If, at any subcommittee meeting, a measure or matter cannot be ordered reported because of the absence of such a minority member, the measure or matter shall lay over for a day. If the presence of a member of the minority is not then obtained, a majority of the members of the subcommittee, actually present, may order such measure or matter reported.

(c) No measure or matter shall be ordered reported from the committee or a subcommittee unless a majority of the committee or subcommittee is actually present at the time such action is taken.

While proxies may be voted on a motion to report a measure or matter from the committee, such a motion shall also require the concurrence of a majority of the members who are actually present at the time such action is taken.

(c) The committee may, by a majority vote, delegate the authority to issue subpoenas to the chairman of the committee or a subcommittee, or to any member designated by such chairman. Prior to the issuance of each subpoena, the ranking minority member of the committee or subcommittee, and any other member so requesting, shall be notified regarding the identity of the person to whom it will be issued and the nature of the

information sought and its relationship to the authorized investigative activity, except where the chairman of the committee or subcommittee, in consultation with the ranking minority member, determines that such notice would unduly impede the investigation. All information obtained pursuant to such investigative activity shall be made available as promptly as possible to each member of the committee requesting same, or to any assistant to a member of the committee designated by such member in writing, but the use of any such information is subject to restrictions imposed by the rules of the Senate. Such information, to the extent that it is relevant to the investigation shall, if requested by a member, be summarized in writing as soon as practicable. Upon the request of any member, the chairman of the committee or subcommittee shall call an executive session to discuss such investigative activity or the issuance of any subpoena in connection therewith.

(d) Any witness summoned to testify at a hearing or any witness giving sworn testimony, may be accompanied by counsel of his own choosing who shall be permitted, while the witness is testifying, to advise him of his legal rights.

(e) No confidential testimony taken or confidential material presented in an executive hearing, or any report of the proceedings of such an executive hearing, shall be made public, either in whole or in part or by way of summary, unless authorized by a majority of the members of the committee or subcommittee.

Rule 18.—Presidential nominees shall submit a statement of their background and financial interests, including the financial interests of their spouse and children living in their household, on a form approved by the committee which shall be sworn to as to its completeness and accuracy. The committee form shall be in two parts—

(I) information relating to employment, education and background of the nominee relating to the position to which the individual is nominated, and which is to be made public; and

(II) information relating to financial and other background of the nominee, to be made public when the committee determines that such information bears directly on the nominee's qualifications to hold the position to which the individual is nominated.

Information relating to background and financial interests (parts I and II) shall not be required of (a) candidates for appointment and promotion in the Public Health Service Corps; and (b) nominees for less than full-time appointments to councils, commissions or boards when the committee determines that some or all of the information is not relevant to the nature of the position. Information relating to other background and financial interests (part II) shall not be required of any nominee when the committee determines that it is not relevant to the nature of the position.

Committee action on a nomination, including hearings or meetings to consider a motion to recommend confirmation, shall not be initiated until at least five days after the nominee submits the form required by this rule unless the chairman, with the concurrence of the ranking minority member, waives this waiting period.

Rule 19.—Subject to statutory requirements imposed on the committee with respect to procedure, the rules of the committee may be changed, modified, amended or suspended at any time; provided, not less than a majority of the entire membership so determine at a regular meeting with due notice, or at a meeting specifically called for that purpose.

GUIDELINES OF THE SENATE COMMITTEE ON LABOR AND HUMAN RESOURCES WITH RESPECT TO HEARINGS, MARKUP SESSIONS, AND RELATED MATTERS

HEARINGS

Section 133A(a) of the Legislative Reorganization Act requires each committee of the Senate to publicly announced the date, place, and subject matter of any hearing at least one week prior to the commencement of such hearing.

The spirit of this requirement is to assure adequate notice to the public and other Members of the Senate as to the time and subject matter of proposed hearings. In the spirit of section 133A(a) and in order to assure that members of the committee are themselves fully informed and involved in the development of hearings:

1. Public notice of the date, place, and subject matter of each committee or subcommittee hearing should be inserted in the Congressional Record seven days prior to the commencement of such hearing.

2. Seven days prior to public notice of each committee or subcommittee hearing, the committee or subcommittee should provide written notice to each member of the committee of the time, place, and specific subject matter of such hearing, accompanied by a list of those witnesses who have been or are proposed to be invited to appear.

3. The committee and its subcommittee should, to the maximum feasible extent, enforce the provisions of rule 9 of the committee rules as it relates to the submission of written statements of witnesses twenty-four hours in advance of a hearing. When statements are received in advance of a hearing, the committee or subcommittee (as appropriate) should distribute copies of such statements to each of its members.

EXECUTIVE SESSIONS FOR THE PURPOSE OF MARKING UP BILLS

In order to expedite the process of marking up bills and to assist each member of the committee so that there may be full and fair consideration of each bill which the committee or a subcommittee is marking up the following procedures should be followed:

1. Seven days prior to the proposed date for an executive session for the purpose of marking up bills the committee or subcommittee (as appropriate) should provide written notice to each of its members as to the time, place, and specific subject matter of such session, including an agenda listing each bill or other matters to be considered and including:

(a) two copies of each bill, joint resolution, or other legislative matter (or committee print thereof) to be considered at such executive session; and

(b) two copies of a summary of the provisions of each bill, joint resolution, or other legislative matter to be considered at such executive session; and

2. Three days prior to the scheduled date for an executive session for the purpose of marking up bills, the committee or subcommittee (as appropriate) should deliver to each of its members two copies of a cordon print or an equivalent explanation of

changes of existing law proposed to be made by each bill, joint resolution, or other legislative matter to be considered at such executive session.

3. Insofar as practical, prior to the scheduled date for an executive session for the purpose of marking up bills, each member of the committee or a subcommittee (as appropriate) should provide to all other such members two written copies of any amendment or a description of any amendment which that member proposes to offer to each bill, joint resolution, or other legislative matter to be considered at such executive session.

4. Insofar as practical, prior to the scheduled date for an executive session for the purpose of marking up bills, the committee or a subcommittee (as appropriate) should provide each member with a copy of the printed record or a summary of any hearings conducted by the committee or a subcommittee with respect to each bill, joint resolution, or other legislative matter to be considered at such executive session.

COMMITTEE REPORTS, PUBLICATIONS, AND RELATED DOCUMENTS

Rule 16 of the committee rules requires that the minority be given an opportunity to examine the proposed text of committee reports prior to their filing and that the majority be given an opportunity to examine the proposed text of supplemental, minority, or additional views prior to their filing. The views of all members of the committee should be taken fully and fairly into account with respect to all official documents filed or published by the committee. Thus, consistent with the spirit of rule 16, the proposed text of each committee report, hearing record, and other related committee document or publication should be provided to the chairman and ranking minority member of the committee and the chairman and ranking minority member of the appropriate subcommittee at least forty-eight hours prior to its filing or publication.●

IT'S DRUGS, STUPID

● Mr. SIMON. Mr. President, one of the finest public servants in my years in Congress was Joseph Califano, who headed what was then known as Health, Education and Welfare for President Carter. He wrote a story in the Sunday New York Times on the drug problem that makes eminent good sense.

Recently, the Chicago Sun-Times had a front-page story saying that 95 percent of those who apply for drug treatment are being turned down. I visited Cook County jail with 9,000 inmates. In a minimum security barracks, with about 45 men sleeping on cots, one of the prisoners told me he wanted to get into drug treatment. I turned to the assistant warden who was with me and asked why he could not get in, and the warden said they had only 120 spots for drug treatment for 9,000 prisoners. I turned to the rest of the men and asked how many of them would like to get into drug treatment and about 30 raised their hands.

Our failure to provide drug treatment for people who need it is short-sighted. We demagog on the crime issue and pretend we are really doing something when we create 60 new causes for capital punishment and set more mandatory minimums. The reality is, we are
