20 tion, which shall include an explanation of how the  
21 agency has used the information that it has col-  
22 lected.

23 “(2) If under the provisions of this section, the Direc-  
24 tor disapproves a collection of information contained in an  
25 existing rule, or recommends or instructs the agency to

1 make a substantive or material change to a collection of  
2 information contained in an existing rule, the Director  
3 shall—

4           “(A) publish an explanation thereof in the Fed-  
5 eral Register; and

6           “(B) instruct the agency to undertake a rule-  
7 making within a reasonable time limited to consider-  
8 ation of changes to the collection of information con-  
9 tained in the rule and thereafter to submit the col-  
10 lection of information for approval or disapproval  
11 under this chapter.

12           “(3) An agency may not make a substantive or mate-  
13 rial modification to a collection of information after such  
14 collection has been approved by the Director, unless the  
15 modification has been submitted to the Director for review  
16 and approval under this chapter.

17           “(i)(1) If the Director finds that a senior official of  
18 an agency designated under section 3506(a) is sufficiently  
19 independent of program responsibility to evaluate fairly  
20 whether proposed collections of information should be ap-  
21 proved and has sufficient resources to carry out this re-  
22 sponsibility effectively, the Director may, by rule in ac-  
23 cordance with the notice and comment provisions of chap-  
24 ter 5 of title 5, United States Code, delegate to such offi-  
25 cial the authority to approve proposed collections of infor-

1 mation in specific program areas, for specific purposes,  
2 or for all agency purposes.

3 “(2) A delegation by the Director under this section  
4 shall not preclude the Director from reviewing individual  
5 collections of information if the Director determines that  
6 circumstances warrant such a review. The Director shall  
7 retain authority to revoke such delegations, both in gen-  
8 eral and with regard to any specific matter. In acting for  
9 the Director, any official to whom approval authority has  
10 been delegated under this section shall comply fully with  
11 the rules and regulations promulgated by the Director.

12 “(j)(1) The agency head may request the Director to  
13 authorize a collection of information, if an agency head  
14 determines that—

15 “(A) a collection of information—

16 “(i) is needed prior to the expiration of  
17 time periods established under this chapter; and

18 “(ii) is essential to the mission of the agen-  
19 cy; and

20 “(B) the agency cannot reasonably comply with  
21 the provisions of this chapter because—

22 “(i) public harm is reasonably likely to re-  
23 sult if normal clearance procedures are fol-  
24 lowed;

1 or to submit statements in writing. To the extent that the  
2 Director determines that the collection of information by  
3 an agency is unnecessary for the proper performance of  
4 the functions of the agency, for any reason, the agency  
5 may not engage in the collection of information.

6 **“§ 3509. Designation of central collection agency**

7       “The Director may designate a central collection  
8 agency to obtain information for two or more agencies if  
9 the Director determines that the needs of such agencies  
10 for information will be adequately served by a single collec-  
11 tion agency, and such sharing of data is not inconsistent  
12 with applicable law. In such cases the Director shall pre-  
13 scribe (with reference to the collection of information) the  
14 duties and functions of the collection agency so designated  
15 and of the agencies for which it is to act as agent (includ-  
16 ing reimbursement for costs). While the designation is in  
17 effect, an agency covered by the designation may not ob-  
18 tain for itself information for the agency which is the duty  
19 of the collection agency to obtain. The Director may mod-  
20 ify the designation from time to time as circumstances re-  
21 quire. The authority to designate under this section is sub-  
22 ject to the provisions of section 3507(f) of this chapter.

1 **“§ 3510. Cooperation of agencies in making informa-**  
2 **tion available**

3 “(a) The Director may direct an agency to make  
4 available to another agency, or an agency may make avail-  
5 able to another agency, information obtained by a collec-  
6 tion of information if the disclosure is not inconsistent  
7 with applicable law.

8 “(b)(1) If information obtained by an agency is re-  
9 leased by that agency to another agency, all the provisions  
10 of law (including penalties which relate to the unlawful  
11 disclosure of information) apply to the officers and em-  
12 ployees of the agency to which information is released to  
13 the same extent and in the same manner as the provisions  
14 apply to the officers and employees of the agency which  
15 originally obtained the information.

16 “(2) The officers and employees of the agency to  
17 which the information is released, in addition, shall be  
18 subject to the same provisions of law, including penalties,  
19 relating to the unlawful disclosure of information as if the  
20 information had been collected directly by that agency.

21 **“§ 3511. Establishment and operation of Government**  
22 **Information Locator Service**

23 “(a) In order to assist agencies and the public in lo-  
24 cating information and to promote information sharing  
25 and equitable access by the public, the Director shall—

1           “(1) cause to be established and maintained a  
2 distributed agency-based electronic Government In-  
3 formation Locator Service (hereafter in this section  
4 referred to as the ‘Service’), which shall identify the  
5 major information systems, holdings, and dissemina-  
6 tion products of each agency;

7           “(2) require each agency to establish and main-  
8 tain an agency information locator service as a com-  
9 ponent of, and to support the establishment and op-  
10 eration of the Service;

11           “(3) in cooperation with the Archivist of the  
12 United States, the Administrator of General Serv-  
13 ices, the Public Printer, and the Librarian of Con-  
14 gress, establish an interagency committee to advise  
15 the Secretary of Commerce on the development of  
16 technical standards for the Service to ensure com-  
17 patibility, promote information sharing, and uniform  
18 access by the public;

19           “(4) consider public access and other user  
20 needs in the establishment and operation of the  
21 Service;

22           “(5) ensure the security and integrity of the  
23 Service, including measures to ensure that only in-  
24 formation which is intended to be disclosed to the  
25 public is disclosed through the Service; and

1           “(6) periodically review the development and ef-  
2           fectiveness of the Service and make recommenda-  
3           tions for improvement, including other mechanisms  
4           for improving public access to Federal agency public  
5           information.

6           “(b) This section shall not apply to operational files  
7           as defined by the Central Intelligence Agency Information  
8           Act (50 U.S.C. 431 et seq.).

9           **“§ 3512. Public protection**

10          “Notwithstanding any other provision of law, no per-  
11          son shall be subject to any penalty for failing to maintain,  
12          provide, or disclose information to or for any agency or  
13          person if the collection of information subject to this chap-  
14          ter—

15               “(1) does not display a valid control number as-  
16               signed by the Director; or

17               “(2) fails to state that the person who is to re-  
18               spond to the collection of information is not required  
19               to comply unless such collection displays a valid con-  
20               trol number.

21          **“§ 3513. Director review of agency activities; report-**  
22               **ing; agency response**

23          “(a) In consultation with the Administrator of Gen-  
24          eral Services, the Archivist of the United States, the Di-  
25          rector of the National Institute of Standards and Tech-

1 nology, and the Director of the Office of Personnel Man-  
2 agement, the Director shall periodically review selected  
3 agency information resources management activities to as-  
4 certain the efficiency and effectiveness of such activities  
5 to improve agency performance and the accomplishment  
6 of agency missions.

7 “(b) Each agency having an activity reviewed under  
8 subsection (a) shall, within 60 days after receipt of a re-  
9 port on the review, provide a written plan to the Director  
10 describing steps (including milestones) to—

11 “(1) be taken to address information resources  
12 management problems identified in the report; and

13 “(2) improve agency performance and the ac-  
14 complishment of agency missions.

15 **“§ 3514. Responsiveness to Congress**

16 “(a)(1) The Director shall—

17 “(A) keep the Congress and congressional com-  
18 mittees fully and currently informed of the major ac-  
19 tivities under this chapter; and

20 “(B) submit a report on such activities to the  
21 President of the Senate and the Speaker of the  
22 House of Representatives annually and at such other  
23 times as the Director determines necessary.

24 “(2) The Director shall include in any such report  
25 a description of the extent to which agencies have—

1           “(A) reduced information collection burdens on  
2 the public, including—

3               “(i) a summary of accomplishments and  
4 planned initiatives to reduce collection of infor-  
5 mation burdens;

6               “(ii) a list of all violations of this chapter  
7 and of any rules, guidelines, policies, and proce-  
8 dures issued pursuant to this chapter; and

9               “(iii) a list of any increase in the collection  
10 of information burden, including the authority  
11 for each such collection;

12           “(B) improved the quality and utility of statis-  
13 tical information;

14           “(C) improved public access to Government in-  
15 formation; and

16           “(D) improved program performance and the  
17 accomplishment of agency missions through informa-  
18 tion resources management.

19           “(b) The preparation of any report required by this  
20 section shall be based on performance results reported by  
21 the agencies and shall not increase the collection of infor-  
22 mation burden on persons outside the Federal Govern-  
23 ment.

1 **“§ 3515. Administrative powers**

2 “Upon the request of the Director, each agency  
3 (other than an independent regulatory agency) shall, to  
4 the extent practicable, make its services, personnel, and  
5 facilities available to the Director for the performance of  
6 functions under this chapter.

7 **“§ 3516. Rules and regulations**

8 “The Director shall promulgate rules, regulations, or  
9 procedures necessary to exercise the authority provided by  
10 this chapter.

11 **“§ 3517. Consultation with other agencies and the**  
12 **public**

13 “(a) In developing information resources manage-  
14 ment policies, plans, rules, regulations, procedures, and  
15 guidelines and in reviewing collections of information, the  
16 Director shall provide interested agencies and persons  
17 early and meaningful opportunity to comment.

18 “(b) Any person may request the Director to review  
19 any collection of information conducted by or for an agen-  
20 cy to determine, if, under this chapter, a person shall  
21 maintain, provide, or disclose the information to or for the  
22 agency. Unless the request is frivolous, the Director shall,  
23 in coordination with the agency responsible for the collec-  
24 tion of information—

25 “(1) respond to the request within 60 days  
26 after receiving the request, unless such period is ex-

1 tended by the Director to a specified date and the  
2 person making the request is given notice of such ex-  
3 tension; and

4 “(2) take appropriate remedial action, if nec-  
5 essary.

6 **“§ 3518. Effect on existing laws and regulations**

7 “(a) Except as otherwise provided in this chapter, the  
8 authority of an agency under any other law to prescribe  
9 policies, rules, regulations, and procedures for Federal in-  
10 formation resources management activities is subject to  
11 the authority of the Director under this chapter.

12 “(b) Nothing in this chapter shall be deemed to affect  
13 or reduce the authority of the Secretary of Commerce or  
14 the Director of the Office of Management and Budget pur-  
15 suant to Reorganization Plan No. 1 of 1977 (as amended)  
16 and Executive order, relating to telecommunications and  
17 information policy, procurement and management of tele-  
18 communications and information systems, spectrum use,  
19 and related matters.

20 “(c)(1) Except as provided in paragraph (2), this  
21 chapter shall not apply to the collection of information—

22 “(A) during the conduct of a Federal criminal  
23 investigation or prosecution, or during the disposi-  
24 tion of a particular criminal matter;

25 “(B) during the conduct of—

20 undertaken with reference to a category of individuals or  
21 entities such as a class of licensees or an entire industry.

23 increasing or decreasing the authority conferred by Public  
24 Law 89–306 on the Administrator of the General Services

1 Administration, the Secretary of Commerce, or the Direc-  
2 tor of the Office of Management and Budget.

3 “(e) Nothing in this chapter shall be interpreted as  
4 increasing or decreasing the authority of the President,

7 to the substantive policies and programs of departments,  
8 agencies and offices, including the substantive authority  
9 of any Federal agency to enforce the civil rights laws.

10 **“§ 3519. Access to information**

11 “Under the conditions and procedures prescribed in

6       “(2) No funds are authorized to be appropriated to

13 **SEC. 103. PAPERWORK BURDEN REDUCTION INITIATIVE**  
14                   **REGARDING THE QUARTERLY FINANCIAL RE-**

2 CLUDED IN THE DEMONSTRATION PROGRAM.—The dem-  
3 onstration program required by subsection (a) shall in-

15          quarters.

16          (3) EXPANDED USE OF SAMPLING TECH-

3 (c) DURATION OF THE DEMONSTRATION PRO-  
4 GRAM.—The demonstration program required by sub-  
5 section (a) shall commence on October 1, 1995, and termi-

8 (2) the date in the Act of Congress providing  
9 for authorization of appropriations for section 91 of  
10 title 13, United States Code, first enacted following

12 tember 30, of the last fiscal year providing such an  
13 authorization under such Act of Congress.

14 (d) DEFINITIONS.—For purposes of this section:

15 (1) The term “burden” shall have the meaning  
16 given that term by section 3502(2) of title 44, Unit-  
17 ed States Code.

18 (2) The term “collection of information” shall  
19 have the meaning given that term by section

8 **SEC. 104. OREGON OPTION PROPOSAL.**

9           (a) FINDINGS.—The Senate finds that—

10           (1) Federal, State and local governments are  
11 dealing with increasingly complex problems which re-  
12 quire the delivery of many kinds of social services at  
13 all levels of government;

14           (2) historically, Federal programs have ad-  
15 dressed the Nation’s problems by providing categor-  
16 ical assistance with detailed requirements relating to  
17 the use of funds which are often delivered by State  
18 and local governments;

19           (3) although the current approach is one meth-  
20 od of service delivery, a number of problems exist in  
21 the current intergovernmental structure that impede  
22 effective delivery of vital services by State and local  
23 governments;

24           (4) it is more important than ever to provide  
25 programs that respond flexibly to the needs of the

1 Nation's States and communities, reduce the bar-  
2 riers between programs that impede Federal, State  
3 and local governments' ability to effectively deliver  
4 services, encourage the Nation's Federal, State and  
5 local governments to be innovative in creating pro-  
6 grams that meet the unique needs of the people in  
7 their communities while continuing to address na-  
8 tional goals, and improve the accountability of all  
9 levels of government by better measuring govern-  
10 ment performance and better meeting the needs of  
11 service recipients;

12 (5) the State and local governments of Oregon  
13 have begun a pilot project, called the Oregon Option,  
14 that will utilize strategic planning and performance-  
15 based management that may provide new models for  
16 intergovernmental social service delivery;

17 (6) the Oregon Option is a prototype of a new  
18 intergovernmental relations system, and it has the  
19 potential to completely transform the relationships  
20 among Federal, State and local governments by cre-  
21 ating a system of intergovernmental service delivery  
22 and funding that is based on measurable perform-  
23 ance, customer satisfaction, prevention, flexibility,  
24 and service integration; and

1           (7) the Oregon Option has the potential to dra-  
2           matically improve the quality of Federal, State and  
3           local services to Oregonians.

4           (b) SENSE OF THE SENATE.—It is the sense of the  
5           Senate that the Oregon Option project has the potential  
6           to improve intergovernmental service delivery by shifting  
7           accountability from compliance to performance results and  
8           that the Federal Government should continue in its part-  
9           nership with the State and local governments of Oregon  
10          to fully implement the Oregon Option.

11       **SEC. 105. TERMINATION OF REPORTING REQUIREMENTS.**

12          (a) TERMINATION.—

13               (1) IN GENERAL.—Subject to the provisions of  
14               paragraph (2), each provision of law requiring the  
15               submittal to Congress (or any committee of the Con-  
16               gress) of any annual, semiannual or other regular  
17               periodic reports specified on the list described under  
18               subsection (c) shall cease to be effective, with re-  
19               spect to that requirement, 5 years after the date of  
20               the enactment of this Act.

21               (2) EXCEPTION.—The provisions of paragraph  
22               (1) shall not apply to any report required under—

23                       (A) the Inspector General Act of 1978 (5  
24                       U.S.C. App.; Public Law 95–452); or

1 (B) the Chief Financial Officers Act of  
2 1990 (Public Law 101-576).

3 (b) IDENTIFICATION OF WASTEFUL REPORTS.—The  
4 President shall include in the first annual budget submit-  
5 ted pursuant to section 1105 of title 31, United States  
6 Code, after the date of enactment of this Act a list of re-  
7 ports that the President has determined are unnecessary  
8 or wasteful and the reasons for such determination.

9 (c) LIST OF REPORTS.—The list referred to under  
10 subsection (a) includes only the annual, semiannual, or  
11 other regular periodic reports on the list prepared by the  
12 Clerk of the House of Representatives for the first session  
13 of the One Hundred Third Congress under Clause 2 of  
14 Rule III of the Rules of the House of Representatives.
