**SEC. 401. SHORT TITLE.**

This title may be cited as the “Environmental Export Promotion Act of 1994”.

**SEC. 402. PROMOTION OF ENVIRONMENTAL EXPORTS.**

(a) ENVIRONMENTAL TECHNOLOGIES TRADE ADVISORY COMMITTEE.—Section 2313 of the Export Enhancement Act of 1988 (15 U.S.C. 4728) is amended—

(1) by striking subsection (d);

(2) by redesignating subsection (c) as subsection (e); and

(3) by inserting after subsection (b) the following:

“(c) ENVIRONMENTAL TECHNOLOGIES TRADE ADVISORY COMMITTEE.—

H. R. 4950—3

“(1) ESTABLISHMENT AND PURPOSE.—The Secretary, in carrying out the duties of the chairperson of the TPCC, shall establish the Environmental Technologies Trade Advisory Committee (hereafter in this section referred to as the ‘Committee’). The purpose of the Committee shall be to provide advice and guidance to the Working Group in the development and administration of programs to expand United States exports of environmental technologies, goods, and services and products that comply with United States environmental, safety, and related requirements.

“(2) MEMBERSHIP.—The members of the Committee shall be drawn from representatives of—

“(A) environmental businesses, including small businesses;

“(B) trade associations in the environmental sector;

“(C) private sector organizations involved in the promotion of environmental exports, including products that comply with United States environmental, safety, and related requirements;

“(D) States (as defined in section 2301(i)(5)) and associations representing the States; and

“(E) other appropriate interested members of the public, including labor representatives.

The Secretary shall appoint as members of the Committee at least 1 individual under each of subparagraphs (A) through (E).

“(d) EXPORT PLANS FOR PRIORITY COUNTRIES.—

“(1) PRIORITY COUNTRY IDENTIFICATION.—The Working Group, in consultation with the Committee, shall annually assess which foreign countries have markets with the greatest potential for the export of United States environmental technologies, goods, and services. Of these countries the Working Group shall select as priority countries 5 with the greatest potential for the application of United States Government export promotion resources related to environmental exports.

“(2) EXPORT PLANS.—The Working Group, in consultation with the Committee, shall annually create a plan for each priority country selected under paragraph (1), setting forth in detail ways to increase United States environmental exports to such country. Each such plan shall—

“(A) identify the primary public and private sector opportunities for United States exporters of environmental technologies, goods, and services in the priority country;

“(B) analyze the financing and other requirements for major projects in the priority country which will use environmental technologies, goods, and services, and analyze whether such projects are dependent upon financial assistance from foreign countries or multilateral institutions; and

“(C) list specific actions to be taken by the member agencies of the Working Group to increase United States exports to the priority country.”.

(b) ADDITIONAL MECHANISMS TO PROMOTE ENVIRONMENTAL EXPORTS.—Section 2313 of the Export Enhancement Act of 1988 is further amended by adding at the end the following:

“(f) ENVIRONMENTAL TECHNOLOGIES SPECIALISTS IN THE UNITED STATES AND FOREIGN COMMERCIAL SERVICE.—

“(1) ASSIGNMENT OF ENVIRONMENTAL TECHNOLOGIES SPECIALISTS.—The Secretary shall assign a specialist in environmental technologies to the office of the United States and Foreign Commercial Service in each of the 5 priority countries selected under subsection (d)(1), and the Secretary is authorized to assign such a specialist to the office of the United States and Foreign Commercial Service in any country that is a promising market for United States exports of environmental technologies, goods, and services. Such specialist may be an employee of the Department, an employee of any relevant United States Government department or agency assigned on a temporary or limited term basis to the Commerce Department, or a representative of the private sector assigned to the Department of Commerce.

“(2) DUTIES OF ENVIRONMENTAL TECHNOLOGIES SPECIALISTS.—Each specialist assigned under paragraph (1) shall provide export promotion assistance to United States environmental businesses, including, but not limited to—

“(A) identifying factors in the country to which the specialist is assigned that affect the United States share of the domestic market for environmental technologies, goods, and services, including market barriers, standards-setting activities, and financing issues;

“(B) providing assessments of assistance by foreign governments that is provided to producers of environmental technologies, goods, and services in such countries in order to enhance exports to the country to which the specialist is assigned, the effectiveness of such assistance on the competitiveness of United States products, and whether comparable United States assistance exists;

“(C) training Foreign Commercial Service Officers in the country to which the specialist is assigned, other countries in the region, and United States and Foreign Commercial Service offices in the United States, in environmental technologies and the international environmental market;

“(D) providing assistance in identifying potential customers and market opportunities in the country to which the specialist is assigned;

“(E) providing assistance in obtaining necessary business services in the country to which the specialist is assigned;

“(F) providing information on environmental standards and regulations in the country to which the specialist is assigned;

“(G) providing information on all United States Government programs that could assist the promotion, financing, and sale of United States environmental technologies, goods, and services in the country to which the specialist is assigned; and

“(H) promoting the equal treatment of United States environmental, safety, and related requirements, with those of other exporting countries, in order to promote exports of United States-made products.

“(g) ENVIRONMENTAL TRAINING IN ONE-STOP SHOPS.—In addition to the training provided under subsection (f)(2)(C), the Secretary shall establish a mechanism to train—

“(1) Commercial Service Officers assigned to the one-stop shops provided for in section 2301(b)(8), and

“(2) Commercial Service Officers assigned to district offices in districts having large numbers of environmental businesses, in environmental technologies and in the international environmental marketplace, and ensure that such officers receive appropriate training under such mechanism. Such training may be provided by officers or employees of the Department of Commerce, and other United States Government departments and agencies, with appropriate expertise in environmental technologies and the international environmental workplace, and by appropriate representatives of the private sector.

“(h) INTERNATIONAL REGIONAL ENVIRONMENTAL INITIATIVES.—

“(1) ESTABLISHMENT OF INITIATIVES.—The TPCC may establish one or more international regional environmental initiatives the purpose of which shall be to coordinate the activities of Federal departments and agencies in order to build environmental partnerships between the United States and the geographic region outside the United States for which such initiative is established. Such partnerships shall enhance environmental protection and promote sustainable development by using in the region technical expertise and financial resources of United States departments and agencies that provide foreign assistance and by expanding United States exports of environmental technologies, goods, and services to that region.

“(2) ACTIVITIES.—In carrying out each international regional environmental initiative, the TPCC shall—

“(A) support, through the provision of foreign assistance, the development of sound environmental policies and practices in countries in the geographic region for which the initiative is established, including the development of environmentally sound regulatory regimes and enforcement mechanisms;

“(B) identify and disseminate to United States environmental businesses information regarding specific environmental business opportunities in that geographic region;

“(C) coordinate existing Federal efforts to promote environmental exports to that geographic region, and ensure that such efforts are fully coordinated with environmental export promotion efforts undertaken by the States and the private sector;

“(D) increase assistance provided by the Federal Government to promote exports from the United States of environmental technologies, goods, and services to that geographic region, such as trade missions, reverse trade missions, trade fairs, and programs in the United States to train foreign nationals in United States environmental technologies; and

“(E) increase high-level advocacy by United States Government officials (including the United States ambassadors to the countries in that geographic region) for United States environmental businesses seeking market opportunities in that geographic region.

“(i) ENVIRONMENTAL TECHNOLOGIES PROJECT ADVOCACY CALENDAR AND INFORMATION DISSEMINATION PROGRAM.—The Working Group shall—

“(1) maintain a calendar, updated at the end of each calendar quarter, of significant opportunities for United States environmental businesses in foreign markets and trade promotion events, which shall—

“(A) be made available to the public;

“(B) identify the 50 to 100 environmental infrastructure and procurement projects in foreign markets that have the greatest potential in the calendar quarter for United States exports of environmental technologies, goods, and services; and

“(C) include trade promotion events, such as trade missions and trade fairs, in the environmental sector; and

“(2) provide, through the National Trade Data Bank and other information dissemination channels, information on opportunities for environmental businesses in foreign markets and information on Federal export promotion programs.

“(j) ENVIRONMENTAL TECHNOLOGY EXPORT ALLIANCES.—Subject to the availability of appropriations for such purpose, the Secretary is authorized to use the Market Development Cooperator Program to support the creation on a regional basis of alliances of private sector entities, nonprofit organizations, and universities, that support the export of environmental technologies, goods, and services and promote the export of products complying with United States environmental, safety, and related requirements.

“(k) DEFINITION.—For purposes of this section, the term ‘environmental business’ means a business that produces environmental technologies, goods, or services.”.

## **TITLE V—INTERNATIONAL PROTECTION OF INTELLECTUAL PROPERTY**

### **SEC. 501. ESTABLISHMENT OF PROGRAM.**

(a) IN GENERAL.—In carrying out part I of the Foreign Assistance Act of 1961 and other relevant foreign assistance laws, the President, acting through the Administrator of the United States Agency for International Development, shall establish a program of training and other technical assistance to assist foreign countries in—

(1) developing and strengthening laws and regulations to protect intellectual property; and

(2) developing the infrastructure necessary to implement and enforce such laws and regulations.

(b) PARTICIPATION OF OTHER AGENCIES.—The Administrator of the United States Agency for International Development—

(1) shall utilize the expertise of the Patent and Trademark Office and other agencies of the United States Government in designing and implementing the program of assistance provided for in this section;

(2) shall coordinate assistance under this section with efforts of other agencies of the United States Government to increase international protection of intellectual property, including implementation of international agreements containing high levels of protection of intellectual property; and

H. R. 4950—7

(3) shall consult with the heads of such other agencies in determining which foreign countries will receive assistance under this section.
