quotas.—In the case of any State for which the
poundage quota allocated to the State was less than

SEC. 1116. SENSE OF THE SENATE REGARDING TAX PROVISIONS RELATING TO ETHANOL.

(a) In General.—The Senate finds that—

(1) ethanol and its derivative ethyl tertiary butyl ether (ETBE) are used as fuels or additives to fuels for motor vehicles;

(2) ethanol and ETBE have been shown to improve air quality when used as fuels or fuel additives;

(3) ethanol and ETBE are primarily made from renewable resources and produced domestically;

(4) studies, including a study very recently released by the Department of Agriculture, have shown that when used as fuel, ethanol and ETBE yield more energy than is required to produce them;

(5) the use of domestically produced ethanol and ETBE can thus reduce our nation’s reliance on energy imports and improve our energy security;
(6) the use of ethanol and ETBE adds significantly to market opportunities for corn, which constitutes about 95 percent of the feedstock for ethanol production, thereby improving corn prices and farm income;

(7) the production of ethanol and ETBE contributes substantially to improved economic and job growth, particularly in rural communities;

(8) ethanol and ETBE currently qualify for tax incentives which facilitate and promote the use of these clean-burning, renewable, and domestically-produced fuels; and

(9) a recently-released report from the General Accounting Office confirmed the results of numerous previous reports demonstrating that the ethanol tax incentives result in net savings to the Federal Government as farm program costs are reduced through improved grain prices.

(b) SENSE OF THE SENATE.—It is the sense of the Senate that any legislation enacted by Congress should not eliminate or in any way weaken or diminish incentives under Federal tax laws or regulations that facilitate or promote the production, blending, or use of ethanol and ETBE.

Subject to subsection (j), within one year after the effective date, the Secretary shall enter into one or more contracts for the sale of all of the interest of the United States in the reserve.

“(2) In this section:

“(A) The terms ‘Naval Petroleum Reserve Numbered 1’ and ‘reserve’ mean Naval Petroleum Reserve Numbered 1, commonly referred to as the Elk Hills Unit, located in Kern County, California, and established by Executive order of the President, dated September 2, 1912.
“(B) The term ‘unit plan contract’ means the unit plan contract between equity owners of the lands within the boundaries of Naval Petroleum Reserve Numbered 1 entered into on June 19, 1944.

“(C) The term ‘effective date’ means the date of the enactment of the Omnibus Budget Reconciliation Act of 1995.

“(b) EQUITY FINALIZATION.—(1) Not later than five months after the effective date, the Secretary shall finalize equity interests of the known oil and gas zones in Naval Petroleum Reserve Numbered 1 in the manner provided by this subsection.

“(2) The Secretary shall retain the services of an independent petroleum engineer, mutually acceptable to the equity owners, who shall prepare a recommendation on final equity figures. The Secretary may accept the recommendation of the independent petroleum engineer for final equity in each known oil and gas zone and establish final equity interest in the Naval Petroleum Reserve Numbered 1 in accordance with such recommendation, or the Secretary may use such other method to establish final equity interest in the reserve as the Secretary considers appropriate.

“(3) If, on the effective date, there is an ongoing equity redetermination dispute between the equity owners
under section 9(b) of the unit plan contract, such dispute shall be resolved in the manner provided in the unit plan contract within five months after the effective date. Such resolution shall be considered final for all purposes under this section.

“(c) Timing and Administration of Sale.—(1) Not later than two months after the effective date, the Secretary shall publish a notice of intent to sell the Naval Petroleum Reserve Numbered 1. The Secretary shall make all technical, geological, and financial information relevant to the sale of the reserve available to all interested and qualified buyers upon request. The Secretary, in consultation with the Administrator of General Services, shall ensure that the sale process is fair and open to all interested and qualified parties.

“(2)(A) Not later than two months after the effective date, the Secretary shall retain the services of five independent experts in the valuation of oil and gas fields to conduct separate assessments, in a manner consistent with commercial practices, of the value of the interest of the United States in Naval Petroleum Reserve Numbered 1. In making their assessments, the independent experts shall consider (among other factors) all equipment and facilities to be included in the sale, the estimated quantity of petroleum and natural gas in the reserve, and the net
present value of the anticipated revenue stream that the Secretary and the Director of the Office of Management and Budget jointly determine the Treasury would receive from the reserve if the reserve were not sold, adjusted for any anticipated increases in tax revenues that would result if the reserve were sold. The independent experts shall complete their assessments within six months after the effective date.

“(B) The independent experts shall also determine and submit to the Secretary the estimated total amount of the cost of any environmental restoration and remediation necessary at the reserve. The Secretary shall report the estimate to the Director of the Office of Management and Budget, the Secretary of the Treasury, and Congress.

“(C) The Secretary, in consultation with the Director of the Office of Management and Budget, shall set the minimum acceptable price for the reserve. The Secretary may not set the minimum acceptable price below the average of three of the assessments (after excluding the high and low assessments) made under subparagraph (A).

“(3) Not later than two months after the effective date, the Secretary shall retain the services of an investment banker to independently administer, in a manner consistent with commercial practices and in a manner that maximizes sale proceeds to the Government, the sale of
Naval Petroleum Reserve Numbered 1 under this section. Notwithstanding section 7433(b) of this title, costs and fees of retaining the investment banker may be paid out of the proceeds of the sale of the reserve.

“(4)(A) Not later than six months after the effective date, the investment banker serving as the sales administrator under paragraph (3) shall complete a draft contract or contracts for the sale of Naval Petroleum Reserve Numbered 1, which shall accompany the solicitation of offers and describe the terms and provisions of the sale of the interest of the United States in the reserve.

“(B) The draft contract or contracts shall identify—

“(i) all equipment and facilities to be included in the sale; and

“(ii) any potential claim or liability (including liability for environmental restoration and remediation), and the extent of any such claim or liability, for which the United States is responsible under subsection (d).

“(C) The draft contract or contracts, including the terms and provisions of the sale of the interest of the United States in the reserve, shall be subject to review and approval by the Secretary, the Secretary of the Treasury, and the Director of the Office of Management and Budget. Each of those officials shall complete the review of, and
approve or disapprove, the draft contract or contracts not later than seven months after the effective date.

“(5) Not later than seven months after the effective date, the Secretary shall publish the solicitation of offers for the Naval Petroleum Reserve Numbered 1.

“(6) Not later than 10 months after the effective date, the Secretary shall identify the highest responsible offer or offers for purchase of the interest of the United States in Naval Petroleum Reserve Numbered 1 that, in total, meet or exceed the minimum acceptable price determined under paragraph (2).

“(7) The Secretary shall take such action immediately after the effective date as is necessary to obtain from an independent petroleum engineer within six months after that date a reserve report prepared in a manner consistent with commercial practices. The Secretary shall use the reserve report in support of the preparation of the solicitation of offers for the reserve.

“(d) Future Liabilities.—The United States shall hold harmless and fully indemnify the purchaser or purchasers (as the case may be) of the interest of the United States in Naval Petroleum Reserve Numbered 1 from and against any claim or liability as a result of ownership in the reserve by the United States, including any claim referred to in subsection (e).
“(e) Treatment of State of California Claim.—After the costs incurred in the conduct of the sale of Naval Petroleum Reserve Numbered 1 under this section are deducted, seven percent of the remaining proceeds from the sale of the reserve shall be reserved in a contingent fund in the Treasury (for a period not to exceed 10 years after the effective date) for payment to the State of California in the event that, and to the extent that, the claims of the State against the United States regarding production and proceeds of sale from Naval Petroleum Reserve Numbered 1 are resolved in favor of the State by a court of competent jurisdiction. Funds in the contingent fund shall be available for paying any such claim to the extent provided in appropriation Acts. After final disposition of the claims, any unobligated balance in the contingent fund shall be credited to the general fund of the Treasury.

“(f) Maintaining Elk Hills Unit Production.—Until the sale of Naval Petroleum Reserve Numbered 1 is completed under this section, the Secretary shall continue to produce the reserve at the maximum daily oil or gas rate from a reservoir, which will permit maximum economic development of the reservoir consistent with sound oil field engineering practices in accordance with section 3 of the unit plan contract. The definition of maximum
efficient rate in section 7420(6) of this title shall not apply to the reserve.

“(g) EFFECT ON EXISTING CONTRACTS.—(1) In the case of any contract, in effect on the effective date, for the purchase of production from any part of the United States’ share of Naval Petroleum Reserve Numbered 1, the sale of the interest of the United States in the reserve shall be subject to the contract for a period of three months after the closing date of the sale or until termination of the contract, whichever occurs first. The term of any contract entered into after the effective date for the purchase of such production shall not exceed the anticipated closing date for the sale of the reserve.

“(2) The Secretary shall exercise the termination procedures provided in the contract between the United States and Bechtel Petroleum Operation, Inc., Contract Number DE-AC01-85FE60520 so that the contract terminates not later than the date of closing of the sale of Naval Petroleum Reserve Numbered 1 under subsection (c).

“(3) The Secretary shall exercise the termination procedures provided in the unit plan contract so that the unit plan contract terminates not later than the date of closing of the sale of reserve.
“(h) Effect on Antitrust Laws.—Nothing in this section shall be construed to alter the application of the antitrust laws of the United States to the purchaser or purchasers (as the case may be) of Naval Petroleum Reserve Numbered 1 or to the lands in the reserve subject to sale under this section upon the completion of the sale.

“(i) Preservation of Private Right, Title, and Interest.—Nothing in this section shall be construed to adversely affect the ownership interest of any other entity having any right, title, and interest in and to lands within the boundaries of Naval Petroleum Reserve Numbered 1 and which are subject to the unit plan contract.

“(j) Notice to Congress.—(1) Subject to paragraph (2), the Secretary may not enter into any contract for the sale of the reserve until the end of the 31-day period beginning on the date on which the Secretary notifies the Committee on Armed Services of the Senate and the Committee on National Security and the Committee on Commerce of the House of Representatives of the conditions of the proposed sale and the Secretary’s assessment of whether it is in the best interests of the United States to sell the reserve under those conditions.

“(2) If the Secretary receives only one offer for purchase of the reserve or any parcel thereof, the Secretary
may not enter into a contract for the sale of the reserve
or parcel (as the case may be) unless—

“(A) the Secretary submits to Congress a noti-
fication of the receipt of only one offer together with
the conditions of the proposed sale of the reserve or
parcel (as the case may be) to the offeror; and

“(B) a joint resolution of approval described in
subsection (k) is enacted within 45 days after the
date of the notification.

“(3) It is the sense of Congress that, if the Secretary
includes in a notification regarding a proposed sale that
is submitted to Congress under paragraph (1) an assess-
ment that the sale is not in the best interests of the United
States—

“(A) Congress should promptly consider and
act on legislation regarding whether to proceed with
the sale; and

“(B) the President should act promptly on any

presented to the President.

“(k) Joint Resolution of Approval.—(1) For

“(A) that does not have a preamble;

“(B) the matter after the resolving clause of which reads only as follows: ‘That Congress approves the proposed sale of Naval Petroleum Reserve Numbered 1 reported in the notification submitted to Congress by the Secretary of Energy on ____________.’ (the blank space being filled in with the appropriate date); and

“(C) the title of which is as follows: ‘Joint resolution approving the sale of Naval Petroleum Reserve Numbered 1’.

“(2) A resolution described in paragraph (1) introduced in the House of Representatives shall be referred to the Committee on National Security of the House of Representatives. A resolution described in paragraph (1) introduced in the Senate shall be referred to the Committee on Armed Services of the Senate. Such a resolution may not be reported before the 8th day after its introduction.

“(3) If the committee to which is referred a resolution described in paragraph (1) has not reported such resolution (or an identical resolution) at the end of 15 calendar days after its introduction, such committee shall be deemed to be discharged from further consideration of
such resolution and such resolution shall be placed on the
appropriate calendar of the House involved.

“(4)(A) When the committee to which a resolution
is referred has reported, or has been deemed to be dis-
charged (under paragraph (3)) from further consideration
of, a resolution described in paragraph (1), it is at any
time thereafter in order (even though a previous motion
to the same effect has been disagreed to) for any Member
of the respective House to move to proceed to the consider-
ation of the resolution, and all points of order against the
resolution (and against consideration of the resolution) are
waived. The motion is highly privileged in the House of
Representatives and is privileged in the Senate and is not
debatable. The motion is not subject to amendment, or
to a motion to postpone, or to a motion to proceed to the
consideration of other business. A motion to reconsider the
vote by which the motion is agreed to or disagreed to shall
not be in order. If a motion to proceed to the consideration
of the resolution is agreed to, the resolution shall remain
the unfinished business of the respective House until dis-
posed of.

“(B) Debate on the resolution, and on all debatable
motions and appeals in connection therewith, shall be lim-
ited to not more than 10 hours, which shall be divided
equally between those favoring and those opposing the res-
olution. A motion further to limit debate is in order and not debatable. An amendment to, or a motion to postpone, or a motion to proceed to the consideration of other business, or a motion to recommit the resolution is not in order. A motion to reconsider the vote by which the resolution is agreed to or disagreed to is not in order.

“(C) Immediately following the conclusion of the debate on a resolution described in paragraph (2), and a single quorum call at the conclusion of the debate if requested in accordance with the rules of the appropriate House, the vote on final passage of the resolution shall occur.

“(D) Appeals from the decisions of the Chair relating to the application of the rules of the Senate or the House of Representatives, as the case may be, to the procedure relating to a resolution described in paragraph (1) shall be decided without debate.

“(5) If, before the passage by one House of a resolution of that House described in paragraph (1), that House receives from the other House a resolution described in paragraph (1), then the following procedures shall apply:

“(A) The resolution of the other House shall not be referred to a committee.
“(B) With respect to a resolution described in paragraph (2) of the House receiving the resolution—

“(i) the procedure in that House shall be the same as if no resolution had been received from the other House; but

“(ii) the vote on final passage shall be on the resolution of the other House.

“(6) This subsection is enacted by Congress—

“(A) as an exercise of the rulemaking power of the Senate and House of Representatives, respectively, and as such it is deemed a part of the rules of each House, respectively, but applicable only with respect to the procedure to be followed in that House in the case of a resolution described in paragraph (1), and it supersedes other rules only to the extent that it is inconsistent with such rules; and

“(B) with full recognition of the constitutional right of either House to change the rules (so far as relating to the procedure of that House) at any time, in the same manner, and to the same extent as in the case of any other rule of that House.

“(l) NONCOMPLIANCE WITH DEADLINES.—If, at any time during the one-year period beginning on the effective date, the Secretary determines that the actions necessary
to complete the sale of the reserve within that period are not being taken or timely completed, the Secretary shall transmit to the Committee on Armed Services of the Senate and the Committees on National Security and on Commerce of the House of Representatives a notification of that determination together with a plan setting forth the actions that will be taken to ensure that the sale of the reserve will be completed within that period. The Secretary shall consult with the Director of the Office of Management and Budget in preparing the plan for submission to the committees.

“(m) OVERSIGHT.—The Comptroller General shall monitor the actions of the Secretary relating to the sale of the reserve and report to the Committee on Armed Services of the Senate and the Committee on National Security of the House of Representatives any findings on such actions that the Comptroller General considers appropriate to report to such committees.

States Executive Agent shall, upon request of the Russian
Executive Agent, enter into an agreement to deliver con-
currently to the Russian Executive Agent an amount of
uranium hexafluoride equivalent to the natural uranium
component of such uranium. An agreement executed pur-
suant to a request of the Russian Executive Agent, as con-
templated in this paragraph, may pertain to any deliveries
due during any period remaining under the Russian HEU
Agreement. The quantity of such uranium hexafluoride de-
ivered to the Russian Executive Agent shall be based on
a tails assay of 0.30 U235. Title to uranium hexafluoride
delivered to the Russian Executive Agent pursuant to this
paragraph shall transfer to the Russian Executive Agent
upon delivery of such material to the Russian Executive
Agent, with such delivery to take place at a North Amer-
ican facility designated by the Russian Executive Agent.
Uranium hexafluoride delivered to the Russian Executive
Agent pursuant to this paragraph shall be deemed under
U.S. law for all purposes to be of Russian origin. Such
uranium hexafluoride may be sold to any person or entity
for delivery and use in the United States only as permitted
in subsections (b)(5), (b)(6), and (b)(7) of this section.

(4) In the event that the Russian Executive Agent
does not exercise its right to enter into an agreement to
take delivery of the natural uranium component of any
low-enriched uranium, as contemplated in paragraph (3),
within 90 days of the date such low-enriched uranium is
delivered to the United States Executive Agent, then the
United States Executive Agent shall engage an independ-
ent entity through a competitive selection process to auc-
tion an amount of uranium hexafluoride or U3O8 (in the
event that the conversion component of such hexafluoride
has previously been sold) equivalent to the natural ura-
nium component of such low-enriched uranium. Such inde-
pendent entity shall sell such uranium hexafluoride in one
or more lots to any person or entity to maximize the pro-
cceeds from such sales, for disposition consistent with the
limitations set forth in this subsection. The independent
entity shall pay to the Russian Executive Agent the pro-
cceeds of any such auction less all reasonable transaction
and other administrative costs. The quantity of such ura-
nium hexafluoride auctioned shall be based on a tails assay
of 0.30 U235. Title to uranium hexafluoride auctioned
pursuant to this paragraph shall transfer to the buyer of
such material upon delivery of such material to the buyer.
Uranium hexafluoride auctioned pursuant to this para-
graph shall be deemed under U.S. law for all purposes
to be of Russian origin.

(5) Except as provided in paragraphs (6) and (7),
uranium hexafluoride delivered to the Russian Executive
Agent under paragraph (3) or auctioned pursuant to para-
graph (4), may not be delivered for consumption by end
users in the United States either directly or indirectly
prior to January 1, 1998, and thereafter only in accord-
ance with the following schedule:

(6) Uranium hexafluoride delivered to the Russian
Executive Agent under paragraph (3) or auctioned pursu-
ant to paragraph (4) may be sold at any time as Russian-
origin natural uranium in a matched sale pursuant to the
Suspension Agreement, and in such case shall not be
counted against the annual maximum deliveries set forth
in paragraph (5).

(7) Uranium hexafluoride delivered to the Russian
Executive Agent under paragraph (3) or auctioned pursu-
ant to paragraph (4) may be sold at any time for use in
the United States for the purpose of overfeeding in the
operations of enrichment facilities.
(8) Nothing in this subsection (b) shall restrict the sale of the conversion component of such uranium hexafluoride. Material sold pursuant to paragraph 5 shall not be swapped, exchanged or loaned.

(9) The Secretary of Commerce shall have responsibility for the administration and enforcement of the limitations set forth in this subsection. The Secretary of Commerce may require any person to provide any certifications, information, or take any action that may be necessary to enforce these limitations. The U.S. Customs Service shall maintain and provide any information required by the Secretary of Commerce and shall take any action requested by the Secretary of Commerce which is necessary for the administration and enforcement of the uranium delivery limitations set forth in this section.

(10) The President shall monitor the actions of the United States Executive Agent under the Russian HEU Agreement and shall report to the Congress not later than December 31 of each year on the effect the low-enriched uranium delivered under the Russian HEU Agreement is having on the domestic uranium mining, conversion, and enrichment industries, and the operation of the gaseous diffusion plants. Such report shall include a description of actions taken or proposed to be taken by the President to prevent or mitigate any material adverse impact on
such industries or any loss of employment at the gaseous diffusion plants as a result of the Russian HEU Agreement.

(c) Transfers to the Corporation.—(1) The Secretary shall transfer to the Corporation without charge up to 50 metric tons of enriched uranium and up to 7,000 metric tons of natural uranium from the Department of Energy’s stockpile, subject to the restrictions in subsection (e)(2).

(2) The Corporation shall not deliver for commercial end use in the United States—

(A) any of the uranium transferred under this subsection before January 1, 1998;

(B) more than 10 percent of the uranium (by uranium hexafluoride equivalent content) transferred under this subsection or more than 4 million pounds, whichever is less, in any calendar year after 1997; or

(C) more than 800,000 separative work units contained in low-enriched uranium transferred under this subsection in any calendar year.

(d) Inventory Sales.—(1) In addition to the transfers authorized under subsections (e) and (d), the Secretary may, from time to time, sell natural and low-enriched uranium (including low-enriched uranium derived
from highly enriched uranium) from the Department of Energy’s stockpile.

(2) Except as provided in subsections (b), (c), and (e) no sale or transfer of natural or low-enriched uranium shall be made unless—

(A) the President determines that the material is not necessary to national security needs,

(B) the Secretary determines that the sale of the material will not have an adverse material impact on the domestic uranium mining, conversion, or enrichment industry, taking into account the sales of uranium under the Russian HEU Agreement and the Suspension Agreement, and

(C) the price paid to the Secretary will not be less than the fair market value of the material.

(e) GOVERNMENT TRANSFERS.—Notwithstanding subsection (d)(2), the Secretary may transfer or sell enriched uranium—

(1) to a Federal agency if the material is transferred for the use of the receiving agency without any resale or transfer to another entity and the material does not meet commercial specifications;

(2) to any person for national security purposes, as determined by the Secretary; or
(3) to any State or local agency or nonprofit, charitable, or educational institution for use other than the generation of electricity for commercial use.

(f) SAVINGS PROVISION.—Nothing in this subtitle shall be read to modify the terms of the Russian HEU Agreement.

amount equal to that which would be charged by commer-
cial, State, regional, or interstate compact entities for dis-
posal of such waste.

(3) In the event depleted uranium were ultimately de-
termined to be low-level radioactive waste, the generator
shall reimburse the Secretary for the disposal of depleted
uranium pursuant to paragraph (1) in an amount equal
to the Secretary’s costs, including a pro rata share of any
capital costs.

(b) AGREEMENTS WITH OTHER PERSONS.—The

limitation contained in any repayment or water service

"(1) If, during the adjustment period, a lessee determines that an adjustment or refund request is necessary to correct an underpayment or overpayment of an obligation, the lessee shall make such adjustment or request a refund within a reasonable period of time and only during the adjustment period. Any such adjustment shall not require prior notice to or approval of the Secretary.

"(2)(A) For any adjustment, the lessee shall calculate and report the interest due attributable to such adjustment at the same time the lessee adjusts the principal amount of the subject obligation, except as provided by subparagraph (B).

"(B) In the case of a lessee on whom the Secretary determines that subparagraph (A) would impose a hardship, the Secretary shall calculate the in-
terest due and notify the lessee within a reasonable
time of the amount of interest due, unless such les-
see elects to calculate and report interest in accord-
ance with subparagraph (A).

“(3) An adjustment or a request for a refund
for an obligation may be made after the adjustment
period only upon written notice to and approval by
the Secretary during an audit of the period which
includes the production month for which the adjust-
ment is being made. If an overpayment is identified
during an audit, then the Secretary shall allow a
credit or refund in the amount of the overpayment.

“(4) For purposes of this section, the adjust-
ment period for any obligation shall be the five-year
period following the date on which an obligation be-
came due. The adjustment period shall be sus-
pended, tolled, extended, enlarged, or terminated by
the same actions as the limitation period in section
115.

“(b) REFUNDS.—

“(1) IN GENERAL.—A request for refund is suf-
ficient if it—

“(A) is made in writing to the Secretary
and, for purposes of section 115, is specifically
identified as a demand;
“(B) identifies the person entitled to such refund;

“(C) provides the Secretary information that reasonably enables the Secretary to identify the overpayment for which such refund is sought; and

“(D) provides the reasons why the payment was an overpayment.

“(2) Payment by Secretary of the Treasury.—The Secretary shall certify the amount of the refund to be paid under paragraph (1) to the Secretary of the Treasury who shall make such refund. Such refund shall be paid from amounts received as current receipts from sales, bonuses, royalties (including interest charges collected under this section) and rentals of the public lands and the Outer Continental Shelf under the provisions of the Mineral Leasing Act and the Outer Continental Shelf Lands Act, which are not payable to a State or the Reclamation Fund. The portion of any such refund attributable to any amounts previously disbursed to a State, the Reclamation Fund, or any recipient prescribed by law shall be deducted from the next disbursements to that recipient made under the applicable law. Such amounts deducted from subsequent
disbursements shall be credited to miscellaneous receipts in the Treasury.

“(3) Payment period.—A refund under this subsection shall be paid or denied (with an explanation of the reasons for the denial) within 120 days of the date on which the request for refund is received by the Secretary. Such refund shall be subject to later audit by the Secretary and subject to the provisions of this Act.

“(4) Prohibition against reduction of refunds or credits.—In no event shall the Secretary directly or indirectly claim any amount or amounts against, or reduce any refund or credit (or interest accrued thereon) by the amount of any obligation the enforcement of which is barred by section 115.”.

(b) Clerical amendment.—The table of contents in section 1 of Act (30 U.S.C. 1701) is amended by adding after the item relating to section 111 the following new item:

“Sec. 111A. Adjustments and refunds.”.

SEC. 5504. REQUIRED RECORDKEEPING.

Section 103 of the Federal Oil and Gas Royalty Management Act of 1982 (30 U.S.C. 1713(b)) is amended by adding at the end the following:
“(c) records required by the Secretary for the purpose of determining compliance with any applicable mineral leasing law, lease provision, regulation or order with respect to oil and gas leases from Federal lands or the Outer Continental Shelf shall be maintained for the same period of time during which a judicial proceeding or demand may be commenced under section 115(a). If a judicial proceeding or demand is timely commenced, the record holder shall maintain such records until the final nonappealable decision in such judicial proceeding is made, or with respect to that demand is rendered, unless the Secretary authorizes in writing an earlier release of the requirement to maintain such records. Notwithstanding anything herein to the contrary, under no circumstance shall a record holder be required to maintain or produce any record relating to an obligation for any time period which is barred by the applicable limitation in section 115.”.

SEC. 5505. ROYALTY INTEREST, PENALTIES, AND PAYMENTS.

(a) PERIOD.—Section 111(f) of the Federal Oil and Gas Royalty Management Act of 1982 (30 U.S.C. 1721(f)) is amended to read as follows:

“(f) The Secretary may waive or forego such interest in whole or in part. Interest shall be charged under this section only for the number of days a payment is late.”.
(b) LESSEE INTEREST.—Section 111 of the Federal Oil and Gas Royalty Management Act of 1982 (30 U.S.C. 1721) is amended by adding after subsection (g) the following:

“(h) Interest shall be allowed and the Secretary shall pay or credit such interest on any overpayment, with such interest to accrue from the date such overpayment was made, at the rate applicable under section 6621(a)(2) of the Internal Revenue Code of 1986. Interest which has accrued on any overpayment may be applied to reduce an underpayment. This subsection applies to overpayments made later than six months after the date of enactment of this subsection or September 1, 1996, whichever is later. Such interest shall be paid from amounts received as current receipts from sales, bonuses, royalties (including interest charges collected under this section) and rentals of the public lands and the Outer Continental Shelf under the provisions of the Mineral Leasing Act, and the Outer Continental Shelf Lands Act, which are not payable to a State or the Reclamation Fund. The portion of any such interest payment attributable to any amounts previously disbursed to a State, the Reclamation Fund, or any other recipient designated by law shall be deducted from the next disbursements to that recipient made under the applicable law. Such amounts deducted from subse-
quent disbursements shall be credited to miscellaneous receipts in the Treasury.”

(c) LIMITATION ON INTEREST.—Section 111 of the Federal Oil and Gas Royalty Management Act, as amended by subsection (b) of this Act, is further amended by adding at the end the following:

“(i) Upon a determination by the Secretary that an excessive overpayment (based upon all obligations of a lessee for a given reporting month) was made for the sole purpose of receiving interest, interest shall not be paid on the excessive amount of such overpayment. For purposes of this Act, an ‘excessive overpayment’ shall be the amount that any overpayment a lessee pays for a given reporting month (excluding payments for demands for obligations as a result of judicial or administrative proceedings for settlement agreements and for other similar payments) for the aggregate of all of its Federal leases exceeds 25 percent of the total royalties paid that month for those leases.”.

(d) ESTIMATED PAYMENT.—Section 111 of the Federal Oil and Gas Royalty Management Act, as amended by subsections (b) and (c) of this Act, is further amended by adding at the end the following:

“(j) A lessee may make a payment for the approximate amount of royalties (hereinafter in this subsection
“estimated payment’) that would otherwise be due to the Secretary for such lease to avoid underpayment or nonpayment interest charges. When an estimated payment is made, actual royalties become due at the end of the month following the period covered by the estimated payment. If the lessee makes a payment for such actual royalties, the lessee may apply the estimated payment to future royalties. Any estimated payment may be adjusted, recouped, or reinstated at any time by the lessee.”

(c) Volume Allocation of Oil and Gas Production.—Section 111 of the Federal Oil and Gas Royalty Management Act (30 U.S.C. 1721), as amended by subsections (b) through (d) of this Act, is amended by adding at the end the following:

“(k)(1) Except as otherwise provided by this subsection—

“(A) a lessee of a lease in a unit or communitization agreement which contains only Federal leases with the same royalty rate and funds distribution must report and pay royalties on oil and gas production for each production month based on the actual volume of production sold by or on behalf of that lessee;

“(B) a lessee of a lease in any other unit or communitization agreement must report and pay
royalties on oil and gas production for each production month based on the volume of oil and gas produced from such agreement and allocated to the lease in accordance with the terms of the agreement; and

“(C) a lessee of a lease that is not contained in a unit or communitization agreement must report and pay royalties on oil and gas production for each production month based on the actual volume of production sold by or on behalf of that lessee.

“(2) This subsection applies only to requirements for reporting and paying royalties. Nothing in this subsection is intended to alter a lessee’s liability for royalties on oil or gas production based on the share of production allocated to the lease in accordance with the terms of the lease, a unit or communitization agreement, or any other agreement.

“(3) For any unit or communitization agreement, if all lessees contractually agree to an alternative method of royalty reporting and payment, the lessees may submit such alternative method to the Secretary for approval and make payments in accordance with such approved alternative method so long as such alternative method does not reduce the amount of the royalty obligation.
“(4) The Secretary shall grant an exception from the reporting and payment requirements for marginal properties by allowing for any calendar year or portion thereof royalties to be paid each month based on the volume of production sold. Interest shall not accrue on the difference for the entire calendar year or portion thereof between the amount of oil and gas actually sold and the share of production allocated to the lease until the beginning of the month following calendar year or portion thereof. Any additional royalties due or overpaid royalties and associated interest shall be paid, refunded, or credited within six months after the end of each calendar year in which royalties are paid based on volumes of production sold. For the purpose of this subsection, the term ‘marginal property’ means a lease that produces on average the combined equivalent of less than 15 barrels of oil per day or 90 thousand cubic feet of gas per day, or a combination thereof, determined by dividing the average daily production of domestic crude oil and domestic natural gas from producing wells on such lease by the number of such wells, unless the Secretary, together with the State concerned, determines that an amount which is a nonsubstantive variation thereof is more appropriate.

“(5) Not later than two years after the date of the enactment of this subsection, the Secretary shall issue any
appropriate demand for all outstanding royalty payment disputes regarding who is required to report and pay royalties on production from units and communitization agreements outstanding on the date of the enactment of this subsection, and collect royalty amounts owed on such production.”.

(f) PRODUCTION ALLOCATION.—Section 111 of the Federal Oil and Gas Royalty Management Act (30 U.S.C. 1721), as amended by subsections (b) through (e) of this Act, is further amended by adding at the end the following:

“(l) The Secretary shall issue all determinations of allocations of production for units and communitization agreements within 120 days of a request for determination. If the Secretary fails to issue a determination within such 120-day period, the Secretary shall waive interest due on obligations subject to the determination until the end of the month following the month in which the determination is made.”.

SEC. 5506. LIMITATION ON ASSESSMENTS.

Section 111 of the Federal Oil and Gas Royalty Management Act of 1982 (30 U.S.C. 1721), as amended by section 5505 of this Act, is further amended by adding at the end the following:
“(l)(1) After the date of enactment of this subsection, the Secretary shall not impose any assessment for any late payment or underpayment. After the date of enactment of this subsection, the Secretary may impose an assessment only for erroneous reports submitted by lessees subject to the limitations of paragraph (2). Nothing in this section shall prohibit the Secretary from imposing penalties or interest under other sections of this Act for late payments or underpayments.

“(2) No assessment for erroneous reports shall be imposed for 18 months following the date of enactment of this subsection, or until the Secretary issues a final rule which provides for imposition of an assessment only on a lessee who chronically submits erroneous reports and which establishes what constitutes chronic errors for a lessee, whichever is later. However, if the Secretary determines during that 18-month period that the reporting error rate for all reporters for all Federal leases has increased by one-third for three consecutive report months for either production reporting or royalty reporting over the 12 months preceding the date of enactment of this subsection, the Secretary may impose an assessment for erroneous reports only for the increased category of report under regulations in effect on the date of enactment of this subsection.”.
SEC. 5507. ALTERNATIVES FOR MARGINAL PROPERTIES.

(a) IN GENERAL.—The Federal Oil and Gas Royalty Management Act of 1982 (30 U.S.C. 1701 et seq.), as amended by section 5502 of this Act, is further amended by adding at the end the following:

"SEC. 116. ALTERNATIVES FOR MARGINAL PROPERTIES.

“(a) SELLING REVENUE STREAM.—

“(1) IN GENERAL.—Notwithstanding the provisions of any lease to the contrary, upon request of the lessee and a State under section 205(g), the Secretary shall authorize a lessee for a marginal property and for a lease, the administration of which is not cost-effective for the Secretary to administer, to make a prepayment in lieu of royalty payments under the lease for the remainder of the lease term. For the purposes of this section, the term ‘marginal property’ has the same meaning given such term in section 111(k)(4), unless the Secretary, together with each State in which such marginal production occurs, determines otherwise to better achieve the purpose of this section.

“(2) MARGINAL PROPERTIES.—For marginal properties, prepayments under paragraph (1) shall begin—

“(A) in the case of those properties producing on average $500 or less per month in
total royalties to the United States, two years after the date of the enactment of this section;

“(B) in the case of those properties producing on average more than $500 but $1,000 or less per month in total royalties to the United States, three years after the date of the enactment of this section;

“(C) in the case of those properties producing on average more than $1,000 but $1,500 or less per month in total royalties to the United States, four years after the date of the enactment of this section; and

“(D) in the case of those properties not described in subparagraphs (A) through (C), five years after the date of the enactment of this section.

“(3) ADMINISTRATION NOT COST-EFFECTIVE.—For a lease, the administration of which is not cost-effective for the Secretary to administer, prepayments under paragraph (1) shall begin on the date of the enactment of this section.

“(4) SATISFACTION OF ROYALTY OBLIGATION.—A lessee who makes a prepayment under this section shall have satisfied in full its obligation to pay royalty on production from the lease or a por-
tion of a lease and shall not be required to submit any royalty reports to the Secretary. The prepay-
ment shall be shared by the Secretary with any State or other recipient to the same extent as any royalty payment for such lease.

“(5) VALUATION.—The prepayment authorized under this section shall only occur if the Secretary, the State concerned, and the lessee determine that such prepayment is based on the present value of the projected remaining royalties from the produc-
tion from the lease, based on appropriate nominal discount rate for a comparable term, as provided in Office of Management and Budget Circular A–94.

“(b) ALTERNATIVE ACCOUNTING AND ALTERNATIVE ACCOUNTING AND AUDITING REQUIREMENTS.—

“(1) IN GENERAL.—Within one year after the date of the enactment of this section, for the mar-
ginal properties referenced in subsection (a)(1), the Secretary shall provide accounting, reporting, and auditing relief that will encourage lessees to continue to produce and develop such properties: Provided, That such relief will only be available to lessees in a State that concurs.
“(2) Payment date.—For leases subject to this section, the Secretary may allow royalties to be paid later than the time specified in the lease.”.

(b) Clerical Amendment.—The table of contents in section 1 of the Federal Oil and Gas Royalty Management Act (30 U.S.C. 1701) is amended by adding after the item relating to section 115 the following new item:

“Any royalty or net profit share of oil or gas accruing to the United States under any such lease, at the Secretary’s option, may be taken in kind at or near the lease (unless the lease expressly provides for delivery at a different location) upon prior written notice given reasonably in advance by the Secretary to the lessee. Once the United States has commenced taking royalty in kind, it shall continue to do so until a reasonable time after the Secretary has provided written notice reasonably in advance to the lessee that it will resume taking royalty in value. Delivery of royalty in kind by the lessee shall satisfy in full the lessee’s royalty obligation. Once the oil or gas is delivered, the lessee shall not be subject to the reporting and record-keeping requirements under section 103 for its share of oil and gas production other than records necessary to verify the quantity of oil or gas delivered.”

(2) ONSHORE.—Section 36 of the Mineral Leasing Act (30 U.S.C. 192) is amended by adding at the end the following paragraph:

“Notwithstanding the provisions of the previous paragraph, any royalty or net profit share of oil or gas accruing to the United States under any lease issued or maintained by the Secretary for the exploration, production and development of oil and gas on Federal lands, at the Secretary’s option, may be
taken in kind at or near the lease (unless the lease expressly provides for delivery at a different location) after prior written notice given reasonably in advance by the Secretary to the lessee. Once the United States has commenced taking royalty in kind, it shall continue to do so until a reasonable time after the Secretary has provided written notice reasonably in advance to the lessee that it will resume taking royalty in value. Delivery of royalty in kind by the lessee shall satisfy in full the lessee’s royalty obligation. Once the oil or gas is delivered, the lessee shall not be subject to the reporting and recordkeeping requirements under section 103 for its share of oil and gas production other than records necessary to verify the quantity of oil or gas delivered.”.

“(B) a list and description of additional initiatives identified by the Secretary to simplify and streamline royalty management requirements and practices; and

“(C) cost savings of implemented initiatives including impact on net-receipts sharing for States.

“(3) If the Secretary and the State concerned determines that the cost of accounting and auditing for and collecting of any obligation due for any oil and gas production exceeds the amount of the obligation to be collected, the Secretary shall waive such obligation.

“(4) The Secretary and the State concerned shall not perform accounting, reporting, or audit activities if the Secretary and the State concerned determines that the cost of conducting the activity exceeds the expected amount to be collected by the activity.

timely filed with the Bureau of Land Management under subsection 314(b) of the Federal Land Policy and Management Act of 1976 after September 1, the annual maintenance fee payable under the first sentence of this subsection shall be paid at the time such notice or certificate of location is filed, in addition to the location fee and the initial $100 maintenance fee. No maintenance fee shall be required if the fee is waived or the owner of the mining claim or site is exempt as provided in section 5703 of this Subtitle.

(b) MAINTENANCE FEE STATEMENT.—Each payment under subsection (a) of this section shall be accompanied by a statement which reasonably identifies the mining claim or site for which the maintenance fee is being paid. Such statement may include the name of the mining claim or site, the serial number assigned by the Secretary to such mining claim or site, the description of the book and page in which the notice or certificate of location for such mining claim or site is recorded under State law, any combination of the foregoing, or any other information that reasonably identifies the mining claim or site for which the maintenance fee is being paid. The statement required under this subsection shall be in lieu of any annual filing requirements for mining claims or sites, under
any other Federal law, but shall not supersede any such filing requirement under applicable State law.

(c) Location Fee.—The owner of each unpatented mining claim or site located on or after the date of enactment of this Subtitle pursuant to the general mining laws shall pay to the Secretary, at the time the notice or certificate of location is filed with the Bureau of Land Management pursuant to subsection 314(b) of the Federal Land Policy and Management Act of 1976 (43 U.S.C. 1744(b)), a location fee of $25.00 per claim.

(d) Credit Against Royalty.—The annual claim maintenance fee paid for any unpatented mining claim or site on or before September 1 of any year shall be credited against the amount of royalty required to be paid under Section 5705 for such mining claim or site during the following assessment year.

(e) Failure To Comply.—The failure of the owner of the mining claim or site to pay the claim maintenance fee or location fee for a mining claim or site on or before the date such payment is due under subsection (a) or subsection (c) of this section shall constitute forfeiture of the mining claim or site and such mining claim or site shall be null and void, effective as of the day after the date such payment is due: Provided, however, That, if such maintenance fee or location fee is paid or tendered on or
before the 30th day after such payment was due under
subsection (a) or subsection (c) of this section, such min-
ing claim or site shall not be forfeited or null or void, and
such maintenance fee or location fee shall be deemed time-
ly paid.

(f) **Repeal of Omnibus Budget Reconciliation Act Fee Requirements.**—Sections 10101 through 10106 of the Omnibus Budget Reconciliation Act of 1993 (30 U.S.C. 28f through 28k) are hereby repealed.

(g) **Amendment of FLPMA Filing Requirements.**—Section 314 (a) of the Federal Land Policy and Management Act of 1976 (43 U.S.C. 1744 (a)) is hereby repealed.

**SEC. 5703. WAIVER AND EXEMPTION.**

(a) **Waiver of Fee.**—The maintenance fee provided
for in subsection 5702(a) shall be waived for the owner
of a mining claim or site who certifies in writing to the
Secretary, on or before the date the payment is due, that,
as of the date such payment is due, such owner and all
related persons own not more than twenty-five unpatented
mining claims or sites. Any owner of a mining claim or
site that is not required to pay a maintenance fee under
this subsection shall continue to be subject to the assess-
ment work requirements of the general mining laws or of
any other State or Federal law, subject to any suspension
or deferment of annual assessment work provided by law, for the assessment year following the filing of the certification required by this subsection.

(b) Related Persons.—As used in subsection (a), the term “related persons” includes—

(1) the spouse and dependent children (as defined in section 152 of the Internal Revenue Code of 1986), of the owner of the mining claim or site; and

(2) a person controlled by, controlling, or under common control with the owner of the mining claim or site.

(c) Exemption.—The owner of any mining claim or site who certifies in writing to the Secretary on or before the first day of any assessment year that access to such mining claim or site was denied or impeded during the prior assessment year by the action or inaction of any local, State, or Federal Governmental officer, agency, or court, or by any Indian tribal authority, shall be exempt from the maintenance fee requirement of subsection (a) of section 5702 for the assessment year following the filing of the certification.

SEC. 5704. PATENTS.

(a) In General.—Except as provided in subsection (c), any patent issued by the United States under the gen-
eral mining laws after the date of enactment of this Sub-
title shall be issued only—

(1) upon payment by the owner of the claim of
the fair market value for the interest in the land
owned by the United States exclusive of and without
regard to the mineral deposits in the land or the use
of the land for mineral activities; and

(2) subject to reservation by the United States
of the royalty provided in section 5705.

(b) **Right of Reentry.**—

(1) Except as provided in subsection 5704(c),
and notwithstanding any other provision of law, a
patent issued pursuant to this section shall be sub-
ject to a right of reentry by the United States if the
patented estate is used by the patentee for any pur-
pose other than for conducting mineral activities in
good faith and such unauthorized use is not discon-
tinued as provided in this subsection.

(2) If the surface of the patented estate is used
by the patentee, or any subsequent owners, for any
purpose other than for conducting mineral activities
in good faith, the Secretary shall serve on all owners
of interests in such patented estate, in the manner
prescribed for service of a summons and complaint
under the Federal Rules of Civil Procedure, notice
specifying such unauthorized use and providing not
more than 90 days in which such unauthorized use
must be terminated. The giving of such notice shall
constitute final agency action appealable by any
owner of an interest in such patented estate. The
Secretary may exercise the right of reentry as pro-
vided in paragraph (3) of this subsection if such un-
authorized use has not been terminated in the time
provided in this paragraph, and only after all appeal
rights have expired and any appeals of such notice
have been finally determined.

(3) The Secretary may exercise the right of the
United States to reenter such patented estate by fil-
ing a declaration of reentry in the office of the Bu-
reau of Land Management designated by the Sec-
retary and recording such declaration where the no-
notice or certificate of location for the patented claim
or site is recorded under State law. Upon the filing
and recording of such declaration, all right, title and
interest in such patented estate shall revert to the
United States. Lands and interests in lands for
which the United States exercises its right of reentry
under this section shall remain open to the location
of mining claims and mill sites, unless withdrawn
under other applicable law.
(c) Patent Transition.—Notwithstanding any other provision of law, the requirements of this subtitle (except the payment of maintenance and location fees in accordance with sections 5702 and 5703) shall not apply to those patent applications pending at the Department of the Interior as of September 30, 1995. Such patents shall be issued under or subject to the general mining laws in effect prior to the date of enactment of this subtitle.

SEC. 5705. ROYALTY.

(a) Reservation of Royalty.—

(1) In general.—Production of locatable minerals (including associated minerals) from any unpatented mining claim (other than those from Federal lands to which subsection 5704(c) applies) or any mining claim patented under subsection 5704(a), including mineral concentrates and products derived from locatable minerals, shall be subject to the payment of a royalty of 2.5 percent on the Net Smelter Return of all ores, minerals, metals, and materials mined and removed and sold.

(2) Waiver.—If the Secretary determines that the Secretary’s cost of accounting for and collecting a royalty for any mineral exceeds or is likely to exceed the amount of royalty to be collected, the Secretary shall waive such royalty. The obligation to
pay royalties hereunder shall accrue only upon the
sale of locatable minerals or mineral products pro-
duced from a mining claim subject to such royalty,
and not upon the stockpiling of the same for future
processing.

(3) Exemption.—Any mine with an annual
Revenues Received of less than $500,000 shall be
exempt from the requirement to pay a royalty under
this section.

(4) Definition.—

(A) “Net Smelter Return” means the
“Revenues Received” for such ores, minerals,
metals or materials, less the “Allowable Deduc-
tions” for any calendar year.

(B) “Revenues Received” means the pro-
ceeds from the sale of ores mined from the
claims or patents before subtracting the “Allow-
able Deductions”, or, in the case of sales of
beneficiated products from locatable minerals
such as cathode, anode or copper rod or wire,
or other products fabricated from the locatable
minerals, the gross income from mining derived
from the first commercially marketable product
determined in the same manner as under Sec-
tion 613 of the Internal Revenue Code, before
subtracting the “Allowable Deductions.” Sales
or transfers of ores to affiliates shall be valued
at the fair market value of the products sold or
transferred. Without limiting the foregoing, the
profits or losses incurred in connection with for-
ward sales, futures or commodity options trad-
ing, metal loans, or any other price hedging or
speculative activity or arrangement shall not be
included in Revenues Received.

(C) “Allowable Deductions” means the fol-
lowing costs and expenses actually incurred or
paid to third parties by the royalty payor: proc-
essing and treatment cost, costs for all trans-
portation and insurance for ores or products
produced from ores mined from the claim,
group of claims or patents comprising an oper-
ation, between the mine and processing facili-
ties, from one processing facility to another,
and from processing facilities to the point of de-
delivery of said ores or products; assaying
charges, umpire charges, independent rep-
resentative charges; all charges by purchasers
of said ores or products; all taxes (except in-
come taxes) measured by or valued upon pro-
duction.
(5) **REVENUES RECEIVED.**—All Revenues Received and Allowable Deductions shall be determined in accordance with generally accepted accounting principles and practices consistently applied. Revenues Received and Allowable Deductions shall be determined by the accrual method.

(6) **ALLOWABLE DEDUCTIONS.**—Where any Allowable Deductions are incurred in conjunction with like costs for mineral products from other properties controlled by the payor such costs shall be fairly allocated and apportioned in accordance with generally accepted practices in the mining industry.

(7) **COMMINGLING.**—The payor shall have the right to commingle ore and minerals from the claim, group of claims, or patent comprising an operation, with ore from other lands and properties: *Provided, however,* that the payor shall calculate from representative samples the average grade of the ore before commingling. If concentrates are produced from the commingled ores, the payor shall calculate from representative samples calculating the average grade of the ore, and calculating average recovery percentages the payor shall use procedures accepted in the mining and metallurgical industry suitable for the
type of mining and processing activity being conducted.

(8) Effective date.—

(A) In general.—The royalty required under this section shall take effect with respect to production on or after the first day of the first month following the date of enactment of this subtitle.

(B) Phase-in.—The royalty payments required under this section shall be reduced—

(i) by 66 2/3 percent for the first 12 months following the date of enactment of this subtitle for which royalties are due on production pursuant to this subtitle; and

(ii) by 33 1/3 percent for the second 12 months that royalties are due on production pursuant to this subtitle.

(C) Time for payment.—Any royalty payment attributable to production during the first 15 calendar months after the date of enactment of this subtitle, after any reduction under paragraph (B), shall be due on the date that is 12 months after the date of enactment of this subtitle.
(D) No marketable quantity prior to date of enactment.—For a claim, group of claims, or patents comprising an operation that has not produced a marketable quantity prior to the date of enactment of this subtitle, the royalty payments required pursuant to this section shall be reduced—

(i) by 66 2/3 percent for the first 12 months following the date of enactment of this subtitle for which royalties are due on production pursuant to this subtitle; and

(ii) by 33 1/3 percent for the second 12 months that royalties are due on production pursuant to this subtitle.

(9) Royalty reduction for marginal operations.—

(A) Application.—A person that is required to make a royalty payment under this section may file for a reduction or waiver of the royalty by demonstrating that payment of the royalty would preclude recovery of costs of production, including invested capital, for a claim, group of claims or patents comprising an operation for the remaining reasonable life of the operation: Provided, That the Secretary shall
not consider royalty reduction effective during
the phase-in periods under paragraph (8). For
purposes of this initial application, “Projected
Revenues” shall be calculated using the opera-
tor’s current and projected rates of production
at the average price for the preceding 12
months.

(B) DEFINITION.—For purposes of an ap-
lication under subparagraph (A)—

(i) “Projected Revenues” shall be the
net present value of the expected revenues
for the remaining reasonable life of the op-
eration calculated using the average min-
eral price received for the preceding 12
month calendar year.

(ii) “Costs of Production” shall mean
the net present value of the following costs
based on the expected rate of production
for the remaining reasonable life of the op-
eration—

(I) the projected cost of extract-
ing the locatable mineral;

(II) the projected cost of trans-
porting the locatable mineral to the
place or places of reduction, beneficiation, refining and sale;

(III) the projected cost of reduction, beneficiation, refining and sale of the locatable mineral;

(IV) the projected cost of marketing and delivering the locatable mineral and the conversion of the locatable mineral into money;

(V) the projected cost of maintenance and repairs of all machinery, equipment, apparatus, and facilities used in the mine; all crushing, milling, leaching, refining, smelting, and reduction works, plants, and facilities; and all facilities and equipment for transportation;

(VI) the projected cost for support personnel and support services at the mine site, including without limitation, accounting, assaying, drafting, and mapping, computer services, surveying, housing, camp and office expenses, safety and security;
(VII) the projected cost of engineering, sampling, and assaying pertaining to development and production;

(VIII) the projected cost of permitting, reclamation, environmental compliance and monitoring;

(IX) the projected cost of fire and other insurance on the machinery, equipment, apparatus, works, plants and facilities mentioned in subclause (B)(ii)(V);

(X) depreciation of the original capitalized cost of the machinery, equipment, apparatus, works, plants, and facilities listed in subclause (B)(ii)(V), considering the probable life of the property in computing the annual depreciation charge;

(XI) all money expended for premiums for industrial insurance, and the owner-paid cost of hospital and medical attention and accident benefits and group insurance for all em-
ployees engaged in the production or
processing of locatable minerals;

   (XII) all money paid as contribu-
tions or payments under State unem-
ployment compensation law, all money
paid as contributions under the Fed-
eral Social Security Act, and all
money paid to State government in
real property taxes measured or levied
on production, or Federal excise tax
payments and payments as fees or
charges for use of the Federal lands
from which the locatable minerals are
produced; and

   (XIII) the projected cost of devel-
opmental work in or about the mine
or upon a group of mines when oper-
ated as a unit.

   (C) For purposes of the annual depreci-
ation charge under paragraph (B)(ii)X)—

   (i) Any expenditure not otherwise de-
scribed in this clause which is not deduct-
able in the year paid or incurred pursuant
to the Internal Revenue Code of 1986, and
which is:
(I) attributable to the direct acquisition of mining claims purchased separately or as part of a group of assets, or

(II) attributable to the indirect acquisition of mining property or mining claims by reason of being a portion of the consideration for an interest in a corporation, partnership or trust (in connection with an ownership change of such entity determined under the principles of Section 382(g) of the Internal Revenue Code of 1986) allocable to such property or claims of such entity, shall be allowable as a depreciation deduction to the purchaser in the case of an expenditure described in (I) or to the acquired corporation, partnership or trust in the case of an expenditure described in (II), ratably over a period based on the probable life of the property, beginning with the taxable year in which such expenditure was made.
(ii) The deduction allowed for costs attributable to mining property or claims is available only at the election of the purchaser in the case of expenditures described in (i)(I), or at the election of both the purchaser and acquired corporation, partnership or trust in the case of expenditures described in (i)(II), and is in lieu of any other deduction otherwise allowable under this section with respect to such expenditure.

(D) If the Costs of Production for the operation exceed the Projected Revenues, the Secretary shall waive in full the royalty obligation. If the Projected Revenues exceed the Costs of Production by less than the full royalty obligation under subsection (a), the Secretary shall reduce the royalty rate to a level allowing the recovery of the Costs of Production, including invested capital, over the remaining reasonable life of the operation.

(10) **SPLIT ESTATES.**—For circumstances where a claim, group of claims or patent is subject to this section but does not comprise the entirety of a mine, the Annual Revenues and Costs of Produc-
tion shall be allocated for royalty purposes in proportion to the value of production recovered from the claim, group of claims or patent.

(11) JUDICIAL REVIEW.—A determination by the Secretary under paragraph (9) shall be judicially reviewable under section 702 of title 5, United States Code, only for actions filed within 180 days of the Secretary's determination.

(12) ANNUAL FILING OF DATA.—If a reduction in royalty is provided under this paragraph, the royalty payor shall file cost and revenue data with the Secretary annually during the period of royalty waiver or reduction.

(b) DUTIES OF CLAIM HOLDERS, OPERATORS AND TRANSPORTERS.—A person that is required to make a royalty payment under this section shall make quarterly estimates of the royalty obligation and shall make the payment to the United States annually in such manner as the Secretary of the Interior may by rule prescribe. The owner or co-owners of a mining claim shall be liable for royalty on locatable minerals produced and sold during the period of ownership to the extent of the interest in such claim owned. As used in this subsection, “owner” or “co-owner” shall mean the person or persons owning the right to mine locatable minerals from such claim and receiving
the revenues of sale. Any person who makes any royalty payment attributable to the interest of the owner or co-owners liable therefor shall not become liable to the United States for such royalty as a result.

(c) MANNER OF PAYMENT.—

(1) Each royalty payment or adjustment shall be accompanied by a statement containing:

(A) the name and Bureau of Land Management serial number of the mining claim or claims from which ores, concentrates, solutions or beneficiated products of locatable minerals subject to the royalty required in this section were produced and sold for the period covered by such payment or adjustment;

(B) the estimated (or actual, if determined) quantity of such ore, concentrates, solutions or beneficiated or fabricated products produced and sold from such mining claim or claims for such period;

(C) the estimated (or actual, if determined) Gross Yield from the production and sale of such ore, concentrates, solutions or beneficiated products for such period;

(D) the estimated (or actual, if determined) Net Smelter Return from the produc-
tion and sale of such ores, concentrates, solutions or beneficiated products for such period, including an itemization of the applicable deductions described in paragraph 20(a)(4)(A); and

(E) the estimated (or actual, if determined) royalty due to the United States, or adjustment due to the United States or such owner or co-owners, for such period.

(2) In lieu of receiving a refund under subsection (e), the owner or co-owners may elect to apply any adjustment due to such owner or co-owners as an offset against royalties due from such owner or co-owners to the United States under this Subtitle, regardless of whether such royalties are due for production and sale from the same mining claim or claims.

(d) RECORDKEEPING AND REPORTING REQUIREMENTS.—

(1) An owner, operator, or other person directly involved in the conduct of mineral activities, transportation, purchase, or sale of locatable minerals, concentrates, or products derived therefrom, subject to the royalty required in this section, through the point of royalty computation, shall establish and
maintain any records, make any reports, and provide any information that the Secretary may reasonably require for the purposes of implementing this section or determining compliance with regulations or orders under this section. Upon the request of the Secretary when conducting an audit or investigation pursuant to subsection (f), the appropriate records, reports, or information which may be required by this section shall be made available for inspection and duplication by the Secretary.

(2) Records required by the Secretary under this section shall be maintained for three years after the records are generated unless the Secretary notifies the record holder that he or she has initiated an audit or investigation specifically identifying and involving such records and that such records must be maintained for a longer period. When an audit or investigation is under way, such records shall be maintained until the earlier of the date that the Secretary releases the record holder of the obligation to maintain such records or the date that the limitations period applicable to such audit or investigation under subsection (f) expires.

(e) INTEREST ASSESSMENTS.—In any case in which royalty payments are not received by the Secretary on the
date that such payments are due, or when such payments are less than the amount due, the Secretary shall charge interest on such late payments computed at the rate published by the Department of the Treasury as the “Treas-
ury Current Value of Funds Rate.” In the case of an underpayment or partial payment, interest shall be com-
puted and charged only on the amount of the deficiency and not on the total amount, and only for the number of days such payment is late. No other late payment or underpayment charge or penalty shall be charged. In any case in which royalty payments are made in excess of the amount due, or amounts are held by the Secretary pending the outcome of any appeal in which the Secretary does not prevail, the Secretary shall promptly refund such over-
payments or pay such amounts to the person or persons entitled thereto, together with interest thereon for the number of days such overpayment or amounts were held by the Secretary, with the addition of interest charged against the United States computed at the rate published by the Department of the Treasury as the “Treas-
ury Current Value of Funds Rate.”

(f) Audits, Payment Demands and Limita-
tions.—
(1) The Secretary may conduct, after notice, any audit reasonably necessary and appropriate to verify the payments required under this section.

(2) Any billing or demand letter for royalty due on locatable minerals produced and sold from any mining claim subject to royalty required by this section must be sent or issued not later than three years after the date such royalty was due and must specifically identify the production involved, the royalty allegedly due and the basis for the claim. No action, proceeding or claim for royalty due on locatable minerals produced and sold, or relating to such production, may be brought by the United States, including but not limited to any claim for additional royalties or claim of the right to offset the amount of such additional royalties against amounts owed to any person by the United States, unless judicial suit or administrative proceedings are commenced to recover specific amounts claimed to be due prior to the expiration of three years from the date such royalty is alleged to have been due.

(g) Penalties.—Any person who withholds payment of royalties under this section after a final, nonappealable determination of liability may be liable for civil penalties
of up to $5,000 per day that payment is withheld after
becoming due.

(h) Disbursement of Revenues.—The receipts from royalties collected under this section shall be dis-
bursed as follows:

(1) One-half of such receipts shall be paid into the Treasury of the United States and deposited as miscellaneous receipts; and

(2) One-half of such receipts shall be paid into a State Fund or the Federal Fund in accordance with section 5706; until termination as provided in section 5710.

SEC. 5706. ABANDONED LOCATABLE MINERALS MINE RECLAMATION FUND.

(a) State Fund.—Any State within which royalties are collected pursuant to section 5705 from a mining claim and which wishes to become eligible to receive such proceeds allocated by paragraph 5705(h)(2) shall establish and maintain an interest-bearing abandoned locatable mineral mine reclamation fund (hereinafter referred to in this subtitle as “State Fund”) to accomplish the purposes of this subtitle.

(b) Federal Fund.—There is established on the books of the Treasury of the United States an interest-bearing fund to be known as the Abandoned Locatable
Minerals Mine Reclamation Fund (hereinafter referred to in this subtitle as “Federal Fund”) which shall consist of royalty proceeds allocated by paragraph 5705(h)(2) from mining claims in a State where a State Fund has not been established or maintained under subsection (a).

SEC. 5707. ALLOCATION AND PAYMENTS.

(a) STATE FUND.—Royalties collected pursuant to section 5705 and allocated by paragraph 5705(h)(2) shall be paid by the Secretary of the Treasury to the State Fund established pursuant to subsection 5706(a) for the State where the mining claim from which the production occurred is located. Payments to States under this subsection with respect to any royalties received by the United States, shall be made not later than the last business day of the month in which such royalties are warranted by the United States Treasury to the Secretary of the Interior as having been received, except for any portion of such royalties which is under challenge, which shall be placed in a suspense account pending resolution of such challenge. Such warrants shall be issued by the United States Treasury not later than 10 days after receipt of such royalties by the Treasury. Royalties placed in a suspense account which are determined to be due the United States shall be payable to a State Fund not later than fifteen days after such challenge is resolved. Any such amount
placed in a suspense account pending resolution shall bear interest until the challenge is resolved. In determining the amount of payments to State Funds under this section, the amount of such payments shall not be reduced by any administrative or other costs incurred by the United States.

(b) Federal Fund.—Royalties collected pursuant to section 5705, and allocated by paragraph 5705(h)(2), from mining claims located in a State which has not established or maintained a State Fund, and such royalties from mining claims located in a State for which the Secretary’s authority has expired under subsection 5710(a), shall be credited to the Federal Fund and distributed in accordance with subsection (c).

(c) Transition.—Prior to the time a State establishes a State Fund pursuant to subsection 5706(a), any royalties collected from a mining claim within such State shall be deposited into the Federal Fund and allocated to such State. Once a State establishes a State Fund under subsection 5706(a), the State allocation in the Federal Fund with accrued interest shall be paid by the Secretary of the Treasury to the State Fund in accordance with subsection (a). Commencing three years after the date of enactment of this subtitle, the Secretary of the Treasury shall distribute royalty proceeds then accrued or which are
thereafter credited to the Federal Fund equally among all
States which maintain a State Fund established under
subsection 5706(a), and for which the Secretary of the
Treasury’s authority has not expired under subsection
5710(a).

SEC. 5708. ELIGIBLE AREA.

(a) In General.—Subject to subsection (b), lands
and water eligible for reclamation under this subtitle shall
be Federal lands or private lands patented under the gen-
eral mining laws that—

(1) have been adversely affected by past min-
eral activities on lands abandoned and left inad-
equately reclaimed prior to the date of enactment of
this Subtitle; and

(2) for which the State determines there is no
identifiable party with a continuing reclamation re-
sponsibility under State or Federal laws.

(b) Specific Sites and Areas Not Eligible.—
The following areas shall not be eligible for expenditures
from a State Fund:

(1) Any area subject to a plan of operations
submitted or approved prior to, on or after the date
of enactment of this subtitle which includes remining
or reclamation of the area adversely affected by past
locatable mineral activities.
(2) Any area affected by coal mining eligible for reclamation expenditures pursuant to section 404 of the Surface Mining Control and Reclamation Act (30 U.S.C. 1234).

(4) Any area that was listed on the National Priorities List pursuant to the Comprehensive Environmental Response, Compensation and Liability Act of 1980 (42 U.S.C. 9605) prior to the date of enactment of this subtitle, or where the Environmental Protection Agency has initiated or caused to be initiated a response action pursuant to that Act.

SEC. 5709. USES AND OBJECTIVES OF FUNDS.

(a) USE OF FUNDS.—Royalty proceeds in a State Fund shall be used for the reclamation of eligible areas. For purposes of this section, reclamation includes—

(1) backfilling, fencing, sealing, or otherwise controlling abandoned underground mine entries to protect public health and safety;

(2) abatement, treatment or control of water pollution;
(3) shaping, grading, contouring and
revegetation of land to prevent erosion and sedi-
mentation, or to enhance fish and wildlife habitat;
(4) removal or control of toxic or hazardous
materials; and
(5) control or reclamation of surface subsidence
due to abandoned underground mines.

(b) PRIORITIES.—Expenditures of royalty proceeds
from a State Fund shall reflect the following priorities in
the order stated, but shall not preclude, where feasible and
appropriate, a combination of these priorities for cost-ef-
fective reclamation:

(1) The protection of public health, safety, gen-
eral welfare and property from extreme danger from
the adverse effects of past mineral activities.

(2) The protection of public health, safety, and
general welfare from the adverse effects of past min-
eral activities.

SEC. 5710. SUNSET PROVISIONS.

(a) TERMINATION OF AUTHORITY.—The Secretary of
the Treasury's authority to allocate funds to a State Fund
under section 5707 shall expire on the date that the State
submits a report to the Congress which states that there
are no areas in the State which remain to be reclaimed.
(b) Termination of Fund.—Upon the termination of authority as provided in subsection (a) with respect to all State Funds, the Federal Fund shall also be terminated, and all royalty proceeds thereafter remaining in the Federal Fund shall be paid into the Treasury of the United States and deposited as miscellaneous receipts.

SEC. 5711. EFFECT ON THE GENERAL MINING LAWS.

The provisions of this Subtitle shall supersede the general mining laws only to the extent such laws conflict with the requirements of this Subtitle. Where no such conflict exists, the general mining laws, including all judicial and administrative decisions interpreting them, shall remain in full force and effect.

SEC. 5712. SEVERABILITY.

If any provision of this subtitle or the applicability thereof to any person or circumstances is held invalid, the remainder of this Subtitle and the application of such provision to other persons or circumstances shall not be affected thereby.

**SEC. 5900. DEFINITIONS.**

For the purposes of this subtitle—
(1) “Administrator” means the Administrator of the Bonneville Power Administration;

(b) SCHEDULE AND ADJUSTMENT OF FEES.—The schedule of charges established under this section shall be reviewed by the Forest Service and the Bureau of Land Management on an annual basis, and shall be adjusted by the Forest Service and the Bureau of Land Management to reflect changes in the Consumer Price Index. The Bureau of Land Management and the Forest Service shall transmit to the Congress notification of any such adjustment not later than 60 days before the effective date of such adjustment.

(1) Under the schedule of charges established under the section, if any radio or television communications site user is to be charged an amount that is greater than $1,000 more than the amount such site user pays to the Bureau of Land Management
or the Forest Service as of January 1, 1995, then
during the first year in which the schedule of
charges is in effect, such site user shall pay an
amount equal to the amount it paid to the Bureau

such site user shall pay the full amount under the

charge to the site user in the schedule of charges
equals or exceeds that amount, as modified pursuant
to this subsection.

(c) ADDITIONAL USERS OF COMMUNICATION
SITES.—(1) If the radio or television communications site
user is permitted under the terms of its site use authoriza-

The Bureau of Land Management and the Forest Service shall not require any additional user of a radio or television communications site to obtain a separate authorization to use such a site.

(d) REGULATIONS.—(1) The Secretaries shall prescribe appropriate rules and regulations to carry out the provisions of this section.

(2) Ten years after the date of enactment of this section, the Secretaries shall establish a broad-based advisory group, including representatives from the radio and television broadcast industry, to review the schedule of charges and other acceptable criteria for determining fair market value for radio and television communications site users. The advisory group shall report its findings to the Congress no later than 1 year after it is established.

Subtitle L—Amendments to Outer Continental Shelf Lands Act

SEC. 5930. AMENDMENTS TO THE OUTER CONTINENTAL SHELF LANDS ACT.

Section 8(a) of the Outer Continental Shelf Lands Act, (43 U.S.C. 1337(a)(3)), is amended by striking paragraph (3) in its entirety and inserting the following:

“(3)(A) The Secretary may through primary, secondary, or tertiary recovery means, reduce or eliminate any royalty or net profit share set forth in the lease(s). With the lessee’s consent, the Secretary may make other modifications to the royalty or net profit share terms of the lease in order to—

“(i) promote development or increased production on producing or non-producing leases; or
“(ii) encourage production of marginal re-
resources on producing or non-producing leases;
“(B)(i) Notwithstanding any other provision of
this Act, with respect to any lease or unit in exist-
ence on the date of enactment of the Outer Con-
tinental Shelf Deep Water Royalty Relief Act meet-
ing the requirements of this subparagraph, no roy-
alty payments shall be due on new production, as de-
finied in clause (iv) of this subparagraph, from any
lease or unit located in water depths of 200 meters
or greater in the Western and Central Planning
Areas of the Gulf of Mexico, including that portion
of the Eastern Planning Area of the Gulf of Mexico
encompassing whole lease blocks lying west of 87 de-
grees, 30 minutes West longitude, until such volume
of production as determined pursuant to clause (ii)
has been produced by the lessee.
“(ii) Upon submission of a complete application
by the lessee, the Secretary shall determine within
180 days of such application whether new produc-
tion from such lease or unit would be economic in
the absence of the relief from the requirement to pay
royalties provided for by clause (i) of this subpara-
graph. In making such determination, the Secretary
shall consider the increased technological and finan-
cial risk of deep water development and all costs associated with exploring, developing, and producing from the lease. The lessee shall provide information required for a complete application to the Secretary prior to such determination. The Secretary shall clearly define the information required for a complete application under this section. Such application may be made on the basis of an individual lease or unit. If the Secretary determines that such new production would be economic in the absence of the relief from the requirement to pay royalties provided for by clause (i) of this subparagraph, the provisions of clause (i) shall not apply to such production. If the Secretary determines that such new production would not be economic in the absence of the relief from the requirement to pay royalties provided for by clause (i), the Secretary must determine the volume of production from the lease or unit on which no royalties would be due in order to make such new production economically viable; except that for new production as defined in clause (iv)(aa), in no case will that volume be less than 17.5 million barrels of oil equivalent in water depths of 200 to 400 meters, 52.5 million barrels of oil equivalent in 400–800 meters of water, and 87.5 million barrels of oil
equivalent in water depths greater than 800 meters. Redetermination of the applicability of clause (i) shall be undertaken by the Secretary when requested by the lessee prior to the commencement of the new production and upon significant change in the factors upon which the original determination was made. The Secretary shall make such redetermination within 120 days of submission of a complete application. The Secretary may extend the time period for making any determination or redetermination under this clause for 30 days, or longer if agreed to by the applicant, if circumstances so warrant. The lessee shall be notified in writing of any determination or redetermination and the reasons for and assumptions used for such determination. Any determination or redetermination under this clause shall be a final agency action. The Secretary’s determination or redetermination shall be judicially reviewable under section 10 (a) of the Administrative Procedures Act, 5 U.S.C. Sec. 702, only for actions filed within 30 days of the Secretary’s determination or redetermination.

“(iii) In the event that the Secretary fails to make the determination or redetermination called for in clause (ii) upon application by the lessee with-
in the time period, together with any extension thereof, provided for by clause (ii), no royalty payments shall be due on new production as follows:

“(I) For new production, as defined in clause (iv)(aa) of this subparagraph, no royalty shall be due on such production according to the schedule of minimum volumes specified in clause (ii) of this subparagraph.

“(II) For new production, as defined in clause (iv)(bb) of this subparagraph, no royalty shall be due on such production for one year following the start of such production.

“(iv) For purposes of this subparagraph, the term ‘new production’ is—

“(I) any production from a lease from which no royalties are due on production, other than test production, prior to the date of enactment of the Outer Continental Shelf Deep Water Royalty Relief Act; or

“(II) any production resulting from lease development activities pursuant to a Development Operations Coordination Document, or supplement thereto that would expand production significantly beyond the level anticipated in the Development Operations Coordination Doc-
ument, approved by the Secretary after the date of enactment of the Outer Continental Shelf Deep Water Royalty Relief Act.

“(v) During the production of volumes determined pursuant to clause (ii) or (iii) of this subparagraph, in any year during which the arithmetic average of the closing prices on the New York Mercantile Exchange for Light Sweet crude oil exceeds $28.00 per barrel, any production of oil will be subject to royalties at the lease stipulated royalty rate. Any production subject to this clause shall be counted toward the production volume determined pursuant to clause (ii) or (iii). Estimated royalty payments will be made if such average of the closing prices for the previous year exceeds $28.00. After the end of the calendar year, when the new average price can be calculated, lessees will pay any royalties due, with interest but without penalty, or can apply for a refund, with interest, of any overpayment.

“(vi) During the production of volumes determined pursuant to clause (ii) or (iii) of this subparagraph, in any year during which the arithmetic average of the closing prices on the New York Mercantile Exchange for natural gas exceeds $3.50 per million British thermal units, any production of nat-
ural gas will be subject to royalties at the lease stipulated royalty rate. Any production subject to this clause shall be counted toward the production volume determined pursuant to clauses (ii) or (iii). Estimated royalty payments will be made if such average of the closing prices for the previous year exceeds $3.50. After the end of the calendar year, when the new average price can be calculated, lessees will pay any royalties due, with interest but without penalty, or can apply for a refund, with interest, of any overpayment.

“(vii) The prices referred to in clauses (v) and (vi) of this subparagraph shall be changed during any calendar year after 1994 by the percentage, if any, by which the implicit price deflator for the gross domestic product changed during the preceding calendar year.”.

SEC. 5931. NEW LEASES.

(a) AMENDMENTS.—Section 8(a)(1) of the Outer Continental Shelf Lands Act (43 U.S.C. 1337(a)(1)) is amended as follows:

(1) Redesignate section 8(a)(1)(H) as section 8(a)(1)(I);

(2) Add a new section 8(a)(1)(H) as follows:
“(H) cash bonus bid with royalty at no less than 12 and 1/2 per centum fixed by the Secretary in amount or value of production saved, removed, or sold, and with suspension of royalties for a period, volume, or value of production determined by the Secretary. Such suspensions may vary based on the price of production from the lease.”.

(b) Production.—For all tracts located in water depths of 200 meters or greater in the Western and Central Planning Areas of the Gulf of Mexico, including that portion of the Eastern Planning Area of the Gulf of Mexico encompassing whole lease blocks lying west of 87 degrees, 30 minutes West longitude, any lease sale within seven years of the date of enactment of this Act, shall use the bidding system authorized in section 8(a)(1)(H) of the Outer Continental Shelf Lands Act, as amended by this Act, except that the suspension of royalties shall be set at a volume of not less than the following:

(1) 17.5 million barrels of oil equivalent for leases in water depths of 200 to 400 meters;
(2) 52.5 million barrels of oil equivalent for leases in 400 to 800 meters of water; and

(a) FINDINGS.—Congress finds that—

(1) under the amendments made by section 1013(a) of the Intermodal Surface Transportation
Efficiency Act of 1991 (Public Law 102–240; 105 Stat. 1940), each State receives back from the Federal-aid highway program not less than 90 percent of the State’s percentage of all contributions to the Highway Account of the Highway Trust Fund established by section 9503 of the Internal Revenue Code of 1986;

(2) for fiscal year 1995, the amount apportioned under section 157(a)(4) of title 23, United States Code, was $1,427,000,000;

(3) in fiscal year 1996, the Interstate construction program under the title will be terminated and replaced with a new reimbursement program; and

(4) as a result of the termination of the Interstate construction program, the number of States receiving funds under section 157(a)(4) of the title for fiscal year 1996 may decrease and the amount of funds some States will require will decrease, and, therefore, the amount of funds necessary to ensure that each State receives not less than 90 percent will be reduced from $1,427,000,000 to an estimated $565,000,000.

(b) CORRECTION.—

(1) IN GENERAL.—With respect to the first fiscal year beginning after September 30, 1995—
(A) the Secretary of Transportation shall
determine, in accordance with the policies es-
tablished by the Intermodal Surface Transpor-
tation Efficiency Act of 1991 (Public Law 102–
240; 105 Stat. 1914)—

(i) which of the States will no longer
require an apportionment under section
157(a)(4) of title 23, United States Code;
and

(ii) which of the States will require
decreased funding under section 157(a)(4)
of the title;
as a result of the termination of the Interstate
construction program; and

(B) as a result of the reduced number of
States that may require an apportionment
under section 157(a)(4) of the title, and the de-
crease in the amount of funds some States will
require under section 157(a)(4) of the title, the
amount apportioned under section 157(a)(4) of
the title shall be reduced from the amount ap-
portioned for fiscal year 1995 by 60.4 percent.

(2) Effect on certain calculations.—The
correction made by paragraph (1) shall not be taken
into account in making the calculations required
under sections 1003(c), 1013(c), and 1015 of the
Intermodal Surface Transportation Efficiency Act of
1991 (Public Law 102–240; 105 Stat. 1921, 1940,
and 1943).

“(ii) GEOGRAPHIC ADJUSTMENT.— The Secretary may designate a medicare service area other than a medicare payment area for a medicare choice plan if the Secretary determines that such designation would not result in the enrollment of en-

“(a) GENERAL AVAILABILITY.—

“(1) IN GENERAL.—Except as provided in paragraph (2), each medicare choice plan sponsor shall provide that each medicare choice eligible individual shall be eligible to enroll under this part in a medicare choice plan of the sponsor during an enrollment period applicable to such individual if the plan’s medicare service area includes the geographic area in which the individual resides.

“(2) EXCEPTIONS.—

“(A) ACCEPTANCE TO LIMITS OF CAPACITY.—Each medicare choice plan sponsor shall provide that, at any time during which enrollments are accepted, the plan sponsor will accept medicare choice eligible individuals in the order in which they apply for enrollment up to the limits of the medicare choice plan’s capacity (as determined by the Secretary) and without restrictions, except as may be authorized in regulations. The preceding sentence shall not apply if it would result in the enrollment of enrollees substantially nonrepresentative, as determined in accordance with regulations of the Secretary,
(B) Union, Taft-Hartley, or Association Health Plan.—A Medicare choice plan sponsor of a union or association plan described in section 1895A(b)(2) shall limit its enrollment to members of the sponsoring group who are entitled to all rights and privileges of any other members of the group and spouses of such members. An association plan which is sponsored by a religious fraternal benefit society may limit membership to individuals who share the same religious convictions as the society.

(b) Enrollment Periods.—

(1) Annual Open Enrollment Period.— Each Medicare choice plan sponsor shall offer an annual open enrollment period in November of each year for the enrollment and termination of enrollment of Medicare choice eligible individuals for the next year.

(2) Additional Periods.—Each Medicare choice plan sponsor shall accept the enrollment of an individual in the Medicare choice plan—

(A) during the initial Medicare enrollment period specified by section 1837 that applies to
the individual (effective as specified by section 1838), and

“(C) shall not contain false or materially misleading information, and shall conform to any other fair marketing and advertising standards and requirements applicable to such plans under law.

“(3) PRIOR APPROVAL BY SECRETARY.—

“(A) IN GENERAL.—No marketing materials may be distributed by a medicare choice plan sponsor to (or for the use of) individuals eligible to enroll with the plan under this part unless—

or otherwise makes a material misrepresentation.

“(C) DEEMED APPROVAL.—If marketing material has been submitted under subparagraph (A) to the Secretary or a regional office of the Department of Health and Human Services and the Secretary or the office has not disapproved the distribution of the materials under subparagraph (B) with respect to an area, the Secretary is deemed not to have disapproved such distribution in all areas covered by the plan.

“SEC. 1895H. BENEFITS PROVIDED TO INDIVIDUALS.

“(a) BASIC BENEFITS.—Each medicare choice plan shall provide to members enrolled under this part, through providers and other persons that meet the applicable requirements of this title and part A of title XI—

“(2) additional health services as the Secretary may approve.

The Secretary shall approve any such additional health care services which the plan proposes to offer to such
members, unless the Secretary determines that including such additional services will substantially discourage enrollment by medicare choice eligible individuals with the plan.

“(b) Supplemental Benefits.—Each medicare choice plan may offer optional supplemental benefits to each individual enrolled in the plan under this part for an additional premium amount. If the supplemental benefits are offered only to individuals enrolled in the sponsor’s plan under this part, the additional premium amount shall be the same for all enrolled individuals in the medicare payment area. Such benefits may be marketed and sold by the medicare choice plan sponsor outside of the enrollment process described in section 1895D(b).

“(c) Cost-Sharing.—

“(1) Enrollee cost-sharing under choice plan may not exceed medicare enrollee cost.—Except as provided in paragraph (2), in no event may the average total amount of deductibles, coinsurance, and copayments charged an individual under a medicare choice plan with respect to basic benefits described in subsection (a)(1) for a year exceed the average total amount of deductibles, coinsurance, and copayments charged an individual under the traditional medicare program for a year.
“(2) HIGH DEDUCTIBLE PLANS.—Subparagraph (A) shall not apply to a high deductible plan described in section 1895A(b)(1)(B)(iii).

“(d) NATIONAL COVERAGE DETERMINATION.—If there is a national coverage determination made in the period beginning on the date of an announcement under section 1895M(a) and ending on the date of the next announcement under such section and the Secretary projects that the determination will result in a significant change in the costs to the medicare choice plan of providing the benefits that are the subject of such national coverage determination and that such change in costs was not incorporated in the determination of the medicare payment amount included in the announcement made at the beginning of such period—
“(1) such determination shall not apply to contracts under this part until the first contract year that begins after the end of such period, and

“(2) if such coverage determination provides for coverage of additional benefits or coverage under additional circumstances, section 1895I(b)(2) shall not apply to payment for such additional benefits or benefits provided under such additional circumstances until the first contract year that begins after the end of such period,

unless otherwise required by law.

“(e) OVERLAPPING PERIODS OF COVERAGE.—A contract under this part shall provide that in the case of an individual who is receiving inpatient hospital services from a subsection (d) hospital (as defined in section 1886(d)(1)(B)) as of the effective date of the individual’s—

“(1) enrollment with a medicare choice plan under this part—

“(A) payment for such services until the date of the individual’s discharge shall be made under this title as if the individual were not enrolled with the plan,

“(B) the plan sponsor shall not be financially responsible for payment for such services
until the date after the date of the individual’s discharge, and

“(C) the plan sponsor shall nonetheless be paid the full amount otherwise payable to the plan under this part, or

“(2) termination of enrollment with a medicare choice plan under this part—

“(A) the plan sponsor shall be financially responsible for payment for such services after such date and until the date of the individual’s discharge,

“(C) the plan sponsor shall not receive any payment with respect to the individual under this part during the period the individual is not enrolled.

“(f) ORGANIZATION AS SECONDARY PAYER.—Notwithstanding any other provision of law, a medicare choice plan sponsor may (in the case of the provision of services to an individual under this part under circumstances in which payment is made secondary pursuant to section 1862(b)(2)) charge or authorize the provider of such services to charge, in accordance with the charges allowed
under the law, plan, or policy which is the primary payer
under such circumstances—

“(1) the insurance carrier, employer, or other
entity which under such law, plan, or policy is to pay
for the provision of such services, or

“(2) such individual to the extent that the indi-

for such services.

individuals under this part.

“(2) EXCEPTION FOR UNION, TAFT-HARTLEY,
or association plans.—Paragraph (1) shall not
apply to a union or association plan described in sec-
tion 1895A(b)(2) if such plan is exempt from such
requirements under the Employee Retirement In-

“(3) COORDINATED CARE PLANS.—Paragraph
(1) shall apply to a coordinated care plan except to
the extent provided in section 1895R.
“(b) Assumption of Full Financial Risk.—A Medicare choice plan sponsor shall assume full financial risk on a prospective basis for the provision of health care services for which benefits are required to be provided under section 1895H(a)(1), except that such plan sponsor may—

“(1) obtain insurance or make other arrangements for the cost of such health care services the aggregate value of which exceeds $5,000 in any year,

“(2) obtain insurance or make other arrangements for the cost of such health care services provided to its enrolled members other than through the plan sponsor because medical necessity required their provision before they could be secured through the plan sponsor,

“(3) obtain insurance or make other arrangements for not more than 90 percent of the amount by which its costs for any of its fiscal years exceed 115 percent of its income for such fiscal year, and

“(4) make arrangements with physicians or other health professionals, health care institutions, or any combination of such individuals or institutions to assume all or part of the financial risk on a prospective basis for the provision of basic health
services by the physicians or other health professionals or through the institutions.

“(c) PROTECTION AGAINST RISK OF INSOLVENCY.—

“(1) IN GENERAL.—A medicare choice plan sponsor shall make adequate provision against the risk of insolvency (including provision to prevent enrollees from being held liable to any person or entity for the plan sponsor’s debts in the event of the plan sponsor’s insolvency)—

“(A) as determined by the Secretary, or

“(B) as determined by a State which the Secretary determines requires solvency standards at least as stringent as the standards under subparagraph (A).

“(2) FACTORS TO CONSIDER.—In establishing standards under paragraph (1) for coordinated care plans described in section 1895A(b)(1)(B)(ii), the Secretary shall consult with interested parties and shall take into account—

“(B) alternative means of protecting against insolvency, including reinsurance, unre-
stricted surplus, letters of credit, guarantees, organizational insurance coverage, and partnerships with other licensed entities.

The Secretary is not required to include alternative means described in subparagraph (B) in the standards but may consider such alternatives where consistent with the standards.

“(d) PAYMENTS TO THE PLAN.—

“(1) PREPAID PAYMENT.—A medicare choice plan sponsor shall be compensated (except for deductibles, coinsurance, and copayments) for the provision of health care services to individuals enrolled under this part by a payment by the Secretary (and if applicable, the individual) which is paid on a periodic basis without regard to the date the health care services are provided and which is fixed without regard to the frequency, extent, or kind of health care service actually provided to a member.

“(2) SOLE PAYMENTS.—Subject to subsections (d)(2) and (e) of section 1895H, if an individual is enrolled under this part with a medicare choice plan, only the plan sponsor shall be entitled to receive payments from the Secretary under this title for services furnished to the individual.

“(a) IN GENERAL.—Each medicare choice plan sponsor shall meet the requirements of this section.

“(B) ELEMENTS OF PROGRAM.—The quality assurance program established under subparagraph (A) shall—

“(ix) make available information on quality and outcomes measures to facilitate beneficiary comparison and choice of health coverage options (in such form and on such quality and outcomes measures as the Secretary determines to be appropriate), and

“(x) provide that the program is evaluated on an ongoing basis as to its effectiveness.

“(2) EXTERNAL REVIEW.——

“(A) IN GENERAL.—Each medicare choice plan sponsor shall, for each medicare choice plan it operates, have an agreement with an
independent quality review and improvement organization approved by the Secretary.

“(B) FUNCTIONS OF ORGANIZATION.—

Each independent quality review and improvement organization with an agreement under subparagraph (A) shall—

“(ii) review plan performance based on accepted quality performance criteria,

“(iii) promote and make plans accountable for improved plan performance,

“(iv) integrate into ongoing external quality assurance activities a new set of quality indicators and standards developed specifically for the medicare population that would be used to determine whether a plan is providing quality care and appropriate continuity and coordination of care, and

“(v) report to the Secretary on those plans that have demonstrated unwillingness or inability to improve their performance.
“(3) Accreditation.—Each medicare choice plan sponsor shall be required—

“(A) to meet accreditation standards established by the Secretary, or

“(B) to be accredited by an external independent accrediting organization, recognized by the Secretary as requiring standards at least as stringent as the standards established under subparagraph (A).

“(B) it was not reasonable given the circumstances to obtain the services through the plan’s providers,
“(3) provide access to appropriate providers, including credentialed specialists, for all medically necessary treatment and services, and
“(4) except as provided by the Secretary on a case-by-case basis, in the case of a coordinated care plan described in section 1895A(b)(1)(B)(ii), provide primary care services within 30 minutes or 30 miles from an enrollee’s place of residence if the enrollee resides in a rural area.
“(d) CAPACITY.—Each medicare choice plan sponsor shall provide the Secretary with a demonstration of the plan’s capacity to adequately service the plan’s expected enrollment of individuals under this part.
“(e) CONSUMER PROTECTIONS.—

“(1) NONDISCRIMINATION.—Each medicare choice plan sponsor shall provide assurances to the Secretary that it will not deny enrollment to, expel, or refuse to reenroll any such individual because of the individual’s health status or requirements for health care services, and that it will notify each such individual of such fact at the time of the individual’s enrollment. A medicare choice plan sponsor may not cancel or refuse to renew a beneficiary except in the case of fraud or nonpayment of premium amounts due the plan.

“(B) HEARING REQUIREMENT.—A member enrolled with a medicare choice plan under this part who is dissatisfied by reason of his failure to receive any health service to which he believes he is entitled and at no greater charge
than he believes he is required to pay is enti-
tled, if the amount in controversy is $100 or
more, to a hearing before the Secretary to the
same extent as is provided in section 205(b),
and in any such hearing the Secretary shall
make the plan sponsor a party. If the amount
in controversy is $1,000 or more, the individual
or plan sponsor shall, upon notifying the other
party, be entitled to judicial review of the Sec-
retary’s final decision as provided in section
205(g), and both the individual and the plan
sponsor shall be entitled to be parties to that
judicial review. In applying sections 205(b) and
205(g) as provided in this subparagraph, and in
applying section 205(l) thereto, any reference
therein to the Commissioner of Social Security
or the Social Security Administration shall be
considered a reference to the Secretary or the
Department of Health and Human Services, re-

“(C) EXPEDITED REVIEW.—The Secretary

“(3) Supplemental Coverage If Plan Terminates the Contract.—Each medicare choice plan sponsor that provides items and services pursuant to a contract under this part shall provide assurances to the Secretary that in the event the contract is terminated, the sponsor shall provide or arrange for supplemental coverage of benefits under this title related to a preexisting condition with respect to any exclusion period, to all individuals enrolled with the entity who receive benefits under this title, for the lesser of 6 months or the duration of such period.

“(f) Prompt Payment.—

“(1) In General.—Each medicare choice plan sponsor shall provide prompt payment (consistent with the provisions of sections 1816(c)(2) and 1842(c)(2)) of claims submitted for services and supplies furnished to individuals pursuant to such contract, if the services or supplies are not furnished under a contract between the plan and the provider or supplier.

“(2) Direct Payment.—In the case of a medicare choice plan sponsor which the Secretary determines, after notice and opportunity for a hearing, has failed to make payments of amounts in compliance with paragraph (1), the Secretary may provide
for direct payment of the amounts owed to providers and suppliers for such covered services furnished to individuals enrolled under this part under the contract. If the Secretary provides for such direct payments, the Secretary shall provide for an appropriate reduction in the amount of payments otherwise made to the plan sponsor under this part to reflect the amount of the Secretary’s payments (and costs incurred by the Secretary in making such payments).

“(B) Modified per capita rate.—For purposes of subparagraph (A)(i), the modified per capita rate for calendar year 1996 for a medicare payment area shall be equal to the per capita rate which would have been determined (without regard to class) under section 1876(a)(1)(C) for 1995 if—

“(i) the applicable geographic area were the medicare payment area, and
“(ii) 50 percent of any payments attributable to sections 1886(d)(5)(B), 1886(h), and 1886(d)(5)(F) (relating to IME, GME, and DSH payments) were not taken into account, increased by the percentage increase which the Secretary estimates will occur in medicare expenditures per capita for 1996 over medicare expenditures per capita for 1995.

“(C) ADJUSTED AVERAGE NATIONAL PER CAPITA RATE.—

“(i) IN GENERAL.—For purposes of subparagraph (A)(ii), the adjusted average national per capita rate for a medicare payment area for calendar year 1996 shall be equal to the sum, for all types of medicare services (as classified by the Secretary), of the product for each such type of—

“(I) the average national per capita rate for 1996,

“(II) the proportion of such rate for the year which is attributable to such type of services, and
“(III) an index that reflects for
1996 and that type of service the rel-
ative input price of such services in
the medicare payment area as com-
pared to the national average input
price of such services.

In applying subclause (III), the Secretary
shall apply those indices that are used in
applying (or updating) medicare payment
rates for specific areas and localities.

“(ii) A VERAGE NATIONAL PER CAPITA
RATE.—For purposes of clause (i), the av-ge national per capita rate for 1996 is
the weighted average of the modified per
capita rates determined under subpara-
graph (B) for all medicare payment areas
for 1996.

“(2) SUCCEEDING YEARS.—

“(A) I N GENERAL.—The standardized
medicare payment amount for any calendar
year after 1997 in a medicare payment area
shall be an amount equal to the standardized
medicare payment amount determined for such
area for the preceding year, increased by the
percentage increase in the gross domestic prod-
uct per capita for the 12-month period ending
on June 30 of the preceding calendar year.

“(B) Special rule for 1998.—In applying
subsection (A) for 1998, the standardized
medicare payment amount for the preceding
calendar year shall be the amount which
would have been determined if clause (ii) of
paragraph (1)(B) had been applied by sub-
stituting ‘100 percent’ for ‘50 percent’.

“(3) Special rule for individuals with
end-stage renal disease.—In computing the
standardized medicare payment amount for any
medicare payment area, there shall not be taken into
account any individuals with end-stage renal disease
or any medicare expenditures for such individuals.

“(c) Adjustments for payments to plan sponsors.—

“(1) In general.—The rate of payment under
section 1895O to a medicare choice plan sponsor
with respect to any individual enrolled in a medicare
choice plan of the sponsor shall be equal to the
standardized medicare payment amount for the med-
icare payment area, adjusted for such risk factors as
age, disability status, gender, institutional status,
health status, and such other factors as the Sec-
retary determines to be appropriate, so as to ensure actuarial equivalence. The Secretary may add to, modify, or substitute for such classes, if such changes will improve the determination of actuarial equivalence.

“(2) SPECIAL RULE FOR END-STAGE RENAL DISEASE.—The Secretary shall establish a separate rate of payment under section 1895O to a medicare choice plan sponsor with respect to any individual with end-stage renal disease enrolled in a medicare choice plan of the sponsor. Such rate of payment shall be actuarially equivalent to rates paid to other enrollees in the medicare payment area (or such other area as specified by the Secretary).

“(d) GEOGRAPHICAL ADJUSTMENTS.—

“(1) ANNUAL ADJUSTMENTS.—

“(A) IN GENERAL.—Unless Congress pro-

vides otherwise, beginning with calendar years after 1999, the Secretary shall, based on the analysis under paragraph (2) and to the extent the Secretary determines necessary, make annual differential adjustments to the standard-

ized medicare payment amounts determined under subsection (b)(2) for calendar years 2000 and 2001 in a manner designed to achieve ap-
propriate and equitable variation in standardized medicare payment amounts across medicare payment areas by calendar year 2002. Such variation shall be reasonably related to measurable geographic differences in medicare payment areas.

“(B) Budget Neutrality.—The Secretary shall adjust the standardized medicare payment amounts under subsection (b) in a manner that ensures that total payments under this section for a year are not greater or less than total payments under this section would have been but for the application of subparagraph (A).

“(2) Analysis.—The Secretary, in consultation with interested parties, shall conduct an analysis of the measurable input cost differences across medicare payment areas, including wage differentials, and other measurable variables identified by the Secretary. The Secretary shall also determine the degree to which medicare beneficiaries, including beneficiaries in rural and underserved areas, have access to more health plan choices by calendar year 2000 under this part, and the extent to which standard-
ized medicare payment amounts have limited or enhanced such choices.

“(3) Report to congress.—Not later than March 1, 1999, the Secretary shall submit a report to the appropriate committees of Congress that includes the results of the analysis described in paragraph (2) and the annual differential adjustments that the Secretary intends to implement under paragraph (1) for calendar years 2000 and 2001.

“(1) In general.—At least 45 days before making the announcement under subsection (a) for a year (beginning with the announcement for 1998), the Secretary shall provide for notice to medicare choice plans of proposed changes to be made in the methodology or benefit coverage assumptions from the methodology and assumptions used in the previous announcement and shall provide such plans an opportunity to comment on such proposed changes.

“(2) Explanation.—In each announcement made under subsection (a) for a year (beginning with the announcement for 1998), the Secretary shall include an explanation of the assumptions (including any benefit coverage assumptions) and
changes in methodology used in the announcement
in sufficient detail so that medicare choice plans can
compute medicare payment rates under subsection
(d) for classes of individuals located in each medi-
care payment area which is in whole or in part within
the medicare service area of such a plan.

“(f) Demonstration Project on Market-Based
Reimbursement and Competitive Pricing.—The Sec-
retary shall establish 1 or more demonstration projects to
determine the standardized medicare payment amounts
described in subsection (b) through competitive bidding by
medicare choice plans in a medicare payment area. Not
later than December 31, 2001, the Secretary shall submit
a report to the Congress on the success of such projects
in determining standardized medicare payment amounts
that are reflective of market price.

“(A) in the case of an individual—

“(i) who is enrolled in a high deductible health plan described in section 1895A(b)(1)(B)(iii), deposit 100 percent of such excess in the medicare choice account specified by the individual, or

choice account specified by the individual;

or

“(B)(i) pay to the medicare choice plan
sponsor on behalf of such individual the monthly amount equal to 100 percent of such excess up to the amount of the premium amount of such individual for supplemental benefits described in section 1895H(b),

“(2) Retroactive Adjustments.—The amount of payment under this paragraph may be retroactively adjusted to take into account any difference between the actual number of individuals enrolled in the plan under this section and the number of such individuals estimated to be so enrolled in determining the amount of the advance payment.

“(b) Payments From Trust Funds.—The payment to a medicare choice plan sponsor under this section for a medicare-eligible individual shall be made from the Federal Hospital Insurance Trust Fund and the Federal
Supplementary Medical Insurance Trust Fund in such proportion as the Secretary determines reflects the relative weight that benefits under parts A and B are representative of the actuarial value of the total benefits under this part.

“(C) there are no unreasonable or unnecessary delays between the finding of a deficiency and the imposition of sanctions, and

“(D) the Secretary provides the plan sponsor with reasonable notice and opportunity for hearing (including the right to appeal an initial decision) before imposing any sanction or terminating the contract.

“(c) TERMS OF CONTRACT.—Each contract under this part—

“(1) shall provide that the Secretary, or any person or organization designated by the Secretary—

“(1) Failure of Plan Sponsor to Comply with Contract.—If the Secretary determines that a medicare choice plan sponsor—

“(B) imposes cost sharing on individuals enrolled under this part in excess of the cost sharing permitted,

“(C) acts to expel or to refuse to re-enroll an individual in violation of the provisions of this part,

“(I) is a hospital that may otherwise receive payments under this subsection,

“(II) is not a public hospital, and

“(III) incurs capital-related tax costs for the fiscal year.

“(iii)(I) In the case of a hospital that first incurs capital-related tax costs in a fiscal year after fiscal year 1992 because of a change from nonproprietary to proprietary status or because the hospital commenced operation after such fiscal year, the first fiscal year for which the hospital shall be eligible for such adjustment is the second full fiscal year following the fiscal year in which the hospital first incurs such costs.

after fiscal year 1992 because of a change in
State or local tax laws, the first fiscal year for
which the hospital shall be eligible for such ad-

“(e) For purposes of this section, the ‘routine service costs’ of a skilled nursing facility are all costs which are attributable to nursing services, room and board, administrative costs, other overhead costs, and all other ancillary services (including supplies and equipment), excluding costs attributable to covered non-routine services subject to payment limits under section 1888A.”.

(b) Conforming Amendment.—Section 1888 (42 U.S.C. 1395yy) is amended in the heading by inserting “AND CERTAIN ANCILLARY” after “SERVICE”.

SEC. 7032. INCENTIVES FOR COST-EFFECTIVE MANAGEMENT OF COVERED NON-ROUTINE SERVICES.

(a) In General.—Title XVIII is amended by inserting after section 1888 the following new section:
"INCENTIVES FOR COST-EFFECTIVE MANAGEMENT OF COVERED NON-Routine SERVICES OF SKILLED NURSING FACILITIES

"Sec. 1888A. (a) Definitions.—For purposes of this section:

"(1) Covered non-routine services.—The term ‘covered non-routine services’ means post-hospital extended care services consisting of any of the following:

"(A) Physical or occupational therapy or speech-language pathology services, or respiratory therapy.

"(B) Prescription drugs.

"(C) Complex medical equipment.

"(D) Intravenous therapy and solutions (including enteral and parenteral nutrients, supplies, and equipment).

"(E) Radiation therapy.

"(F) Diagnostic services, including laboratory, radiology (including computerized tomography services and imaging services), and pulmonary services.

"(2) SNF market basket percentage increase.—The term ‘SNF market basket percentage increase’ for a fiscal year means a percentage equal
to input price changes in routine service costs for
the year under section 1888(a).

“(3) STAY.—The term ‘stay’ means, with re-
spect to an individual who is a resident of a skilled
nursing facility, a period of continuous days during
which the facility provides extended care services for
which payment may be made under this title for the
individual during the individual’s spell of illness.

“(b) NEW PAYMENT METHOD FOR COVERED NON-
ROUTINE SERVICES.—

“(1) IN GENERAL.—Subject to subsection (c), a
skilled nursing facility shall receive interim pay-
ments under this title for covered non-routine serv-
ices furnished to an individual during a cost report-
ing period beginning during a fiscal year (after fiscal
year 1996) in an amount equal to the reasonable
cost of providing such services in accordance with
section 1861(v). The Secretary may adjust such pay-
ments if the Secretary determines (on the basis of
such estimated information as the Secretary consid-
ers appropriate) that payments to the facility under
this paragraph for a cost reporting period would
substantially exceed the cost reporting period limit
determined under subsection (c)(1)(B).
“(2) Responsibility of skilled nursing facility to manage billings.—

“(A) Clarification relating to part A billing.—In the case of a covered non-routine service furnished to an individual who (at the time the service is furnished) is a resident of a skilled nursing facility who is entitled to coverage under section 1812(a)(2) for such service, the skilled nursing facility shall submit a claim for payment under this title for such service under part A (without regard to whether or not the item or service was furnished by the facility, by others under arrangement with them made by the facility, under any other contracting or consulting arrangement, or otherwise).

“(B) Part B billing.—In the case of a covered non-routine service furnished to an individual who (at the time the service is furnished) is a resident of a skilled nursing facility who is not entitled to coverage under section 1812(a)(2) for such service but is entitled to coverage under part B for such service, the skilled nursing facility shall submit a claim for payment under this title for such service under part B (without regard to whether or not the
item or service was furnished by the facility, by others under arrangement with them made by the facility, under any other contracting or consulting arrangement, or otherwise).

“(C) MAINTAINING RECORDS ON SERVICES FURNISHED TO RESIDENTS.—Each skilled nursing facility receiving payments for extended care services under this title shall document on the facility’s cost report all covered non-routine services furnished to all residents of the facility to whom the facility provided extended care services for which payment was made under part A during a fiscal year (beginning with fiscal year 1996) (without regard to whether or not the services were furnished by the facility, by others under arrangement with them made by the facility, under any other contracting or consulting arrangement, or otherwise).

“(c) RECONCILIATION OF AMOUNTS.—

“(1) LIMIT BASED ON PER STAY LIMIT AND NUMBER OF STAYS.—

“(A) IN GENERAL.—If a skilled nursing facility has received aggregate payments under subsection (b) for covered non-routine services during a cost reporting period beginning during
a fiscal year in excess of an amount equal to
the cost reporting period limit determined
under subparagraph (B), the Secretary shall re-
duce the payments made to the facility with re-
spect to such services for cost reporting periods
beginning during the following fiscal year in an
amount equal to such excess. The Secretary
shall reduce payments under this subparagraph
at such times and in such manner during a fis-
cal year as the Secretary finds necessary to
meet the requirement of this subparagraph.

“(B) COST REPORTING PERIOD LIMIT.—
The cost reporting period limit determined
under this subparagraph is an amount equal to
the product of—

“(i) the per stay limit applicable to
the facility under subsection (d) for the pe-
period; and

“(ii) the number of stays beginning
during the period for which payment was
made to the facility for such services.

“(C) PROSPECTIVE REDUCTION IN PAY-
MENTS.—In addition to the process for reduc-
ing payments described in subparagraph (A),
the Secretary may reduce payments made to a
facility under this section during a cost reporting period if the Secretary determines (on the basis of such estimated information as the Secretary considers appropriate) that payments to the facility under this section for the period will substantially exceed the cost reporting period limit for the period determined under this paragraph.

“(2) INCENTIVE PAYMENTS.—

“(A) IN GENERAL.—If a skilled nursing facility has received aggregate payments under subsection (b) for covered non-routine services during a cost reporting period beginning during a fiscal year in an amount that is less than the amount determined under paragraph (1)(B), the Secretary shall pay the skilled nursing facility in the following fiscal year an incentive payment equal to 50 percent of the difference between such amounts, except that the incentive payment may not exceed 5 percent of the aggregate payments made to the facility under subsection (b) for the previous fiscal year (without regard to subparagraph (B)).

“(B) INSTALLMENT INCENTIVE PAYMENTS.—The Secretary may make installment
payments during a fiscal year to a skilled nurs-
ing facility based on the estimated incentive
payment that the facility would be eligible to
receive with respect to such fiscal year.

“(d) Determination of Facility Per Stay
Limit.—

“(1) Limit for Fiscal Year 1997.—

“(A) In General.—Except as provided in
subparagraph (B), the Secretary shall establish
separate per stay limits for hospital-based and
freestanding skilled nursing facilities for the 12-
month cost reporting period beginning during
fiscal year 1997 that are equal to the sum of—

“(i) 50 percent of the facility-specific
stay amount for the facility (as determined
under subsection (e)) for the last 12-month
cost reporting period ending on or before
September 30, 1994; and

“(ii) 50 percent of the average of all
facility-specific stay amounts for all hos-
pital-based facilities or all freestanding fa-
cilities (whichever is applicable) during the
cost reporting period described in clause
(i).
“(B) Facilities not having 1994 cost reporting period.—In the case of a skilled nursing facility for which payments were not made under this title for covered non-routine services for the last 12-month cost reporting period ending on or before September 30, 1994, the per stay limit for the 12-month cost reporting period beginning during fiscal year 1997 shall be twice the amount determined under subparagraph (A)(ii).

“(2) Limit for subsequent fiscal years.—Subject to paragraph (3), the per stay limit for a skilled nursing facility for a 12-month cost reporting period beginning during a fiscal year after fiscal year 1997 is equal to the per stay limit established under this subsection for the 12-month cost reporting period beginning during the previous fiscal year, increased by the greater of—

“(A) the SNF market basket percentage increase for such subsequent fiscal year minus 2.5 percentage points; or

“(B) 1.1 percent (1.2 percent for fiscal year 1997).

“(3) Rebasing of amounts.—
“(A) IN GENERAL.—The Secretary shall provide for an adjustment to the facility-specific amounts used to determine the per stay limits under this subsection for cost reporting periods beginning on or after October 1, 1999, and every 2 years thereafter.

“(B) TREATMENT OF FACILITIES NOT HAVING REBASED COST REPORTING PERIODS.—Paragraph (1)(B) shall apply with respect to a skilled nursing facility for which payments were not made under this title for covered non-routine services for the 12-month cost reporting period used by the Secretary to update facility-specific amounts under subparagraph (A) in the same manner as such paragraph applies with respect to a facility for which payments were not made under this title for covered non-routine services for the last 12-month cost reporting period ending on or before September 30, 1994.

“(e) DETERMINATION OF FACILITY-SPECIFIC STAY AMOUNTS.—The ‘facility-specific stay amount’ for a skilled nursing facility for a cost reporting period is the sum of—
“(1) the average amount of payments made to
the facility under part A during the period which are
attributable to covered non-routine services fur-
nished during a stay; and

“(2) the Secretary’s best estimate of the aver-
age amount of payments made under part B during
the period for covered non-routine services furnished
to all residents of the facility to whom the facility
provided extended care services for which payment
was made under part A during the period (without
regard to whether or not the services were furnished
by the facility, by others under arrangement with
them made by the facility under any other contract-
ing or consulting arrangement, or otherwise), as es-
timated by the Secretary.

“(f) INTENSIVE NURSING OR THERAPY NEEDS.—

“(1) IN GENERAL.—In applying subsection (b)
to covered non-routine services furnished during a
stay beginning during a cost reporting period begin-
ning during a fiscal year (beginning with fiscal years
after fiscal year 1997) to a resident of a skilled
nursing facility who requires intensive nursing or
therapy services, the per stay limit for such resident
shall be the per stay limit developed under para-
graph (2) instead of the per stay limit determined under subsection (d)(1)(A).

“(2) PER STAY LIMIT FOR INTENSIVE NEED RESIDENTS.—Not later than June 30, 1997, the Secretary, after consultation with the Prospective Payment Assessment Commission and skilled nursing facility experts, shall develop and publish a per stay limit for residents of a skilled nursing facility who require intensive nursing or therapy services.

“(3) BUDGET NEUTRALITY.—The Secretary shall adjust payments under subsection (b) in a manner that ensures that total payments for covered non-routine services under this section are not greater or less than total payments for such services would have been but for the application of paragraph (1).

“(g) EXCEPTIONS AND ADJUSTMENTS TO LIMITS.—

“(1) IN GENERAL.—The Secretary may make exceptions and adjustments to the cost reporting period limits applicable to a skilled nursing facility under subsection (c)(1)(B) for a cost reporting period, except that the total amount of any additional payments made under this section for covered non-routine services during the cost reporting period as a result of such exceptions and adjustments may not
exceed 5 percent of the aggregate payments made to all skilled nursing facilities for covered non-routine services during the cost reporting period (determined without regard to this paragraph).

“(2) Budget Neutrality.—The Secretary shall adjust payments under subsection (b) in a manner that ensures that total payments for covered non-routine services under this section are not greater or less than total payments for such services would have been but for the application of paragraph (1).

“(h) Special Treatment for Medicare Low Volume Skilled Nursing Facilities.—The Secretary shall determine an appropriate manner in which to apply this section, taking into account the purposes of this section, to non-routine costs of a skilled nursing facility for which payment is made for routine service costs during a cost reporting period on the basis of prospective payments under section 1888(d).”.

(b) Conforming Amendment.—Section 1814(b) (42 U.S.C. 1395f(b)) is amended in the matter preceding paragraph (1) by striking “1813 and 1886” and inserting “1813, 1886, 1888, and 1888A”.

gard to whether or not the item or service was fur-
nished by the agency or by others under arrange-
ment with them made by the agency, under any
other contracting or consulting arrangement, or oth-

“(2) Types of services.—The types of home
health services described in this paragraph are the
following:

“(A) Part-time or intermittent nursing
care provided by or under the supervision of a
registered professional nurse.

“(B) Physical therapy.

“(C) Occupational therapy.

“(D) Speech-language pathology services.

“(E) Medical social services under the di-
rection of a physician.

“(F) To the extent permitted in regula-
tions, part-time or intermittent services of a
home health aide who has successfully com-
pleted a training program approved by the Sec-
retary.
“(b) Establishment of Per Visit Rate for Each Type of Services.—

“(1) In general.—The Secretary shall, subject to paragraph (3), establish a per visit payment rate for a home health agency in an area (which shall be the same area used to determine the area wage index applicable to hospitals under section 1886(d)(3)(E)) for each type of home health service described in subsection (a)(2). Such rate shall be equal to the national per visit payment rate determined under paragraph (2) for each such type, except that the labor-related portion of such rate shall be adjusted by the area wage index applicable under section 1886(d)(3)(E) for the area in which the agency is located.

“(2) National per visit payment rate.—

The national per visit payment rate for each type of service described in subsection (a)(2)—

“(A) for fiscal year 1997, is an amount equal to the national average amount paid per visit under this title to home health agencies for such type of service during the most recent 12-month cost reporting period ending on or before June 30, 1994; and
“(B) for each subsequent fiscal year, is an amount equal to the national per visit payment rate in effect for the preceding fiscal year, increased by the greater of—

“(i) the home health market basket percentage increase for such subsequent fiscal year minus 2.5 percentage points; or

“(ii) 1.1 percent (1.2 percent in fiscal year 1997).

“(3) Rebasing of Rates.—The Secretary shall adjust the national per visit payment rates under this subsection for cost reporting periods beginning on or after October 1, 1999, and every 2 years thereafter, to reflect the most recent available data.

“(4) Home Health Market Basket Percentage Increase.—For purposes of this subsection, the term ‘home health market basket percentage increase’ means, with respect to a fiscal year, a percentage (estimated by the Secretary before the beginning of the fiscal year) determined and applied with respect to the types of home health services described in subsection (a)(2) in the same manner as the market basket percentage increase under section 1886(b)(3)(B)(iii) is determined and
applied to inpatient hospital services for the fiscal year.

“(c) Per Episode Limit.—

“(1) Aggregate Limit.—

“(A) In general.—Except as provided in paragraph (2), a home health agency may not receive aggregate per visit payments under subsection (a) for a fiscal year in excess of an amount equal to the sum of the following products determined for each case-mix category for which the agency receives payments:

“(i) The number of episodes of each such case-mix category during the fiscal year; multiplied by

“(ii) the per episode limit determined for such case-mix category for such fiscal year.

“(B) Establishment of Per Episode Limits.—

“(i) In general.—The per episode limit for a fiscal year for any case-mix category for the area in which a home health agency is located (which shall be the same area used to determine the area wage
index applicable to hospitals under section 1886(d)(3)(E)) is equal to—

“(I) the mean number of visits for each type of home health service described in subsection (a)(2) furnished during an episode of such case-mix category in such area during fiscal year 1994, adjusted by the case-mix adjustment factor determined in clause (ii) for the fiscal year involved; multiplied by

“(II) the per visit payment rate established under subsection (b) for such type of home health service for the fiscal year for which the determination is being made.

“(ii) Case-mix adjustment factor.—For purposes of clause (i), the case-mix adjustment factor for—

“(I) each of fiscal years 1997 through 2000 is the factor determined by the Secretary to assure that aggregate payments for home health services under this section during the year will not exceed the payment for such
services during the previous year as a result of changes in the number and type of home health visits within case-mix categories over the previous year; and

“(II) each subsequent fiscal year, is the factor determined by the Secretary to necessary remove the effects of case-mix increases due to reporting improvements instead of real changes in patients’ resource usage.

“(iii) Rebasings of per episode limits.—Beginning with fiscal year 1999 and every 2 years thereafter, the Secretary shall revise the mean number of home health visits determined under clause (i)(I) for each type of home health service visit described in subsection (a)(2) furnished during an episode in a case-mix category to reflect the most recently available data on the number of visits.

“(iv) Determination of area.—In the case of an area which the Secretary determines has insufficient number of home health agencies to establish an appropriate
per episode limit, the Secretary may establish an area other than the area used to
determine the area wage under section 1886(d)(3)(E)) for purposes of establish-
ing an appropriate per episode limit.

“(C) CASE-MIX CATEGORY.—For purposes of this paragraph, the term ‘case-mix category’
means each of the 18 case-mix categories estab-
lished under the Home Health Agency Prospec-
tive Payment Demonstration Project conducted
by the Health Care Financing Administration.
The Secretary may develop an alternate meth-
odology for determining case-mix categories.

“(D) EPISODE.—For purposes of this paragraph, the term ‘episode’ means, with re-
spect to a cost reporting period, the continuous
120-day period that—

“(i) begins on the date of an individ-
ual’s first visit for a type of home health
service described in subsection (a)(2) for a
case-mix category, and

“(ii) is immediately preceded by a 60-
day period in which the individual did not
receive visits for a type of home health
service described in subsection (a)(2).
“(E) Exemptions and exceptions.—

The Secretary may provide for exemptions and exceptions to the limits established under this paragraph for a fiscal year as the Secretary deems appropriate, to the extent such exemptions and exceptions do not result in greater payments under this section than the exemptions and exceptions provided under section 1861(v)(1)(L)(ii) in fiscal year 1994, increased by the home health market basket percentage increase for the fiscal year involved (as defined in subsection (b)(4)).

“(2) Reconciliation of amounts.—

“(A) Payments in excess of limits.—

Subject to subparagraph (B), if a home health agency has received aggregate per visit payments under subsection (a) for a fiscal year in excess of the amount determined under paragraph (1) with respect to such home health agency for such fiscal year, the Secretary shall, in such manner as the Secretary considers appropriate, reduce the payments under this section to the home health agency in the following fiscal year by the amount of such excess.
“(B) Exception for home health services furnished over a period greater than 165 days.—

“(i) In general.—For purposes of subparagraph (A), the amount of aggregate per visit payments determined under subsection (a) shall not include payments for home health visits furnished to an individual on or after a continuous period of more than 165 days after an individual begins an episode described in subsection (c)(1)(D) (if such period is not interrupted by the beginning of a new episode).

“(ii) Requirement of certification.—Clause (i) shall not apply if the agency has not obtained a physician’s certification with respect to the individual requiring such visits that includes a statement that the individual requires such continued visits, the reason for the need for such visits, and a description of such services furnished during such visits.

“(C) Share of savings.—

“(i) Bonus payments.—If a home health agency has received aggregate per
visit payments under subsection (a) for a fiscal year in an amount less than the amount determined under paragraph (1) with respect to such home health agency for such fiscal year, the Secretary shall pay such home health agency a bonus payment equal to 50 percent of the difference between such amounts in the following fiscal year, except that the bonus payment may not exceed 5 percent of the aggregate per visit payments made to the agency for the prior year without regard to clause (ii).

“(ii) Installment bonus payments.—The Secretary may make installment payments during a fiscal year to a home health agency based on the estimated bonus payment that the agency would be eligible to receive with respect to such fiscal year.

“(d) Medical review process.—

“(1) In general.—The Secretary shall implement a medical review process (with a particular emphasis on fiscal years 1997 and 1998) for the system of payments described in this section that shall provide an assessment of the pattern of care fur-
nished to individuals receiving home health services
for which payments are made under this section to
ensure that such individuals receive appropriate
home health services. Such review process shall focus
on low-cost cases described in subsection (e)(3) and
cases described in subsection (e)(2)(B) and shall re-
quire recertification by intermediaries at 30, 60, 90,
120, and 165 days into an episode described in sub-
section (e)(1)(D).

“(2) Using of organizations to conduct
reviews.—The Secretary may use public or private
organizations to conduct medical reviews in accord-
ance with this subsection.

“(e) Adjustment of Payments to Avoid Cir-
cumvention of Limits.—

“(1) In general.—The Secretary shall provide
for appropriate adjustments to payments to home
health agencies under this section to ensure that
agencies do not circumvent the purpose of this sec-
tion by—

“(A) discharging patients to another home
health agency or similar provider;

“(B) altering corporate structure or name
to avoid being subject to this section or for the
purpose of increasing payments under this title;
or

“(C) undertaking other actions considered unnecessary for effective patient care and intended to achieve maximum payments under this title.

“(2) TRACKING OF PATIENTS THAT SWITCH HOME HEALTH AGENCIES DURING EPISODE.—

“(A) DEVELOPMENT OF SYSTEM.—The Secretary shall develop a system that tracks home health patients that receive home health services described in subsection (a)(2) from more than 1 home health agency during an episode described in subsection (e)(1)(D).

“(B) ADJUSTMENT OF PAYMENTS.—The Secretary shall adjust payments under this section to each home health agency that furnishes an individual with a type of home health service described in subsection (a)(2) to ensure that aggregate payments on behalf of such individual during such episode do not exceed the amount that would be paid under this section if the individual received such services from a single home health agency.

“(3) LOW-COST CASES.—
“(A) IN GENERAL.—The Secretary shall develop and implement a system designed to adjust payments to a home health agency for a fiscal year to eliminate any increase in growth of the percentage distribution of low-cost episodes for which home health services are furnished by the agency over such percentage distribution determined for the agency under subparagraph (B).

“(B) DISTRIBUTION.—The Secretary shall profile each home health agency to determine the distribution of all episodes by length of stay for each agency during the agency’s first 12-month cost reporting period beginning during fiscal year 1994. The Secretary shall calculate the 25th percentile distribution for each agency for low-cost episodes.

“(C) LOW-COST EPISODE.—For purposes of this paragraph, the Secretary shall define a low-cost episode in a manner that provides that a home health agency has an incentive to be cost efficient in delivering home health services and that the volume of such services does not increase as a result of factors other than patient needs.
“(f) Report by Prospective Payment Assessment Commission.—During the first 3 years in which payments are made under this section, the Prospective Payment Assessment Commission shall annually submit a report to Congress on the effectiveness of the payment methodology established under this section that shall include recommendations regarding the following:

“(1) Case-mix and volume increases.

“(2) Quality monitoring of home health agency practices.

“(3) Whether a capitated payment for home care patients receiving care during a continuous period exceeding 165 days is warranted.

“(4) Whether public providers of service are adequately reimbursed.

“(5) On the adequacy of the exemptions and exceptions to the limits provided under subsection (c)(1)(E).

“(6) The appropriateness of the methods provided under this section to adjust the per episode limits and annual payment updates to reflect changes in the mix of services, number of visits, and assignment to case categories to reflect changing patterns of home health care.
“(7) The geographic areas used to determine the per episode limits.”.

between the facility and the Secretary under section 1883
under which the facility’s inpatient hospital facilities are
used for the furnishing of extended care services, except

(a) In General.—Title XVIII is amended by adding at the end the following new section:

“BUDGET EXPENDITURE LIMITING TOOL

“Sec. 1893. (a) Implementation of Medicare Budget Compliance Orders.—

“(1) In General.—If a medicare budget compliance order is issued with respect to a fiscal year, then, notwithstanding any other provision of this title, the Secretary shall make the adjustments to applicable payment rates specified in the order.

“(2) Effect of Adjustments.—

“(A) Items Adjusted.—Any adjustment under paragraph (1) shall apply solely for purposes of determining—

“(i) the applicable payment rates actually paid during the fiscal year, and

“(ii) the amount of any premium or coinsurance an individual is required to pay under this title.

“(B) Adjustments Not to Otherwise Apply.—Any adjustment under paragraph (1)
shall not apply for any other purpose not de-
scribed in subparagraph (A), including for pur-
poses of determining—

“(i) in the case of a scheduled rate in-
crease described in subsection (c)(3), the
rate in effect for a fiscal year in determin-
ing the amount of the increase for any
subsequent fiscal year, and

“(ii) the rate to which an adjustment
under this section applies for a subsequent
fiscal year.

“(b) MEDICARE BUDGET COMPLIANCE ORDERS.—In
this section—

“(1) DOWNWARD ADJUSTMENTS IN RATES.—A
medicare budget compliance order is an order issued
by the President under subsection (e)(5) or
(e)(6)(B) which sets forth (in the manner described
in subsection (e)) the adjustments in applicable pay-
ment rates for fee-for-service expenditures as are
necessary—

“(A) in the case of an order under sub-
section (e)(5), to eliminate the medicare outlay
deficit estimated for the fiscal year in the OMB
final report under subsection (e)(4), and
“(B) in the case of an order under subsection (e)(6)(B), to eliminate any increase in such deficit in the OMB updated report under subsection (e)(6)(A).

“(2) UPWARD ADJUSTMENT IN RATES.—A medicare budget compliance order is an order issued by the President under subsection (e)(6)(C) which sets forth (in the manner described in subsection (e)) increases in the applicable payment rates for fee-for-service expenditures for the portion of the fiscal year specified in the order as are necessary to correct any reduction of the medicare outlay deficit estimated for the fiscal year in the OMB updated report under subsection (e)(6)(A).

“(3) APPLICABLE PAYMENT RATES.—The term ‘applicable payment rate’ means the rate (determined without regard to this section) at which payment is made under parts A and B for fee-for-service expenditures for items and services covered under parts A and B.

“(c) METHODS FOR MAKING ADJUSTMENTS.—

“(1) RATE REDUCTIONS.—Except as provided in paragraph (3), a medicare budget compliance order described in subsection (b)(1) shall provide the following adjustments in the following order:
“(A) First, a uniform percentage reduction in each of the scheduled rate increases specified in paragraph (4) as is necessary to reduce medicare outlays by the amount of the medicare outlay deficit for the fiscal year.

“(B) Second, if the medicare outlay deficit exceeds the reduction in outlays resulting from an elimination of the scheduled rate increases, a uniform percentage reduction in each of the applicable payment rates as is necessary to reduce medicare outlays by the amount of that excess.

“(2) RATE INCREASES.—Except as provided in paragraph (3), a medicare budget compliance order described in subsection (b)(2) shall provide—

“(A) a uniform percentage increase in each of the applicable payment rates described in paragraph (1)(B) as is necessary to increase medicare outlays for such payments by the lesser of the estimated reduction in the medicare outlay deficit or the amount of reductions under paragraph (1)(B), and

“(B) a uniform percentage increase in rates for which scheduled increases were reduced under paragraph (1)(B) to the extent of
the lesser of the remainder of the reduction in
the medicare outlay deficit or the amount of the
reduction in such scheduled increases.

“(3) GEOGRAPHICAL ADJUSTMENTS.—

“(A) ADJUSTMENTS TO PERCENTAGES.—

“(i) IN GENERAL.—Unless Congress

provides otherwise, beginning with fiscal

years on or after October 1, 1999, the Sec-

retary may, based on the analysis under

subparagraph (B) and to the extent the

Secretary determines necessary, adjust the

percentage changes to the applicable pay-

ment rates required by this section in a

manner designed to reflect an appropriate

and equitable variation in rates of growth

in per capita spending across medicare

payment areas. Such variation shall be rea-

sonably related to measurable geographic
differences in medicare payment areas and

the degree to which such patterns of rates

of growth in per capita spending contribute
to a medicare outlay deficit.

“(ii) BUDGET NEUTRALITY.—If the

Secretary takes action under clause (i), the

Secretary shall adjust the applicable pay-
ment rates in a manner that ensures that total outlays for a fiscal year are not greater or less than total outlays under this section would have been but for the application of clause (i).

“(B) Analysis.—The Secretary, in consultation with interested parties, shall conduct an analysis of the measurable differences in rates of growth of spending across medicare payment areas using measurable variables as identified by the Secretary.

“(C) Notice.—If the Secretary decides to take action under subparagraph (A), the Secretary shall provide notice to Congress 1 year before the effective date of the action as to the variables the Secretary will use to determine variations in rates of growth in per capita spending and a preliminary assessment regarding how these variations may impact a medicare budget compliance order.

“(4) Scheduled Rate Increases.—For purposes of paragraph (1), a scheduled rate increase is any increase in an applicable payment which is made pursuant to an automatic adjustment required by part A or part B.
“(5) SPECIAL RULES FOR TIMING OF REDUCTIONS.—

For purposes of the preceding sentence, in the case of inpatient services furnished for an individual, the services shall be considered to be furnished on the date of the individual’s discharge from the inpatient facility.

“(B) PAYMENT ON THE BASIS OF COST REPORTING PERIODS.—In applying subsection (a) for a fiscal year with respect to items and services for which payment is made under part A or B on the basis of costs incurred for items and services in a cost reporting period, the medicare budget compliance order shall provide for the payment adjustment under such subsection for a fiscal year through the appropriate percentage reduction in the payment for costs for such items and services incurred at any time during each cost reporting period any part of which occurs during the fiscal year involved,
but only (for each such cost reporting period) in the same proportion as the fraction of the
cost reporting period that occurs during the fis-
cal year involved.

“(6) Timing of Updated Adjustments.—
Any increase or decrease in applicable payment rates pursuant to a medicare budget compliance order under subsection (e)(6) shall be made in the same manner as provided under paragraph (5), but shall only apply for the portion of the fiscal year occurring on and after March 1.

“(7) No Increase in Beneficiary Charges in Assignment-Related Cases.—If a reduction in payment amounts is made under subsection (a) for services for which payment under part B of title XVIII of the Social Security Act is made on the basis of an assignment described in section 1842(b)(3)(B)(ii), in accordance with section 1842(b)(6)(B), or under the procedure described in section 1870(f)(1), of such Act, the person furnishing the services shall be considered to have accepted payment of the reasonable charge for the services, less any reduction in payment amount made pursuant to a sequestration order, as payment in full.

If the request is not part of an application for medical assistance under a medicaid plan approved under this title, the State may, at its option as a condition of providing the assessment, require payment of a fee not exceeding the reasonable expenses of providing and documenting the assessment. At the time of providing the copy of the assessment, the State shall include a notice indicating that the spouse will have a right to a fair hearing under subsection (e)(2).

“(2) ATTRIBUTION OF RESOURCES AT TIME OF INITIAL ELIGIBILITY DETERMINATION.—In determining the resources of an institutionalized spouse

Any such hearing respecting the determination of the community spouse resource allowance shall be held within 30 days of the date of the request for the hearing.

“(B) REVISION OF MINIMUM MONTHLY MAINTENANCE NEEDS ALLOWANCE.—If either such spouse establishes that the community spouse needs income, above the level otherwise provided by the minimum monthly maintenance needs allowance, due to exceptional circumstances resulting in significant financial duress, there shall be substituted, for the minimum monthly maintenance needs allowance in subsection (d)(2)(A), an amount adequate to provide such additional income as is necessary.

“(B) ADJUSTMENTS.—

“(i) CARRYOVER OF ALLOTMENT PERMITTED.—If the amount of obligations entered into under this part with a State for quarters in a fiscal year is less than the amount of the obligation allotment under this section to the State for the fiscal year, the amount of the difference shall be added to the amount of the State obligation allotment otherwise provided under this section for the succeeding fiscal year.

“(ii) REDUCTION FOR POST-ENACTMENT NEW OBLIGATIONS UNDER TITLE
XIX IN FISCAL YEAR 1996.—The amount of
the obligation allotment otherwise provided

the State under section 1903(a) after the
date of the enactment of this title.

“(3) AGGREGATE LIMIT ON NEW OBLIGATION
AUTHORITY.—

“(A) IN GENERAL.—For purposes of this
subsection, subject to subparagraph (C), the ag-

(B)) for the fiscal year.

“(B) PAYOUT ADJUSTMENT FACTOR.—For
purposes of this subsection, the payout adjust-
ment factor—

order to account for pre-enactment-obligation
outlays described in paragraph (4)(C)(iv), in
determining the aggregate limit on new obliga-
tion authority under subparagraph (A) for fis-

of Columbia for a fiscal year (beginning with
fiscal year 1997) is an amount that bears the
same ratio to the outlay allotment under sub-
section (c)(2) for such State or District (not
taking into account any adjustment due to an
election under paragraph (4)) for the fiscal year
as the ratio of—

“(i) the aggregate limit on new obliga-
tion authority (less the total of the obliga-
tion allotments under subparagraph (B))
for the fiscal year; to
“(ii) the pool amount (less the sum of
the outlay allotments for the territories)
for such fiscal year.

“(C) TRANSITIONAL RULE FOR FISCAL YEAR 1996.—

“(i) IN GENERAL.—The obligation amount for fiscal year 1996 for any State, including the District of Columbia, a Commonwealth, or territory, is determined according to the formula: \( A = \frac{B - C}{D} \), where—

formula for computing the amount of such
obligation allotment.

“(iv) **Pre-enactment-obligation**
outlays defined.—For purposes of this
subsection, the term ‘pre-enactment-obliga-
tion outlays’ means, for a State, the out-

Federal expenditures made to such State
or District under title XIX for such cal-
endar quarters.

“(E) Scalar factor.—The scalar factor
under this subparagraph for fiscal year 1996 is
such proportion so that, when it is applied
under subparagraph (A)(iii) for the fiscal year, the total of the outlay allotments under this paragraph for all the 50 States and the District of Columbia for the fiscal year (not taking into account any increase or decrease in an outlay allotment for a fiscal year attributable to the election of an alternative growth formula under paragraph (4)) is equal to the amount by which (i) the pool amount for the fiscal year (as determined under subsection (b)), exceeds (ii) the sum of the outlay allotments provided under paragraph (5) for the Commonwealths and territories for the fiscal year.

“(C) SCALAR FACTOR.—The scalar factor under this subparagraph for a fiscal year is such proportion so that, when it is applied under subparagraph (A)(ii) for the fiscal year (taking into account the floors and ceilings under paragraph (3)), the total of the outlay allotments under this subsection for all the 50 States and the District of Columbia for the fis-
cal year (not taking into account any increase
or decrease in an outlay allotment for a fiscal
year attributable to the election of an alter-
native growth formula under paragraph (4)) is
equal to the amount by which (i) the pool
amount for the fiscal year (as determined under

“(B) Formula.—The alternative growth formula under this paragraph may be any formula under which—
“(i) a portion of the State outlay allotment for fiscal year 1996 under paragraph (1) is deferred and applied to increase the amount of its outlay allotment for one or more subsequent fiscal years, so long as the total amount of such increases for all such subsequent fiscal years does not exceed the amount of the outlay allotment deferred from fiscal year 1996; or

“(ii) a portion of the State outlay allotment for one or more of the 3 fiscal years immediately following fiscal year 1996 under paragraph (2) is applied to increase the amount of its outlay allotment for fiscal year 1996, so long as the total amount of such increase does not exceed 25 percent of the amount of the outlay allotment for fiscal year 1996 otherwise determined under paragraph (1).

“(5) COMMONWEALTHS AND TERRITORIES.—The outlay allotment for each of the Commonwealths and territories for a fiscal year is the maximum amount that could have been certified under section 1108(c) with respect to the Commonwealth or territory for the fiscal year with respect to title XIX, if

(D) and subparagraph (E) shall be deter-
mined by the Secretary using the most re-
cent data available.

“(ii) Use of Medicaid data.—If for
a fiscal year there is inadequate data to
compute such averages and proportions
based on expenditures and numbers of in-
dividuals receiving medical assistance
under this title, the Secretary may com-
pute such averages based on expenditures
and numbers of such individuals under
title XIX for the most recent fiscal year
for which data are available and, for this
purpose—
“(I) any reference in subparagraph (B)(i) to ‘individuals who have attained retirement age’ is deemed a reference to ‘individuals whose eligibility for medical assistance is based on having attained retirement age’;

“(2) an amount equal to the Federal medical assistance percentage of the total amount expended during such quarter for medically-related services (as defined in section 2112(d)(2)); plus

“(3) an amount equal to—

“(A) 90 percent of the amounts expended during such quarter for the design, development, and installation of information systems and for providing incentives to promote the enforcement of medical support orders, plus

“(B) 75 percent of the amounts expended during such quarter for medical personnel, administrative support of medical personnel, operation and maintenance of information systems, modification of information systems, quality assurance activities, utilization review, medical and peer review, anti-fraud activities, independent evaluations, coordination of benefits, and meeting reporting requirements under this title, plus
“(C) 50 percent of so much of the remainder of the amounts expended during such quarter as are expended by the State in the administration of the State plan.

“(b) Payment Process.—

“(1) Quarterly Estimates.—Prior to the beginning of each quarter, the Secretary shall estimate the amount to which a State will be entitled under subsection (a) for such quarter, such estimates to be based on (A) a report filed by the State containing its estimate of the total sum to be expended in such quarter in accordance with the provisions of such subsections, and stating the amount appropriated or made available by the State and its political subdivisions for such expenditures in such quarter, and if such amount is less than the State’s proportionate share of the total sum of such estimated expenditures, the source or sources from which the difference is expected to be derived, and (B) such other investigation as the Secretary may find necessary.

“(2) Payment.—

“(A) In General.—The Secretary shall then pay to the State, in such installments as the Secretary may determine and in accordance with section 6503(a) of title 31, United States
Code, the amount so estimated, reduced or increased to the extent of any overpayment or underpayment which the Secretary determines was made under this section (or section 1903) to such State for any prior quarter and with respect to which adjustment has not already been made under this subsection (or under section 1903(d)).

“(B) TREATMENT AS OVERPAYMENTS.—
Expenditures for which payments were made to the State under subsection (a) shall be treated as an overpayment to the extent that the State or local agency administering such plan has been reimbursed for such expenditures by a third party pursuant to the provisions of its plan in compliance with section 2135.

“(C) RECOVERY OF OVERPAYMENTS.—For purposes of this subsection, when an overpayment is discovered, which was made by a State to a person or other entity, the State shall have a period of 60 days in which to recover or attempt to recover such overpayment before adjustment is made in the Federal payment to such State on account of such overpayment. Except as otherwise provided in subparagraph
(D), the adjustment in the Federal payment shall be made at the end of the 60 days, whether or not recovery was made.

“(3) Federal share of recoveries.—The pro rata share to which the United States is equitably entitled, as determined by the Secretary, of the net amount recovered during any quarter by the State or any political subdivision thereof with respect to medical assistance furnished under the State plan shall be considered an overpayment to be adjusted under this subsection.

for payments under this section shall be deemed ob-
ligated.

“(5) DISALLOWANCES.—In any case in which the Secretary estimates that there has been an over-
payment under this section to a State on the basis of a claim by such State that has been disallowed by the Secretary under section 1116(d), and such State disputes such disallowance, the amount of the Fed-
eral payment in controversy shall, at the option of the State, be retained by such State or recovered by the Secretary pending a final determination with re-
spect to such payment amount. If such final deter-
mination is to the effect that any amount was prop-
erly disallowed, and the State chose to retain pay-
ment of the amount in controversy, the Secretary shall offset, from any subsequent payments made to such State under this title, an amount equal to the proper amount of the disallowance plus interest on such amount disallowed for the period beginning on the date such amount was disallowed and ending on the date of such final determination at a rate (deter-
mined by the Secretary) based on the average of the bond equivalent of the weekly 90-day treasury bill auction rates during such period.
“(c) Federal Medical Assistance Percentage Defined.—

“(1) In general.—For purposes of this section, except as provided in subsection (f), the Federal medical assistance percentage, with respect to each of the 50 States or the District of Columbia, is 100 percent less the State percentage.

“(2) State percentage.—

“(B) Exception.—For purposes of this title only, for Alaska, the State percentage is that percentage which bears the same ratio to 45 percent as the square of the adjusted per capita income of such State bears to the square of the per capita income of the continental United States. For purposes of the preceding sentence, the adjusted per capita income for Alaska shall be determined by dividing the State’s most recent 3-year average per capita income...
by the input cost index for such State (as determined in section 2121(d)(4)).

“(3) LIMITATION ON RANGE.—In no case shall the Federal medical assistance percentage be—

mined without regard to this subsection) shall
be reduced by the sum of any revenues received
by the State (or by a unit of local government
in the State) during the fiscal year—

“(i) from provider-related donations
(as defined in paragraph (2)(A)), other
than—

“(I) bona fide provider-related
donations (as defined in paragraph
(2)(B)), and

“(II) donations described in
paragraph (2)(C);

“(ii) from health care related taxes
(as defined in paragraph (3)(A)), other
than broad-based health care related taxes
(as defined in paragraph (3)(B)); or

“(iii) from a broad-based health care
related tax, if there is in effect a hold
harmless provision (described in paragraph
(4)) with respect to the tax.

“(B) REDUCTION IN ADMINISTRATIVE EXPENDITURES.—Notwithstanding the previous
provisions of this section, for purposes of deter-
mining the amount to be paid to a State under
this section for all quarters in a Federal fiscal
year (beginning with fiscal year 1996), the total amount expended during the fiscal year for administrative expenditures under the medicaid plan (as determined without regard to this subsection) shall be reduced by the sum of any revenues received by the State (or by a unit of local government in the State) during such quarters from donations described in paragraph (2)(C), to the extent the amount of such donations exceeds 10 percent of the amounts expended under the medicaid plan approved under this title during the fiscal year for purposes described in subsection (a)(3).

“(2) PROVIDER-RELATED DONATIONS.—

“(A) In general.—For purposes of this subsection, the term ‘provider-related donation’ means any donation or other voluntary payment (whether in cash or in kind) made (directly or indirectly) to a State or unit of local government by—

or
“(iii) an entity providing goods or services under the State plan for which payment is made to the State under subsection (a)(3).

“(B) BONA FIDE PROVIDER-RELATED DONATIONS.—For purposes of paragraph (1)(A)(i)(I), the term ‘bona fide provider-related donation’ means a provider-related donation that has no direct or indirect relationship (as determined by the Secretary) to payments made under this title to that provider, to providers furnishing the same class of items and services as that provider, or to any related entity, as established by the State to the satisfaction of the Secretary. The Secretary may by regulation specify types of provider-related donations described in the previous sentence that will be considered to be bona fide provider-related donations.

“(C) DONATIONS DESCRIBED.—For purposes of paragraph (1)(A)(i)(II), donations described in this subparagraph are funds expended by a hospital, clinic, or similar entity for the direct cost (including costs of training and of preparing and distributing outreach mate-
rials) of State or local agency personnel who are stationed at the hospital, clinic, or entity to de-
termine the eligibility of individuals for medical assistance under a medicaid plan approved under this title and to provide outreach services to eligible or potentially eligible individuals.

“(3) HEALTH CARE RELATED TAXES.—

“(A) IN GENERAL.—For purposes of this subsection, the term ‘health care related tax’ means a tax (as defined in paragraph (5)(F)) that—

“(i) is related to health care items or services, or to the provision of, the authority to provide, or payment for, such items or services; or

“(ii) is not limited to such items or services but provides for treatment of individuals or entities that are providing or paying for such items or services that is different from the treatment provided to other individuals or entities.

In applying clause (i), a tax is considered to relate to health care items or services if at least
85 percent of the burden of such tax falls on health care providers.
“(B) Broad-based health care related tax.—For purposes of this subsection, the term ‘broad-based health care related tax’ means a health care related tax which is imposed with respect to a class of health care items or services (as described in paragraph (5)(A)) or with respect to providers of such items or services and which, except as provided in subparagraphs (D) and (E)—

“(i) is imposed at least with respect to all items or services in the class furnished by all non-Federal, nonpublic providers in the State (or, in the case of a tax imposed by a unit of local government, the area over which the unit has jurisdiction) or is imposed with respect to all non-Federal, nonpublic providers in the class; and

“(ii) is imposed uniformly (in accordance with subparagraph (C)).

“(C) Uniform imposition of tax.—

“(i) In general.—Subject to clause (ii), for purposes of subparagraph (B)(ii), a tax is considered to be imposed uniformly if—
“(I) in the case of a tax consisting of a licensing fee or similar tax on a class of health care items or services (or providers of such items or services), the amount of the tax imposed is the same for every provider providing items or services within the class;

“(II) in the case of a tax consisting of a licensing fee or similar tax imposed on a class of health care items or services (or providers of such services) on the basis of the number of beds (licensed or otherwise) of the provider, or the number of patient days or other unit of service, the amount of the tax is the same for each bed, or each unit of service, of each provider of such items or services in the class;

“(III) in the case of a tax based on revenues or receipts with respect to a class of items or services (or providers of items or services) the tax is imposed at a uniform rate for all items and services (or providers of such
items of services) in the class on all
the gross revenues or receipts, or net
operating revenues, relating to the
provision of all such items or services
(or all such providers) in the State
(or, in the case of a tax imposed by
a unit of local government within the
State, in the area over which the unit
has jurisdiction); or
``(IV) in the case of any other
tax, the State establishes to the satis-
faction of the Secretary that the tax is
imposed uniformly.
``(ii) Determination of
Nonuniformity.—Subject to subpar-
graphs (D) and (E), a tax imposed with
respect to a class of health care items and
services is not considered to be imposed
uniformly if the tax provides for any cred-
its, exclusions, or deductions which have as
their purpose or effect the return to pro-
viders of all or a portion of the tax paid in
a manner that is inconsistent with
subclauses (I) and (II) of subparagraph
(E)(ii) or provides for a hold harmless provision described in paragraph (4).

“(D) EXCEPTIONS TO NONUNIFORMITY DETERMINATIONS.—A tax imposed with respect to a class of health care items and services is considered to be imposed uniformly—

“(i) notwithstanding that the tax is not imposed with respect to items or services (or the providers thereof) for which payment is made under a medicaid plan approved under this title or title XVIII; or

“(ii) in the case of a tax described in subparagraph (C)(i)(III), notwithstanding that the tax provides for exclusion (in whole or in part) of revenues or receipts from a medicaid plan approved under this title or title XVIII.

“(E) WAIVER APPLICATION FOR TREATMENTS AS BROAD-BASED TAX.—

“(i) IN GENERAL.—A State may submit an application to the Secretary requesting that the Secretary treat a tax as a broad-based health care related tax, notwithstanding that the tax does not apply to all health care items or services in class (or
all providers of such items and services),
provides for a credit, deduction, or exclu-
sion, is not applied uniformly, or otherwise
does not meet the requirements of sub-
paragraph (B) or (C). Permissible waivers
may include exemptions for rural or sole-
community providers.

“(ii) WAIVER APPROVAL REQUIRE-
MENTS.—The Secretary shall approve such
an application if the State establishes to
the satisfaction of the Secretary that—

“(I) the net impact of the tax
and associated expenditures under the
medicaid plan approved under this
title as proposed by the State is gen-
erally redistributive in nature; and

“(II) the amount of the tax is
not directly correlated to payments
under such plan for items or services
with respect to which the tax is im-
posed.

“(iii) DETERMINATION OF REDIS-
TRIBUTIVE NATURE.—In determining
whether a tax for which a waiver is sought
is generally redistributive in nature, the
Secretary shall, if requested by the State—

“(I) compare the tax to a tax
that meets any of the uniformity re-
quirements of subparagraphs (C) or
(D); and

“(II) consider in the aggregate
all classes (or providers) of health
care items or services that are subject
to the same tax.

“(iv) TERM OF WAIVER.—A tax for
which the Secretary has approved an appli-

the requirements of a further waiver appli-

sultation with the States pursuant to section
5(c) of the Medicaid Voluntary Contribution
and Provider-Specific Tax Amendments of
1991, adopts a final regulation specifically sub-
jecting such taxes, or any of such taxes, to the
provisions of this subsection.

“(4) Hold harmless determination.—For
purposes of paragraph (1)(A)(iii), there is in effect
a hold harmless provision with respect to a broad-
based health care related tax imposed with respect
to a class of items or services if the Secretary deter-
mines that any of the following applies:

“(A) The State or other unit of govern-
ment imposing the tax provides (directly or in-
directly) for a payment (other than under a
medicaid plan approved under this title) to tax-
payers and the amount of such payment is posi-
tively correlated either to the amount of such
tax or to the difference between the amount of
the tax and the amount of payment under the
medicaid plan.

“(B) All or any portion of the payment
made under this title to the taxpayer varies
based only upon the amount of the total tax
paid.

“(C) The State or other unit of govern-
ment imposing the tax provides (directly or in-
directly) for any payment, offset, or waiver that
guarantees to hold taxpayers harmless for any portion of the costs of the tax.

Notwithstanding the provisions of this paragraph, no hold harmless shall be found to be in effect with respect to a tax enacted or extended prior to October 1, 1995, because of the existence in the State of a program of financial aid or of tax credits for recipients of health care items or services from providers that are subject to an otherwise valid health care related tax.

“(B) conduct such a verification audit.

"(A) In general.—The medicaid plan
shall exclude any specified individual or entity
from participation in the plan for the period specified by the Secretary when required by the Secretary to do so pursuant to section 1128 or section 1128A, and provide that no payment may be made under the plan with respect to any item or service furnished by such individual or entity during such period.

“(B) Authority.—In addition to any other authority, a State may exclude any individual or entity for purposes of participating under the medicaid plan for any reason for which the Secretary could exclude the individual or entity from participation in a program under title XVIII or under section 1128, 1128A, or 1866(b)(2).

section 422 of the Health Care Quality Improvement Act of 1986 and section 1128E.

"SEC. 2134. STATE MEDICAID FRAUD CONTROL UNITS.

“(a) IN GENERAL.—Each medicaid plan shall provide for a State medicaid fraud control unit that effectively carries out the functions and requirements described in such subsection, unless the State demonstrates to the satisfaction of the Secretary that the effective operation of such a unit in the State would not be cost-effective because minimal fraud exists in connection with the provision of covered services to eligible individuals under the plan, and that beneficiaries under the plan will be protected from abuse and neglect in connection with the provision of medical assistance under the plan without the existence of such a unit.

“(b) UNITS DESCRIBED.—For purposes of this section, the term ‘State medicaid fraud control unit’ means a single identifiable entity of the State government which meets the following requirements:

“(1) ORGANIZATION.—The entity—

“(A) is a unit of the office of the State Attorney General or of another department of State government which possesses statewide authority to prosecute individuals for criminal violations;
“(B) is in a State the constitution of which does not provide for the criminal prosecution of individuals by a statewide authority and has formal procedures that—

“(i) assure its referral of suspected criminal violations relating to the program under this title to the appropriate authority or authorities in the State for prosecution, and

“(ii) assure its assistance of, and coordination with, such authority or authorities in such prosecutions; or

“(C) has a formal working relationship with the office of the State Attorney General and has formal procedures (including procedures for its referral of suspected criminal violations to such office) which provide effective coordination of activities between the entity and such office with respect to the detection, investigation, and prosecution of suspected criminal violations relating to the program under this title.

“(2) INDEPENDENCE.—The entity is separate and distinct from any State agency that has prin-
principal responsibilities for administering or supervising the administration of the medicaid plan.

“(3) FUNCTION.—The entity’s function is conducting a statewide program for the investigation and prosecution of violations of all applicable State laws regarding any and all aspects of fraud in connection with any aspect of the provision of medical assistance and the activities of providers of such assistance under the medicaid plan.

“(4) REVIEW OF COMPLAINTS.—The entity has procedures for reviewing complaints of the abuse and neglect of patients of health care facilities which receive payments under the medicaid plan approved under this title, and, where appropriate, for acting upon such complaints under the criminal laws of the State or for referring them to other State agencies for action.

“(5) OVERPAYMENTS.—

“(A) IN GENERAL.—The entity provides for the collection, or referral for collection to a single State agency, of overpayments that are made under the medicaid plan to health care providers and that are discovered by the entity in carrying out its activities.
“(B) Treatment of certain overpayments.—If an overpayment is the direct result of the failure of the provider (or the provider’s billing agent) to adhere to a change in the State’s billing instructions, the entity may recover the overpayment only if the entity demonstrates that the provider (or the provider’s billing agent) received reasonable written or electronic notice of the change in the billing instructions before the submission of the claims on which the overpayment is based.

“(6) Personnel.—The entity employs such auditors, attorneys, investigators, and other necessary personnel and is organized in such a manner as is necessary to promote the effective and efficient conduct of the entity’s activities.

“Sec. 2135. Recoveries from third parties and others.

“(a) Third Party Liability.—Each medicaid plan shall provide for reasonable steps—

“(1) to ascertain the legal liability of third parties to pay for care and services available under the plan, including the collection of sufficient information to enable States to pursue claims against third parties; and
“(2) to seek reimbursement for medical assistance provided to the extent legal liability is established if the amount expected to be recovered exceeds the costs of the recovery.

“(b) Beneficiary Protection.—

“(1) In general.—Each medicaid plan shall provide that in the case of a person furnishing services under the plan for which a third party may be liable for payment—

“(A) the person may not seek to collect from the individual (or financially responsible relative) payment of an amount for the service more than could be collected under the plan in the absence of such third party liability; and

“(B) may not refuse to furnish services to such an individual because of a third party’s potential liability for payment for the service.

“(2) Penalty.—A medicaid plan may provide for a reduction of any payment amount otherwise due with respect to a person who furnishes services under the plan in an amount equal to up to 3 times the amount of any payment sought to be collected by that person in violation of paragraph (1)(A).

“(c) General Liability.—The State shall prohibit any health insurer, including a group health plan as
fined in section 607 of the Employee Retirement Income
Security Act of 1974, a service benefit plan, or a health
maintenance organization, in enrolling an individual or in
making any payments for benefits to the individual or on
the individual’s behalf, from taking into account that the
individual is eligible for or is provided medical assistance
under a medicaid plan for any State.

“(d) Acquisition of Rights of Beneficiaries.—
To the extent that payment has been made under a medica-
aid plan in any case where a third party has a legal liabil-
ity to make payment for such assistance, the State shall
have in effect laws under which, to the extent that pay-
ment has been made under the plan for health care items
or services furnished to an individual, the State is consid-
ered to have acquired the rights of such individual to pay-
ment by any other party for such health care items or
services.

“(e) Assignment of Medical Support Rights.—
The medicaid plan shall provide for mandatory assignment
of rights of payment for medical support and other medi-
cal care owed to recipients in accordance with section
2136.

“(f) Required Laws Relating to Medical Child
Support.—
“(1) IN GENERAL.— Each State with a medic-

aid plan shall have in effect the following laws:

“(A) A law that prohibits an insurer from
denying enrollment of a child under the health
coverage of the child’s parent on the ground
that—

“(i) the child was born out of wedlock;
“(ii) the child is not claimed as a de-
dpendent on the parent’s Federal income
tax return; or
“(iii) the child does not reside with
the parent or in the insurer’s service area.
“(B) In any case in which a parent is re-
quired by a court or administrative order to
provide health coverage for a child and the par-
ent is eligible for family health coverage
through an insurer, a law that requires such in-
surer—
“(i) to permit such parent to enroll
under such family coverage any such child
who is otherwise eligible for such coverage
(without regard to any enrollment season
restrictions);
“(ii) if such a parent is enrolled but
fails to make application to obtain cov-
verage of such child, to enroll such child
under such family coverage upon applica-
tion by the child’s other parent or by the
State agency administering the program
under this title or part D of title IV; and

“(iii) not to disenroll, or eliminate
coverage of, such a child unless the insurer
is provided satisfactory written evidence
that—

“(I) such court or administrative
order is no longer in effect, or

“(II) the child is or will be en-
rolled in comparable health coverage
through another insurer which will
take effect not later than the effective
date of such disenrollment.

“(C) In any case in which a parent is re-
quired by a court or administrative order to
provide health coverage for a child and the par-
et is eligible for family health coverage
through an employer doing business in the
State, a law that requires such employer—

“(i) to permit such parent to enroll
under such family coverage any such child
who is otherwise eligible for such coverage
(without regard to any enrollment season restrictions);

“(ii) if such a parent is enrolled but fails to make application to obtain coverage of such child, to enroll such child under such family coverage upon application by the child’s other parent or by the State agency administering the program under this title or part D of title IV; and

“(iii) not to disenroll, or eliminate coverage of, any such child unless—

“(I) the employer is provided satisfactory written evidence that such court or administrative order is no longer in effect, or the child is or will be enrolled in comparable health coverage which will take effect not later than the effective date of such disenrollment, or

“(II) the employer has eliminated family health coverage for all of its employees; and

“(iv) to withhold from such employee’s compensation the employee’s share (if any) of premiums for health coverage (ex-
cept that the amount so withheld may not exceed the maximum amount permitted to be withheld under section 303(b) of the Consumer Credit Protection Act), and to pay such share of premiums to the insurer, except that the Secretary may provide by regulation for appropriate circumstances under which an employer may withhold less than such employee’s share of such premiums.

“(D) A law that prohibits an insurer from imposing requirements on a State agency, which has been assigned the rights of an individual eligible for medical assistance under a medicaid plan approved under this title and covered for health benefits from the insurer, that are different from requirements applicable to an agent or assignee of any other individual so covered.

“(E) A law that requires an insurer, in any case in which a child has health coverage through the insurer of a noncustodial parent—

“(i) to provide such information to the custodial parent as may be necessary for
the child to obtain benefits through such
coverage;

“(ii) to permit the custodial parent
(or provider, with the custodial parent’s
approval) to submit claims for covered
services without the approval of the
noncustodial parent; and

“(iii) to make payment on claims sub-
mitted in accordance with clause (ii) di-
rectly to such custodial parent, the pro-
vider, or the State agency.

“(F) A law that permits the State agency
under the medicaid plan approved under this
title to garnish the wages, salary, or other em-
ployment income of, and requires withholding
amounts from State tax refunds to, any person
who—

“(i) is required by court or adminis-
trative order to provide coverage of the
costs of health services to a child who is el-
igible for medical assistance under a med-
icaid plan approved under this title;

“(ii) has received payment from a
third party for the costs of such services to
such child; but
“(iii) has not used such payments to
reimburse, as appropriate, either the other
parent or guardian of such child or the
provider of such services,
to the extent necessary to reimburse the State
agency for expenditures for such costs under its
plan under this title, but any claims for current
or past-due child support shall take priority
over any such claims for the costs of such serv-
ices.
“(2) DEFINITION.—For purposes of this sub-
section, the term ‘insurer’ includes a group health
plan, as defined in section 607(1) of the Employee
Retirement Income Security Act of 1974, a health
maintenance organization, and an entity offering a
service benefit plan.
“(g) ESTATE RECOVERIES AND LIENS PER-
MITTED.—
“(1) IN GENERAL.—Except as provided in para-
graph (2), a State may take such actions as it con-

medical assistance to or on behalf of the individual
under the medicaid plan, including through the im-
position of liens against the property or estate of the individual.

“(2) No lien on homes or family farms.—
For purposes of paragraph (1), a State may not impose a lien on the principal residence (within the meaning of section 1034 of the Internal Revenue Code of 1986) of moderate value or the family farm owned by the individual as a condition of the spouse of the individual receiving nursing facility or other long term care benefits under its medicaid plan.

“SEC. 2136. ASSIGNMENT OF RIGHTS OF PAYMENT.

“(a) In General.—For the purpose of assisting in the collection of medical support payments and other payments for medical care owed to recipients of medical assistance under the medicaid plan, each medicaid plan shall—

“(1) provide that, as a condition of eligibility for medical assistance under the plan to an individual who has the legal capacity to execute an assignment for himself, the individual is required—

“(A) to assign the State any rights, of the individual or of any other person who is eligible for medical assistance under the plan and on whose behalf the individual has the legal authority to execute an assignment of such rights,
to support (specified as support for the purpose of medical care by a court or administrative order) and to payment for medical care from any third party,

“(B) to cooperate with the State (i) in establishing the paternity of such person (referred to in subparagraph (A)) if the person is a child born out of wedlock, and (ii) in obtaining support and payments (described in subparagraph (A)) for himself and for such person, unless (in either case) the individual is a pregnant woman or the individual is found to have good cause for refusing to cooperate as determined by the State, and

“(C) to cooperate with the State in identifying, and providing information to assist the State in pursuing, any third party who may be liable to pay for care and services available under the plan, unless such individual has good cause for refusing to cooperate as determined by the State; and

“(2) provide for entering into cooperative arrangements, including financial arrangements, with any appropriate agency of any State (including, with respect to the enforcement and collection of rights of
payment for medical care by or through a parent, with a State’s agency established or designated under section 454(3)) and with appropriate courts and law enforcement officials, to assist the agency or agencies administering the plan with respect to—

“(A) the enforcement and collection of rights to support or payment assigned under this section, and

“(B) any other matters of common concern.

“(b) USE OF AMOUNTS COLLECTED.—Such part of any amount collected by the State under an assignment made under the provisions of this section shall be retained by the State as is necessary to reimburse it for medical assistance payments made on behalf of an individual with respect to whom such assignment was executed (with appropriate reimbursement of the Federal Government to the extent of its participation in the financing of such medical assistance), and the remainder of such amount collected shall be paid to such individual.

“SEC. 2137. QUALITY ASSURANCE STANDARDS FOR NURSING FACILITIES.

“(a) STANDARDS FOR AND CERTIFICATION OF CERTAIN FACILITIES.—

“(x) To retain and use personal property.

“(xi) To be free from abuse, including verbal, sexual, physical and mental abuse, corporal punishment, and involuntary se-

“(b) INTERMEDIATE SANCTION AUTHORITY.—

“(1) AUTHORITY.—In addition to any other authority under State law, where a State determines that a nursing facility which is certified for participation under the medicaid plan no longer substantially meets the requirements for such a facility under this title and further determines that the facility’s deficiencies—

“(A) immediately jeopardize the health and safety of its residents, the State shall at least provide for the termination of the facility’s certification for participation under the plan; or
“(B) do not immediately jeopardize the health and safety of its residents, the State may, in lieu of providing for terminating the facility’s certification for participation under the plan, provide lesser sanctions including one that provides that no payment will be made under the plan with respect to any individual admitted to such facility after a date specified by the State.

“(2) Notice and Opportunity for Hearing.—The State shall not make such a decision with respect to a facility until the facility has had a reasonable opportunity, following the initial determination that it no longer substantially meets the requirements for such a facility under the plan, to correct its deficiencies, and, following this period, has been given reasonable notice and opportunity for a hearing.

“(3) Effectiveness.—The State’s decision to deny payment may be made effective only after such notice to the public and to the facility as may be provided for by the State, and its effectiveness shall terminate at the earlier of—

“(A) when the State finds that the facility is in substantial compliance (or is making good
faith efforts to achieve substantial compliance) with the requirements for such a facility under this title; or

“(B) in the case described in paragraph (1)(B), with the end of the eleventh month following the month such decision is made effective.

If a facility to which subparagraph (B) applies still fails to substantially meet the provisions of the respective section on the date specified in such clause, the State shall terminate such facility’s certification for participation under the medicaid plan effective with the first day of the first month following the month specified in such clause.

“(ii) provides written notice of such determination to the State,
the Secretary shall issue an order specifying that the plan or amendment, insofar as it is in substantial violation of such a requirement, shall not be effective, except as provided in subsection (c), beginning at the end of a period of not less than 30 days (or 120 days in the case of the initial submission of the medicaid plan) specified in the order beginning on the date of the notice of the determination.

“(B) Extension of time periods.—The time periods specified in subparagraph (A) may be extended by written agreement of the Secretary and the State involved.

“(2) Violations in administration of plan.—

“(A) In general.—If the Secretary determines, after reasonable notice and opportunity for a hearing for the State, that in the administration of a medicaid plan there is a substantial violation of a requirement of this title, the Secretary shall provide the State with written notice of the determination and with an order to remedy such violation. Such an order shall become effective prospectively, as specified in the order, after the date of receipt of such written
notice. Such an order may include the withhold-
ing of funds, consistent with subsection (f), for parts of the medicaid plan affected by such viol-
lation, until the Secretary is satisfied that the violation has been corrected.

“(B) Effectiveness.—If the Secretary issues an order under paragraph (1), the order shall become effective, except as provided in subsection (e), beginning at the end of a period (of not less than 30 days) specified in the order beginning on the date of the notice of the deter-
mination to the State.

“(C) Timeliness of Determinations relating to report-based compliance.—The Secretary shall make determinations under this paragraph respecting violations relating to information contained in an annual report under section 2102, an independent evaluation under section 2103, or an audit report under section 2131 not later than 30 days after the date of transmittal of the report or evaluation to the Secretary.

“(3) Consultation with State.—Before making a determination adverse to a State under
this section, the Secretary shall (within any time pe-
riods provided under this section)—

“(A) reasonably consult with the State in-
volved;

“(B) offer the State a reasonable oppor-
tunity to clarify the submission and submit fur-
ther information to substantiate compliance
with the requirements of this title; and

“(C) reasonably consider any such clari-
fications and information submitted.

“(4) JUSTIFICATION OF ANY INCONSISTENCIES
IN DETERMINATIONS.—If the Secretary makes a de-
termination under this section that is, in whole or in
part, inconsistent with any previous determination
issued by the Secretary under this title, the Sec-
retary shall include in the determination a detailed
explanation and justification for any such difference.

“(5) SUBSTANTIAL VIOLATION DEFINED.—For
purposes of this title, a medicaid plan (or amend-
ment to such a plan) or the administration of the
medicaid plan is considered to ‘substantially violate’
a requirement of this title if a provision of the plan
or amendment (or an omission from the plan or
amendment) or the administration of the plan—
“(A) is material and substantial in nature and effect; and

“(B) is inconsistent with an express requirement of this title.

A failure to meet a strategic objective or performance goal (as described in section 2101) shall not be considered to substantially violate a requirement of this title.

“(c) State Response to Orders.—

“(1) State response by revising plan.—

“(A) In general.—Insofar as an order under subsection (b)(1) relates to a substantial violation by a Medicaid plan or plan amendment, a State may respond (before the date the order becomes effective) to such an order by submitting a written revision of the plan or plan amendment to substantially comply with the requirements of this part.

“(B) Review of revision.—In the case of submission of such a revision, the Secretary shall promptly review the submission and shall withhold any action on the order during the period of such review.

“(C) Secretarial response.—The revision shall be considered to have corrected the
deficiency (and the order rescinded insofar as it relates to such deficiency) unless the Secretary determines and notifies the State in writing, within 15 days after the date the Secretary receives the revision, that the plan or amendment, as proposed to be revised, still substantially violates a requirement of this title. In such case the State may respond by seeking reconsideration or a hearing under paragraph (2).

“(D) Revision retroactive.—If the revision provides for substantial compliance, the revision may be treated, at the option of the State, as being effective either as of the effective date of the provision to which it relates or such later date as the State and Secretary may agree.

“(2) State response by seeking reconsideration or an administrative hearing.—A State may respond to an order under subsection (b) by filing a request with the Secretary for—

“(A) a reconsideration of the determination, pursuant to subsection (d)(1); or

“(B) a review of the determination through an administrative hearing, pursuant to subsection (d)(2).
In such case, the order shall not take effect before the completion of the reconsideration or hearing.

“(3) State response by corrective action plan.—

“(A) In general.—In the case of an order described in subsection (b)(2) that relates to a substantial violation in the administration of the medicaid plan, a State may respond to such an order by submitting a corrective action plan with the Secretary to correct deficiencies in the administration of the plan which are the subject of the order.

“(B) Review of corrective action plan.—In such case, the Secretary shall withhold any action on the order for a period (not to exceed 30 days) during which the Secretary reviews the corrective action plan.

“(C) Secretarial response.—The corrective action plan shall be considered to have corrected the deficiency (and the order rescinded insofar as it relates to such deficiency) unless the Secretary determines and notifies the State in writing, within 15 days after the date the Secretary receives the corrective action plan, that the State’s administration of the
medicaid plan, as proposed to be corrected in
the plan, will still substantially violate a re-
quirement of this title. In such case the State
may respond by seeking reconsideration or a
hearing under paragraph (2).

“(4) STATE RESPONSE BY WITHDRAWAL OF
PLAN AMENDMENT; FAILURE TO RESPOND.—Insofar
as an order relates to a substantial violation in a
plan amendment submitted, a State may respond to
such an order by withdrawing the plan amendment
and the medicaid plan shall be treated as though the
amendment had not been made.

“(d) ADMINISTRATIVE REVIEW AND HEARING.—

“(1) RECONSIDERATION.—Within 30 days after
the date of receipt of a request under subsection
(b)(2)(A), the Secretary shall notify the State of the
time and place at which a hearing will be held for
the purpose of reconsidering the Secretary's deter-
mination. The hearing shall be held not less than 20
days nor more than 60 days after the date notice of
the hearing is furnished to the State, unless the Sec-
retary and the State agree in writing to holding the
hearing at another time. The Secretary shall affirm,
modify, or reverse the original determination within
60 days of the conclusion of the hearing.
“(2) ADMINISTRATIVE HEARING.—Within 30 days after the date of receipt of a request under subsection (b)(2)(B), an administrative law judge shall schedule a hearing for the purpose of reviewing the Secretary’s determination. The hearing shall be held not less than 20 days nor more than 60 days after the date notice of the hearing is furnished to the State, unless the Secretary and the State agree in writing to holding the hearing at another time. The administrative law judge shall affirm, modify, or reverse the determination within 60 days of the conclusion of the hearing.

“(e) JUDICIAL REVIEW.—

“(1) IN GENERAL.—A State which is dissatisfied with a final determination made by the Secretary under subsection (d)(1) or a final determination of an administrative law judge under subsection (d)(2) may, within 60 days after it has been notified of such determination, file with the United States court of appeals for the circuit in which the State is located a petition for review of such determination. A copy of the petition shall be forthwith transmitted by the clerk of the court to the Secretary and, in the case of a determination under subsection (d)(2), to the administrative law judge involved. The
Secretary (or judge involved) thereupon shall file in the court the record of the proceedings on which the final determination was based, as provided in section 2112 of title 28, United States Code.

“(2) STANDARD FOR REVIEW.—The findings of fact by the Secretary or administrative law judge, if supported by substantial evidence, shall be conclusive, but the court, for good cause shown, may remand the case to the Secretary or judge to take further evidence, and the Secretary or judge may thereupon make new or modified findings of fact and may modify a previous determination, and shall certify to the court the transcript and record of the further proceedings. Such new or modified findings of fact shall likewise be conclusive if supported by substantial evidence.

“(3) JURISDICTION OF APPELLATE COURT.—The court shall have jurisdiction to affirm the action of the Secretary or judge or to set it aside, in whole or in part. The judgment of the court shall be subject to review by the Supreme Court of the United States upon certiorari or certification as provided in section 1254 of title 28, United States Code.

“(f) WITHHOLDING OF FUNDS.—
“(1) In general.—Any order under this section relating to the withholding of funds shall be effective not earlier than the effective date of the order and shall only relate to the portions of a medicaid plan or administration thereof which substantially violate a requirement of this title. In the case of a failure to meet a set-aside requirement under section 2112, any withholding shall only apply to the extent of such failure.

“(2) Suspension of withholding.—The Secretary may suspend withholding of funds under paragraph (1) during the period reconsideration or administrative and judicial review is pending under subsection (d) or (e).

“(3) Restoration of funds.—Any funds withheld under this subsection under an order shall be immediately restored to a State—

“(A) to the extent and at the time the order is—

“(i) modified or withdrawn by the Secretary upon reconsideration,

“(ii) modified or reversed by an administrative law judge, or

“(iii) set aside (in whole or in part) by an appellate court; or
“(B) when the Secretary determines that
the deficiency which was the basis for the order
is corrected;
“(C) when the Secretary determines that
violation which was the basis for the order is
resolved or the amendment which was the basis
for the order is withdrawn; or
“(D) at any time upon the initiative of the
Secretary.

"SEC. 2154. SECRETARIAL AUTHORITY.

“(a) NEGOTIATED AGREEMENT AND DISPUTE RESO-
LUTION.—
“(1) NEGOTIATIONS.—Nothing in this part
shall be construed as preventing the Secretary and
a State from at any time negotiating a satisfactory
resolution to any dispute concerning the approval of
a medicaid plan (or amendments to a medicaid plan)
or the compliance of a medicaid plan (including its
administration) with requirements of this title.
“(2) COOPERATION.—The Secretary shall act in
a cooperative manner with the States in carrying out
this title. In the event of a dispute between a State
and the Secretary, the Secretary shall, whenever
practicable, engage in informal dispute resolution ac-
tivities in lieu of formal enforcement or sanctions under section 2153.

“(b) Limitations on Delegation of Decision-Making Authority.—The Secretary may not delegate (other than to the Administrator of the Health Care Financing Administration) the authority to make determinations or reconsiderations respecting the approval of medicaid plans (or amendments to such plans) or the compliance of a medicaid plan (including its administration) with requirements of this title. Such Administrator may not further delegate such authority to any individual, including any regional official of such Administration.

“(c) Requiring Formal Rulemaking for Changes in Secretarial Administration.—The Secretary shall carry out the administration of the program under this title only through a prospective formal rulemaking process, including issuing notices of proposed rule making, publishing proposed rules or modifications to rules in the Federal Register, and soliciting public comment.

section 2175.
“(3) Use of supplemental rebates prohibited.—No payment shall be made under this part to a State that requires manufacturer rebates for covered outpatient drugs (as so defined) in excess of the rebate amount payable under section 2175.”; and

(2) by adding at the end the following new section:

“SEC. 2175. MEDICAID DRUG REBATE AGREEMENTS.

“(a) Requirement for rebate agreement.—

“(1) In general.—Pursuant to section 2123(j), in order for payment to be made to a State under part C for medical assistance for covered outpatient drugs of a manufacturer, the manufacturer must have entered into and have in effect a rebate agreement described in subsection (b) with the Secretary, on behalf of States (except that, the Secretary may authorize a State to enter directly into agreements with a manufacturer), and must meet the requirements of paragraph (5) (with respect to drugs purchased by a covered entity on or after the first day of the first month that begins after the date of the enactment of title VI of the Veterans Health Care Act of 1992 and paragraph (6). Any such agreement entered into prior to May 1, 1991,
shall be deemed to have been entered into on January 1, 1991, and the amount of the rebate to be paid by the manufacturer under such agreement shall be calculated as if the agreement had been entered into on January 1, 1991. If a manufacturer has not entered into such an agreement before May 1, 1991, such an agreement, subsequently entered into, shall not be effective until the first day of the calendar quarter that begins more than 60 days after the date the agreement is entered into.

“(2) Effective date.—Paragraph (1) shall apply to drugs dispensed under this title on or after January 1, 1991, except that such paragraph shall not apply to drugs dispensed before May 1, 1991, if the Secretary determines that there were extenuating circumstances with respect to the first calendar quarter of 1991.

“(3) Authorizing payment for drugs not covered under rebate agreements.—Paragraph (1) shall not apply to the dispensing of a covered outpatient drug if—

“(A) the State has made a determination that the availability of such drug is essential to the health of beneficiaries under the medicaid plan;
“(B) the drug has been given a rating of
1–A or 1–P by the Food and Drug Administra-
tion; and
“(C)(i) the physician has obtained approval
for the use of the drug in advance of dispensing
such drug in accordance with a prior authoriza-
tion program described in subsection (d)(5), or
“(ii) the Secretary has reviewed and ap-
proved the State’s determination under sub-
paragraph (A).
“(3) AUTHORIZING PAYMENT FOR DRUGS NOT
COVERED UNDER REBATE AGREEMENTS.—Para-
graph (1) shall not apply to the dispensing of a cov-
ered outpatient drug if (A)(i) the State has made a
determination that the availability of the drug is es-

been given a rating of 1-A by the Food and Drug
Administration; and (iii)(I) the physician has ob-

“(4) Effect on existing agreements.—

“(A) In general.—In the case of a rebate agreement in effect between a State and a manufacturer on the date of the enactment of title IV of the Omnibus Budget Reconciliation Act of 1990, such agreement, for the initial agreement period specified therein, shall be considered to be a rebate agreement in effect under this section with respect to that State, if the State agrees to report to the Secretary any rebates paid pursuant to the agreement and such agreement provides for a minimum aggregate rebate of 10 percent of the sum of the amounts determined under subparagraph (B) for all of the manufacturer’s drugs paid for by the State under the agreement. If, after the initial agreement period, the State establishes to the satisfaction of the Secretary that an agreement in effect on the date of the enactment of title IV of the Omnibus Budget Reconciliation Act of 1990 provides for rebates that are at least as large as the rebates otherwise required under this section, and the State agrees to report any
rebates under the agreement to the Secretary, the agreement shall be considered to be a rebate agreement in compliance with the section for the renewal periods of such agreement.

“(B) Amount determined.—The amount determined under this subparagraph with respect to a manufacturer's drug paid for by a State under an agreement described in the first sentence of subparagraph (A) is an amount equal to the product of—

“(ii) Each such single State agency shall provide a means by which a covered entity shall indicate on any drug reimbursement claims form (or format, where
electronic claims management is used) that
a unit of the drug that is the subject of the
form is subject to an agreement under sec-
tion 340B of such Act, and not submit to
any manufacturer a claim for a rebate pay-
ment under subsection (b) with respect to
such a drug.

“(D) Effect of subsequent amendments.—In determining whether an agreement
under subparagraph (A) meets the require-

“(C) DETERMINATION OF COMPLIANCE.—A manufacturer is deemed to meet the require-
ments of this paragraph if the manufacturer estab-

offered to comply) with the provisions of section
8126 of title 38, United States Code (as in ef-

“(b) TERMS OF REBATE AGREEMENT.—

“(1) PERIODIC REBATES.—

“(A) IN GENERAL.—A rebate agreement
under this subsection shall require the manufac-
turer to provide, to each medicaid plan ap-
proved under this title, a rebate for a rebate pe-
period in an amount specified in subsection (c) for
covered outpatient drugs of the manufacturer
dispensed after December 31, 1990, for which
payment was made under the medicaid plan for
such period. Such rebate shall be paid by the
manufacturer not later than 30 days after the
date of receipt of the information described in
paragraph (2) for the period involved.
“(B) Offset against medical assistance.—Amounts received by a State under this section (or under an agreement authorized by the Secretary under subsection (a)(1) or an agreement described in subsection (a)(4)) in any quarter shall be considered to be a reduction in the amount expended under the medical aid plan in the quarter for medical assistance for purposes of this title.

“(2) State provision of information.—

“(A) State responsibility.—Each State agency under this title shall report to each manufacturer not later than 60 days after the end of each rebate period and in a form consistent with a standard reporting format established by the Secretary, information on the total number of units of each dosage form and strength and package size of each covered outpatient drug dispensed after December 31, 1990, for which payment was made under the plan for the period, and shall promptly transmit a copy of such report to the Secretary.

“(B) Audits.—A manufacturer may audit the information provided (or required to be provided) under subparagraph (A). Adjustments to
rebates shall be made to the extent that information indicates that utilization was greater or less than the amount previously specified.

“(3) MANUFACTURER PROVISION OF PRICE INFORMATION.—

“(A) IN GENERAL.—Each manufacturer with an agreement in effect under this section shall report to the Secretary—

“(i) not later than 30 days after the last day of each rebate period under the agreement (beginning on or after January 1, 1991), on the average manufacturer price (as defined in subsection (j)(1)) and, for single source drugs and innovator multiple source drugs, the manufacturer’s best price (as defined in subsection (e)(1)(C)) for each covered outpatient drug for the rebate period under the agreement; and

“(ii) not later than 30 days after the date of entering into an agreement under this section on the average manufacturer price (as defined in subsection (j)(1)) as of October 1, 1990, for each of the manufacturer’s covered outpatient drugs.
“(B) Verification surveys of average manufacturer price.—The Secretary may survey wholesalers and manufacturers that directly distribute their covered outpatient drugs, when necessary, to verify manufacturer prices reported under subparagraph (A). The Secretary may impose a civil monetary penalty in an amount not to exceed $10,000 on a wholesaler, manufacturer, or direct seller, if the wholesaler, manufacturer, or direct seller of a covered outpatient drug refuses a request for information by the Secretary in connection with a survey under this subparagraph. The provisions of section 1128A (other than subsections (a) (with respect to amounts of penalties or additional assessments) and (b)) shall apply to a civil money penalty under this subparagraph in the same manner as such provisions apply to a penalty or proceeding under section 1128A(a).

“(C) Penalties.—

“(i) Failure to provide timely information.—In the case of a manufacturer with an agreement under this section that fails to provide information required under subparagraph (A) on a timely basis,
the amount of the penalty shall be $10,000 for each day in which such information has not been provided and such amount shall be paid to the Treasury. If such information is not reported within 90 days of the deadline imposed, the agreement shall be suspended for services furnished after the end of such 90-day period and until the date such information is reported (but in no case shall such suspension be for a period of less than 30 days).

“(ii) False information.—Any manufacturer with an agreement under this section, or a wholesaler or direct seller, that knowingly provides false information under subparagraph (A) or (B) is subject to a civil money penalty in an amount not to exceed $100,000 for each item of false information. Any such civil money penalty shall be in addition to other penalties as may be prescribed by law. The provisions of section 1128A (other than subsections (a) and (b)) shall apply to a civil money penalty under this subparagraph in the same manner as such provi-
sions apply to a penalty or proceeding under section 1128A(a).

“(D) CONFIDENTIALITY OF INFORMATION.—Notwithstanding any other provision of law, information disclosed by manufacturers or wholesalers under this paragraph or under an agreement with the Secretary of Veterans Affairs described in subsection (a)(6)(A)(ii) is confidential and shall not be disclosed by the Secretary or the Secretary of Veterans Affairs or a State agency (or contractor therewith) in a form which discloses the identity of a specific manufacturer or wholesaler or the prices charged for drugs by such manufacturer or wholesaler, except—

“(i) as the Secretary determines to be necessary to carry out this section;

“(ii) to permit the Comptroller General to review the information provided; and

“(iii) to permit the Director of the Congressional Budget Office to review the information provided.

“(4) LENGTH OF AGREEMENT.—
“(A) IN GENERAL.—A rebate agreement shall be effective for an initial period of not less than 1 year and shall be automatically renewed for a period of not less than 1 year unless terminated under subparagraph (B).

“(B) TERMINATION.—

“(i) BY THE SECRETARY.—The Secretary may provide for termination of a rebate agreement for violation of the requirements of the agreement or other good cause shown. Such termination shall not be effective earlier than 60 days after the date of notice of such termination. The Secretary shall provide, upon request, a manufacturer with a hearing concerning such a termination, but such hearing shall not delay the effective date of the termination. Failure of a State to provide any advance notice of such a termination as required by regulation shall not affect the State’s right to terminate coverage of the drugs affected by such termination as of the effective date of such termination.

“(ii) BY A MANUFACTURER.—A manufacturer may terminate a rebate agree-
ment under this section for any reason. Any such termination shall not be effective until the calendar quarter beginning at least 60 days after the date the manufacturer provides notice to the Secretary.

“(iii) Effectiveness of Termination.—Any termination under this subparagraph shall not affect rebates due under the agreement before the effective date of its termination.

“(iv) Notice to States.—In the case of a termination under this subparagraph, the Secretary shall provide notice of such termination to the States within not less than 30 days before the effective date of such termination.

“(v) Application to Terminations of Other Agreements.—The provisions of this subparagraph shall apply to the terminations of agreements described in section 340B(a)(1) of the Public Health Service Act and master agreements described in section 8126(a) of title 38, United States Code.
“(C) Delay before reentry.—In the case of any rebate agreement with a manufacturer under this section which is terminated, another such agreement with the manufacturer (or a successor manufacturer) may not be entered into until a period of 1 calendar quarter has elapsed since the date of the termination, unless the Secretary finds good cause for an earlier reinstatement of such an agreement.

“(5) Settlement of disputes.—

“(A) Secretary.—The Secretary shall have the authority to resolve, settle, and compromise disputes regarding the amounts of rebates owed under this section.

“(B) State.—Each State, with respect to covered outpatient drugs paid for under the State’s medicaid plan, shall have authority, independent of the Secretary’s authority under subparagraph (A), to resolve, settle, and compromise disputes regarding the amounts of rebates owed under this section. Any such action shall be deemed to comply with the requirements of this title, and such covered outpatient drugs shall be eligible for payment under the medicaid plan approved under this title.
“(C) AMOUNT OF REBATE.—The Secretary shall limit the amount of the rebate payable in any case in which the Secretary determines that, because of unusual circumstances or questionable data, the provisions of subsection (c) result in a rebate amount that is inequitable or otherwise inconsistent with the purposes of this section.

“(e) DETERMINATION OF AMOUNT OF REBATE.—

“(1) BASIC REBATE FOR SINGLE SOURCE DRUGS AND INNOVATOR MULTIPLE SOURCE DRUGS.—

“(A) IN GENERAL.—Except as provided in paragraph (2), the amount of the rebate specified in this subsection for a rebate period (as defined in subsection (j)(8)) with respect to each dosage form and strength of a single source drug or an innovator multiple source drug shall be equal to the product of—

“(i) the total number of units of each dosage form and strength paid for under the medicaid plan in the rebate period (as reported by the State); and

“(ii) subject to subparagraph (B)(ii), the greater of—
“(I) the difference between the average manufacturer price and the best price (as defined in subparagraph (C)) for the dosage form and strength of the drug, or

“(II) the minimum rebate percentage (specified in subparagraph (B)(i)) of such average manufacturer price, of or the rebate period.

“(B) Minimum rebate percentage.—For purposes of subparagraph (A)(ii)(II), the minimum rebate percentage for rebate periods beginning after December 31, 1995, is 15.1 percent.

“(C) Best price defined.—For purposes of this section:

“(i) In general.—The term ‘best price’ means, with respect to a single source drug or innovator multiple source drug of a manufacturer, the lowest price available from the manufacturer during the rebate period to any wholesaler, retailer, provider, health maintenance organization,
nonprofit entity, or governmental entity within the United States, excluding—

“(I) any prices charged on or after October 1, 1992, to the Indian Health Service, the Department of Veterans Affairs, a State home receiving funds under section 1741 of title 38, United States Code, the Department of Defense, the Public Health Service, or a covered entity described in subsection (a)(5)(B);

“(II) any prices charged under the Federal Supply Schedule of the General Services Administration;

“(III) any prices used under a State pharmaceutical assistance program; and

“(ii) SPECIAL RULES.—The term ‘best price’—

“(I) shall be inclusive of cash discounts, free goods that are contingent
on any purchase requirement, volume
discounts, and rebates (other than re-
bates under this section);

“(II) shall be determined without
regard to special packaging, labeling,
or identifiers on the dosage form or
product or package; and

“(III) shall not take into account
prices that are merely nominal in
amount.

“(2) ADDITIONAL REBATE FOR SINGLE SOURCE
AND INNOVATOR MULTIPLE SOURCE DRUGS.—

“(A) IN GENERAL.—The amount of the re-
bate specified in this subsection for a rebate pe-
riod, with respect to each dosage form and
strength of a single source drug or an innovator
multiple source drug, shall be increased by an
amount equal to the product of—

“(i) the total number of units of such
dosage form and strength dispensed after
December 31, 1990, for which payment
was made under the medicaid plan for the
rebate period; and

“(ii) the amount (if any) by which—
“(I) the average manufacturer price for the dosage form and strength of the drug for the period, exceeds

“(II) the average manufacturer price for such dosage form and strength for the calendar quarter beginning July 1, 1990 (without regard to whether or not the drug has been sold or transferred to an entity, including a division or subsidiary of the manufacturer, after the first day of such quarter), increased by the percentage by which the consumer price index for all urban consumers (United States city average) for the month before the month in which the rebate period begins exceeds such index for September 1990.

“(B) TREATMENT OF SUBSEQUENTLY APPROVED DRUGS.—In the case of a covered outpatient drug approved by the Food and Drug Administration after October 1, 1990, clause (ii)(II) of subparagraph (A) shall be applied by substituting ‘the first full calendar quarter after
the day on which the drug was first marketed’
for ‘the calendar quarter beginning July 1, 1990’ and ‘the month prior to the first month of the first full calendar quarter after the day on which the drug was first marketed’ for ‘September 1990’.

“(3) Rebate for other drugs.—

“(A) In general.—The amount of the rebate paid to a State for a rebate period with respect to each dosage form and strength of covered outpatient drugs (other than single source drugs and innovator multiple source drugs) shall be equal to the product of—

“(i) the applicable percentage (as described in subparagraph (B)) of the average manufacturer price for the dosage form and strength for the rebate period; and

“(ii) the total number of units of such dosage form and strength dispensed after December 31, 1990, for which payment was made under the medicaid plan for the rebate period.
“(B) Applicable percentage defined.—For purposes of subparagraph (A)(i), the ‘applicable percentage’ is 11 percent.

“(4) Rebate limited to amount of state payment if drug primarily dispensed to nursing facility patients.—

“(A) In general.—Upon request of the manufacturer of a covered outpatient drug, the Secretary shall limit, in accordance with subparagraph (B), the amount of the rebate under this subsection with respect to a dosage form and strength of such drug if the majority of the estimated number of units of such dosage form and strength that are subject to rebates under this section were dispensed to inpatients of nursing facilities.

“(B) Amount of rebate.—In the case of a covered outpatient drug subject to subparagraph (A), the amount of the rebate specified in this subsection for a rebate period, with respect to each dosage form and strength of such drug, shall not exceed the amount paid under the medicaid plan with respect to such dosage form and strength of the drug in the rebate period.
(without consideration of any dispensing fees paid).

“(5) SUPPLEMENTAL REBATES PROHIBITED.—
No rebates shall be required to be paid by manufac-
turers with respect to covered outpatient drugs fur-
nished to individuals in any State that provides for
the collection of such rebates in excess of the rebate
amount payable under this section.

“(d) LIMITATIONS ON COVERAGE OF DRUGS.—

“(1) PERMISSIBLE RESTRICTIONS.—

“(A) IN GENERAL.—A State may subject
to prior authorization any covered outpatient
drug. Any such prior authorization program
shall comply with the requirements of para-
graph (5).

“(B) ADDITIONAL RESTRICTIONS.—A
State may exclude or otherwise restrict cov-
erage of a covered outpatient drug if—

“(i) the drug is contained in the list
referred to in paragraph (2);

“(ii) the drug is subject to such re-
strictions pursuant to an agreement be-
tween a manufacturer and a State author-
ized by the Secretary under subsection
(a)(1) or in effect pursuant to subsection
(a)(4); or
“(iii) the State has excluded coverage
of the drug from its formulary established
in accordance with paragraph (4).
“(2) List of drugs subject to restriction.—The following drugs or classes of drugs, or
their medical uses, may be excluded from coverage
or otherwise restricted:
“(A) Agents when used for anorexia,
weight loss, or weight gain.
“(B) Agents when used to promote ferti-
licity.
“(C) Agents when used for cosmetic pur-
poses or hair growth.
“(D) Agents when used for the symptom-

“(E) Agents when used to promote smok-
ing cessation.
“(F) Prescription vitamins and mineral
products, except prenatal vitamins and fluoride
preparations.

manufacturer seeks to require as a condition of
sale that associated tests or monitoring services
be purchased exclusively from the manufacturer
or its designee.

“(I) Barbiturates.

“(J) Benzodiazepines.

“(3) ADDITIONS TO DRUG LISTINGS.—The Sec-
retary shall, by regulation, periodically add to the
list of drugs or classes of drugs described in para-
graph (2), or their medical uses, which the Secretary
has determined to be subject to clinical abuse or in-
appropriate use.

“(4) REQUIREMENTS FOR FORMULARIES.—A
State may establish a formulary if the formulary
meets the following requirements:

“(A) The formulary is developed by a com-
mittee consisting of physicians, pharmacists,
and other appropriate individuals appointed by
the Governor of the State (or, at the option of
the State, the State’s drug use review board es-
tablished under subsection (f)(3)).

“(B) Except as provided in subparagraph
(C), the formulary includes the covered out-
patient drugs of any manufacturer which has
entered into and complies with an agreement
under subsection (a) (other than any drug ex-
cluded from coverage or otherwise restricted under paragraph (2)).

“(C) A covered outpatient drug may be excluded with respect to the treatment of a specific disease or condition for an identified population (if any) only if, based on the drug’s labeling (or, in the case of a drug the prescribed use of which is not approved under the Federal Food, Drug, and Cosmetic Act but is a medically accepted indication, based on information from the appropriate compendia described in subsection (j)(6)), the excluded drug does not have a significant, clinically meaningful therapeutic advantage in terms of safety, effectiveness, or clinical outcome of such treatment for such population over other drugs included in the formulary and there is a written explanation (available to the public) of the basis for the exclusion.

“(D) The medicaid plan permits coverage of a drug excluded from the formulary (other than any drug excluded from coverage or otherwise restricted under paragraph (2)) pursuant to a prior authorization program that is consistent with paragraph (5).
“(E) The formulary meets such other requirements as the Secretary may impose in order to achieve program savings consistent with protecting the health of program beneficiaries.

A prior authorization program established by a State under paragraph (5) is not a formulary subject to the requirements of this paragraph.

“(5) REQUIREMENTS OF PRIOR AUTHORIZATION PROGRAMS.—A medicaid plan approved under this title may require, as a condition of coverage or payment for a covered outpatient drug for which Federal financial participation is available in accordance with this section, with respect to drugs dispensed on or after July 1, 1991, the approval of the drug before its dispensing for any medically accepted indication (as defined in subsection (j)(6)) only if the system providing for such approval—

“(A) provides response by telephone or other telecommunication device within 24 hours of a request for prior authorization; and

“(B) except with respect to the drugs on the list referred to in paragraph (2), provides for the dispensing of at least 72-hour supply of a covered outpatient prescription drug in an
emergency situation (as defined by the Secretary).

“(6) Other permissible restrictions.—A State may impose limitations, with respect to all such drugs in a therapeutic class, on the minimum or maximum quantities per prescription or on the number of refills, if such limitations are necessary to discourage waste, and may address instances of fraud or abuse by individuals in any manner authorized under this Act.

“(e) Establishment of upper payment limits.—The Health Care Financing Administration shall establish a Federal upper reimbursement limit for each multiple source drug for which the FDA has rated three or more products therapeutically and pharmaceutically equivalent, regardless of whether all such additional formulations are rated as such and shall use only such formulations when determining any such upper limit.

“(f) Drug use review.—

“(1) In general.—A State participating in the medicaid rebate agreement may provide for a drug use review program to educate physicians and pharmacists to identify and reduce the frequency of patterns of fraud, abuse, gross overuse, or inappropriate or medically unnecessary care, among physicians,
pharmacists, and patients, or associated with specific
drugs or groups of drugs, as well as potential and
actual severe adverse reactions to drugs.

“(2) APPLICATION OF STATE STANDARDS.—

tion Drug Evaluations; and

“(ii) the peer-reviewed medical lit-

“(g) **Electronic Claims Management.**—In accordance with chapter 35 of title 44, United States Code (relating to coordination of Federal information policy), the Secretary shall encourage each State to establish, as its principal means of processing claims for covered outpatient drugs under its medicaid plan, a point-of-sale electronic claims management system, for the purpose of performing on-line, real time eligibility verifications, claims data capture, adjudication of claims, and assisting pharmacists (and other authorized persons) in applying for and receiving payment.

“(h) **Annual Report.**—

“(A) a capitated health care organization (as defined in section 2114(c)(1)); or
“(B) a hospital or nursing facility that dispenses covered outpatient drugs using a drug formulary system and bills the State no more than the hospital’s purchasing costs for covered outpatient drugs.
“(2) CONSTRUCTION IN DETERMINING BEST PRICE.—Nothing in paragraph (1) shall be con-
strued as excluding amounts paid by the entities de-
scribed in such paragraph for covered outpatient

"(b) Calculation of Participation Rates.—

"(1) For all families.—

"(A) Average monthly rate.—For purposes of subsection (a)(1), the participation rate for all families of a State for a fiscal year is the average of the participation rates for all families of the State for each month in the fiscal year.

"(B) Monthly participation rates.—The participation rate of a State for all families of the State for a month, expressed as a percentage, is—

"(i) the sum of—

"(I) the number of all families receiving assistance under the State
program funded under this part that
include an adult who is engaged in
work for the month;

“(II) the number of all families
receiving assistance under the State
program funded under this part that
are subject in such month to a penalty
described in paragraph (1)(A) or
(2)(A) of subsection (d) but have not
been subject to such penalty for more
than 3 months within the preceding
12-month period (whether or not con-
secutive); and

“(III) the number of all families
that received assistance under the
State program under this part during
the previous 6-month period that have
become ineligible to receive assistance
during such period because of employ-
ment and which include an adult who
is employed for the month; divided by

“(ii) the total number of all families
receiving assistance under the State pro-
gram funded under this part during the
month that include an adult receiving assistance.

“(2) 2-PARENT FAMILIES.—

“(A) AVERAGE MONTHLY RATE.—For purposes of subsection (a)(2), the participation rate for 2-parent families of a State for a fiscal year is the average of the participation rates for 2-parent families of the State for each month in the fiscal year.

“(B) MONTHLY PARTICIPATION RATES.—

The participation rate of a State for 2-parent families of the State for a month, expressed as a percentage, is—

“(i) the total number of 2-parent families described in paragraph (1)(B)(i); divided by

“(ii) the total number of 2-parent families receiving assistance under the State program funded under this part during the month that include an adult.

“(3) PRO RATA REDUCTION OF PARTICIPATION RATE DUE TO CASELOAD REDUCTIONS NOT REQUIRED BY FEDERAL LAW.—

“(A) IN GENERAL.—The Secretary shall prescribe regulations for reducing the minimum
participation rate otherwise required by this section for a fiscal year by the number of percentage points equal to the number of percentage points (if any) by which—

“(i) the number of families receiving assistance during the fiscal year under the State program funded under this part is less than

“(ii) the number of families that received aid under the State plan approved under part A of this title (as in effect before October 1, 1995) during the fiscal year immediately preceding such effective date.

The minimum participation rate shall not be reduced to the extent that the Secretary determines that the reduction in the number of families receiving such assistance is required by Federal law.

“(B) Eligibility changes not counted.—The regulations described in subparagraph (A) shall not take into account families that are diverted from a State program funded under this part as a result of differences in eligibility criteria under a State program funded
under this part and eligibility criteria under
such State’s plan under the aid to families with
dependent children program, as such plan was
in effect on the day before the date of the en-

“(4) State option to include individuals
receiving assistance under a tribal family
assistance plan.—For purposes of paragraphs
(1)(B) and (2)(B), a State may, at its option, in-
clude families receiving assistance under a tribal
family assistance plan approved under section 414.
For purposes of the previous sentence, an individual
who receives assistance under a tribal family assist-
ance plan approved under section 414 shall be treat-
ed as being engaged in work if the individual is par-
ticipating in work under standards that are com-
parable to State standards for being engaged in
work.

“(5) State option for participation re-
quirement exemptions.—For any fiscal year, a
State may, at its option, not require an individual
who is the parent or caretaker relative of a minor
child who is less than 12 months of age to engage
in work and may exclude such an individual from
the determination of the minimum participation rate
specified for such fiscal year in subsection (a).

“(c) **Engaged in Work.**—

“(1) **All Families.**—For purposes of sub-
section (b)(1)(B)(i)(I), an adult is engaged in work
for a month in a fiscal year if the adult is participat-
ing in work for at least the minimum average num-
ber of hours per week specified in the following table
during the month, not fewer than 20 hours per week
of which are attributable to a work activity:

<table>
<thead>
<tr>
<th>If the month is in fiscal year:</th>

<tr>

<tr>

</tbody>
</table>

“(2) **2-Parent Families.**—For purposes of
subsection (b)(2)(A), an adult is engaged in work for
a month in a fiscal year if the adult is participating
in work for at least 35 hours per week during the
month, not fewer than 30 hours per week of which
are attributable to work activities described in para-
graph (3).

“(3) **Definition of Work Activities.**—For
purposes of this subsection, the term ‘work activi-
ties’ means—
“(A) unsubsidized employment;
“(B) subsidized employment;
“(C) on-the-job training;
“(D) community service programs;
“(E) job search (only for the first 4 weeks in which an individual is required to participate in work activities under this section); and
“(F) vocational educational training (not to exceed 12 months with respect to any individual).

“(4) Limitation on Vocational Education Activities Counted as Work.—For purposes of determining monthly participation rates under paragraphs (1)(B)(i)(I) and (2)(B)(i) of subsection (b), not more than 25 percent of adults in all families and in 2-parent families determined to be engaged in work in the State for a month may meet the work activity requirement through participation in vocational educational training.

“(d) Penalties Against Individuals.—

“(1) In General.—Except as provided in paragraph (2), if an adult in a family receiving assistance under the State program funded under this part refuses to engage in work required under sub-
section (c)(1) or (c)(2), a State to which a grant is made under section 403 shall—

“(A) reduce the amount of assistance otherwise payable to the family pro rata (or more, at the option of the State) with respect to any period during a month in which the adult so refuses; or

“(B) terminate such assistance,

subject to such good cause and other exceptions as the State may establish.

“(2) EXCEPTION.—Notwithstanding paragraph (1), a State may not reduce or terminate assistance under the State program based on a refusal of an adult to work if such adult is a single custodial parent caring for a child age 5 or under and has a demonstrated inability (as determined by the State) to obtain needed child care, for one or more of the following reasons:

“(A) Unavailability of appropriate child care within a reasonable distance of the individual’s home or work site.

“(B) Unavailability or unsuitability of informal child care by a relative or under other arrangements.
“(C) Unavailability of appropriate and affordable formal child care arrangements.

“(e) NONDISPLACEMENT IN WORK ACTIVITIES.—

“(1) IN GENERAL.—Subject to paragraph (2), an adult in a family receiving assistance under this part may fill a vacant employment position in order to engage in a work activity described in subsection (c)(3).

“(2) NO FILLING OF CERTAIN VACANCIES.—No adult in a work activity described in subsection (c)(3) shall be employed or assigned—

“(A) when any other individual is on layoff from the same or any substantially equivalent job; or

“(B) when the employer has terminated the employment of any regular employee or otherwise caused an involuntary reduction of its workforce in order to fill the vacancy so created with an adult described in paragraph (1).

“(3) NO PREEMPTION.—Nothing in this subsection shall preempt or supersede any provision of State or local law that provides greater protection for employees from displacement.

“(f) SENSE OF THE CONGRESS.—It is the sense of the Congress that in complying with this section, each
State that operates a program funded under this part is encouraged to assign the highest priority to requiring adults in 2-parent families and adults in single-parent families that include older preschool or school-age children to be engaged in work activities.

“(g) ENCOURAGEMENT TO PROVIDE CHILD CARE SERVICES.—An individual participating in a State community service program may be treated as being engaged in work under subsection (c) if such individual provides child care services to other individuals participating in the community service program in the manner, and for the period of time each week, determined appropriate by the State.

“SEC. 405. REQUIREMENTS AND LIMITATIONS.

“(a) STATE REQUIRED TO ENTER INTO A PERSONAL RESPONSIBILITY CONTRACT WITH EACH FAMILY RECEIVING ASSISTANCE.—

“(1) IN GENERAL.—Each State to which a grant is made under section 403 shall require each family receiving assistance under the State program funded under this part to enter into—

“(A) a personal responsibility contract (as developed by the State) with the State; or

“(B) a limited benefit plan.
“(2) PERSONAL RESPONSIBILITY CONTRACT.—
For purposes of this subsection, the term ‘personal
responsibility contract’ means a binding contract be-
tween the State and each family receiving assistance
under the State program funded under this part
that—

“(A) outlines the steps each family and the
State will take to get the family off of welfare
and to become self-sufficient;

“(B) specifies a negotiated time-limited pe-
riod of eligibility for receipt of assistance that
is consistent with unique family circumstances
and is based on a reasonable plan to facilitate
the transition of the family to self-sufficiency;

“(C) provides that the family will auto-
matically enter into a limited benefit plan if the
family is out of compliance with the personal
responsibility contract; and

“(D) provides that the contract shall be in-
valid if the State agency fails to comply with
the contract.

“(3) LIMITED BENEFIT PLAN.—For purposes
of this subsection, the term ‘limited benefit plan’
means a plan which provides for a reduced level of
assistance and later termination of assistance to a
family that has entered into the plan in accordance
with a schedule to be determined by the State.

“(4) Assessment.—The State agency shall
provide, through a case manager, an initial and
thorough assessment of the skills, prior work experi-
ence, and employability of each parent for use in de-
veloping and negotiating a personal responsibility
contract.

“(5) Dispute Resolution.—The State agency
described in section 402(a)(7) shall establish a dis-
pute resolution procedure for disputes related to par-
ticipation in the personal responsibility contract that
provides the opportunity for a hearing.

“(b) No Assistance for More Than 5 Years.—

“(1) In General.—Except as provided under
paragraphs (2) and (3), a State to which a grant is
made under section 403 may not use any part of the
grant to provide assistance to a family that includes
an adult who has received assistance under the pro-
gram operated under this part for the lesser of—

“(A) the period of time established at the
option of the State; or

“(B) 60 months (whether or not consecu-
“(2) MINOR CHILD EXCEPTION.—If an individual received assistance under the State program operated under this part as a minor child in a needy family, any period during which such individual’s family received assistance shall not be counted for purposes of applying the limitation described in paragraph (1) to an application for assistance under such program by such individual as the head of a household of a needy family with minor children.

“(3) HARDSHIP EXCEPTION.—

“(A) IN GENERAL.—The State may exempt a family from the application of paragraph (1) by reason of hardship.

“(B) LIMITATION.—The number of families with respect to which an exemption made by a State under subparagraph (A) is in effect for a fiscal year shall not exceed 20 percent of the average monthly number of families to which the State is providing assistance under the program operated under this part.

“(c) DENIAL OF ASSISTANCE FOR 10 YEARS TO A PERSON FOUND TO HAVE FRAUDULENTLY MISREPRESENTED RESIDENCE IN ORDER TO OBTAIN ASSISTANCE IN 2 OR MORE STATES.—An individual shall not be considered an eligible individual for the purposes of this part
during the 10-year period that begins on the date the indi-
individual is convicted in Federal or State court of having
made a fraudulent statement or representation with re-
spect to the place of residence of the individual in order
to receive assistance simultaneously from 2 or more States
under programs that are funded under this title, title XXI,
or the Food Stamp Act of 1977, or benefits in 2 or more
States under the supplemental security income program
under title XVI.

“(d) DENIAL OF ASSISTANCE FOR FUGITIVE FELONS
AND PROBATION AND PAROLE VIOLATORS.—

“(1) IN GENERAL.—An individual shall not be
considered an eligible individual for the purposes of
this part if such individual is—

“(A) fleeing to avoid prosecution, or cus-
tody or confinement after conviction, under the
laws of the place from which the individual
flees, for a crime, or an attempt to commit a
crime, which is a felony under the laws of the
place from which the individual flees, or which,
in the case of the State of New Jersey, is a
high misdemeanor under the laws of such State;
or

“(B) violating a condition of probation or
parole imposed under Federal or State law.
“(2) Exchange of Information with Law Enforcement Agencies.—Notwithstanding any other provision of law, a State shall furnish any Federal, State, or local law enforcement officer, upon the request of the officer, with the current address, Social Security number, and photograph (if applicable) of any recipient of assistance under this part, if the officer furnishes the agency with the name of the recipient and notifies the agency that—

“(A) such recipient—

“(i) is described in subparagraph (A) or (B) of paragraph (1); or

“(ii) has information that is necessary for the officer to conduct the officer’s official duties; and

“(B) the location or apprehension of the recipient is within such officer’s official duties.

“(e) State Option to Require Assignment of Support.—At the option of the State, a State to which a grant is made under section 403 may provide that an individual applying for or receiving assistance under the State program funded under this part shall be required to assign to the State any rights to support from any other person the individual may have in such individual’s own
behalf or in behalf of any other family member for whom
the individual is applying for or receiving assistance.

“(f) Denial of Assistance for Absent Child.—
Each State to which a grant is made under section 403—

“(1) may not use any part of the grant to pro-
vide assistance to a family with respect to any minor
child who has been, or is expected by the caretaker
relative in the family to be, absent from the home
for a period of 45 consecutive days or, at the option
of the State, such period of not less than 30 and not
more than 90 consecutive days as the State may
provide for in the State plan;

“(2) at the option of the State, may establish
such good cause exceptions to paragraph (1) as the
State considers appropriate if such exceptions are
provided for in the State plan; and

“(3) shall provide that a caretaker relative shall
not be considered an eligible individual for purposes
of this part if the caretaker relative fails to notify
the State agency of an absence of a minor child
from the home for the period specified in or provided
for under paragraph (1), by the end of the 5-day pe-
period that begins on the date that it becomes clear to
the caretaker relative that the minor child will be
absent for the period so specified or provided for in paragraph (1).

**SEC. 406. PROMOTING RESPONSIBLE PARENTING.**

“(a) FINDINGS.—The Congress makes the following findings:

“(1) Marriage is the foundation of a successful society.

“(2) Marriage is an essential institution of a successful society which promotes the interests of children.

“(3) Promotion of responsible fatherhood and motherhood is integral to successful child rearing and the wellbeing of children.

“(4) In 1992, only 54 percent of single-parent families with children had a child support order established and, of that 54 percent, only about one half received the full amount due. Of the cases enforced through the public child support enforcement system, only 18 percent of the caseload has a collection.

“(5) The number of individuals receiving aid to families with dependent children (hereafter in this subsection referred to as ‘AFDC’) has more than tripled since 1965. More than two-thirds of these recipients are children. Eighty-nine percent of children
receiving AFDC benefits now live in homes in which no father is present.

“(A)(i) The average monthly number of children receiving AFDC benefits—

“(I) was 3,300,000 in 1965;
“(II) was 6,200,000 in 1970;
“(III) was 7,400,000 in 1980; and
“(IV) was 9,300,000 in 1992.

“(ii) While the number of children receiving AFDC benefits increased nearly threefold between 1965 and 1992, the total number of children in the United States aged 0 to 18 has declined by 5.5 percent.

“(B) The Department of Health and Human Services has estimated that 12,000,000 children will receive AFDC benefits within 10 years.

“(C) The increase in the number of children receiving public assistance is closely related to the increase in births to unmarried women. Between 1970 and 1991, the percentage of live births to unmarried women increased nearly threefold, from 10.7 percent to 29.5 percent.
“(6) The increase of out-of-wedlock pregnancies and births is well documented as follows:

“(A) It is estimated that the rate of nonmarital teen pregnancy rose 23 percent from 54 pregnancies per 1,000 unmarried teenagers in 1976 to 66.7 pregnancies in 1991. The overall rate of nonmarital pregnancy rose 14 percent from 90.8 pregnancies per 1,000 unmarried women in 1980 to 103 in both 1991 and 1992. In contrast, the overall pregnancy rate for married couples decreased 7.3 percent between 1980 and 1991, from 126.9 pregnancies per 1,000 married women in 1980 to 117.6 pregnancies in 1991.

“(B) The total of all out-of-wedlock births between 1970 and 1991 has risen from 10.7 percent to 29.5 percent and if the current trend continues, 50 percent of all births by the year 2015 will be out-of-wedlock.

“(7) The negative consequences of an out-of-wedlock birth on the mother, the child, the family, and society are well documented as follows:

“(A) Young women 17 and under who give birth outside of marriage are more likely to go on public assistance and to spend more years
on welfare once enrolled. These combined ef-
fects of ‘younger and longer’ increase total
AFDC costs per household by 25 percent to 30
percent for 17-year olds.

“(B) Children born out-of-wedlock have a
substantially higher risk of being born at a very
low or moderately low birth weight.

“(C) Children born out-of-wedlock are
more likely to experience low verbal cognitive
attainment, as well as more child abuse, and
neglect.

“(D) Children born out-of-wedlock were
more likely to have lower cognitive scores, lower
educational aspirations, and a greater likelihood
of becoming teenage parents themselves.

“(E) Being born out-of-wedlock signifi-
cantly reduces the chances of the child growing
up to have an intact marriage.

“(F) Children born out-of-wedlock are 3
more times likely to be on welfare when they
grow up.

“(8) Currently 35 percent of children in single-
parent homes were born out-of-wedlock, nearly the
same percentage as that of children in single-parent
homes whose parents are divorced (37 percent).
While many parents find themselves, through divorce or tragic circumstances beyond their control, facing the difficult task of raising children alone, nevertheless, the negative consequences of raising children in single-parent homes are well documented as follows:

“(A) Only 9 percent of married-couple families with children under 18 years of age have income below the national poverty level. In contrast, 46 percent of female-headed households with children under 18 years of age are below the national poverty level.

“(B) Among single-parent families, nearly \( \frac{1}{2} \) of the mothers who never married received AFDC while only \( \frac{1}{5} \) of divorced mothers received AFDC.

“(C) Children born into families receiving welfare assistance are 3 times more likely to be on welfare when they reach adulthood than children not born into families receiving welfare.

“(D) Mothers under 20 years of age are at the greatest risk of bearing low birth-weight babies.

“(E) The younger the single parent mother, the less likely she is to finish high school.
“(F) Young women who have children before finishing high school are more likely to receive welfare assistance for a longer period of time.

“(G) Between 1985 and 1990, the public cost of births to teenage mothers under the aid to families with dependent children program, the food stamp program, and the medicaid program has been estimated at $120,000,000,000.

“(H) The absence of a father in the life of a child has a negative effect on school performance and peer adjustment.

“(I) Children of teenage single parents have lower cognitive scores, lower educational aspirations, and a greater likelihood of becoming teenage parents themselves.

“(J) Children of single-parent homes are 3 times more likely to fail and repeat a year in grade school than are children from intact two-parent families.

“(K) Children from single-parent homes are almost 4 times more likely to be expelled or suspended from school.

“(L) Neighborhoods with larger percentages of youth aged 12 through 20 and areas
with higher percentages of single-parent households have higher rates of violent crime.

“(M) Of those youth held for criminal offenses within the State juvenile justice system, only 29.8 percent lived primarily in a home with both parents. In contrast to these incarcerated youth, 73.9 percent of the 62,800,000 children in the Nation’s resident population were living with both parents.

“(9) Therefore, in light of this demonstration of the crisis in our Nation, it is the sense of the Congress that prevention of out-of-wedlock pregnancy and reduction in out-of-wedlock birth are very important Government interests and the policy contained in provisions of this title is intended to address the crisis.

“(b) State Option To Deny Assistance For Out-of-Wedlock Births To Minors.—At the option of the State, a State to which a grant is made under section 403 may provide that the grant shall not be used to provide assistance for a child born out-of-wedlock to an individual who has not attained 18 years of age, or for the individual, until the individual attains such age.

“(c) State Option To Deny Assistance For Children Born To Families Receiving Assist-

“(B) INDIVIDUAL DESCRIBED.—For purposes of subparagraph (A), an individual is described in this subparagraph if the individual is described in paragraph (1)(B) and—

“(i) such individual has no parent, legal guardian or other appropriate adult relative as described in (ii) of his or her own who is living or whose whereabouts are known;

“(C) SECOND-CHANCE HOME.—For purposes of this paragraph, the term ‘second-chance home’ means an entity that provides individuals described in subparagraph (B) with a supportive and supervised living arrangement in which such individuals are required to learn parenting skills, including child development, family budgeting, health and nutrition, and other skills to promote their long-term economic independence and the well-being of their children.

ARRANGEMENTS FOR UNMARRIED TEENAGE PARENTS.—

“(B) AMOUNT DETERMINED.—

“(i) IN GENERAL.—The amount determined under this subparagraph is an amount that bears the same ratio to the amount specified under clause (ii) as the amount of the State family assistance grant for the State for such fiscal year (described in section 403(a)(2)) bears to the amount appropriated for such fiscal year in accordance with section 403(a)(4)(A).

“(e) Requirement That Teenage Parents Attend High School or Other Equivalent Training Program.—If a State provides assistance under the State program funded under this part to an individual described in subsection (d)(1)(B) who has not successfully completed a high-school education (or its equivalent) and whose minor child is at least 12 weeks of age, the State shall not provide such individual with assistance under the
program (or, at the option of the State, shall provide a reduced level of such assistance) if the individual does not participate in—

in the State for fiscal year 1995 (or, the same first available fiscal year).

“(2) Determination of the Secretary.—
The Secretary shall not increase the grant amount under paragraph (1) if the Secretary determines that the relevant difference between the illegitimacy ratio of a State for an applicable fiscal year and the illegitimacy ratio of such State for fiscal year 1995 or, where appropriate, the first available year after 1995 for which such data is available, is the result of a change in State methods of reporting data used to calculate the illegitimacy ratio or if the Secretary determines that the relevant non-increase in the rate of induced pregnancy terminations for an applicable fiscal year as compared to fiscal year 1995 or, the appropriate fiscal year, is the result of a change in State methods of reporting data used to calculate the rate of induced pregnancy terminations.

“(3) Illegitimacy Ratio.—For purposes of this subsection, the term ‘illegitimacy ratio’ means, with respect to a State and a fiscal year—

of this part.

If the State does not prove to the satisfaction of the Secretary that such unlawful expenditure was not made by the State in intentional violation of the requirements of this part, then the Secretary shall impose an additional penalty of 5 percent of such grant (determined without regard to this section).

tions) is amended by inserting after section 7702A the fol-
lowing new section:

“SEC. 7702B. TREATMENT OF LONG-TERM CARE INSURANCE
OR PLANS.

“(a) GENERAL RULE.—For purposes of this title—
“(1) a qualified long-term care insurance con-
tract shall be treated as an accident or health insur-
ance contract,

“(2) any plan of an employer providing cov-
erage of qualified long-term care services shall be
treated as an accident or health plan with respect to
such services,

“(3) amounts (other than policyholder divi-
dends, as defined in section 808, or premium re-
funds) received under such a contract or plan shall
be treated as amounts received for personal injuries
or sickness and shall be treated as reimbursement for expenses actually incurred for medical care (as defined in section 213(d))

“(4) payments described in subsection (b)(5) shall be treated as payments made with respect to qualified long-term care services, and

“(5) a qualified long-term care insurance contract shall be treated as a guaranteed renewable contract subject to the rules of section 816(e).

“(b) QUALIFIED LONG-TERM CARE INSURANCE CONTRACT.—

“(1) IN GENERAL.—For purposes of this title, the term ‘qualified long-term care insurance contract’ means any insurance contract if—

“(A) the only insurance protection provided under such contract is coverage of qualified long-term care services, and

“(B) such contract meets the requirements of paragraphs (2), (3), and (4).

“(2) PREMIUM REQUIREMENTS.—

“(A) IN GENERAL.—The requirements of this paragraph are met with respect to a contract if such contract provides that—

“(i) premium payments may not be made earlier than the date such payments
would have been made if the contract pro-
vided for level annual payments over the 
life of the contract (or, if shorter, 20 
years), and

“(ii) all refunds of premiums, and all 
policyholder dividends or similar amounts, 
under such contract are to be applied as a 
reduction in future premiums or to in-
crease future benefits.

A contract shall not be treated as failing to 
meet the requirements of clause (i) solely by 
reason of a provision providing for a waiver of 
premiums if the insured becomes a functionally 
impaird individual.

“(B) Refunds upon death or com-
plete surrender or cancellation.—Sub-
paragraph (A)(ii) shall not apply to any refund 
on the death of the insured, or on any complete 
surrender or cancellation of the contract, if, 
under the contract, the amount refunded may 
not exceed the amount of the premiums paid 
under the contract. For purposes of this title, 
any refund described in the preceding sentence 
shall be includible in gross income to the extent
that any deduction or exclusion was allowed with respect to the refund.

“(3) Borrowing, pledging, or assigning prohibited.—The requirements of this paragraph are met with respect to a contract if such contract provides that no money may be borrowed under such contract and that such contract (or any portion thereof) may not be assigned or pledged as collateral for a loan.

“(4) Prohibition of duplicate payment.—

“(A) In general.—The requirements of this paragraph are met with respect to a contract if such contract does not pay or reimburse expenses incurred to the extent that such expenses are reimbursable under title XVIII of the Social Security Act, or would be so reimbursable but for the application of a deductible or coinsurance amount.

“(B) Exception.—Subparagraph (A) shall not apply to expenses which are reimbursable under title XVIII of the Social Security Act only as a secondary payor.

“(C) Coordination with other laws.—No provision of law shall be construed or applied so as to prohibit the offering of a
qualified long-term care insurance contract on
the basis that it coordinates its benefits with
those provided under title XVIII of the Social
Security Act.

“(5) PER DIEM AND OTHER PERIODIC PAY-
MENTS PERMITTED.—For purposes of subsection
(a)(4), payments are described in this paragraph for
any calendar year if, under the contract, such pay-
ments are made to (or on behalf of) a functionally
impaired individual on a per diem or other periodic
basis without regard to the expenses incurred or
services rendered during the period to which the
payments relate.

“(c) SPECIAL RULES FOR TREATMENT OF
INSURED.—For purposes of this title, solely with respect
to the insured under any qualified long-term care insur-
ance contract—

“(1) AGGREGATE PAYMENTS IN EXCESS OF
LIMITS.—

ments under all qualified long-term care insur-
ance contracts with respect to an insured for
any period (whether on a periodic basis or oth-

such period under subparagraph (B), such ex-
cess payments shall be treated as made for qualified long-term care services only if made with respect to such services provided during such period.

“(II) the applicable percentage of the amount under subclause (I).

“(ii) APPLICABLE PERCENTAGE.—For purposes of clause (i), the term ‘applicable percentage’ means, with respect to any calendar year, the lesser of—
“(I) 5 percent, or
“(II) the cost-of-living adjustment for such calendar year.
“(iii) COST-OF-LIVING ADJUSTMENT.—For purposes of clause (ii), the cost-of-living adjustment for any calendar year is the percentage (if any) by which the cost index under clause (iv) for the preceding calendar year exceeds such index for the second preceding calendar year. In the case of any calendar year beginning before 1999, this clause shall be applied by substituting the Consumer Price Index (as defined in section 1(f)(5)) for the cost index under clause (iv).
“(iv) COST INDEX.—The Secretary, in consultation with the Secretary of Health and Human Services, shall before January 1, 1999, establish a cost index to measure increases in costs of nursing home and similar facilities. The Secretary may from time to time revise such index to the extent necessary to accurately measure increases or decreases in such costs.

“(2) APPLICATION OF SECTION 7702.—Section 7702(c)(2) (relating to the guideline premium limitation) shall be applied by increasing the guideline premium limitation with respect to a life insurance contract, as of any date—

“(A) by the sum of the charges against the contract’s cash surrender value (within the meaning of section 7702(f)(2)(A)) for such coverage made to that date under the contract, less

“(B) any such charges the imposition of which reduces the premiums paid for the con-
tract (within the meaning of section 7702(f)(1)).

“(3) APPLICATION OF SECTION 213.—No deduc-
tion shall be allowed under section 213(a) for charges against the life insurance contract’s cash surrender value described in paragraph (2), unless such charges are includible in income as a result of the application of section 72(e)(10) and the rider is a qualified long-term care insurance contract under subsection (b).

“(4) PORTION.—For purposes of this sub-
section, the term ‘portion’ means only the terms and benefits under a life insurance contract that are in addition to the terms and benefits under the contract without regard to the coverage of qualified long-term care services, except that the payment of benefits shall not result in the benefits failing to be treated as long-term care insurance by reason of a reduction in the contract’s death benefit or cash surrender value resulting from any such payment.

“(e) QUALIFIED LONG-TERM CARE SERVICES.—For purposes of this section—

“(1) IN GENERAL.—The term ‘qualified long-
term care services’ means necessary diagnostic, pre-

“(iii) complies with such other requirements as the Secretary may prescribe.

“(D) ELECTION.—An election under subparagraph (A) shall apply to all property to which this section would apply but for the election and, once made, shall be irrevocable. Such election shall also apply to property the basis of which is determined in whole or in part by reference to the property with respect to which the election was made.

“(b) ELECTION TO DEFER TAX.—
“(1) IN GENERAL.—If the taxpayer elects the application of this subsection with respect to any property—

Except to the extent provided in regulations, subparagraph (B) shall apply to a disposition whether or not gain or loss is recognized in whole or in part on the disposition.

“(2) DEFERRED TAX AMOUNT.—

“(A) IN GENERAL.—For purposes of paragraph (1), the term ‘deferred tax amount’ means, with respect to any property, an amount equal to the sum of—

“(I) beginning on the 91st day after the expatriation date, and

“(A) immediately before death if such property is held at such time, and

“(B) at any time the security provided with respect to the property fails to meet the requirements of paragraph (3) and the taxpayer does not correct such failure within the time specified by the Secretary.

“(6) Elections.—An election under paragraph (1) shall only apply to property described in the election and, once made, is irrevocable. An election may be under paragraph (1) with respect to an interest in a trust with respect to which gain is required to be recognized under subsection (f)(1).

“(d) Property to Which Section Applies.—For purposes of this section—

“(1) In general.—Except as otherwise provided by the Secretary, this section shall apply to—

“(A) any interest in property held by a covered expatriate on the expatriation date the gain from which would be includible in the gross income of the expatriate if such interest had been sold for its fair market value on such date in a transaction in which gain is recognized in whole or in part, and

“(g) Depreciation Under Income Forecast Method.—

“(1) In general.—If the depreciation deduction allowable under this section to any taxpayer with respect to any property is determined under the income forecast method or any similar method—

“(A) in determining the amount of the depreciation deduction under such method, the estimated income from the property shall include all income earned in connection with the property before the close of the 10th taxable year following the taxable year in which the property was placed in service,

“(C) the depreciation deduction under such method for the 10th taxable year beginning after the taxable year in which the property was placed in service shall be equal to the adjusted basis of such property as of the beginning of such 10th taxable year, and
“(D) such taxpayer shall pay (or be entitled to receive) interest computed under the look-back method of paragraph (2) for any recomputation year.

“(2) LOOK-BACK METHOD.—The interest computed under the look-back method of this paragraph for any recomputation year shall be determined by—

“(A) first determining the depreciation deductions under this section with respect to such property which would have been allowable for prior taxable years if the determination of the amounts so allowable had been made on the basis of the sum of the following (instead of the estimated income with respect to such property)—

“(i) the actual income from such property for periods before the close of the recomputation year, and

“(ii) an estimate of the future income with respect to such property for periods after the recomputation year,

“(B) second, determining (solely for purposes of computing such interest) the overpayment or underpayment of tax for each such

from the application of subparagraph (A), and

“(C) then using the adjusted overpayment
rate (as defined in section 460(b)(7)),
compounded daily, on the overpayment or
underpayment determined under subparagraph
(B).

For purposes of the preceding sentence, any cost in-
curred after the property is placed in service (which
is not treated as a separate property under para-
graph (5)) shall be taken into account by discount-
ing (using the Federal mid-term rate determined
under section 1274(d) as of the time such cost is in-
curred) such cost to its value as of the date the
property is placed in service. The taxpayer may elect
with respect to any property to have the preceding
sentence not apply to such property.

Paragraph (1)(D) shall not apply with respect to

from the property for the period before the close of
such third or 10th taxable year is within 10 percent
of the estimated income from the property for such
period which was taken into account under para-
graph (1)(A).

“(5) SPECIAL RULES.—

“(A) CERTAIN COSTS TREATED AS SEPA-
RATE PROPERTY.—For purposes of this sub-

separate properties:

“(i) Any costs incurred with respect
to any property after the 10th taxable year
beginning after the taxable year in which
the property was placed in service.

“(ii) Any costs incurred after the
property is placed in service and before the
close of such 10th taxable year if such
costs are significant and give rise to a sig-
nificant increase in the income from the
property which was not included in the es-
timated income from the property.

“(B) SYNDICATION INCOME FROM TELE-
VISION SERIES.—In the case of property which
is an episode in a television series, income from
syndicating such series shall not be required to

after the date the first episode in such se-
ries is placed in service, or

“(ii) the earliest taxable year in which
the taxpayer has an arrangement relating
to the future syndication of such series.

“(C) Collection of Interest.—For
purposes of subtitle F (other than sections
6654 and 6655), any interest required to be
paid by the taxpayer under paragraph (1) for
any recomputation year shall be treated as an
increase in the tax imposed by this chapter for
such year.

“(D) Determinations.—For purposes of
this subsection, determinations of the amount
of income from any property shall be deter-
mined in the same manner as for purposes of
applying the income forecast method; except
that any income from the disposition of such
property shall be taken into account.
“(E) Treatment of pass-thru entities.—Rules similar to the rules of section 460(b)(4) shall apply for purposes of this subsection.”

(b) Effective Date.—

“(A) IN GENERAL.—The term ‘reportable event’ means—

“(i) the creation of any foreign trust by a United States person,

“(ii) the transfer of any money or property (directly or indirectly) to a foreign trust by a United States person, including a transfer by reason of death, and

“(C) such other information as the Secretary may prescribe.

To the extent provided in regulations, the preceding sentence shall not apply if the
foreign trust elects to be subject to rules similar to the rules of subsection (b)(2)(B).

“(d) Special Rules.—

“(1) Determination of whether United States person receives distribution.—For purposes of this section, in determining whether a United States person receives a distribution from a foreign trust, the fact that a portion of such trust is treated as owned by another person under the rules of subpart E of part I of subchapter J of chapter 1 shall be disregarded.

“(2) does not include all the information re-
quired pursuant to such section or includes incorrect
information,
the person required to file such notice or return shall pay
a penalty equal to 35 percent of the gross reportable
amount. If any failure described in the preceding sentence
continues for more than 90 days after the day on which
the Secretary mails notice of such failure to the person
required to pay such penalty, such person shall pay a pen-

“(d) Reasonable Cause Exception.—No penalty shall be imposed by this section on any failure which is
shown to be due to reasonable cause and not due to willful

a civil or criminal penalty on the taxpayer (or any other
person) for disclosing the required information is not rea-
sonable cause.

“(e) DEFICIENCY PROCEDURES NOT TO APPLY.—
Subchapter B of chapter 63 (relating to deficiency proce-

TRUST.—Any trust which is treated under this
subsection as making a distribution shall be
treated as not described in section 651.

“(3) SUBSEQUENT TRANSACTIONS REGARDING

“(e) Gain recognition on certain distributions.—If a FASIT makes a distribution of property with respect to any regular or ownership interest—

A right is described in the preceding sentence only if such right was created at the time such instrument was contributed to such entity (or in anticipation of such right being contributed) or is held by the contributor of such instrument or by any person who is related to such contributor.

“(4) Election.—An entity (otherwise meeting the requirements of paragraph (1)) may elect to be treated as a FASIT for its 1st taxable year. Such an election shall be made on its return for such 1st taxable year. Except as provided in paragraph (5),

under section 856(e) (determined without re-

“(3) Exception for income from certain dispositions.—

“(A) In general.—Paragraph (2)(B) shall not apply to a disposition which would not be a prohibited transaction (as defined in section 860F(a)(2)) by reason of—

reduce over-collateralization of the FASIT,
but only if a principal purpose of acquiring the
debt instrument which is disposed of was not
the recognition of gain (or the reduction of an
loss) as a result of an increase in the market
value of the debt instrument after its acquisi-
tion by the FASIT.

“(C) Liquidation of class of regular
interests.—Paragraph (2)(B) shall not apply
to the complete liquidation of any class of regu-
lar interests.
“(4) Net income.—For purposes of this subsection, net income shall be determined in accordance with section 860F(a)(3).

Any amount paid by a plan in a taxable year ending after the revocation shall be includible in income in such taxable year under the rules of this chapter in effect for such taxable year, except that, for purposes of applying the limitations imposed by this section, any portion of such amount which is attributable to any taxable year during which the election was in effect shall be treated as received in such taxable year.”
