SEC. 101. LIMITATION ON PRE-EXISTING CONDITIONS PROVISIONS IN THE SMALL EMPLOYER MARKET.

(a) IN GENERAL.—An insurer may impose a pre-existing conditions provision (as defined in subsection (b)) with respect to an individual under a health benefit plan covering small employers only if—

(1) the limitation or exclusion does not extend for a period beyond 12 months following the individual’s effective date of coverage under the plan and only relates to conditions during the six months immediately preceding the effective date of coverage; and

(2) the limitation or exclusion does not apply to an individual who, as of the date of birth, was covered under the plan.

(b) PRE-EXISTING CONDITIONS PROVISION DEFINED.—In this title, the term “pre-existing conditions provision” means a policy provision that excludes or limits coverage for charges or expenses incurred during a speci-

1 fied period following the insured's effective date of cov-
 2 erage as to a condition which, during a specified period
 3 immediately preceding the effective date of coverage, had
 4 manifested itself in such a manner as would cause an ordi-
 5 narily prudent person to seek medical advice, diagnosis,
 6 care, or treatment or for which medical advice, diagnosis,
 7 care or treatment was recommended or received, or a preg-
 8 nancy existing on the effective date of coverage.

9 **SEC. 102. ASSURANCE OF CONTINUITY OF COVERAGE**
 10 **THROUGH PREVIOUS SATISFACTION OF PRE-**
 11 **EXISTING CONDITION REQUIREMENT.**

12 (a) IN GENERAL.—In determining whether a pre-ex-
 13 isting conditions provision applies to an eligible employee
 14 or dependent covered under any health benefit plan, the
 15 plan shall credit the time the person was covered under
 16 a previous health benefit plan if the previous coverage was
 17 continuous to a date not more than 30 days prior to the
 18 effective date of the new coverage, exclusive of any appli-
 19 cable service waiting period under the plan.

20 (b) TREATMENT OF WAITING PERIODS.—In applying
 21 subsection (a), any waiting period, which may not exceed
 22 90 days, imposed by an employer before an employee is
 23 eligible to be covered under a plan shall be treated as a
 24 period in which the employee was covered under a health
 25 benefit plan.

1 **SEC. 103. REQUIREMENTS RELATING TO RENEWABILITY**

2 **GENERALLY.**

3 (a) **MULTIPLE EMPLOYER WELFARE ARRANGE-**
4 **MENTS.**—A multiple employer welfare arrangement may
5 not cancel coverage or deny renewal of coverage under
6 such a plan with respect to an employer other than—

7 (1) for nonpayment of contributions;

8 (2) for fraud or other misrepresentation by the
9 employer;

10 (3) for noncompliance with plan provisions; and

11 (4) because the plan is ceasing to provide any
12 coverage in a geographic area.

13 (b) **INSURERS.**—An insurer may not cancel a health
14 benefit plan or deny renewal of coverage under such a plan
15 other than—

16 (1) for nonpayment of premiums;

17 (2) for fraud or other misrepresentation by the
18 insured;

19 (3) for noncompliance with plan provisions;

20 (4) in the case of a plan issued to a small em-
21 ployer, for failure to maintain minimum participa-
22 tion rates (consistent with subsection (d)); or

23 (5) because the insurer is ceasing to provide
24 any health benefit plan in a State, or, in the case
25 of an HMO, in a geographic area.

1 (c) LIMITATION ON MARKET RE-ENTRY.—If an in-
2 surer ceases to offer health benefit plans to employers in
3 a geographic area, the insurer may not offer such a health
4 benefit plan to any employer in the geographic area until
5 5 years after the date of the termination.

6 (d) MINIMUM PARTICIPATION RATES.—An insurer
7 may require, with respect to a health benefit plan issued
8 to a small employer, that a minimum percentage of eligible
9 employees who do not otherwise have health insurance are
10 enrolled in such plan if such percentage is applied uni-
11 formly to all plans offered to employers of comparable size.

12 (e) UNDERWRITING AND SELECTIVE EXCLUSION.—

13 (1) IN GENERAL.—Except as provided in this
14 subsection, an insurer may underwrite and rate
15 small employer groups using accepted underwriting
16 and actuarial practices.

17 (2) PROHIBITION OF HEALTH STATUS UNDER-
18 WRITING.—Subject to paragraph (3), an insurer
19 shall not exclude any eligible employee or dependent,
20 who would otherwise be covered under a health bene-
21 fit plan offered by the insurer, on the basis of any
22 actual or expected health condition of the employee
23 or dependent.

1 (3) EXCLUSION OF LATE ENROLLEES.—With
2 respect to an individual who is a late enrollee (as de-
3 fined in paragraph (4)), an insurer—

4 (A) may exclude the individual for a period
5 of up to 24 months or may, in the discretion of
6 the insurer, extend coverage to the individual at
7 any time during that period, and

8 (B) may medically underwrite the individ-
9 ual.

10 (4) LATE ENROLLEE.—In this title, the term
11 “late enrollee” means an eligible employee or de-
12 pendent who requests enrollment in a small employ-
13 er’s health benefit plan following the initial enroll-
14 ment period provided under the terms of the first
15 plan for which the employee or dependent was eligi-
16 ble through the small employer, unless any of the
17 following apply:

18 (A) The individual—

19 (i) was covered under another em-
20 ployer-provided health benefit plan at the
21 time the individual was eligible to enroll;

22 (ii) states, at the time of the initial
23 eligibility, that coverage under another em-
24 ployer health benefit plan was the reason
25 for declining enrollment;

(iii) has lost coverage under another employer health benefit plan as a result of the termination of employment, the termination of the other plan's coverage, death of a spouse, or divorce; and

(iv) requests enrollment within 30 days after the termination of coverage under another employer health benefit plan.

(B) The individual is employed by an employer who offers multiple health benefit plans and the individual elects a different health benefit plan during an open enrollment period.

(C) A court has ordered coverage to be provided for a spouse or minor child under a covered employee's plan and a request for enrollment is made within 30 days after issuance of the court order.

SEC. 104. LIMITS ON PREMIUMS AND OTHER RATING PRACTICES IN THE SMALL EMPLOYER MARKET.

(a) LIMITS ON PREMIUMS.—

(1) LIMIT ON VARIATION OF RATES.—

(A) NEW ISSUANCE.—With respect to a health benefit plan offered to small employers by an insurer and issued on or after the date

1 of the enactment of this Act, the premium rates
2 charged or offered for a rating period for the
3 same or similar coverage under the plan cover-
4 ing any small employer with similar case char-
5 acteristics may not vary from the applicable
6 midpoint rate by more than 35 percent of the
7 midpoint rate.

8 (B) CURRENT ISSUANCE.—

9 (i) IN GENERAL.—If the premium
10 rate charged or offered for the same or
11 similar coverage under the plan covering
12 any small employer with similar case char-
13 acteristics exceeds the applicable midpoint
14 rate by more than 35 percent, any increase
15 in premium for a new rating period shall
16 not exceed the sum of the following:

17 (I) BASE PREMIUM INCREASE.—

18 Subject to clause (ii), any percentage
19 change in the base premium rate
20 measured from the first day of the
21 prior rating period to the first day of
22 the new rating period.

23 (II) ADJUSTMENT FOR CASE

24 CHARACTERISTICS.—Any adjustment
25 due to change in case characteristics

1 or plan design of the small employer,
2 as determined by the insurer.

3 (ii) LIMITATION.—Any increase in
4 premium rates for a new rating period
5 shall not exceed any percentage change in
6 the base premium rate measured from the
7 first day of the prior rating period to the
8 first day of the new rating period plus 15
9 percent, adjusted on a pro rata basis for
10 rating periods greater or less than one
11 year and adjustments due to a change in
12 case characteristics or plan design of the
13 small employer.

14 (iii) RATING PERIOD.—For purposes
15 of this subsection, an insurer shall treat all
16 health benefit plans covering small employ-
17 ers issued or renewed in the same calendar
18 month as having the same rating period.

19 (C) LIMITATION ON VARIATION DUE TO
20 USE OF INDUSTRY AS CASE CHARACTERISTIC.—
21 If an insurer uses industry as a case char-
22 acteristic in establishing premium rates, the
23 rate factor associated with any industry classi-
24 fication may not vary by more than 15 percent

1 from the arithmetic average of the rate factors
2 associated with all industry classifications.

3 (2) LIMIT ON VARIATION OF PREMIUM RATES
4 WITHIN A CLASS A BUSINESS.—For a class of busi-
5 ness (as defined in subsection (e)(3)) of an insurer,
6 the highest premium rates charged during a rating
7 period to small employers with similar case charac-
8 teristics for the same or similar coverage, or the
9 highest rates which could be charged to such em-
10 ployers under the rating system for that class of
11 business, shall not exceed an amount that is 1.5
12 times the base premium rate for the class of busi-
13 ness for a rating period (or portion thereof) that oc-
14 curs in the first 3 years in which this section is in
15 effect, and 1.35 times the base premium rate there-
16 after.

17 (3) LIMIT ON TRANSFER OF EMPLOYERS
18 AMONG CLASSES OF BUSINESS.—An insurer may not
19 involuntarily transfer a small employer into or out of
20 a class of business. An insurer may not offer to
21 transfer a small employer into or out of a class of
22 business unless such offer is made to transfer all
23 small employers in the class of business without re-
24 gard to claim experience, health status, or duration
25 of coverage since issue.

1 (b) FULL DISCLOSURE OF RATING PRACTICES.—At
2 the time an insurer offers a health benefit plan to a small
3 employer, the insurer shall fully disclose to the employer
4 rating practices applicable to such plan.

5 (c) ACTUARIAL CERTIFICATION.—Each insurer that
6 offers a health benefit plan to a small employer in a State
7 shall file annually with the State commissioner of insur-
8 ance a written statement by a member of the American
9 Academy of Actuaries (or other individual acceptable to
10 the commissioner) that, based upon an examination by the
11 individual which includes a review of the appropriate
12 records and the actuarial assumptions of the insurer and
13 methods used by the insurer in establishing premium rates
14 for applicable health benefit plans—

15 (1) the insurer is in compliance with the appli-
16 cable provisions of this section; and

17 (2) the rating methods are actuarially sound.

18 Each such insurer shall retain a copy of such statement
19 for examination at its principal place of business.

20 (d) REGISTRATION AND REPORTING.—Each insurer
21 that issues any health benefit plan to a small employer
22 in a State shall be registered or licensed with the State

24 porting requirements of the commissioner relating to such
25 a plan.

14 employer increases such that the employer is no
15 longer a small employer.

16 (b) AUTHORITY.—A small employer purchasing
17 group established under this section may do any of the
18 following:

19 (1) OFFERING HEALTH BENEFIT PLANS.—Ne-

21 insurers for the insurers to offer and provide one or
22 more health benefit plans to small employers for
23 their employees and retirees, and the dependents
24 and members of the families of such employees and

14 purchasing groups; and

15 (B) that there be only one small employer
16 purchasing group established with respect to a
17 community rating area.

18 (2) ELIGIBILITY REQUIREMENTS.—Nothing in
19 this section shall be construed as inhibiting or pre-
20 venting a small employer purchasing group from
21 adopting, imposing, and enforcing rules, conditions,

19 disclose to enrollees and other interested parties the
20 premium rate for a health benefit plan, administra-

23 (f) SPECIAL RULES.—No health benefit plan offered

6 (a) REQUIREMENT OF OPEN ENROLLMENT.—

7 (1) IN GENERAL.—Beginning in January of
8 each year, each insurer shall accept applicants for
9 open enrollment coverage described in paragraph (2)
10 or (3) in the order in which they apply for coverage,
11 subject to subsection (f).

12 (2) SMALL EMPLOYERS.—In the case of an ap-
13 plicant that is a small employer, the applicant must
14 accept the employer if coverage is not otherwise
15 available and if coverage had not been terminated by
16 the employer (or by an insurer with respect to the
17 employer) during the preceding 12-month period.

18 (3) INDIVIDUALS.—In the case of an applicant
19 that is an individual, the applicant—

20 (A) is not applying for coverage as an em-
21 ployee of an employer, as a member of an asso-
22 ciation, or as a member of any other group; and

23 (B) is not covered, and is not eligible for
24 coverage, under any other private or public
25 health benefits arrangement, including the Med-

1 icare program under title XVIII of the Social
2 Security Act or any other Act of Congress or
3 law of any State that provides benefits com-

5 tion or any conversion or continuation of cov-
6 erage policy under State or Federal law.

7 (b) MINIMUM COVERAGE.—An insurer shall provide
8 to any individual or small employer group accepted under
9 this section a health benefit plan that provides, at a mini-

11 such services are provided within the scope of authorized
12 practice by the applicable licensed providers:

13 (1) Major medical.

14 (2) Hospital services.

15 (3) Basic medical-surgical services, both inpa-

17 diagnostic services, anesthesia services, and con-
18 sultation services.

19 (4) Prescription drugs, insulin, syringes, diag-
20 nostic x-rays and laboratory tests.

21 (5) Screening by low-dose mammography for
22 the presence of breast cancer and cytologic screening
23 for the presence of cervical cancer in accordance
24 with standards of the National Cancer Institute.

25 (6) Maternity services.

1 (c) PREEXISTING CONDITIONS PROVISIONS.—Health
2 benefit plans issued under this section may establish pre-
3 existing conditions provisions (as defined in section
4 101(b)) that exclude or limit coverage for a period of up
5 to 12 months (or 24 months in the case of a late enrollee,
6 as defined in section 101(e)(4) and at the option of the
7 insurer) following the individual’s effective date of cov-
8 erage and that may relate only to conditions during the
9 6 months immediately preceding the effective date of cov-
10 erage.

11 (d) PREMIUMS.—

12 (1) SMALL EMPLOYERS.—Premiums charged to
13 small employers under this section may not exceed
14 an amount that is 1½ times the highest rate
15 charged any other small employer with similar case
16 characteristics for same or similar coverage.

17 (2) INDIVIDUALS.—Premiums charged to indi-
18 viduals under this section may not exceed an amount
19 that is 1½ times the highest rate charged to any
20 other individual of the same age and gender for
21 same or similar coverage. If the insurer does not
22 have established individual rates in a State, the pre-
23 mium charged to individuals may not exceed an
24 amount that is 1½ times the rate charged a small
25 employer with case characteristics similar to the in-

1 dividual seeking coverage for same or similar cov-
2 erage.

3 (e) USE OF NETWORKS.—In offering health benefit
4 plans under this section, an insurer may require the pur-
5 chase of health benefit plans that condition the reimburse-
6 ment of health services upon the use of a specific network
7 of providers.

8 (f) LIMITATION ON NUMBER OF NEW INSUREDS RE-
9 QUIRED TO ACCEPT.—

10 (1) IN GENERAL.—An insurer is not required to
11 accept annually under this section either individuals
12 or small employers that, in the aggregate, would
13 cause the insurer to have a total number of new
14 insureds under this section that is more than ½ per-
15 cent per year of its total number of insured individ-
16 uals or small group certificate holders, calculated as
17 of the immediately preceding 31st day of December
18 and excluding Medicare supplemental policies and
19 conversion or continuation of coverage policies under
20 State or Federal law.

21 (2) CERTIFICATION.—An officer of the insurer
22 shall certify to the State commissioner of insurance
23 of its domiciliary State when it has met the enroll-
24 ment limit under paragraph (1). Upon providing
25 such certification, the insurer shall be relieved of its

1 open enrollment requirement under this section for
2 the remainder of the calendar year.

3 (g) LIMITATION ON ACCEPTANCE OF CERTAIN CON-
4 FINED INDIVIDUALS.—An insurer shall not be required to
5 accept under this section applicants who, at the time of
6 enrollment, are confined to a health care facility because
7 of chronic illness, permanent injury, or other infirmity
8 that would cause economic impairment to the insurer if
9 the applicants were accepted, or to make the effective date
10 of benefits for individuals or groups accepted under this
11 section earlier than 90 days after the date of acceptance.

12 (h) NO APPLICATION TO INSOLVENT INSURERS.—
13 The requirements of this section do not apply to any in-
14 surer that is in a state of supervision, insolvency, or liq-
15 uidation. If the insurer demonstrates to the satisfaction
16 of the State commissioner of insurance of the insurer's
17 domiciliary State that the application of the requirements
18 of this section would place the insurer in a State of super-
19 vision, insolvency, or liquidation, the commissioner may
20 waive or modify the requirements of subsection (a) and
21 (f). The actions of the commissioner under this subsection
22 shall be effective for a period of not more than 1 year.
23 At the expiration of such time, a new showing of need
24 for a waiver or modification by the insurer shall be made
25 before a new waiver or modification is issued or imposed.

1 (i) LIMITATION ON AGENT COMPENSATION.—No in-

14 **Subtitle D—Administrative**
 15 **Simplification**

16 **SEC. 131. ADOPTION OF DATA ELEMENTS, UNIFORM**
 17 **CLAIMS, AND UNIFORM ELECTRONIC TRANS-**
 18 **MISSION STANDARDS.**

19 (a) IN GENERAL.—The Secretary of Health and
 20 Human Services (in this subtitle referred to as the “Sec-
 21 retary”) shall adopt standards relating to each of the fol-
 22 lowing:

23 (1) DATA ELEMENTS.—Data elements for use
 24 in paper and electronic claims processing under
 25 health benefit plans, as well as for use in utilization

1 review and management of care (including data
2 fields, formats, and medical nomenclature, and in-
3 cluding plan benefit and insurance information).

4 (2) UNIFORM CLAIMS FORMS.—Uniform claims
5 forms (including uniform procedure and billing codes
6 for use with such forms and including information
7 or other health benefit plans that may be liable for
8 benefits).

9 (3) UNIFORM ELECTRONIC TRANSMISSION.—
10 Uniform electronic transmission of the data elements
11 (for purposes of billing and utilization review).

12 The standards under paragraph (3) (relating to electronic
13 transmission of data elements) for claims for services)
14 shall supersede (to the extent specified in such standards)
15 the standards adopted under paragraph (2) (relating to
16 the submission of paper claims) for such services. The
17 standards under paragraph (3) shall include protections
18 to assure the confidentiality of patient-specific information
19 and to protect against the unauthorized use and disclosure
20 of information.

21 (b) USE OF TASK FORCES.—In adopting standards
22 under this section, the Secretary shall—

23 (1) take into account the recommendations of
24 current task forces;

1 (2) consult with the National Association of In-
2 surance Commissioners (and, with respect to stand-
3 ards under subsection (a)(3), the American National
4 Standards Institute); and

5 (3) to the maximum extent practicable, seek to
6 make the standards consistent with any uniform
7 clinical data sets which have been adopted and are
8 widely recognized.

9 (c) DEADLINES FOR PROMULGATION.—The Sec-
10 retary shall promulgate the standards under—

11 (1) subsection (a)(1) relating to claims process-
12 ing data, by not later than 12 months after the date
13 of the enactment of this Act;

14 (2) subsection (a)(2) (relating to uniform
15 claims forms) by not later than 12 months after the
16 date of the enactment of this Act; and

17 (3)(A) subsection (a)(3) relating to trans-
18 mission of information concerning hospital and phy-
19 sicians services, by not later than 24 months after
20 the date of the enactment of this Act; and

21 (B) subsection (a)(3) relating to transmission
22 of information on other services by such later date
23 as the Secretary may determine it to be feasible.

1 **SEC. 132. APPLICATION OF STANDARDS.**

2 (a) IN GENERAL.—If the Secretary determines, at
3 the end of the 2-year period beginning on the date that
4 standards are adopted under section 131 with respect to
5 classes of services, that a significant number of claims for
6 benefits for such services under health benefit plans are
7 not being submitted in accordance with such standards,
8 the Secretary may require, after notice in the Federal
9 Register of not less than 6 months, that all providers of
10 such services must submit claims to health benefit plans
11 in accordance with such standards. The Secretary may
12 waive the application of such a requirement in such cases
13 as the Secretary finds that the imposition of the require-
14 ment would not be economically practicable.

15 (b) SIGNIFICANT NUMBER.—The Secretary shall
16 make an affirmative determination described in subsection
17 (a) for a class of services only if the Secretary finds that
18 there would be a significant, measurable, additional gain
19 in efficiencies in the health care system that would be ob-
20 tained by imposing the requirement described in such
21 paragraph with respect to such services.

22 (c) APPLICATION OF REQUIREMENT.—

23 (1) IN GENERAL.—If the Secretary imposes the
24 requirement under subsection (a)—

25 (A) in the case of a requirement that im-
26 poses the standards relating to electronic trans-

1 mission of claims for a class of services, each
2 health care provider that furnishes such services
3 for which benefits are payable under a health
4 benefit plan shall transmit electronically and di-
5 rectly to the plan on behalf of the beneficiary
6 involved a claim for such services in accordance
7 with such standards;

8 (B) any health benefit plan may reject any
9 claim subject to the standards adopted under
10 section 131 but which is not submitted in ac-
11 cordance with such standards;

12 (C) it is unlawful for a health benefit
13 plan—

14 (i) to reject any such claim on the
15 basis of the form in which it is submitted
16 if it is submitted in accordance with such
17 standards; or

18 (ii) to require, for the purpose of utili-
19 zation review or as a condition of providing
20 benefits under the plan, a provider to
21 transmit medical data elements that are
22 inconsistent with the standards established
23 under section 131; and

24 (D) the Secretary may impose a civil
25 money penalty on any provider that knowingly

1 and repeatedly submits claims in violation of
2 such standards or on any health benefit plan
3 (other than a health benefit plan described in
4 paragraph (2)) that knowingly, and repeatedly
5 rejects claims in violation of subparagraph (B),
6 in an amount not to exceed \$100 for each such
7 claim.

8 The provisions of section 1128A of the Social Secu-
9 rity Act (other than the first sentence of subsection
10 (a) and other than subsection (b)) shall apply to a
11 civil money penalty under subparagraph (D) in the
12 same manner as such provisions apply to penalty or
13 proceeding under section 1128 of such Act.

14 (2) PLANS SUBJECT TO EFFECTIVE STATE REG-
15 ULATION.—A plan described in this paragraph is a
16 health benefit plan—

17 (A) that is subject to regulation by a
18 State; and

19 (B) with respect to which the Secretary
20 finds that—

21 (i) the State provides for application
22 of the standards established under section
23 131; and

1 (ii) the State regulatory program pro-
2 vides for the appropriate and effective en-
3 forcement of such standards.

4 (d) TREATMENT OF REJECTIONS.—If a plan rejects
5 a claim pursuant to subsection (c), the plan shall permit
6 the person submitting the claim a reasonable opportunity
7 to resubmit the claim on a form or in an electronic manner
8 that meets the requirements for acceptance of the claim
9 under such subsection.

10 **SEC. 133. PERIODIC REVIEW AND REVISION OF STAND-**
11 **ARDS.**

12 (a) IN GENERAL.—The Secretary shall—

13 (1) provide for the ongoing receipt and review
14 of comments and suggestions for changes in the
15 standards adopted and promulgated under section
16 131;

17 (2) establish a schedule for the periodic review
18 of such standards; and

19 (3) based upon such comments, suggestions,
20 and review, revise such standards and promulgate
21 such revisions.

22 (b) APPLICATION OF REVISED STANDARDS.—If the
23 Secretary under subsection (a) revises the standards de-
24 scribed in section 131, then, in the case of any claim for
25 benefits submitted under a health benefit plan more than

1 the minimum period (of not less than 6 months specified
2 by the Secretary) after the date the revision is promul-
3 gated under subsection (a), such standards shall apply
4 under section 132 instead of the standards previously pro-
5 mulgated.

6 **Subtitle E—Restriction on Genetic**
7 **Screening and Testing**

8 **SEC. 141. GENETIC SCREENING AND TESTING RESTRIC-**
9 **TIONS IN HEALTH INSURANCE.**

10 (a) IN GENERAL.—No insurer, in processing an ap-

12 determining insurability under such plan, shall do any of
13 the following:

14 (1) Require an individual seeking coverage to
15 submit to genetic screening or testing (as defined in
16 subsection (g)).

17 (2) Take into consideration, other than in ac-
18 cordance with subsection (f), the results of genetic
19 screening or testing.

20 (3) Make any inquiry to determine the results
21 of genetic screening or testing.

22 (4) Make a decision adverse to the applicant
23 based on entries in medical records or other reports
24 of genetic screening or testing.

1 (b) NO QUESTIONS.—In developing and asking ques-
2 tions regarding medical histories of applicants for an indi-
3 vidual or group health benefit plan, no insurer shall ask
4 for the results of genetic screening or testing or ask ques-
5 tions designed to ascertain the results of genetic screening
6 or testing.

7 (c) NO CANCELLATION.—No insurer shall cancel or
8 refuse to issue or renew coverage under a health benefit
9 plan based on the results of genetic screening or testing.

10 (d) NO BENEFIT LIMITATION.—No insurer shall de-
11 liver, issue for delivery, or renew an individual or group
12 health benefit plan that limits benefits based on the results
13 of genetic screening or testing.

14 (e) USE OF VOLUNTARY TESTING.—Notwithstanding
15 the previous provisions of this section, an insurer may con-
16 sider the results of genetic screening or testing if the re-
17 sults are voluntarily submitted by an applicant for cov-
18 erage or renewal of coverage and the results are favorable
19 to the applicant.

20 (f) GENETIC SCREENING OR TESTING DEFINED.—
21 As used in this section, the term “genetic screening or
22 testing” means a laboratory test of a person’s genes or
23 chromosomes for abnormalities, defects, or deficiencies, in-
24 cluding carrier status, that are linked to physical or men-
25 tal disorders or impairments, or that indicate a suscepti-

1 bility to illness, disease, or other disorders, whether phys-
2 ical or mental, which test is a direct test for abnormalities,
3 defects, or deficiencies, and not an indirect manifestation
4 of genetic disorders.
