H. R. 2712

To establish an additional National Education Goal relating to parental participation in both the formal and informal education of their children, and for other purposes.

IN THE HOUSE OF REPRESENTATIVES

JULY 22, 1993

Mr. McCurdy introduced the following bill; which was referred to the Committee on Education and Labor

A BILL

To establish an additional National Education Goal relating to parental participation in both the formal and informal education of their children, and for other purposes.

- 1 Be it enacted by the Senate and House of Representa-
- 2 tives of the United States of America in Congress assembled,
- 3 **SECTION I. SHORT TITLE.**
- 4 This Act may be cited as the "National Education
- 5 Goal for Parental Participation Act".
- 6 SEC. 2. FINDINGS.
- 7 Congress finds that—

- (1) parents and families are the child's first and primary teacher and a continuing influence throughout the school years;
 - (2) children whose parents are involved in the educational process at home and at school demonstrate higher academic achievement levels than do children who have similar aptitude and family backgrounds and who have parents who are not involved;
 - (3) student behavior and achievement improves in schools that establish strong communication with parents and institute programs that utilize the talents of parents in policy formation and implementation;
 - (4) recent surveys have shown that while more parents are becoming involved in some way with their child's education, far too many parents are faced with institutional barriers to involvement;
 - (5) effective parental involvement programs that are already in place should be disseminated as models to school districts around the country;
 - (6) the Federal Government has established excellent opportunities for parents to become involved in Head Start programs, programs for children who are disabled, and programs for children under chap-

- ter 1 of title I of the Elementary and Secondary
 Education Act of 1965;
- 3 (7) such opportunities need to be provided in 4 other preschool, elementary and secondary pro-5 grams;
- 6 (8) there is limited research and professional 7 development opportunity for teachers and adminis-8 trators in implementing parent involvement pro-9 grams; and
- 10 (9) as a condition that is fundamental to the 11 successful achievement of the first six National Edu-12 cation Goals, parental involvement should be recog-13 nized as a Goal in itself.

14 SEC. 3. NEW EDUCATION GOAL.

- 15 (a) Goal.—It shall be established by the National Education Goals Panel as a National Education Goal, that by the year 2000, every school and home will engage in partnerships that will increase parental involvement and participation in promoting the social, emotional and academic growth of children.
- 21 (b) OBJECTIVES.—The objectives of the Goal estab-22 lished under subsection (a) are that—
- 23 (1) every State will develop policies to assist 24 local schools and school districts to establish pro-25 grams for increasing partnerships that respond to
