8 (a) IN GENERAL.—Section 41 of the Internal Rev-  
9 enue Code of 1986 is amended by adding at the end the  
10 following new subsection:

11 “(i) RECAPTURE.—

12 “(1) IN GENERAL.—If the Federal Trade Com-  
13 mission determines under section 27 of the Federal  
14 Trade Commission Act that the taxpayer violated  
15 section 5 of such Act in connection with the sale of  
16 a drug product (as defined in such section), then the  
17 tax under this chapter for the taxable year which in-  
18 cludes the date of such determination shall be in-  
19 creased by the sum of the product for each of the  
20 2 relevant years of—

21 “(A) the aggregate decrease in the credits  
22 allowed under section 38 for such relevant year  
23 which would have resulted solely from reducing  
24 to zero any credit determined under this sec-  
25 tion, multiplied by

1           “(B) the sales ratio for such drug product  
2           for such relevant year.

3           “(2) RELEVANT YEAR.—For purposes of this  
4           subsection, the term ‘relevant year’ means, with re-  
5           spect to any determination by the Federal Trade  
6           Commission described in paragraph (1), a taxable  
7           year in which the aggregate decrease in the credits  
8           allowed under section 38 which would have resulted  
9           solely from reducing to zero any credit determined  
10          under this section is one of the two highest such de-  
11          creases during the 10-year period ending with the  
12          last taxable year that ended before the date of such  
13          determination.

14          “(3) SALES RATIO.—For purposes of this sub-  
15          section, the term ‘sales ratio’ means, with respect to  
16          a drug product sold by a taxpayer in a taxable year,  
17          the ratio of—

18                 “(A) the revenue from sales of such drug  
19                 product by such taxpayer during such taxable  
20                 year, to

21                 “(B) the total revenue from sales of all  
22                 drug products by such taxpayer during such  
23                 taxable year.

24          “(4) CONSENT DECREES DEEMED TO BE VIOLA-  
25          TIONS.—If a taxpayer enters into a consent decree

1 with respect to any proceeding initiated by the Fed-  
2 eral Trade Commission under section 27 of the Fed-  
3 eral Trade Commission Act, such consent decree  
4 shall be treated for purposes of this subsection as if  
5 the Commission had determined under such section  
6 that the taxpayer violated section 5 of such Act in  
7 connection with the sale of the drug product to  
8 which such proceeding relates.

9 “(5) RECAPTURE NOT TAKEN INTO ACCOUNT IN  
10 DETERMINING MAXIMUM PENALTY.—The increase in  
11 tax under this subsection shall not be treated as a  
12 penalty for purposes of section 27(f) of the Federal  
13 Trade Commission Act.”

14 (b) EFFECTIVE DATE.—The amendment made by  
15 this section shall apply to taxable years ending after the  
16 date of the enactment of this Act.

17 **SEC. 3. DISALLOWANCE OF TAX DEDUCTION FOR CIVIL**  
18 **PENALTIES IN CONNECTION WITH ACTIONS**  
19 **FOR UNLAWFUL COMPENSATION FOR DELAY.**

20 (a) IN GENERAL.—Section 162(f) of the Internal  
21 Revenue Code of 1986 is amended—

22 (1) by striking “for any fine” and inserting  
23 “for—  
24 “(1) any fine”; and

1           (2) by striking the period at the end and insert-  
2           ing “, and”; and

3           (3) by adding at the end the following new  
4           paragraph:

6           nection with a judgment in, or settlement of, a pro-  
7           ceeding under section 27 of the Federal Trade Com-  
8           mission Act.”.

9           (b) EFFECTIVE DATE.—The amendments made by  
10          this section shall apply to taxable years ending after the  
11          date of the enactment of this Act.

12       **SEC. 4. UNLAWFUL COMPENSATION FOR DELAY.**

13          (a) IN GENERAL.—The Federal Trade Commission  
14          Act (15 U.S.C. 44 et seq.) is amended by inserting after  
15          section 26 (15 U.S.C. 57c-2) the following:

16       **“SEC. 27. PRESERVING ACCESS TO AFFORDABLE**  
17               **GENERICS.**

18          “(a) IN GENERAL.—

19               “(1) ENFORCEMENT PROCEEDING.—The Com-  
20          mission may initiate a proceeding to enforce the pro-  
21          visions of this section against the parties to any  
22          agreement resolving or settling, on a final or interim  
23          basis, a patent infringement claim, in connection  
24          with the sale of a drug product.

25               “(2) VIOLATION.—

1           “(A) IN GENERAL.—Subject to subpara-  
2 graph (B), in such a proceeding, an agreement  
3 shall be an unfair method of competition in or  
4 affecting commerce and be a violation of section  
5 if pursuant to the agreement—

6           “(i) an ANDA filer receives anything  
7 of value, including an exclusive or non-ex-  
8 clusive license, an agreement regarding the  
9 marketing of a product, or any other com-  
10 mercial opportunity or benefit; and

11           “(ii) the ANDA filer agrees to limit or  
12 forgo research, development, manufac-  
13 turing, marketing, or sales of the ANDA  
14 product for any period of time.

15           “(B) EXCEPTION.—Subparagraph (A)  
16 shall not apply if the parties to such agreement  
17 demonstrate by clear and convincing evidence  
18 that—

19           “(i) the value described in subpara-  
20 graph (A)(i) is compensation solely for  
21 other goods or services that the ANDA  
22 filer has promised to provide; or

23           “(ii) the procompetitive benefits of the  
24 agreement outweigh the anticompetitive ef-  
25 fects of the agreement.

1       “(b) LIMITATIONS.—In determining whether the set-  
2 tling parties have met their burden under subsection  
3 (a)(2)(B), the fact finder may not presume—

4               “(1) that entry of the ANDA product into  
5 interstate commerce would not have occurred until  
6 the expiration of the relevant patent or statutory ex-  
7 clusivity; or

8               “(2) that the agreement’s provision for entry of  
9 the ANDA product into interstate commerce prior to  
10 the expiration of the relevant patent or statutory ex-  
11 clusivity means that the agreement is procom-  
12 petitive.

13       “(c) EXCLUSIONS.—Nothing in this section shall pro-  
14 hibit a resolution or settlement of a patent infringement  
15 claim in which the consideration granted to the ANDA  
16 filer as part of the resolution or settlement includes one  
17 or more of the following and nothing else:

19 the United States prior to the expiration of—

20                       “(A) any patent that is the basis for the  
21 patent infringement claim; or

23 exclusivity that would prevent the marketing of  
24 such drug.

1           “(2) A payment, not to exceed \$7,500,000, if  
2 based on reasonable litigation expenses.

3           “(3) A covenant not to sue (including any  
4 agreement to dismiss) on any claim that the ANDA  
5 product infringes a United States patent.

6           “(d) JUDICIAL REVIEW.—

7           “(1) IN GENERAL.—Any party that is subject  
8 to a final order of the Commission, issued in an ad-  
9 ministrative adjudicative proceeding under the au-  
10 thority of subsection (a)(1), may, within 30 days  
11 after the issuance of such order, petition for review  
12 of such order in—

13                   “(A) the United States Court of Appeals  
14 for the District of Columbia Circuit; or

15                   “(B) the United States Court of Appeals  
16 for the circuit in which any party subject to  
17 such final order is incorporated on the date that  
18 the petition for review is filed.

19           “(2) TREATMENT OF FINDINGS.—In a pro-  
20 ceeding for judicial review of a final order of the  
21 Commission, the findings of the Commission as to  
22 the facts, if supported by evidence, shall be conclu-  
23 sive.

24           “(e) CONSTRUCTION.—

1           “(1) ANTITRUST LAWS AND CONSUMER PRO-  
2           TECTION LAWS.—Nothing in this section shall be  
3           construed to modify, impair, or supersede the oper-  
4           ation of—

5                   “(A) the antitrust laws as defined in sub-  
6                   section (a) of the first section of the Clayton  
7                   Act (15 U.S.C. 12(a)), or any State law sub-  
8                   stantially similar to any of such antitrust laws;  
9                   or

10                   “(B) section 5 of this Act or any substan-  
11                   tially similar State law.

12           “(2) CLAIMS AND COUNTERCLAIMS.—Nothing  
13           in this section shall modify, impair, or supersede the  
14           right of an ANDA filer to assert a claim or counter-  
15           claim against any person under any law referred to  
16           in paragraph (1).

17           “(f) PENALTIES.—

18                   “(1) FORFEITURE.—Each party that violates  
19                   subsection (a)(2)(A) shall forfeit and pay to the  
20                   United States a civil penalty sufficient to deter such  
21                   violation, but in no event greater than 3 times the  
22                   value received by the party that is reasonably attrib-  
23                   utable to such violation. Such penalty shall accrue to  
24                   the United States and may be recovered in a civil  
25                   action brought by the Commission, in its own name

1 by any of its attorneys designated by it for such pur-  
2 pose, in a district court of the United States against  
3 any party that commits such violation. In such ac-  
4 tions, the United States district courts are empow-  
5 ered to grant mandatory injunctions and such other  
6 and further equitable relief as the courts determine  
7 to be appropriate.

8 “(2) CEASE AND DESIST.—

9 “(A) IN GENERAL.—If the Commission has  
10 issued a cease and desist order with respect to  
11 a party in an administrative adjudicative pro-  
12 ceeding under the authority of subsection  
13 (a)(1), an action brought pursuant to para-  
14 graph (1) may be commenced against such  
15 party at any time before the expiration of 1  
16 year after such order becomes final pursuant to  
17 section 5(g).

18 “(B) EXCEPTION.—In an action under  
19 subparagraph (A), the findings of the Commis-  
20 sion as to the material facts in the administra-  
21 tive adjudicative proceeding with respect to a  
22 violation described in subsection (a)(2)(A) by a  
23 party shall be conclusive unless—

25 sist order expressly provide that the Com-

1 mission’s findings shall not be conclusive;  
2 or

3 “(ii) the order became final by reason  
4 of section 5(g)(1), in which case such find-  
5 ing shall be conclusive if supported by evi-  
6 dence.

7 “(3) CIVIL PENALTY.—In determining the  
8 amount of the civil penalty described in this section,  
9 the court shall take into account—

10 “(A) the nature, circumstances, extent,  
11 and gravity of the violation, including the
