 HEALTH CARE LEGISLATION.—

13 (a) FINDINGS.—Congress finds:

14 (1) Congress is expected to consider health care
15 reform legislation in the near future that would offer

their choice based on the quality of plans and
consumer satisfaction of plans.

5 Congress that any legislation appproved by Congress should
6 provide health care plans of comparable high quality and

- 23 (1) in order to increase our Nation's standard of
- 24 living and to increase the number of good jobs, the

	20
1	United States must increase its productivity and
2	ability to compete in the international marketplace
3	by improving the educational level of our workforce;
4	(2) although efforts are being made to establish
5	higher educational standards and goals, there is a
6	substantial shortage of resources to meet such stand-
7	ards and goals;
8	(3) States and local communities are finding it
9	increasingly difficult to meet ever higher educational
10	standards and goals, and States will not be able to
11	fund needed changes without Federal help to reach
12	such standards and goals;
13	(4) the Federal Government has established
14	many education programs but failed to provide ade-
15	quate funding for such programs, for example one
16	such program provides education to our Nation's dis-
17	abled students and was established with a promise of
18	40 percent Federal funding but currently receives
19	only 8 percent Federal funding;
20	(5) the annual shortfall in Federal education
21	programs is approximately half of the promised fund-
22	ing;
23	(6) many needed education improvements will
24	not need Federal funds, however, other suggested
25	changes such as lengthened school years, better pay,

after-school activities, mentoring for students at risk,
 programs for gifted students, and replacing sub standard buildings will require substantial Federal
 assistance; and

5 (7) the Federal contribution to education is less 6 than 2 percent of the total Federal budget, and in 7 order to make education a national priority, the total 8 percentage of Federal education funding should be in-9 creased by 1 percent each year over the next 8 years 10 to reach 10 percent of the total Federal budget.

(b) It is the sense of the Congress that the total share
of the Federal spending on education should increase by at
least 1 percent each year until such share reaches 10 percent
of the total Federal budget.

16 SEC. 306. (a) The Congress finds that—

(1) according to the recent National Performance
Review, there are currently 230 distinct programs in
the Department of Education, 160 of which award
grants through 245 national competitions each year;

(2) many of these programs overlap in purpose
and orientation, differing only in the administrative
requirements such programs impose on applicants
and the Department of Education;

	~~~
1	(3) as an example, the goal of reforming schools
2	is funded through at least 4 programs assisted under
3	this Act, including the programs assisted under chap-
4	ter 2 of title I of the Elementary and Secondary Edu-
5	cation Act of 1965 (block grants), the Fund for the
6	Improvement and Reform of Schools and Teaching,
7	the Secretary's Fund for Innovation in Education,
8	and a new program established under the Goals 2000:
9	Educate America Act, which has not yet become law;
10	(4) the overhead at the Department of Education
11	to administer each separate program, and the cost to
12	States, localities and schools of preparing applica-
13	tions, planning ahead, and managing funds under
14	each program diverts scarce resources from schools
15	and students;
16	(5) some Federal programs serve purposes which
17	would be better served by consolidation into a single
18	flexible grant, a few serve purposes that could be met
19	without Federal assistance, and some programs are
20	obsolete;
21	(6) in the Department of Education's internal
22	study for the National Performance Review, the De-
23	partment indicated that the Department had identi-
24	fied 41 programs that could be eliminated or consoli-
25	dated into other programs;

1	(7) this Act takes a significant step toward con-
2	solidation by eliminating funding for 13 programs,
3	and the Department of Education has begun a serious
4	effort to consolidate programs, as is appropriate, in
5	the reauthorization of the Elementary and Secondary
6	Education Act of 1965, but much more remains to be
7	done; and
8	(8) the Defense Base Closure and Realignment
9	Commission offers a successful model for cutting gov-
10	ernment spending despite powerful interests within
11	and outside of the Congress dedicated to protecting
12	specific projects or programs.
13	(b) It is the sense of the Congress that—
14	(1) within 6 months of the date of enactment of
15	this Act, the Department of Education should prepare
16	and submit to the Committee on Labor and Human
17	Resources of the Senate and the Committee on Edu-
18	cation and Labor of the House of Representatives a
19	legislative package reflecting the President's National
20	Performance Review plan to consolidate Federal edu-
21	cation programs;
22	(2) the Committee on Labor and Human Re-
23	sources of the Senate and the Committee on Edu-
24	cation and Labor of the House of Representatives
25	should consider the package submitted by the Depart-

1	ment of Education and should report to the Senate
2	and House of Representatives, respectively, bills pro-
3	posing to consolidate Federal education programs;
4	(3) the leadership of each House of the Congress
5	should establish—
6	(A) a process for considering a bill de-
7	scribed in paragraph (2) under which such bill
8	would be subject to a single vote of approval or
9	disapproval by such House; or
10	(B) a comparable process to minimize the
11	possibility that individual programs will be ex-
12	cepted from the consolidation; and
13	(4) the objective of the consolidation should be,
14	first, to find savings by reducing the administrative
15	costs to both the Department of Education and to
16	States and localities that are due to redundant pro-
17	grams, and, second, to maximize the impact of Fed-
18	eral education dollars, but not to reduce our Nation's
19	overall investment in schools and students.

## 2 SEC. 601. SHORT TITLE.

3 This title may be cited as the "Preventing Our Kids
4 From Inhaling Deadly Smoke (PRO-KIDS) Act of 1993".

# 5 SEC. 602. FINDINGS.

6 The Congress finds that—

7 (1) environmental tobacco smoke comes from sec8 ondhand smoke exhaled by smokers and sidestream
9 smoke emitted from the burning of cigarettes, cigars,
10 and pipes;

(2) since citizens of the United States spend up
to 90 percent of a day indoors, there is a significant
potential for exposure to environmental tobacco smoke
from indoor air;

(3) exposure to environmental tobacco smoke occurs in schools, public buildings, and other indoor facilities;

(4) recent scientific studies have concluded that
exposure to environmental tobacco smoke is a cause of
lung cancer in healthy nonsmokers and is responsible
for acute and chronic respiratory problems and other
health impacts in sensitive populations (including
children);

24 (5) the health risks posed by environmental to25 bacco smoke exceed the risks posed by many environ-

1	mental pollutants regulated by the Environmental
2	Protection Agency; and
3	(6) according to information released by the En-
4	vironmental Protection Agency, environmental to-
5	bacco smoke results in a loss to the economy of over
6	\$3,000,000,000 per year.
7	SEC. 603. DEFINITIONS.

# 3 SEC. 604. NONSMOKING POLICY FOR CHILDREN'S SERV-4 ICES.

5 (a) ISSUANCE OF GUIDELINES.—Not later than 180
6 days after the date of enactment of this Act, the Adminis7 trator shall issue guidelines for instituting and enforcing
8 a nonsmoking policy at each indoor facility where chil9 dren's services are provided.

10 (b) CONTENTS OF GUIDELINES.—A nonsmoking policy 11 that meets the requirements of the guidelines shall, at a 12 minimum, prohibit smoking in each portion of an indoor 13 facility where children's services are provided that is not 14 ventilated separately (as defined by the Administrator) 15 from other portions of the facility.

# 16 SEC. 605. TECHNICAL ASSISTANCE.

17 The Administrator and the Secretary shall provide
18 technical assistance to persons who provide children's serv19 ices and other persons who request technical assistance. The
20 technical assistance shall include information—

21 (1) on smoking cessation programs for employ-22 ees; and

23 (2) to assist in compliance with the requirements24 of this title.

### 1 SEC. 606. FEDERALLY FUNDED PROGRAMS.

(a) IN GENERAL.—Notwithstanding any other provision of law, each person who provides children's services
shall establish and make a good-faith effort to enforce a nonsmoking policy that meets or exceeds the requirements of
subsection (b).
(b) NONSMOKING POLICY.—

8 (1) GENERAL REQUIREMENTS.—A nonsmoking
9 policy meets the requirements of this subsection if the
10 policy—

(A) is consistent with the guidelines issued
under section 604(a);

(B) prohibits smoking in each portion of an
indoor facility used in connection with the provision of services directly to children; and

16 (C) where appropriate, requires that signs
17 stating that smoking is not permitted be posted
18 in each indoor facility to communicate the
19 policy.

20 (2) PERMISSIBLE FEATURES.—A nonsmoking
21 policy that meets the requirements of this subsection
22 may allow smoking in those portions of the facility—
23 (A) in which services are not normally pro24 vided directly to children; and

1	(B) that are ventilated separately from
2	those portions of the facility in which services
3	are normally provided directly to children.
4	(c) WAIVER.—
5	(1) IN GENERAL.—A person described in sub-
6	section (a) may publicly petition the head of the Fed-
7	eral agency from which the person receives Federal
8	funds (including financial assistance) for a waiver
9	from any or all of the requirements of subsection (b).
10	(2) Conditions for granting a waiver.—Ex-
11	cept as provided in paragraph (3), the head of the
12	Federal agency may grant a waiver only—
13	(A) after consulting with the Administrator,
14	and receiving the concurrence of the
15	Administrator;
16	(B) after giving an opportunity for public
17	hearing (at the main office of the Federal agency
18	or at any regional office of the agency) and com-
19	ment; and
20	(C) if the person requesting the waiver pro-
21	vides assurances that are satisfactory to the head
22	of the Federal agency (with the concurrence of
23	the Administrator) that—
24	(i) unusual extenuating circumstances
25	prevent the person from establishing or en-

1	forcing the nonsmoking policy (or a require-
2	ment under the policy) referred to in sub-
3	section (b) (including a case in which the
4	person shares space in an indoor facility
5	with another entity and cannot obtain an
6	agreement with the other entity to abide by
7	the nonsmoking policy requirement) and the
8	person will establish and make a good-faith
9	effort to enforce an alternative nonsmoking
10	policy (or alternative requirement under the
11	policy) that will protect children from expo-
12	sure to environmental tobacco smoke to the
13	maximum extent possible; or
14	(ii) the person requesting the waiver
15	will establish and make a good-faith effort
16	to enforce an alternative nonsmoking policy
17	(or alternative requirement under the pol-
18	icy) that will protect children from exposure
19	to environmental tobacco smoke to the same
20	degree as the policy (or requirement) under
21	subsection (b).
22	(3) Special waiver.—
23	(A) IN GENERAL.—On receipt of an appli-
24	cation, the head of the Federal agency may grant
25	a special waiver to a person described in sub-

1	section (a) who employs individuals who are
2	members of a labor organization and provide
3	children's services pursuant to a collective bar-
4	gaining agreement that—
5	(i) took effect before the date of enact-
6	ment of this Act; and
7	(ii) includes provisions relating to
8	smoking privileges that are in violation of
9	the requirements of this section.
10	(B) Termination of waiver.—A special
11	waiver granted under this paragraph shall ter-
12	minate on the earlier of—
13	(i) the first expiration date (after the
14	date of enactment of this Act) of the collec-
15	tive bargaining agreement containing the
16	provisions relating to smoking privileges; or
17	(ii) the date that is 1 year after the
18	date specified in subsection (f).
19	(d) Civil Penalties.—
20	(1) IN GENERAL.—(A) Any person subject to the
21	requirements of this section who fails to comply with
22	the requirements shall be liable to the United States
23	for a civil penalty in an amount not to exceed \$1,000
24	for each violation, but in no case shall the amount be
25	in excess of the amount of Federal funds received by

the person for the fiscal year in which the violation
occurred for the provision of children's services.
(B) Each day a violation continues shall con-
stitute a separate violation.
(2) Assessment.—A civil penalty for a viola-
tion of this section shall be assessed by the head of the
Federal agency that provided Federal funds (includ-
ing financial assistance) to the person (or if the head
of the Federal agency does not have the authority to
issue an order, the appropriate official) by an order
made on the record after opportunity for a hearing in
accordance with section 554 of title 5, United States
Code. Before issuing the order, the head of the Federal
agency (or the appropriate official) shall—
(A) give written notice to the person to be
assessed a civil penalty under the order of the
