1 **TITLE I—STATEMENT OF**
2 **CONGRESSIONAL PURPOSE**

3 **SEC. 101. IMPROVEMENT IN DECISION-MAKING PROCESS.**

4 Because the Federal budget process is the principal
5 vehicle by which many of the most fundamental policy
6 choices in Government are made, the purpose of this Act
7 is to facilitate rational, informed, and timely decisions by
8 the Congress in the course of that process.

9 **SEC. 102. REFORM OF FISCAL MANAGEMENT.**

10 It is the sense of the Congress that a properly func-
11 tioning Federal budget process should focus the attention
12 of policymakers and the public on the aggregate impact
13 of Federal spending on the economy, and on the tradeoffs
14 that must be made among priorities in order to control
15 overall levels of spending. To this end, the Act is intended
16 to establish a budget process that, in each fiscal period—

17 (1) requires the adoption of a budget before,
18 not after, any spending begins;

19 (2) produces decisions on that budget early in
20 the budgeting cycle;

21 (3) encourages cooperation between Congress
22 and the President in adopting the budget;

23 (4) ties each subsequent spending decision to
24 an overall, binding budget total;

1 (5) requires regular, periodic decisions on ap-
2 propriate spending levels for all Federal programs,
3 not just those arbitrarily deemed “controllable”; and

4 (6) produces a bias in favor of fiscal respon-
5 sibility that can be overcome only if the Congress ex-
6 pressly determines to do so.

7 **SEC. 103. SAFEGUARDS AGAINST DELAY AND INACTION.**

8 The Congress further finds that a properly function-
9 ing budget process should contain safeguards against
10 delay and inaction, so that temporary shut-downs of the
11 Federal Government may be avoided when the President
12 and the Congress fail to complete work on the budget prior
13 to the beginning of a fiscal period. Accordingly, this Act
14 is intended to provide an enforcement mechanism that
15 gives meaning and importance to the timely adoption of
16 a budget, and a sustaining mechanism that ensures a con-
17 tinuation of the Government should the political process
18 produce deadlock or a failure to act in a timely fashion.

19 **TITLE II—BINDING BUDGET LAW**

20 **SEC. 201. JOINT RESOLUTION ESTABLISHING BINDING**
21 **BUDGET LAW.**

22 To encourage early consultation and cooperation be-
23 tween the Congress and the President on decisions con-
24 cerning overall spending levels for all Federal programs,
25 the Congress shall enact a binding budget law, in the form

1 of a joint resolution, by April 15 of the calendar year be-
2 fore that in which the fiscal period commences. The tech-
3 nical amendments contained in title VI and section 701
4 of this Act are intended to assist in the establishment of
5 this requirement. The budget law itself shall fit on a single
6 page, which sets forth specific budget ceilings in the fol-
7 lowing 19 major functional categories, which together
8 comprise the entire Federal budget.

9 Function 050: National Defense

10 Function 150: International Affairs

11 Function 250: General Science, Space and
12 Technology

13 Function 270: Energy

14 Function 300: Natural Resources and Environ-
15 ment

16 Function 350: Agriculture

17 Function 400: Transportation

18 Function 450: Community and Regional Devel-
19 opment

20 Function 500: Education, Training, Employ-
21 ment and Social Services

22 Function 550: Health

23 Function 570: Medicare

24 Function 600: Income Security

25 Function 650: Social Security

1 Function 700: Veterans Benefits and Services
2 Function 750: Administration of Justice
3 Function 800: General Government
4 Function 900: Net Interest
5 Function 920: Allowances
6 Function 950: Undistributed Offsetting Re-
7 ceipts.

8 By thus requiring that the budget process begin with
9 highly generalized macroeconomic decisions about spend-
10 ing in 19 overall categories, this section is intended to fa-
11 cilitate agreement within Congress itself, and between
12 Congress and the President, on how much the Federal
13 Government should spend in the ensuing fiscal period.

14 **SEC. 202. BUDGET REQUIRED BEFORE SPENDING BILLS**
15 **MAY BE CONSIDERED.**

16 Unless and until a joint resolution on the budget is
17 enacted with respect to any major functional category for
18 a fiscal period, it shall not be in order in either the House
19 of Representatives or the Senate, or any committee or sub-
20 committee thereof, to consider any spending bill affecting
21 spending in that category, except as provided in Title III
22 of this Act. The purpose of this provision is to ensure that
23 until the budget is signed into law, no authorization or
24 appropriations bill shall be considered in the Congress.

1 **SEC. 203. "BASELINE" BUDGETING PROHIBITED;**
2 **UNADJUSTED YEAR-TO-YEAR COMPARISONS**
3 **REQUIRED IN BUDGET LAW.**

4 Section 301(e) of the Congressional Budget Act of
5 1974 is amended by—

6 (1) inserting after the second sentence the fol-
7 lowing: "The starting point for any deliberations in
8 the Committee on the Budget of each House on the
9 joint resolution on the budget for the next fiscal pe-
10 riod shall be the estimated level of outlays for the
11 current period in each function and subfunction.
12 Any increases or decreases in the Congressional
13 budget for the next fiscal period shall be from such
14 estimated levels.";

15 (2) striking paragraphs (2) and (3) and insert-
16 ing the following:

17 "(2) a comparison of levels for the current fis-
18 cal period with proposed spending for the subse-
19 quent fiscal periods along with the proposed increase
20 or decrease of spending in percentage terms for each
21 function and subfunction;

22 "(3) information, data, and comparisons indi-
23 cating the manner in which, and the basis on which,
24 the committee determined each of the matters set
25 forth in the joint resolution, including information
26 on outlays for the current fiscal period and the deci-

1 sions reached to set funding for the subsequent fis-
2 cal years;”;

3 (3) inserting “and” after the semicolon in para-
4 graph (7);

5 (4) striking paragraph (8); and

6 (5) redesignating paragraph (9) as paragraph
7 (8).

8 The technical amendments contained in sections
9 702(g) and 704(b) of this Act are intended to apply the
10 same prohibition against “baseline” budgeting to the
11 budgets prepared by the President and the Congressional
12 Budget Office reports to the Budget Committees.

13 **SEC. 204. PRESIDENT’S BUDGET SUBMISSIONS.**

14 On or before the fifteenth day after a joint resolution
15 on the budget is enacted, the President shall submit to
16 the Congress a detailed budget for the fiscal period begin-
17 ning on October 1 of the current calendar year, including
18 all summaries and explanations required under section
19 1105(a) of title 31, United States Code.

1 **TITLE III—ENFORCEMENT MECHANICS**
2 **Subtitle A—Supermajority Required to Break**
3 **Budget Law**

4 **SEC. 301. TWO-THIRDS REQUIREMENT FOR ALL SPENDING**
5 **BILLS IN ABSENCE OF BUDGET LAW.**

6 Unless and until a joint resolution on the budget is
7 enacted with respect to any major functional category for
8 a fiscal period, it shall not be in order in either the House
9 of Representatives or the Senate or any committee or sub-
10 committee thereof, to consider any spending bill affecting
11 spending in that category unless it is approved by the af-
12 firmative vote of two-thirds of the Members voting, a
13 quorum being present.

14 **SEC. 302. TWO-THIRDS REQUIREMENT FOR OVER-BUDGET**
15 **SPENDING BILLS.**

16 (a) DETERMINATION OF BUDGET EFFECT OF ALL
17 PROPOSED SPENDING BILLS.—The Congressional Budget
18 Office shall provide to either House of Congress (or the
19 appropriate committee, subcommittee, or conference
20 thereof) as soon as practicable after the introduction of
21 any spending bill, its estimate of the costs in each major
22 functional category attributable to that bill during the fis-
23 cal period in which it is to become effective and in each
24 of the next 4 fiscal years, together with the basis for such
25 estimate. The Congressional Budget Office report shall

1 not be required, however, if the Congressional Budget Of-
2 fice certifies that a spending bill will likely result in appli-
3 cable costs of less than \$10,000,000. For purposes of esti-
4 mating the costs attributable to any spending bill that in-
5 cludes new credit authority, the report shall deem the mar-
6 ket value of any loan (if it were sold by the Federal Gov-
7 ernment) or the assumption cost of any guarantee (if it
8 were assumed at market rates) to be the costs attributable
9 to such loan or guarantee in the fiscal period in which
10 it is made.

11 (b) CBO REPORT REQUIRED BEFORE CONSIDER-
12 ATION OF SPENDING BILLS.—It shall not be in order in
13 either the House of Representatives or the Senate, or in
14 any committee thereof, to consider any spending bill, un-
15 less and until the report referred to in subsection (a) has
16 been made available to that House of Congress or the ap-
17 propriate committee or subcommittee thereof.

18 (c) TWO-THIRDS REQUIREMENT FOR ALL OVER-
19 BUDGET SPENDING BILLS.—It shall not be in order in
20 either the House of Representatives or the Senate (or in
21 any committee, subcommittee, or conference) to consider
22 any spending bill for a fiscal period that the report re-
23 ferred to in subsection (a) indicates would in such fiscal
24 period exceed a budget ceiling, unless such bill is approved

1 by the affirmative vote of two-thirds of the Members vot-
2 ing, a quorum being present.

3 (d) DETERMINATION OF SPENDING IN A CAT-
4 EGORY.—A spending bill shall be deemed to break a budg-
5 et ceiling if—

6 (1) its cost in any major functional category as
7 estimated in the report referred to in subsection (a);
8 and

9 (2) all other budget authority, budget outlays,
10 and entitlement authority, if any, in that major
11 functional category for the relevant fiscal period con-
12 tained in any previously enacted legislation for the
13 fiscal period; and

14 (3) to the extent that new budget authority or
15 entitlement authority for the relevant fiscal period
16 has not been granted (or modified from the level of
17 the previous fiscal period) in any other enacted legis-
18 lation for any program within such major functional
19 category, the amounts of budget authority and enti-
20 tlement authority for such major functional category
21 (or part thereof) for the previous fiscal period;

22 exceed the budget ceiling for such major functional cat-
23 egory.

1 **SEC. 303. TWO-THIRDS REQUIREMENT FOR WAIVER OF**
2 **THIS ACT.**

3 No waiver of any provision of this Act, including the
4 calendar deadlines for completion of Congressional action
5 and the provisions concerning over-budget spending, shall
6 be effective unless approved by the affirmative vote of two-
7 thirds of the Members of the House of Representatives
8 or the Senate, as the case may be, a quorum being
9 present. No committee of either the House of Representa-
10 tives or the Senate shall have jurisdiction to report a rule
11 governing procedures for consideration of spending bills
12 covered by this Act, if such rule would violate the provi-
13 sions of this section. Nothing in this provision shall be
14 deemed to require a supermajority vote to amend this Act.

15 **Subtitle B—Line Item Reduction**

16 **SEC. 304. PRESIDENT'S AUTHORITY LIMITED TO SPENDING**
17 **ABOVE LIMITS OF CONGRESSIONAL BUDGET**
18 **LAW.**

19 The Impoundment Control Act of 1974 (2 U.S.C.
20 681 et seq.) is amended by redesignating sections 1013
21 through 1017 as sections 1014 through 1018, respectively,
22 and inserting after section 1012 the following new section:

23 “PRESIDENTIAL LINE-ITEM REDUCTION OF SPENDING
24 ABOVE LIMITS OF CONGRESSIONAL BUDGET LAW

25 “SEC. 1013. (a) TRANSMITTAL OF SPECIAL MES-
26 SAGE.—The President may transmit to both Houses of

1 Congress for consideration in accordance with this section
2 one or more special messages detailing his use of line item
3 reduction authority to rescind (in whole or in part) items
4 of budget authority or entitlement authority sufficient to
5 ensure that the levels of budget authority, entitlement au-
6 thority, and outlays in a functional category do not exceed
7 the levels stated in the budget law for the applicable fiscal
8 period (or, in the absence of a budget law, do not exceed
9 such levels in the previous fiscal period).

10 “(b) LIMITATIONS.—For purposes of this section—

11 “(1) continuing appropriations made pursuant
12 to section 1311 of title 31, United States Code, shall
13 be treated as continuing appropriations for an entire
14 fiscal period; and

15 “(2) the levels of budget authority, entitlement
16 authority, and outlays shall be determined on the
17 basis of the reports made by the Congressional
18 Budget Office pursuant to section 202 of the Budget
19 Process Reform Act of 1990.

20 “(c) CONTENTS OF SPECIAL MESSAGE.—Each spe-
21 cial message transmitted under subsection (a) shall speci-
22 fy, with respect to each item of budget authority to be
23 rescinded under the President’s line-item reduction au-
24 thority the matters referred to in paragraphs (1) through
25 (5) of section 1012(a).

1 “(d) REQUIREMENT NOT TO MAKE AVAILABLE FOR
2 OBLIGATION.—Any item of budget authority to be re-
3 scinded as set forth in such special message shall not be
4 made available for obligation unless, within the prescribed
5 45-day period, Congress completes action on a bill dis-
6 approving the line-item reduction of the amount to be re-
7 scinded. Funds made available for obligation under this
8 procedure may not be included in a special message again.

9 “(e) PROCEDURES.—

10 “(1)(A) Before the close of the third day begin-
11 ning after the day on which a special message to re-
12 scind an item of budget authority is transmitted to
13 the House of Representatives and the Senate under
14 subsection (a), a line-item reduction bill may be in-
15 troduced (by request) by the majority leader or mi-
16 nority leader of the House of the Congress in which
17 the appropriation Act providing the budget authority
18 originated to disapprove the line-item reduction set
19 forth in the special message. If such House is not
20 in session on the day on which a special message is
21 transmitted, the line-item reduction bill may be in-
22 troduced in such House, as provided in the preced-
23 ing sentence, on the first day thereafter on which
24 such House is in session.

1 “(B) A line-item reduction bill introduced in the
2 House of Representatives or the Senate pursuant to

6 stantive revision (and with or without recommenda-
7 tion) not later than 15 calendar days of continuous
8 session of the Congress after the date on which the
9 bill is introduced. A committee failing to report a
10 line-item reduction bill within the 15-day period re-
11 ferred to in the preceding sentence shall be auto-
12 matically discharged from consideration of the bill
13 and the bill shall be placed on the appropriate cal-
14 endar.

15 “(C) A vote on final passage of a line-item re-
16 duction bill introduced in a House of the Congress
17 pursuant to subparagraph (A) shall be taken on or
18 before the close of the 25th calendar day of continu-
19 ous session of the Congress after the date of the in-
20 troduction of the bill in such House. If the line-item
21 reduction bill is agreed to, the Clerk of the House
22 of Representatives (in the case of a bill agreed to in
23 the House of Representatives) or the Secretary of
24 the Senate (in the case of a bill agreed to in the
25 Senate) shall cause the bill to be engrossed, cer-

1 tified, and transmitted to the other House of the
2 Congress on the same calendar day on which the bill
3 is agreed to.

4 “(2)(A) A line-item reduction bill transmitted
5 to the House of Representatives or the Senate pur-
6 suant to paragraph (1)(C) shall be referred to the
7 Committee on Appropriations of such House. The
8 committee shall report the line-item reduction bill
9 without substantive revision (and with or without

12 transmitted to such House. A committee failing to
13 report the line-item reduction bill within the 10-day
14 period referred to in the preceding sentence shall be
15 automatically discharged from consideration of the
16 bill and the bill shall be placed upon the appropriate
17 calendar.

18 “(B) A vote on the final passage of a line-item
19 reduction bill transmitted to a House of the Con-
20 gress pursuant to paragraph (1)(C) shall be taken
21 on or before the close of the 10th calendar day of
22 continuous session of the Congress after the date on
23 which the bill is transmitted to such House. If the
24 line-item reduction bill is agreed to in such House,
25 the Clerk of the House of Representatives (in the

1 case of a bill agreed to in the House of Representa-
2 tives) or the Secretary of the Senate (in the case of
3 a bill agreed to in the Senate) shall cause the en-
4 grossed bill to be returned to the House in which the
5 bill originated, together with a statement of the ac-
6 tion taken by the House acting under this para-
7 graph.

8 “(3)(A) A motion in the House of Representa-
9 tives to proceed to the consideration of a line-item
10 reduction bill under this section shall be highly privi-
11 leged and not debatable. An amendment to the mo-
12 tion shall not be in order, nor shall it be in order
13 to move to reconsider the vote by which the motion
14 is agreed to or disagreed to.

15 “(B) Debate in the House of Representatives
16 on a line-item reduction bill under this section shall
17 be limited to not more than 2 hours, which shall be
18 divided equally between those favoring and those op-
19 posing the bill. A motion further to limit debate
20 shall not be debatable and shall require an affirma-
21 tive vote of two-thirds of the Members voting, a
22 quorum being present. It shall not be in order to
23 move to recommit a line-item reduction bill under
24 this section or to move to reconsider the vote by

1 which the line-item reduction bill is agreed to or dis-
2 agreed to.

3 “(C) All appeals from the decisions of the Chair
4 relating to the application of the Rules of the House
5 of Representatives to the procedure relating to a
6 line-item reduction bill under this section shall be
7 decided without debate.

8 “(D) Except to the extent specifically provided
9 in the preceding provisions of this subsection, con-
10 sideration of a line-item reduction bill under this
11 section shall be governed by the Rules of the House
12 of Representatives applicable to other bills in similar
13 circumstances.

14 “(4)(A) A motion in the Senate to proceed to
15 the consideration of a line-item reduction bill under
16 this section shall be privileged and not debatable. An
17 amendment to the motion shall not be in order, nor
18 shall it be in order to move to reconsider the vote
19 by which the motion is agreed to or disagreed to.

20 “(B) Debate in the Senate on a line-item reduc-
21 tion bill under this section, and all debatable mo-
22 tions and appeals in connection therewith, shall be
23 limited to not more than 2 hours. The time shall be
24 equally divided between, and controlled by, the ma-

1 jority leader and the minority leader or their des-
2 ignees.

3 “(C) Debate in the Senate on any debatable
4 motion or appeal in connection with a line-item re-
5 duction bill under this section shall be limited to not
6 more than 1 hour, to be equally divided between,
7 and controlled by, the mover and the manager of the
8 bill except that in the event the manager of the bill
9 is in favor of any such motion or appeal, the time
10 in opposition thereto shall be controlled by the mi-
11 nority leader or his designee. Such leaders, or either
12 of them, may, from time under their control on the
13 passage of a line-item reduction bill, allot additional
14 time to any Senator during the consideration of any
15 debatable motion or appeal.

16 “(D) A motion in the Senate to further limit
17 debate on a line-item reduction bill under this sec-
18 tion is not debatable. A motion to recommit a line-
19 item reduction bill under this section is not in order.

20 “(f) AMENDMENTS PROHIBITED.—No amendment to
21 a line-item reduction bill considered under this section
22 shall be in order in either the House of Representatives
23 or the Senate. No motion to suspend the application of
24 this subsection shall be in order in either House, nor shall
25 it be in order in either House for the presiding officer to

1 entertain a request to suspend the application of this sub-
2 section by unanimous consent.”.

3 **SEC. 305. APPLICATION.**

4 The amendments made by section 304 shall apply to
5 items of budget authority (as defined in subsection (g)(1)

10 **Subtitle C—“Blank Check” Appropriations**
11 **Prohibited**

12 **SEC. 306. INTENT OF CONGRESS.**

13 It is the intent of Congress, by this provision, to put
14 an end to open-ended, “blank check” appropriations,
15 which typically authorize the spending of “such sums as
16 may be necessary.” By requiring explicit decisions con-
17 cerning the desired level of spending for each federal pro-
18 gram (except Social Security and interest on the debt),
19 it is intended that currently uncontrolled programs will be
20 brought within the discipline of an overall budget.

21 **SEC. 307. FIXED-DOLLAR APPROPRIATIONS REQUIRED.**

22 (a) **FIXED-DOLLAR APPROPRIATIONS.**—For every ac-
23 count except Social Security and interest on the debt,
24 every appropriation for a fiscal period for any program,
25 project, or activity (including claims, judgments, and relief

1 acts) shall be for a specific, fixed dollar amount. Any ap-
2 propriations of “such sums as may be necessary” (except
3 with respect to the automatic continuing resolution pro-
4 vided for by section 401 of this Act) are hereby prohibited.

5 (b) POINT OF ORDER.—It shall not be in order in
6 either the House of Representatives or the Senate (or in
7 any committee, subcommittee, or conference) to consider
8 any appropriation that is in violation of subsection (a).

9 **SEC. 308. AGENCY AUTHORITY TO ADJUST EXPENDITURES**
10 **TO APPROPRIATED AMOUNTS.**

11 (a) The head of each Executive agency that admin-
12 isters any entitlement program is authorized to adjust
13 benefit levels and eligibility requirements, or both, with re-
14 spect to the program such that aggregate outlays for a
15 fiscal period do not exceed the fixed-dollar appropriation
16 provided pursuant to this title for such fiscal period. Such
17 adjustment shall be made by rule or, pending adoption of
18 appropriate rules, informal guideline. The purpose of any
19 such rule or guideline shall be to ensure that the fixed-
20 dollar appropriations for the program authorized by Con-
21 gress are not exceeded.

22 (b) In the event that any claim or judgment against
23 the United States exceeds the amount available therefor,
24 the aggregate appropriations for claims, judgments, and
25 relief for the current fiscal period, then the excess shall

1 be paid first out of discretionary funds appropriated in
2 such fiscal year to the department or agency against which
3 the judgment or claim is due, next out of unobligated
4 funds appropriated to that department or agency in such
5 fiscal year, and finally out of funds appropriated to that
6 department or agency for the next fiscal year. The obliga-
7 tion set forth herein of a department or agency to pay
8 such claims or judgments in excess of amounts authorized
9 therefor in applicable judgment, claim and relief acts shall
10 supersede all other budget requirements for that depart-
11 ment or agency, any other provision of law to the contrary
12 notwithstanding.

23 or entitlement authority—

1 for therein is offset fully in each such fiscal period in such
2 measure, bill, resolution or amendment by an equal
3 amount of reductions in existing spending.

4 **SEC. 311. TWO-THIRDS VOTE REQUIRED TO WAIVE POINT**
5 **OF ORDER.**

6 The point of order established by this subtitle may
