CONCURRENT RESOLUTION

To recognize and encourage the convening of a National Silver Haired Congress.

Whereas many States have encouraged and facilitated the creation of senior citizen legislative and advocacy bodies;

Whereas in creating such bodies such States have provided to many older Americans the opportunity to express concerns, promote appropriate interests, and advance the

common good by influencing the legislation and actions of State government; and

Whereas a National Silver Haired Congress, with representatives from each State, would provide a national forum for a nonpartisan evaluation of grassroots solutions to concerns shared by an increasing number of older Americans: Now, therefore, be it

1 *Resolved by the Senate (the House of Representatives*
 2 *concurring)*, That the Congress hereby recognizes and en-
 3 courages the convening of an annual National Silver
 4 Haired Congress in the District of Columbia.
