ADDITIONAL STATEMENTS

THE ALBION COLLEGE FOOTBALL CHAMPIONS

• Mr. LEVIN. Mr. President, I want to recognize and congratulate the Albion College Britons football team the 1994 NCAA Division III national champions.

On a rainy Saturday afternoon in December, the Britons met the Washington & Jefferson Presidents in the 22d annual Amos Alonzo Stagg Bowl in Salem, VA. Coming into the game, the Presidents had the Nation's top-ranked defense in Division III. The Britons, winners of six consecutive Michigan Intercollegiate Athletic Association titles, rose to the occasion to win a 38-15 victory. The victory capped an impressive drive through four playoff games which included victories over three former national champions.

At one point, the Britons scored 31 unanswered points. The aggressive Albion defense and special teams forced three turnovers and returned an interception for a touchdown. Tailback Jeff Robinson rushed for 166 yards on the soggy field and scored three touchdowns.

The Albion players and coaches have faced many challenges this year as they went to an undefeated 13-0 record. They overcame them by pulling together as a team and playing their hearts out. I admire their spirit and applaud them for giving it their all in every game.

I want to extend my warmest congratulations to each of the players, coaches, parent, and supporters of this championship team as well as to President Melvin Vulgamore and the entire Albion College community.

TRIBUTE TO SENATOR DURENBERGER

● Mr. JOHNSTON. For 18 years Senator David Durenberger has advanced cutting-edge ideas reasonably, thoughtfully, and in a timely fashion. When he took up the cudgels for an issue, from clean air to civil rights to managed care, you could be sure that it was an idea whose time had come. You could also be sure that he would work tirelessly to hammer out differences among Senators and reach realistic and principled compromises.

Senator Durenberger has a reputation for taking a holistic rather than a partisan approach to legislation. He sees it from every angle, not just from opposing sides. As a member of the Committee on Environmental and Public Works, and as ranking Republican on its Subcommittee on Superfund, Recycling and Solid Waste, he has pro-

vided responsible input into major environmental bills including Superfund, the Clean Air Act, the Clean Water Act, and the Safe Drinking Water Act. His national organization, Americans for Generational Equity, seeks to ensure that the budget and tax choices made by this generation do not unfairly burden generations to come.

In his time in this body, Dave Durenberger worked and planned for the long run, not for the quick fix. His expertise, particularly in the field of health care, will be greatly missed.●
