

H. Res. 275

In the House of Representatives, U. S.,

October 19, 1993.

Resolved, That upon adoption of this resolution it shall be in order to consider the conference report and amendments reported from conference in disagreement on the bill (H.R. 2491) making appropriations for the Departments of Veterans Affairs and Housing and Urban Development, and for sundry independent agencies, boards, commissions, corporations, and offices for the fiscal year ending September 30, 1994, and for other purposes. All points of order against the conference report are waived. The conference report, amendments in disagreement, and motions printed in the joint explanatory statement of the committee of conference to dispose of amendments in disagreement shall be considered as read. It shall be in order, any rule of the House to the contrary notwithstanding, to consider a motion offered by Representative Stokes of Ohio or a designee that the House recede from its disagreement to the amendment of the Senate numbered 113 and concur therein with the amendment printed in section 2 of this resolution. That motion shall be debat-

able for one hour equally divided and controlled by the proponent and an opponent. The previous question shall be considered as ordered on that motion to final adoption without intervening motion.

SEC. 2. The amendment of the House to the amendment of the Senate numbered 113 is as follows:

In lieu of the matter proposed by said amendment, insert: “: *Provided further*, That, pursuant to Public Law 102–486, an amount equal to not more than 50 percent of all utility energy efficiency and water conservation cash rebates received by the National Aeronautics and Space Administration may be made available for additional energy efficiency and water conservation measures, including facility surveys: *Provided further*, That none of the funds provided in this Act to the National Aeronautics and Space Administration shall be available for other than termination costs of the advanced solid rocket motor program.

“Notwithstanding any other provision of this Act, the amounts appropriated in this Act for fiscal year 1994 shall be: \$4,853,500,000 for the National Aeronautics and Space Administration ‘Space flight, control and data communications’, \$517,700,000 for the National Aeronautics and Space Administration ‘Construction of facilities’, \$7,529,300,000 for the National Aeronautics and Space Administration ‘Research and development’, \$1,480,853,000 for the Environ-

mental Protection Agency ‘Hazardous substance superfund’, \$1,998,500,000 for the National Science Foundation ‘Research and related activities’, and \$110,000,000 for the National Science Foundation ‘Academic research infrastructure’ ”.
