## JOINT RESOLUTION

To designate the week beginning April 18, 1993, and the week beginning April 17, 1994, each as “National Organ and Tissue Donor Awareness Week”.

Whereas a new patient is added to the national patient waiting list for an organ transplant every 20 minutes;

Whereas thousands of lives are saved or significantly improved annually by organ and tissue transplantation; and

Whereas increasing the number of transplantable organs and tissues would save American taxpayers millions of dollars:

Now, therefore, be it

1       *Resolved by the Senate and House of Representatives*  
2       *of the United States of America in Congress assembled,*  
3       That the week beginning April 18, 1993, and the week  
4       beginning April 17, 1994, are each designated “National  
5       Organ and Tissue Donor Awareness Week”, and the  
6       President is authorized and requested to issue a proclama-  
7       tion calling upon the people of the United States to ob-  
8       serve such weeks with appropriate programs, ceremonies,  
9       and activities.
