The SPEAKER pro tempore. Pursuant to the rule, the gentleman from New Jersey [Mr. SAXTON] will be recognized for 20 minutes, and the gentleman from Massachusetts [Mr. STUDDS] will be recognized for 20 minutes.

The Chair recognizes the gentleman from New Jersey [Mr. SAXTON].

(Mr. SAXTON asked and was given permission to revise and extend his remarks.)

Mr. SAXTON. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, I rise in support of H.R. 622, noncontroversial legislation pending before us today.

H.R. 622 is the implementation of the Convention on Future Multilateral Cooperation in the Northwest Atlantic Fisheries. This bill was introduced by the ranking minority member of the Fisheries, Wildlife and Oceans Subcommittee, Mr. STUDDS.

H.R. 622 would authorize U.S. participation in the North Atlantic Fisheries Organization—also known as NAFO.

The NAFO is an international body established by convention in 1978 to oversee certain fisheries existing beyond the 200-mile territorial seas of the United States, Canada, and Greenland in the northwest Atlantic. The United States participated in the negotiations and signed the original convention. While the other body consented to membership to NAFO in 1983, Congress never enacted implementing legislation to allow full participation in the organization. And while U.S. fishermen must abide by the NAFO treaty, these same fishermen are unable to formally participate in the process that results in the treaty. This legislation would allow just that.

Once again, this is a noncontroversial bill and I ask for your support.

Mr. Speaker, I reserve the balance of my time.

Mr. STUDDS. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, I rise in strong support of H.R. 622, legislation to implement the Convention on Future Multilateral Cooperation in the Northwest Atlantic Fisheries.

Two weeks ago, I stood in this spot describing for Members the drastic decline of commercial fisheries worldwide, and the need for all coastal nations to participate in international agreements and organizations that provide for the responsible conversation and management of high seas resources. Demonstrating the U.S. commitment to such an effort, the legislation we passed that day encouraged the development of a multilateral management agreement for pollock stocks in the north Pacific.

Similarly, the bill we are considering today, H.R. 622, would authorize U.S. participation in NAFO, an international body established by convention in 1978 to manage certain valuable high seas fisheries in the northwest Atlantic. Seventeen nations are party to this convention. While the U.S. participated in the negotiation for NAFO, signed the original convention, and the Senate consented to membership in 1983, Congress has never enacted implementing legislation to allow full participation in the organization.

In the past, U.S. fishermen have had little interest in fishing in the NAFO regulatory area, so membership was not crucial. Recently, however, U.S. fishing vessels have begun harvesting fish in the NAFO area. Complicating this situation, is the fact that the United States is about to implement a high seas fisheries treaty adopted at the United Nations in November 1993. That treaty would prohibit our vessels from fishing in the NAFO area unless we are party to the NAFO convention. As a result, joining NAFO is not only the responsible thing to do, it is essen-

tial if our fishermen are to have any hope of access to the area in the future.

By requiring the United States to work cooperatively in an area of the ocean where fisheries important to our own fishermen exist, H.R. 622 is the second bill we will pass in 2 weeks that signals U.S. dedication to multilateral management of high seas resources, it is good for the fish and the fishermen, and I urge Members to support it.

Mr. Speaker, I have no further requests for time, and I yield back the balance of my time.

Mr. YOUNG of Alaska. Mr. Speaker, my colleague from Massachusetts, Mr. STUDDS, has introduced H.R. 622, a bill to implement the Convention on Future Multilateral Cooperation in Northwest Atlantic Fisheries. This legislation will allow the United States to become a member of the Northwest Atlantic Fisheries Organization [NAFO].

Currently, the United States is not an active member in NAFO, even though we were involved in the negotiations which created this organization in 1978. Since this organization is active in recommending how resources that are harvested by U.S. fishermen are being managed and conserved, I support H.R. 622. This legislation will give the administration a more active role in NAFO's management and conservation recommendations, while giving U.S. fishermen greater access to the organization's research.

Mr. SAXTON. Mr. Speaker, I have no further requests for time, and I yield back the balance of my time.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from New Jersey [Mr. SAXTON] that the House suspend the rules and pass the bill, H.R. 622, as amended.

The question was taken; and (two-thirds having voted in favor thereof) the rules were suspended and the bill, as amended, was passed.

A motion to reconsider was laid on the table.

**GENERAL LEAVE**

Mr. SAXTON. Mr. Speaker, I ask unanimous consent that all Members may have 5 legislative days within which to revise and extend their remarks, and include extraneous material on H.R. 622, as amended, the bill just passed.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from New Jersey?

There was no objection.

**FORT CARSON-PINON CANYON MILITARY LANDS WITHDRAWAL ACT**

Mr. HEFLEY. Mr. Speaker, I move to suspend the rules and pass the bill (H.R. 256) to withdraw and reserve certain public lands and minerals within the State of Colorado for military uses, and for other purposes.

The Clerk read as follows:
