SENATE RESOLUTION 248— RELATIVE TO LIBERIA

Mr. FEINGOLD (for himself, Mrs. KASSEBAUM, Mr. SIMON, Mr. LEAHY, Mr. JEFFORDS, and Mr. PELL) submitted the following resolution; which was referred to the Committee on Foreign Relations:

S. RES. 248

Whereas, the war in Liberia begun in 1989 has devastated that country, with more than 150,000 people killed, up to 1 million forced to flee as refugees to neighboring countries, and thousands of children conscripted into the rebel armies;

Whereas, the Abuja Accords signed in August 1995 represented the most realistic path for lasting peace;

Whereas, the Senate passed a resolution on September 20, 1995, expressing the sense of the Congress that the United States should strongly support the peace process in Liberia, including support for the west African peacekeeping force;

Whereas the U.S. committed \$10 million in support for the west African peacekeeping force, but has delivered only \$5.5 million, most of which arrived only in February 1996;

Whereas, the peacekeeping force has fewer than 6,000 soldiers, but needs over 15,000 to carry out its mission;

Whereas, violence characterized by massive looting, shelling, and ethnic hostilities broke out in Monrovia on April 6, 1996, forcing tens of thousands of people into hiding, without food and water, halting most humanitarian assistance programs in Liberia, and signifying a failure of the west African peacekeeping force to maintain order and stability in Monrovia;

Whereas, 214 U.S. armed forces and 1400 support personnel have been deployed to Liberia to facilitate the successful evacuation of approximately 1800 people, including over 300 Americans, from Liberia;

Whereas, while the U.S. is the only functioning diplomatic mission in Monrovia, some nations, such as Japan, have continuing economic concerns in Liberia and other nations, such as France, have national interests in western Africa; and

Whereas, negotiations for a ceasefire and the peaceful release of hostages are being led by Ghanian Kojo Tsikata, and Cote D'Ivoire, Burkina Faso and others are trying to use their influence to moderate combatants.

Therefore, be it resolved, that the Senate

- (1) commends the U.S. Armed Forces and the U.S. Embassy personnel for the successful evacuation of over 1795 people from Liberia;
- (2) declares that a breakdown of the Abuja process would have disastrous humanitarian

ramifications and seriously threaten other U.S. interests in west Africa;

- (3) calls upon all factions to reach a ceasefire and re-commit themselves to the Abuja process; and
- (4) urges the Administration to:
- a. scrutinize the Federal budget to identify funds that could be either re-programmed or transferred and used to support additional non-Nigerian West African peacekeepers;
- b. consider the provision of excess defense articles for communications and logistical support and training for crowd-control techniques for non-Nigerian troops to participate effectively in a west African peacekeeping force:
- c. use its influence with other nations with interests in Liberia to solicit further support for west African peacekeeping forces, including their participation at the April 26 meeting of a newly-formed Contact Group in Liberia; and
- d. lead efforts in the United Nations to activate a Commission in the United Nations to develop an implementation plan and sanctions against those parties violating the U.N. arms embargo on Liberia.

Mr. FEINGOLD. Mr. President, I am submitting a resolution today on behalf of myself, and Senators KASSEBAUM, SIMON, LEAHY, JEFFORDS, and PELL, which includes proposals for United States action in support of the Liberian peace process. I will be speaking at length on this later this week.
