- 1 Be it enacted by the Senate and House of Representa-

- 6 SEC. 2. APPROPRIATE REMEDIES IN SCHOOL CASES.
- 7 (a) In General.—Section 213 of the Equal Edu-
- 8 cational Opportunities Act of 1974 (20 U.S.C. 1712) is
- 9 amended to read as follows:

" $\S 213$. Appropriate remedies in school cases

2	"(a) Requirements for Relief.—
3	"(1) Prospective relief.—(A) A Federal
4	court shall not have jurisdiction to award prospective
5	relief in any civil action with respect to the operation
6	of public schools that extends further than necessary
7	to remedy the violation of a Federal right of a plain-
8	tiff.
9	"(B) A Federal court shall not have jurisdiction
0	to grant or approve any prospective relief unless the
1	court finds that such relief is narrowly drawn, ex-
2	tends no further than necessary to remedy the viola-
3	tion of the Federal right, and is the least intrusive
4	means necessary to remedy the violation of the Fed-
5	eral right.
6	"(C) A Federal court shall not have jurisdiction
7	to order any prospective relief that requires or per-
8	mits a government official to exceed authority under
9	State or local law or otherwise violates State or local
20	law, unless—
21	"(i) Federal law requires such relief to be
22	ordered in violation of State or local law;
23	"(ii) the relief is necessary to remedy a
24	violation of a Federal right; and
25	"(iii) no other relief will remedy the viola-
26	tion of a Federal right

1	"(D) Nothing in this section shall be construed
2	to authorize a Federal court, in exercising its reme-
3	dial powers, to order the assignment of students to
4	particular schools on the basis of race, color, or na-
5	tional origin, to order the raising of taxes, or to re-
6	peal, or make less restrictive from otherwise applica-
7	ble limitations, the remedial powers of the courts.
8	"(2) Student assignment orders.—(A) In
9	any civil action with respect to the operation of pub-
10	lic schools, a Federal court shall not have jurisdic-
11	tion to enter a student assignment order unless—
12	"(i) a Federal court has previously entered
13	an order for less intrusive relief that has failed
14	to remedy the violation of the Federal right
15	sought to be remedied through the student as-
16	signment order; and
17	"(ii) the defendant has had a reasonable
18	time to comply with the previous court order.
19	"(B)(i) In any civil action with respect to the
20	operation of the public schools, a student assignment
21	order shall be entered only by a three-judge court in
22	accordance with section 2284 of title 28, United

States Code.

23

24

1	for such relief, a request for a three-judge court and
2	materials sufficient to demonstrate that the require-
3	ments of subparagraph (a) have been met.
4	"(D) The three-judge court shall enter a stu-
5	dent assignment order only if the court finds by
6	clear and convincing evidence that—
7	"(i) the requirements of subparagraph (a)
8	have been met; and
9	"(ii) no other relief will remedy the viola-
10	tion of the Federal right.
11	"(b) Termination of Relief.—
12	"(1) Termination of prospective relief.—
13	(A) Subject to the limitation set forth in paragraph
14	(3), in any civil action with respect to the operation
15	of the public schools in which prospective relief is or-
16	dered, such relief shall be terminated upon the mo-
17	tion of any party or intervenor—
18	"(i) 2 years after the date the court grant-
19	ed or approved the prospective relief; or
20	"(ii) 1 year after the date the court has
21	entered an order denying termination of pro-
22	spective relief under this paragraph.
23	"(B) Nothing in this section shall prevent the
24	parties from agreeing to terminate or modify relief

- before the relief is terminable under subparagraph(A).
 - "(2) Immediate termination of prospective relief in the operation of the public schools, a defendant or intervenor shall be entitled to the immediate termination of any prospective relief if the relief was approved or granted in the absence of a finding by the court that the relief is narrowly drawn, extends no further than necessary to remedy the violation of the Federal right, and is the least intrusive means necessary to remedy the violation of the Federal right.
 - "(3) Limitation.—(A) Prospective relief shall not terminate if the court previously entered the prospective relief after finding it necessary to remedy a violation of a Federal right and the plaintiff establishes by a preponderance of the evidence that prospective relief remains necessary to remedy a current and ongoing violation of that Federal right. The court shall not permit discovery.
 - "(B) Nothing in this section shall prevent any plaintiff from bringing a new civil action with respect to the operation of the public schools against a party to a pending civil action with respect to the operation of the public schools for a new violation of

a Federal right, or obtaining prospective relief consistent with the provisions of this section for such a new violation. If a new action is brought in Federal court, it shall not be heard by any judge who has previously entered an order for prospective relief in a civil action that has been in effect for longer than 2 years with respect to the operation of the public schools.

"(4) TERMINATION OR MODIFICATION OF RE-LIEF.—Nothing in this section shall prevent any party or intervenor from seeking modification or termination before the relief is terminable under paragraph (1) or (2), to the extent that modification or termination would otherwise be legally permissible.

"(c) Settlements.—

- "(1) Consent decrees.—In any civil action with respect to the operation of public schools, a Federal court shall not have jurisdiction to enter or approve a consent decree unless it complies with the limitations on relief set forth in subsection (a).
- "(2) Private settlement agreements.— Nothing in this section shall preclude parties from entering into a private settlement agreement that does not comply with the limitations on relief set forth in subsection (a).

1	"(d) Procedure for Motions Affecting Pro
2	SPECTIVE RELIEF.—The court shall promptly rule on any
3	motion to modify or terminate prospective relief in a civi
4	action with respect to the operation of the public schools
5	"(e) Special Masters.—In any civil action with re
6	spect to the operation of public schools—
7	"(1) In general.—(A) The court may appoin
8	a special master who shall be disinterested and ob
9	jective to conduct hearings on the record and pre
10	pare proposed findings of fact.
11	"(B) The court shall appoint a special master
12	during the remedial phase of the action only upon a
13	finding that the remedial phase will be sufficiently
14	complex to warrant the appointment.
15	"(2) APPOINTMENT.—(A) If the court deter
16	mines that the appointment of a special master is
17	necessary, the court shall request that the defendant
18	and the plaintiff each submit a list of not more than
19	5 persons to serve as a special master.
20	"(B) Each party shall have the opportunity to
21	remove up to 3 persons from the opposing party's
22	list.
23	"(C) The court shall select the master from the
24	persons remaining on the list after the application of

subparagraph (B).

- "(D) If the court determines that the persons remaining on the list are not qualified to serve as special master, the court may appoint a person not on the list with the consent of all parties.
 - "(3) Interlocutory appeal.—Any party shall have the right to an interlocutory appeal of the judge's selection of the special master, on the ground of partiality.
 - "(4) Compensation.—The compensation to be allowed to a special master shall be based on an hourly rate not greater than the hourly rate established under section 3006A of title 18 for payment of court-appointed counsel, plus costs reasonably incurred by the special master. Such compensation and costs shall be paid with funds appropriated to the judiciary. In no event shall the court require the parties to pay the compensation or costs of the special master.
 - "(5) Regular review of appointment.—
 The court shall review the appointment of the special master every 6 months to determine whether the services of the special master continue to be required under paragraph (1). In no event shall the appointment of a special master extend beyond the termination of the relief.

1	"(6) Limitations on powers and duties.—
2	A special master appointed in any civil action with
3	respect to the operation of public schools—
4	"(A) may be authorized by a court to con-
5	duct hearings on the record and shall make any
6	findings of fact based on the record as a whole;
7	"(B) shall not make any findings or com-
8	munications ex parte; and
9	"(C) may be removed at any time, but
10	shall be relieved of the appointment upon the
11	termination of relief.
12	"(7) The requirements of paragraphs (1)
13	through (4) shall apply only to special masters ap-
14	pointed after the date of enactment of School Deseg-
15	regation Litigation Reform Act of 1996.
16	"(f) Intervention.—In any civil action with respect
17	to the operation of public schools, any State or local offi-
18	cial or unit of government whose jurisdiction includes the
19	appropriation of funds for, or the operation of, public
20	schools shall have standing to oppose the imposition or
21	continuation in effect of prospective relief and to seek ter-
22	mination of such relief, and shall have the right to inter-
23	vene in any proceeding relating to such relief.
