## A BILL

To amend title 18, United States Code, to promote the  
safe use of guns and to reduce gun violence.

1 *Be it enacted by the Senate and House of Representa-*  
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Gun Violence Preven-  
5 tion Act of 1994”.

6 **SEC. 2. FINDINGS AND DECLARATIONS.**

7 The Congress finds and declares that—

1           (1) crime, particularly crime involving guns, is  
2 a pervasive, nationwide problem;

3           (2) crimes committed with guns threaten the  
4 peace and domestic tranquility of the citizens of the  
5 United States and threaten the security and general  
6 welfare of the Nation and its people;

7           (3) crimes committed with guns, and especially  
8 handguns, have created a substantial burden on  
9 interstate commerce;

10          (4) crime at the local level is exacerbated by the  
11 interstate movement of guns;

12          (5) guns and ammunition are easily concealed  
13 and transported across State lines in interstate com-  
14 merce, and as a result, individual State action to  
15 regulate them is made less than effective by lax reg-  
16 ulation in other States;

17          (6) in fact, even before the sale of a firearm,  
18 the gun, its component parts, ammunition, and the  
19 raw materials from which they are made have moved  
20 considerably in interstate commerce;

21          (7) while criminals move freely from State to  
22 State, ordinary citizens and foreign visitors may fear  
23 to travel to or through certain parts of the country  
24 due to concern about violent crime and gun violence,

1 and parents may decline to send their children to  
2 school for the same reason;

3 (8) the occurrence of gun violence in schools  
4 has resulted in a decline in the quality of education  
5 in our country and this, in turn, has an adverse im-  
6 pact on interstate commerce and the foreign com-  
7 merce of the United States;

8 (9) States and localities find it almost impos-  
9 sible to handle gun-related crime by themselves due  
10 in part to the failure or inability of other States or  
11 localities to take strong measures; and

12 (10) accordingly, it is necessary to establish na-  
13 tional standards to promote the safe use of firearms  
14 and to reduce gun violence, including handgun li-  
15 censing and registration, expanded prohibitions  
16 against firearm transfers to, or possession by, chil-  
17 dren and persons likely to misuse or commit crimes  
18 with firearms, requirements for gun safety and safe  
19 storage, strengthened regulation of licensed manu-  
20 facturers, importers, and dealers, and prohibitions  
21 on the sale of semiautomatic assault weapons and  
22 other dangerous weapons.

1     **TITLE I—HANDGUN LICENSING**  
2                     **AND REGISTRATION**

4                     **FER OF A HANDGUN.**

5             (a) IN GENERAL.—Section 922 of title 18, United  
6 States Code, is amended by adding at the end the follow-  
7 ing new subsection:

9 deliver, or otherwise transfer a handgun to an individual  
10 (including an individual taking possession of a handgun  
11 as employee or agent of another person) who is not li-  
12 censed under section 923 unless—
