103d CONGRESS 1ST SESSION H. R. 2296

To amend the Solid Waste Disposal Act to exempt pesticide rinse water degradation systems from subtitle C permit requirements.

IN THE HOUSE OF REPRESENTATIVES

May 27, 1993

Mr. BILIRAKIS (for himself, Mr. LIPINSKI, Mr. BOEHNER, and Mr. LEWIS of Florida) introduced the following bill; which was referred to the Committee on Energy and Commerce

A BILL

To amend the Solid Waste Disposal Act to exempt pesticide rinse water degradation systems from subtitle C permit requirements.

1 Be it enacted by the Senate and House of Representa-

2 tives of the United States of America in Congress assembled,

3 SECTION 1. EXEMPTION FROM SUBTITLE C PERMIT RE4 QUIREMENT FOR PESTICIDE RINSE WATER
5 DEGRADATION SYSTEMS.

6 Section 3005 of the Solid Waste Disposal Act (42
7 U.S.C. 6925) is amended by adding at the end the follow8 ing new subsection:

"(k) PESTICIDE RINSE WATER DEGRADATION SYSTEMS.—(1) Notwithstanding subsection (a) of this section,
any person owning or operating a pesticide rinse water
degradation system that meets the criteria set forth in
paragraph (2) is not subject to the requirement to obtain
a permit under this section for the treatment or disposal
of pesticide rinse water in such system.

8 "(2) To qualify for the exemption under paragraph
9 (1), a pesticide rinse water degradation system must meet
10 the following criteria:

"(A) The system uses evaporation and biological degradation to treat or dispose of pesticide rinse
water.

"(B) The system contains an above-ground
tank or double-walled tank that can be inspected for
leaks and that is a tank within the meaning of such
term as used in this subtitle or the regulations promulgated under this subtitle.

"(C) The system includes a secondary containment system capable of collecting and containing
any leaks from the tank.

22 "(D) There is no discharge of fluid from the23 system.

24 "(E) The system, including the secondary con-25 tainment system, is protected from rainfall.

"(F) When the system is dismantled or any matrix or media used in the tank is replaced, if the matrix or media contains any hazardous waste, the matrix or media is treated, stored, or disposed of in accordance with this subtitle and regulations promulgated under this subtitle.

7 "(3) For purposes of this subsection, the term 'pes8 ticide rinse water degradation system' means a system for
9 treating or disposing of water used to rinse pesticide appli10 cation equipment.

11 "(4) This subsection shall apply with respect to pes-12 ticide rinse water degradation systems in operation as of13 January 1, 1987.".
