17 the most highly industrialized states all of whose top  
18 environmental officials have ministerial status;

19 (3) the size of the budget and the number of  
20 Federal civil servants devoted to tasks associated  
21 with environmental protection at the Environmental  
22 Protection Agency is commensurate with depart-  
23 mental status; and

24 (4) a cabinet-level Department of the Environ-
