## JOINT RESOLUTION

To commend the United States rice industry, and for other purposes.

Whereas the rice industry is a good and valuable part of the United States economy;

Whereas it is estimated that rice production, milling, and marketing and rice-related commerce provide over 100,000 jobs in the United States economy;

Whereas the rice industry helps to generate a positive balance of agricultural trade for the United States economy;

Whereas the rice industry generates over \$3,000,000,000 in annual commerce for the United States economy;

Whereas rice is a popular food in the United States, with consumption increasing 3 to 5 percent annually;

Whereas rice producers have made major efforts to protect waterfowl habitat, and rice production can be managed to protect water quality in an environmentally sound manner;

Whereas the rice industry produces an important food used in the worldwide humanitarian assistance program of the United States Government;

Whereas competition for foreign rice markets is ever increasing;

Whereas, to be competitive, the United States rice industry must implement and maintain a comprehensive research and product market development program;

Whereas, to be competitive, the United States rice industry must use its resources efficiently and effectively;

Whereas a strong unified voice is a valuable and productive asset for any United States industry but especially for a comparatively small industry like rice; and

Whereas the United States rice industry, fully recognizing modern resource and market and other economic and environmental challenges, has voluntarily and collectively developed a plan for, and agreed to establish, an industry organization to best determine and accomplish its goals:  
Now, therefore, be it

- 1       *Resolved by the Senate and House of Representatives*
- 2   *of the United States of America in Congress assembled,*
- 3   That the United States rice industry is to be commended

1 for its decision to establish an industry organization, and  
2 the President is authorized and requested to issue a proc-  
3 lamation commending the decision and recognizing the  
4 success that the decision will have in promoting the com-  
5 mon interests of the rice industry, as well as the interests  
6 of the rice-consuming public.
