; and

(2) only for 5 minutes, or for a period of time designated by the Chairman with concurrence of the ranking minority member, until such time as each member of the Committee or subcommittee who so desires has had an opportunity to address the Committee or subcommittee.

A member shall be limited in his or her remarks to the subject matter under consideration. The Chairman shall enforce this paragraph.

(e) PARTICIPATION OF MEMBERS IN SUBCOMMITTEE MEETINGS AND HEARINGS.--All members of the Committee who are not members of a particular subcommittee may, by unanimous consent of the members of such subcommittee, participate in any subcommittee meeting or hearing. However, a member who is not a member of the subcommittee may not vote on any matter before the subcommittee, be counted for purposes of establishing a quorum, or raise points of order.

(f) BROADCASTING.--Whenever a meeting for the transaction of business, including the markup of legislation, or a hearing is open to the public, that meeting or hearing shall be open to coverage by television, radio, and still photography in accordance with clause 4 of Rule XI of the Rules of the House. Operation and use of any Committee Internet broadcast system shall be fair and nonpartisan and in accordance with clause 4(b) of Rule XI of the Rules of the House and all other applicable rules of the Committee and the House. Further, pursuant to clause 2(e)(5) of Rule XI of the Rules of the House, the Committee shall provide audio and video coverage of each hearing or meeting for the transaction of business in a manner that allows the public to easily listen to and view the proceedings. The Committee shall also maintain the recordings of such coverage in a manner that is easily accessible to the public.

(g) ACCESS TO THE DAIS AND LOUNGES.--Access to the hearing rooms' daises and to the lounges adjacent to the Committee hearing rooms shall be limited to Members of Congress and employees of Congress during a meeting or hearing of the Committee unless specifically permitted by the Chairman or ranking minority member.

(h) USE OF CELLULAR TELEPHONES.--The use of cellular telephones in the Committee hearing room is prohibited during a meeting or hearing of the Committee.

(i) AVAILABILITY OF TEXT OF AMENDMENTS IN ELECTRONIC FORM.--Pursuant to clause 2(e) of Rule XI of the Rules of the House, not later than 24 hours after the adoption of any amendment to a measure or matter considered by the Committee, the Chairman shall cause the text of the amendment to be made publicly available in electronic form.

RULE IV. POWER TO SIT AND ACT; POWER TO CONDUCT INVESTIGATIONS; OATHS; SUBPOENA POWER

(a) AUTHORITY TO SIT AND ACT.--For the purpose of carrying out any of its functions and duties under Rules X and XI of the Rules of the House, the Committee and each of its subcommittees, is authorized (subject to paragraph (d)(1))--

(b) AUTHORITY TO CONDUCT INVESTIGATIONS.--

(1) IN GENERAL.--The Committee is authorized at any time to conduct such investigations and studies as it may consider necessary or appropriate in the exercise of its responsibilities under Rule X of the Rules of the House and (subject to the adoption of expense resolutions as required by Rule X, clause 6 of the Rules of the House) to incur expenses (including travel expenses) in connection therewith.

(2) MAJOR INVESTIGATIONS BY SUBCOMMITTEES.--A subcommittee may not begin a major investigation without approval of a majority of such subcommittee.

(1) IN GENERAL.--A subpoena may be issued by the Committee or subcommittee under paragraph (a)(2) in the conduct of any investigation or activity or series of investigations or activities, only when authorized by a majority of the members voting, a majority being present. Such authorized subpoenas shall be signed by the Chairman of the Committee or by any member designated by the Committee. If a specific request for a subpoena has not been previously rejected by either the Committee or subcommittee, the Chairman of the Committee, after consultation with the ranking minority member of the Committee, may authorize and issue a subpoena under paragraph (a)(2) in the conduct of any investigation or activity or series of investigations or activities, and such subpoena shall for all purposes be deemed a subpoena issued by the Committee. As soon as practicable after a subpoena is issued under this rule, the Chairman shall notify all members of the Committee of such action.

(2) ENFORCEMENT.--Compliance with any subpoena issued by the Committee or subcommittee under paragraph (a)(2) may be enforced only as authorized or directed by the House.

(e) EXPENSES OF SUBPOENAED WITNESSES.--Each witness who has been subpoenaed, upon the completion of his or her testimony before the Committee or any subcommittee, may report to the offices of the Committee, and there sign appropriate vouchers for travel allowances and attendance fees. If hearings are held in cities other than Washington, D.C., the witness may contact the counsel of the Committee, or his or her representative, before leaving the hearing room.

RULE V. QUORUMS AND RECORD VOTES; POSTPONEMENT OF VOTES

(a) WORKNG QUORUM.--One-third of the members of the Committee or a subcommittee shall constitute a quorum for taking any action other than the closing of a meeting pursuant to clauses 2(g) and 2(k)(5) of rule XI of the Rules of the House, the authorizing of a subpoena pursuant to paragraph (d) of Committee Rule IV, the reporting of a measure or recommendation pursuant to paragraph (b)(1) of Committee Rule VII, and the actions described in paragraphs (b), (c) and (d) of this rule.

(B) resume proceedings on a postponed question at any time after reasonable notice.

(2) RESUMPTION OF PROCEEDINGS.--When proceedings resume on a postponed question, notwithstanding any intervening order for the previous question, an underlying proposition shall remain subject to further debate or amendment to the same extent as when the question was postponed.

(g) AVAILABILITY OF RECORD VOTES IN ELECTRONIC FORM.--Pursuant to clause 2(e)(1)(B)(i) of Rule XI of the Rules of the House, the Chairman shall make the result of any record vote publicly available for inspection at reasonable times in the offices of the Committee and in electronic form within 48 hours of such record vote.
