IN THE HOUSE OF REPRESENTATIVES

FEBRUARY 29, 1996

Mr. GOSS, from the Committee on Rules, reported the following resolution; which was referred to the House Calendar and ordered to be printed

RESOLUTION

Providing for consideration of the bill (H.R. 994) to require the periodic review and automatic termination of Federal regulations.

1 *Resolved*, That at any time after the adoption of this
2 resolution the Speaker may, pursuant to clause 1(b) of
3 rule XXIII, declare the House resolved into the Committee
4 of the Whole House on the state of the Union for consider-
5 ation of the bill (H.R. 994) to require the periodic review
6 and automatic termination of Federal regulations. The
7 first reading of the bill shall be dispensed with. General

1 debate shall be confined to the bill and shall not exceed
2 one hour equally divided among and controlled by the
3 chairmen and ranking minority members of the Commit-
4 tee on Government Reform and Oversight and the Com-
5 mittee on the Judiciary. After general debate the bill shall
6 be considered for amendment under the five-minute rule.
7 In lieu of the amendments recommended by the Commit-
8 tee on Government Reform and Oversight and the Com-
9 mittee on the Judiciary now printed in the bill, it shall
10 be in order to consider as an original bill for the purpose
11 of amendment under the five-minute rule the amendment
12 in the nature of a substitute printed in the Congressional
13 Record and numbered 1 pursuant to clause 6 of rule
14 XXIII. That amendment in the nature of a substitute
15 shall be considered by title rather than by section. The
16 first section and each title shall be considered as read.
17 Points of order against that amendment in the nature of
18 a substitute for failure to comply with clause 7 of rule
19 XVI are waived. During consideration of the bill for
20 amendment, the Chairman of the Committee of the Whole
21 may accord priority in recognition on the basis of whether
22 the Member offering an amendment has caused it to be
23 printed in the portion of the Congressional Record des-
24 ignated for that purpose in clause 6 of rule XXIII. Amend-
25 ments so printed shall be considered as read. At the con-

1 clusion of consideration of the bill for amendment the
2 Committee shall rise and report the bill to the House with
3 such amendments as may have been adopted. Any Member
4 may demand a separate vote in the House on any amend-
5 ment adopted in the Committee of the Whole to the bill
6 or to the amendment in the nature of a substitute made
7 in order as original text. The previous question shall be
8 considered as ordered on the bill and amendments thereto
9 to final passage without intervening motion except one
10 motion to recommit with or without instructions.

11 SEC. 2. Upon passage of H.R. 994, the action by
12 which the House amended and passed the bill (S. 219)
13 to ensure economy and efficiency of Federal Government
14 operations by establishing a moratorium on regulatory
15 rulemaking actions, and for other purposes, shall be va-
16 cated. It shall be in order to take that Senate bill from
17 the Speaker's table and consider the Senate bill in the
18 House. It shall be in order to consider a motion, if offered
19 by the chairman of the Committee on Government Reform
20 and Oversight or his designee, that the House strike all
21 after the enacting clause of the Senate bill and insert the
22 text of H.R. 994 as passed by the House. The motion to
23 amend shall be debatable for one hour equally divided and
24 controlled by the chairman and ranking minority member
25 of the Committee on Government Reform and Oversight.

1 Points of order against the motion to amend for failure
2 to comply with clause 7 of rule XVI are waived. The pre-
3 vious question shall be considered as ordered on the mo-
4 tion to amend and on the Senate bill to final passage with-
5 out intervening motion except one motion to commit. If
6 the motion to amend is adopted and the Senate bill, as
7 amended, is passed, then it shall be in order to move that
8 the House insist on its amendments to S. 219 and request
9 a conference with the Senate thereon.
