# 6 TITLE II—HIGHWAY FUNDING 7 RESTORATION

## 8 SEC. 201. SHORT TITLE.

9 This title may be cited as the "Highway Funding
10 Restoration Act of 1995".

## 11 SEC. 202. FINDINGS AND PURPOSES.

12 (a) FINDINGS.—Congress finds and declares that—

(1) Federal infrastructure spending on highways
is critical to the efficient movement of goods and people in the United States;

(2) section 1003(c) of the Intermodal Surface
Transportation Efficiency Act of 1991 has been estimated to result in fiscal year 1996 highway spending
being reduced by as much as \$4,200,000,000;

20 (3) such section 1003(c) will cause every State to
21 lose critical funds from the Highway Trust Fund that
22 can never be recouped; and

23 (4) the funding reduction would have disastrous
24 effects on the national economy, impede interstate

	·
1	commerce, and jeopardize the 40-year Federal invest-
2	ment in the Nation's highway system.
3	(b) PURPOSES.—The purposes of this Act are—
4	(1) to make the program categories in the cur-
5	rent Federal-aid highway program more flexible so
6	that States may fund current, high-priority projects
7	in fiscal year 1996;
8	(2) to eliminate programs that are not critical
9	during fiscal year 1996 and to reallocate funds so
10	that the States will be able to continue their core
11	transportation infrastructure programs;
12	(3) to restore funding for exempt highway pro-
13	grams;
14	(4) to ensure the equitable distribution of funds
15	to urbanized areas with a population over 200,000 in
16	a manner consistent with the Intermodal Surface
17	Transportation Efficiency Act of 1991; and
18	(5) to suspend certain penalties that would be
19	imposed on the States in fiscal year 1996.
20	SEC. 203. STATE HIGH PRIORITY PROJECT RESTORATION
21	PROGRAM.
22	(a) IN GENERAL.—On October 1 of each of fiscal years
