STATES CODE

---

Mr. HYDE, from the Committee on the Judiciary, submitted the  
following

REPORT

[To accompany H.R. 2297]

[Including cost estimate of the Congressional Budget Office]

The Committee on the Judiciary, to whom was referred the bill (H.R. 2297) to codify without substantive change laws related to transportation and to improve the United States Code, having considered the same, report favorably thereon with an amendment in the nature of a substitute, as amended, and recommend that the bill as amended do pass.

The text of the amendment appears in italic type in the reported bill.

EXPLANATION OF AMENDMENT

Inasmuch as H.R. 2297 was ordered favorably reported with a single amendment in the nature of a substitute, as amended, the contents of this report explain that amendment.

STATEMENT

*Purpose.*—The purpose of the bill is to codify without substantive change laws related to transportation and to improve the United State Code. Specifically, the bill will incorporate in title 49, United States Code, which has been enacted into positive law, the provisions of several laws related to transportation that were not included in the codification of title 49. In the restatement, simple language has been substituted for awkward and obsolete terms, and superseded, executed, and obsolete statutes have been eliminated. The Office of the Law Revision Counsel of the House of Representatives has prepared and submitted this bill to the Committee as part of the responsibilities of the Office to provide revisions in titles of

the Code that have been enacted into law so that those titles may be kept current.

*Background.*—On July 5, 1994, H.R. 1758, a bill to codify the balance of title 49, United States Code, into positive law, was enacted as Public Law 103–272. Other transportation related laws enacted after June 30, 1993, the cutoff date for Public Law 103–272, were incorporated in title 49 by H.R. 4778, enacted as Public Law 103–429 on October 31, 1994. However, certain laws related to transportation were not included in title 49. This bill codifies those laws and makes other technical and conforming changes.

*Revision notes.*—A revision note has been prepared for each provision of the bill. The revision notes explain the changes made in the source laws. Each note identifies the statutory basis or source of the section and explains significant changes in, and omissions of, language. When practical, word-for-word substitutions of language are identified and explained. Standard changes made throughout the revision to achieve internal consistency are not explained each time they are made. Citations to the United States Code are to title, followed by a colon, and ending with the section number. For example, section 1 of title 1, United States Code, is cited 1:1.

*Standard changes.*—Certain standard changes are made uniformly throughout the provisions of the bill. The most significant are explained in the following paragraphs:

As far as possible, the statute is stated in the present tense and in the active voice. When there is a choice of 2 or more words, otherwise of equal legal effect, the more commonly understood word is used.

The word “shall” is used in the mandatory and imperative sense. The word “may” is used in the permissive and discretionary sense, as “is permitted to” and “is authorized to”. The words “may not” are used in a prohibitory sense, as “is not authorized to” and “is not permitted to”. The words “person may not” mean that no person is required, authorized, or permitted to do the act.

The words “any part of” mean “all or part of” and “in whole or in part”.

The word “includes” means “includes but is not limited to”.

The word “deemed” is used when a legal fiction, or what may in some cases be a legal fiction, is intended. The word “is” is used for statements of fact and legal conclusions.

The first time a descriptive title is used in a section, the complete title is used. Thereafter, in the same section, a shorter title is used unless the context requires the complete title to be used. For example, “Secretary of State” is used the first time the title appears in a section. Subsequently, in the same section, the title “Secretary” is used.

“United States Government” is substituted for “United States” (when used in referring to the Government), “Federal Government”, and other terms identifying the Government the first time the reference appears in a section. Thereafter, in the same section, “Government” is used unless the context requires the complete term to be used to avoid confusion with other governments.

The word “law” is substituted for “Act” and “joint resolution” for clarity because the word “law” includes Acts and joint resolutions.

The words “under section ——” are used instead of “pursuant to section ——” and “in accordance with section ——”.

The word “such” is not used as a demonstrative adjective. The use of the word “each”, “any”, “every”, or “all” is confined to instances in which a doubt could arise if the word were not used.

Provisos are not used. An exception or limitation is introduced by the words “except that” or “but” or by placing the excepting or limiting provision in a separate sentence.

*Substantive change not made.*—As in other codification bills enacting titles of the United States Code into positive law, this bill makes no substantive change in the law. It is sometimes feared that mere changes in terminology and style will result in changes in substance or impair the precedent value of earlier judicial decisions and other interpretations. This fear might have some weight if this were the usual kind of amendatory legislation in which it can be inferred that a change of language is intended to change substance. In a codification law, however, the courts uphold the contrary presumption: the law is intended to remain substantively unchanged. The following authorities affirm this principle:

*Stewart v. Kahn* (11 Wall. 493, 502 (1871)).

*Smythe v. Fiske* (23 Wall. 374, 382 (1874)).

*McDonald v. Hovey* (110 U.S. 619, 628 (1884)).

*United States v. Ryder* (110 U.S. 729, 740 (1884)).

*United States v. Sischo* (262 U.S. 165, 168 (1923)).

*Fourco Glass Co. v. Transmirra Products Corp.* (353 U.S. 222, 227 (1957)).

*Finley v. United States* (490 U.S. 545, (1989)).

*Trailer Marine Transport Corp. v. Federal Maritime Commission* (D.C. Cir., 602 F. 2d 379, 383 (1979)).

*Atchison, Topeka and Santa Fe Railway Co. v. United States* (7th Cir., 617 F. 2d 485, 490, 491 (1980)).

*Walsh v. Commonwealth* (224 Mass. 239, 112 N.E. 486, 487 (1916)).

*State ex rel. Rankin v. Wilboux County Bank* (85 Mont. 532, 281 Pac. 341, 344 (1929)).

*In re Sullivan's Estate* (38 Ariz. 387, 300 Pac. 193, 195 (1931)).

*Sigal v. Wise* (114 Conn. 297, 158 Atl. 891, 894 (1932)).

*Martin v. Dyer-Kane Co.* (113 N.J. Eq. 88, 166 Atl. 227, 229 (1933)).

#### COMMITTEE VOTE

At a meeting of the Committee on the Judiciary on April 24, 1996, a quorum being present, an amendment to the amendment in the nature of a substitute offered by Mr. Hyde was offered by Mr. Conyers. The amendment was approved by a voice vote and H.R. 2297, as amended, was approved by a voice vote and ordered favorably reported.

## STATEMENTS UNDER CLAUSE 2(l)(3) AND (4) OF RULE XI

Since the purpose of H.R. 2297, as amended, is to codify changes in the law without making any substantive change in the law, no oversight findings or recommendations have been made with respect to the bill.

The enactment of this bill will have no inflationary impact on prices or costs in the operation of the national economy.

The bill does not provide new budget authority or new or increased tax expenditures.

The Director of the Congressional Budget Office has submitted the following letter reporting on the bill.

U.S. CONGRESS,  
CONGRESSIONAL BUDGET OFFICE,  
*Washington, DC, May 3, 1996.*

Hon. HENRY J. HYDE,  
*Chairman, Committee on the Judiciary,  
House of Representatives, Washington, DC.*

DEAR MR. CHAIRMAN: The Congressional Budget Office has reviewed H.R. 2297, a bill to codify without substantive change laws related to transportation and to improve the United States Code, as ordered reported by the House Committee on the Judiciary on April 24, 1996. CBO estimates that enacting this legislation would result in no cost to the federal government.

Enacting H.R. 2297 would not affect direct spending or receipts. Therefore, pay-as-you-go procedures would not apply to this legislation. The bill contains no new intergovernmental or private sector mandates, as defined in Public Law 104-4, and would impose no new direct costs on state, local, or tribal governments.

If you wish further details on this estimate, we will be pleased to provide them. The CBO staff contact is Mark Grabowicz.

Sincerely,

JUNE E. O'NEILL, *Director.*

## SECTION 7—REPEAL OF OTHER LAWS

Section 7(1) repeals section 119 “Sec. 404(f)” of the Amtrak Reorganization Act of 1979 (Public Law 96–73, 93 Stat. 547) to eliminate an executed provision. Section 119 added section 404(f) to the Rail Service Passenger Service Act (Public Law 91–518, 84 Stat. 1327), that was repealed by section 8(6) of the Act of October 31, 1994 (Public Law 103–429, 108 Stat. 4390).

Section 7(2) repeals sections 1(a)(3) and (b), 2, and 4–6 of Reorganization Plan No. 2 of 1968 (effective June 30, 1968, 82 Stat. 1369) to eliminate obsolete provisions.

Section 7(3) repeals sections 5005 and 6020 of the Intermodal Surface Transportation Efficiency Act (49 U.S.C. 301(notes)) to eliminate obsolete provisions. Section 5005 provided for a National Commission on Intermodal Transportation and provided that the Commission terminate on the 180th day following the date the final report of the Commission was submitted to Congress. That report was submitted on September 29, 1994. Section 6020 provided that the Secretary of Transportation conduct a study to evaluate the feasibility, costs, and benefits of constructing and operating pneumatic capsule pipelines for underground movement of commodities other than hazardous liquid and gas and submit a report on the results of the study not later than 2 years after December 18, 1991. The report has been submitted.

Section 7(4) repeals section 317 of the Department of Transportation and Related Agencies Appropriations Act, 1995 (49 U.S.C. 44502(note)) because section 317 was a repeat provision and an identical provision was restated as 49:44502(f) by the codification of title 49 as enacted by section 1 of the Act of July 5, 1994 (Public Law 103–272, 108 Stat. 1176).

Section 7(5) repeals the Department of Transportation Act (Public Law 89–670, 80 Stat. 931). The substantive provisions of this law were restated as part of title 49, United States Code, and repealed by those restatements. Those provisions were repealed by section 4(b) of the Act of October 13, 1978 (Public Law 95–473, 92 Stat. 1469), section 7(b) of the Act of January 12, 1983 (Public Law 97–449, 96 Stat. 2444), and section 7(b) of the Act of July 5, 1994 (Public Law 103–272, 108 Stat. 1365). The remaining sections of the Department of Transportation Act repealed in this bill consist of amendments to other laws and provisions related to the construction of those amendments. The provisions amended include section 206(c) of the Appalachian Regional Development Act of 1965 (40 App. U.S.C. 206(c)), section 13(b)(1) of the Fair Labor Standards Act of 1938 (29 U.S.C. 213(b)(1)), section 1 of the Act of May 13, 1954 (33 U.S.C. 981), section 3(a) of the Marine Resources and Engineering Development Act of 1966 (Public Law 89–454, 80 Stat. 204), section 2(e) of the Act of September 22, 1966 (Public Law 89–599, 80 Stat. 829), and titles 3, 5, 10, and 18 of the Code. Because the sections being repealed are amendatory or constructive in nature, all that is being repealed is the directory language of the statute. This clause completes the repeal of the Department of Transportation Act.

Section 7(6) repeals sections 129 and 135 of the Airport and Airway Safety, Capacity, Noise Improvement, and Intermodal Trans-

portation Act of 1992 (Public Law 102–581, 106 Stat. 4886), to eliminate executed provisions.

Section 7(7) repeals section 27 of the Bus Regulatory Reform Act of 1982 (Public Law 97–261, 96 Stat. 1126) to eliminate an obsolete provision.

Section 7(8) repeals section 4007(a), (c), (d), and (e) of the Intermodal Surface Transportation Efficiency Act of 1991 (Public Law 102–240, 105 Stat. 2151, 2152) to eliminate obsolete provisions.

#### SECTION 8—EFFECTIVE DATE

Section 8(1) provides that the conforming amendment to title 28 and certain technical and conforming amendments to title 49, as enacted by section 1 of the Act of July 5, 1994 (Public Law 103–272, 108 Stat. 745), are effective as of the date of enactment of that Act.

Section 8(2) provides that the conforming amendment to 49:47117(e)(1)(B) under section 5(83)(A) of this Act is effective as of the enactment of the Act of October 31, 1994 (Public Law 103–429, 108 Stat. 4377), because of the amendments to 49:47504 in section 6(71)(C) of the Act of October 31, 1994 (Public Law 103–429, 108 Stat. 4387).

#### SECTION 9—LEGISLATIVE PURPOSE AND CONSTRUCTION

#### SECTION 10—REPEALS

Section 10 relates to the repeal of those statutes that are codified and reenacted by the bill.

Subsection (a) provides that a repeal of a law may not be construed as a legislative inference that the provision was or was not in effect before its repeal.

Subsection (b) contains the schedule of laws to be repealed. It also preserves rights, duties, and penalties incurred, and proceedings begun, before the date of enactment of the bill.

#### CHANGES IN EXISTING LAW MADE BY THE BILL

**[TITLE VI—METROPOLITAN WASHINGTON AIRPORTS**

**SEC. 6001. SHORT TITLE.**

This title may be cited as the “Metropolitan Washington Airports Act of 1986”.

**SEC. 6002. FINDINGS.**

The Congress finds that—

- (1) the two federally owned airports in the metropolitan area of Washington, District of Columbia, constitute an important and growing part of the commerce, transportation, and economic patterns of the Commonwealth of Virginia, the District of Columbia, and the surrounding region;
- (2) Baltimore/Washington International Airport, owned and operated by the State of Maryland, is an air transportation fa-

cility that provides service to the greater Metropolitan Washington region together with the two federally owned airports, and timely Federal-aid grants to Baltimore/Washington International Airport will provide additional capacity to meet the growing air traffic needs and to compete with other airports on a fair basis;

(3) the Federal Government has a continuing but limited interest in the operation of the two federally owned airports, which serve the travel and cargo needs of the entire Metropolitan Washington region as well as the District of Columbia as the national seat of government;

(4) operation of the Metropolitan Washington Airports by an independent local agency will facilitate timely improvements at both airports to meet the growing demand of interstate air transportation occasioned by the Airline Deregulation Act of 1978 (Public Law 95-504; 92 Stat. 1705);

(5) all other major air carrier airports in the United States are operated by public entities at the State, regional, or local level;

(6) any change in status of the two airports must take into account the interest of nearby communities, the traveling public, air carriers, general aviation, airport employees, and other interested groups, as well as the interests of the Federal Government and State governments involved;

(7) in recognition of a perceived limited need for a Federal role in the management of these airports and the growing local interest, the Secretary has recommended a transfer of authority from the Federal to the local/State level that is consistent with the management of major airports elsewhere in the Nation;

(8) an operating authority with representation from local jurisdictions, similar to authorities at all major airports in the United States, will improve communications with local officials and concerned residents regarding noise at the Metropolitan Washington Airports;

(9) a commission of congressional, State, and local officials and aviation representatives has recommended to the Secretary that transfer of the federally owned airports be as a unit to an independent authority to be created by the Commonwealth of Virginia and the District of Columbia; and

(10) the Federal interest in these airports can be provided through a lease mechanism which provides for local control and operation.

#### **SEC. 6003. PURPOSE.**

(a) IN GENERAL.—It is therefore declared to be the purpose of the Congress in this title to authorize the transfer of operating responsibility under long-term lease of the two Metropolitan Washington Airport properties as a unit, including access highways and other related facilities, to a properly constituted independent airport authority created by the Commonwealth of Virginia and the District of Columbia, in order to achieve local control, management, operation, and development of these important transportation assets.

(b) **INCLUSION OF BWI NOT PRECLUDED.**—Nothing in this title shall be construed to prohibit the Airports Authority and the State of Maryland from entering into an agreement whereby Baltimore/Washington International Airport may be made part of a regional airports authority, subject to terms and conditions agreed to by the Airports Authority, the Secretary, the Commonwealth of Virginia, the District of Columbia, and the State of Maryland.

(A) IN GENERAL.—This paragraph is enacted by Congress—

(i) as an exercise of the rulemaking power of the Senate and the House of Representatives, respectively, and as such these provisions are deemed a part of the rule of each House, respectively, but applicable only with respect to the procedure to be followed in that House in the case of resolutions described by this paragraph; and they supersede other rules only to the extent that they are inconsistent therewith; and

(ii) with full recognition of the constitutional right of either House to change the rule (so far as relating to the procedure of that House) at any time, in the same manner and to the same extent as in the case of any other rule of that House.

(B) RESOLUTION DEFINED.—For the purpose of this paragraph, the term “resolution” means only a joint resolution, relating to an action of the board of directors transmitted to Congress in accordance with paragraph (4)(D)(ii), the matter after the resolving clause of which is as follows: “That the Congress disapproves of the action of the board of directors of the Metropolitan Washington Airports Authority described as follows: \_\_\_\_\_”, the blank space therein being appropriately filled. Such term does not include a resolution which specifies more than one action.

(C) REFERRAL.—A resolution with respect to a board of director’s action shall be referred to the Committee on Public Works and Transportation of the House of Representatives, or the Committee on Commerce, Science and Technology of the Senate, by the Speaker of the House of Representatives or the President of the Senate, as the case may be.

(D) MOTION TO DISCHARGE.—If the committee to which a resolution has been referred has not reported it at the end of 20 calendar days after its introduction, it is in order to move to discharge the committee from further consideration of that joint resolution or any other resolution with respect to the board of directors action which has been referred to the committee.

(E) RULES WITH RESPECT TO MOTION.—A motion to discharge may be made only by an individual favoring the resolution, is highly privileged (except that it may not be made after the committee has reported a resolution with respect to the same action), and debate thereon shall be limited to not more than 1 hour, to be divided equally between those favoring and those opposing the resolution. An amendment to the motion is not in order, and it is not in order to move to reconsider the vote by which the motion is agreed to or disagreed to. Motions to postpone shall be decided without debate.

(F) EFFECT OF MOTION.—If the motion to discharge is agreed to or disagreed to, the motion may not be renewed, nor may another motion to discharge the committee be made with respect to any other resolution with respect to the same action.

(G) SENATE PROCEDURE.—

(i) MOTION TO PROCEED.—When the committee of the Senate has reported, or has been discharged from further consideration of, a resolution, it is at any time thereafter in order (even though a previous motion to the same effect has been disagreed to) to move to proceed to the consideration of the resolution. The motion is highly privileged and is not debatable. An amend-

ment to the motion is not in order, and it is not in order to move to reconsider the vote by which the motion is agreed to or disagreed to.

(ii) LIMITATION ON DEBATE.—Debate in the Senate on the resolution shall be limited to not more than 10 hours, which shall be divided equally between those favoring and those opposing the resolution. A motion further to limit debate is not debatable. An amendment to, or motion to recommit, the resolution is not in order, and it is not in order to move to reconsider the vote by which the resolution is agreed to or disagreed to.

(iii) NO DEBATE ON CERTAIN MOTIONS.—In the Senate, motions to postpone made with respect to the consideration of a resolution and motions to proceed to the consideration of other business shall be decided without debate.

(iv) APPEALS.—Appeals from the decisions of the Chair relating to the application of the rules of the Senate to the procedure relating to a resolution shall be decided without debate.

(H) EFFECT OF ADOPTION OF RESOLUTION BY OTHER HOUSE.—If, before the passage by 1 House of a joint resolution of that House, that House receives from the other House a joint resolution, then the following procedures shall apply:

(i) The joint resolution of the other House shall not be referred to a committee and may not be considered in the House receiving it, except in the case of final passage as provided in clause (ii)(I).

(ii) With respect to a joint resolution described in clause (i) of the House receiving the joint resolution—

(I) the procedure in that House shall be the same as if no joint resolution had been received from the other House; but

(II) the vote on final passage shall be on the joint resolution of the other House.

Upon disposition of the joint resolution received from the other House, it shall no longer be in order to consider the joint resolution that originated in the receiving House.

(6) REQUEST FOR CONSIDERATION OF OTHER MATTERS.—The Board of Review may request the Airports Authority to consider and vote, or to report, on any matter related to the Metropolitan Washington Airports. Upon receipt of such a request the Airports Authority shall consider and vote, or report, on the matter as promptly as feasible.

(7) PARTICIPATION IN MEETINGS OF AIRPORTS AUTHORITY.—Members of the Board of Review may participate as nonvoting members in meetings of the board of the Airports Authority.

(10) **CONFLICTS OF INTEREST.**—In every contract or agreement to be made or entered into, or accepted by or on behalf of the Airports Authority, there shall be inserted an express condition that no member of a Board of Review shall be admitted to any share or part of such contract or agreement, or to any benefit to arise thereupon.

(11) **REMOVAL.**—A member of the Board of Review shall be subject to removal only for cause by a two-thirds vote of the board of directors.

(g) **CERTAIN ACTIONS TO BE TAKEN BY REGULATION.**—Any action of the Airports Authority changing, or having the effect of changing, the hours of operation of or the type of aircraft serving either of the Metropolitan Washington Airports may be taken only by regulation of the Airports Authority.

(h) **LIMITATION ON AUTHORITY.**—If the Board of Review established under subsection (f) is unable to carry out its functions under this title by reason of a judicial order, the Airports Authority thereafter shall have no authority to perform any of the actions that are required by paragraph (f)(4) to be submitted to the Board of Review.

(i) **REVIEW OF CONTRACTING PROCEDURES.**—The Comptroller General shall review contracts of the Airports Authority to determine whether such contracts were awarded by procedures which follow sound Government contracting principles and are in compliance with section 6005(c)(4) of this title. ## **SEC. 6008. EMPLOYEES AT METROPOLITAN WASHINGTON AIRPORTS.**

(a) **EMPLOYEE PROTECTION.**—Not later than the date the lease under section 6005 takes effect, the Secretary shall ensure that the Airports Authority has established arrangements to protect the employment interests of employees during the 5-year period beginning on such date. These arrangements shall include provisions—

(1) which ensure that the Airports Authority will adopt labor agreements in accordance with the provisions of subsection (b) of this section;

(2) for the transfer and retention of all employees who agree to transfer to the Airports Authority in their same positions for the 5-year period commencing on the date the lease under section 6005 takes effect except in cases of reassignment, separation for cause, resignation, or retirement;

(3) for the payment by the Airports Authority of basic and premium pay to transferred employees, except in cases of separation for cause, resignation, or retirement, for 5 years commencing on the date the lease takes effect at or above the rates of pay in effect for such employees on such date;

(4) for credit during the 5-year period commencing on the date the lease takes effect for accrued annual and sick leave and seniority rights which have been accrued during the period of Federal employment by transferred employees retained by the Airports Authority; and

(5) for an offering of not less than one life insurance and three health insurance programs for transferred employees retained by the Airports Authority during the 5-year period beginning on the date the lease takes effect which are reasonably comparable with respect to employee premium cost and coverage to the Federal health and life insurance programs available to employees on the day before such date.

(b) LABOR AGREEMENTS.—

(1) ADOPTION.—The Airports Authority shall adopt all labor agreements which are in effect on the date the lease under section 6005 takes effect. Such agreements shall continue in effect for the 5-year period commencing on such date, unless the agreement provides for a shorter duration or the parties agree to the contrary before the expiration of that 5-year period. Such agreements shall be renegotiated during the 5-year period, unless the parties agree otherwise. Any labor-management negotiation impasse declared before the date the lease takes effect shall be settled in accordance with chapter 71 of title 5, United States Code.

(2) CONTINUATION.—The arrangements made pursuant to this section shall assure, during the 50-year lease term, the continuation of all collective bargaining rights enjoyed by transferred employees retained by the Airports Authority.

(c) RIGHTS OF TERMINATED EMPLOYEES.—Any transferred employee whose employment with the Airports Authority is terminated during the 5-year period beginning on the date the lease under section 6005 takes effect shall be entitled, as a condition of any lease entered into in accordance with section 6005 of this title, to rights and benefits to be provided by the Airports Authority that are similar to those such employee would have had under Federal law if termination had occurred immediately before such date.

(d) ANNUAL AND SICK LEAVE.—Any employee who transfers to the Airports Authority under this section shall not be entitled to lump-sum payment for unused annual leave under section 5551 of title 5, United States Code, but shall be credited by the Airports Authority with the unused annual leave balance on the date the lease under section 6005 takes effect, along with any unused sick leave balance on such date. During the 5-year period beginning on such date, annual and sick leave shall be earned at the same rates permitted on the day before such date, and observed official holidays shall be the same as those specified in section 6103 of title 5, United States Code.

(e) CIVIL SERVICE RETIREMENT.—Any Federal employee who transfers to the Airports Authority and who on the day before the date the lease under section 6005 takes effect is subject to subchapter III of chapter 83 of title 5, United States Code, or chapter 84 of such title shall, so long as continually employed by the Airports Authority without a break in service, continue to be subject to such subchapter or chapter, as the case may be. Employment by

the Airports Authority without a break in continuity of service shall be considered to be employment by the United States Government for purposes of such subchapter and chapter. The Airports Authority shall be the employing agency for purposes of such subchapter and chapter and shall contribute to the Civil Service Retirement and Disability Fund such sums as are required by such subchapter and chapter.

(f) SEPARATED EMPLOYEES.—An employee who does not transfer to the Airports Authority and who does not otherwise remain a Federal employee shall be entitled to all of the rights and benefits available under Federal law for separated employees, except that severance pay shall not be payable to an employee who does not accept an offer of employment from the Airports Authority of work substantially similar to that performed for the Federal Government.

(g) ACCESS TO RECORDS.—The Airports Authority shall allow representatives of the Secretary adequate access to employees and employee records of the Airports Authority when needed for the performance of functions related to the period before the date the lease under section 6005 takes effect. The Secretary shall provide the Airports Authority access to employee records of transferring employees for appropriate purposes.

#### **SEC. 6009. RELATIONSHIP TO AND EFFECT OF OTHER LAWS.**

(a) OTHER LAWS.—In order to assure that the Airports Authority has the same proprietary powers and is subject to the same restrictions with respect to Federal law as any other airport except as otherwise provided in this title, during the period that the lease authorized by section 6005 of this title is in effect—

(1) the Metropolitan Washington Airports shall be considered public airports for purposes of the Airport and Airway Improvement Act of 1982 (49 App. U.S.C. 2201 et seq.); and

(2) the Acts entitled “An Act to provide for the administration of the Washington National Airport, and for other purposes”, approved June 29, 1940 (54 Stat. 686), “An Act to authorize the construction, protection, operation, and maintenance of a public airport in or in the vicinity of the District of Columbia”, approved September 7, 1950 (64 Stat. 770), and “An act making supplemental appropriations for the support of the Government for the fiscal year ending June 30, 1941, and for other purposes”, approved October 9, 1940 (54 Stat. 1030), shall not apply to the operation of the Metropolitan Washington Airports, and the Secretary shall be relieved of all responsibility under those Acts.

(b) INAPPLICABILITY OF CERTAIN LAWS.—The Metropolitan Washington Airports and the Airports Authority shall not be subject to the requirements of any law solely by reason of the retention by the United States of the fee simple title to such airports or by reason of the authority of the Board of Review under subsection 6007(f).

(c) POLICE POWER.—The Commonwealth of Virginia shall have concurrent police power authority over the Metropolitan Washing-

ton Airports, and the courts of the Commonwealth of Virginia may exercise jurisdiction over Washington National Airport.

(A) with the National Capital Planning Commission and the Advisory Council on Historic Preservation before undertaking any major alterations to the exterior of the main terminal at Washington Dulles International Airport, and

(B) with the National Capital Planning Commission before undertaking development that would alter the skyline of Washington National Airport when viewed from the opposing shoreline of the Potomac River or from the George Washington Parkway.

(e) OPERATION LIMITATIONS.—

(1) HIGH DENSITY RULE.—The Administrator may not increase the number of instrument flight rule takeoffs and landings authorized for air carriers by the High Density Rule (14 C.F.R. 93.121 et seq.) at Washington National Airport on October 18, 1986, and may not decrease the number of such takeoffs and landings except for reasons of safety.

(2) ANNUAL PASSENGER LIMITATIONS.—The Federal Aviation Administration air traffic regulation entitled “Modification of Allocation: Washington National Airport” (14 C.F.R. 93.124) shall cease to be in effect on the date of the enactment of this title.

The Secretary and the Airports Authority may at any time negotiate an extension of the lease entered into under section 6005(a).

**SEC. 6011. SEPARABILITY.**

Except as provided in section 6007(h), if any provision of this title or the application thereof to any person or circumstance, is held invalid, the remainder of this title and the application of such provision to other persons or circumstances shall not be affected thereby.

**SEC. 6012. NONSTOP FLIGHTS.**

An air carrier may not operate an aircraft nonstop in air transportation between Washington National Airport and another airport that is more than 1,250 statute miles away from Washington National Airport.】

#### **§49101. Findings**

*Congress finds that—*

*(1) the 2 federally owned airports in the metropolitan area of the District of Columbia constitute an important and growing part of the commerce, transportation, and economic patterns of Virginia, the District of Columbia, and the surrounding region;*

*(2) Baltimore/Washington International Airport, owned and operated by Maryland, is an air transportation facility that provides service to the greater Metropolitan Washington region together with the 2 federally owned airports, and timely Federal-aid grants to Baltimore/Washington International Airport will provide additional capacity to meet the growing air traffic needs and to compete with other airports on a fair basis;*

*(3) the United States Government has a continuing but limited interest in the operation of the two federally owned airports, which serve the travel and cargo needs of the entire Metropolitan Washington region as well as the District of Columbia as the national seat of government;*

*(4) operation of the Metropolitan Washington Airports by an independent local authority will facilitate timely improvements at both airports to meet the growing demand of interstate air transportation occasioned by the Airline Deregulation Act of 1978 (Public Law 95-504; 92 Stat. 1705);*

*(5) all other major air carrier airports in the United States are operated by public entities at the State, regional, or local level;*

*(6) any change in status of the 2 airports must take into account the interest of nearby communities, the traveling public, air carriers, general aviation, airport employees, and other interested groups, as well as the interests of the United States Government and State governments involved;*

*(7) in recognition of a perceived limited need for a Federal role in the management of these airports and the growing local interest, the Secretary of Transportation has recommended a transfer of authority from the Federal to the local/State level that is consistent with the management of major airports elsewhere in the United States;*

*(8) an operating authority with representation from local jurisdictions, similar to authorities at all major airports in the United States, will improve communications with local officials and concerned residents regarding noise at the Metropolitan Washington Airports;*

*(9) a commission of congressional, State, and local officials and aviation representatives has recommended to the Secretary that transfer of the federally owned airports be as a unit to an independent authority to be created by Virginia and the District of Columbia; and*

(10) the Federal interest in these airports can be provided through a lease mechanism which provides for local control and operation.

**§49102. Purpose**

(a) *GENERAL.*—The purpose of this chapter is to authorize the transfer of operating responsibility under long-term lease of the 2 Metropolitan Washington Airport properties as a unit, including access highways and other related facilities, to a properly constituted independent airport authority created by Virginia and the District of Columbia, in order to achieve local control, management, operation, and development of these important transportation assets.

(b) *INCLUSION OF BALTIMORE/WASHINGTON INTERNATIONAL AIRPORT NOT PRECLUDED.*—This chapter does not prohibit the Airports Authority and Maryland from making an agreement to make Baltimore/Washington International Airport part of a regional airports authority, subject to terms agreed to by the Airports Authority, the Secretary of Transportation, Virginia, the District of Columbia, and Maryland.

**§49103. Definitions**

In this chapter—

(1) “Airports Authority” means the Metropolitan Washington Airports Authority, a public authority created by Virginia and the District of Columbia consistent with the requirements of sections 49106 and 49107 of this title.

(1) The Airports Authority shall operate, maintain, protect, promote, and develop the Metropolitan Washington Airports as a unit and as primary airports serving the metropolitan Washington area.

(2)(A) In this paragraph, ‘airport purposes’ means a use of property interests (except a sale) for—

(i) aviation business or activities;

(ii) activities necessary or appropriate to serve passengers or cargo in air commerce; or  
 (iii) nonprofit, public use facilities.

(B) During the period of the lease, the real property constituting the Metropolitan Washington Airports shall be used only for airport purposes.

(C) If the Secretary decides that any part of the real property leased to the Airports Authority under this chapter is used for other than airport purposes, the Secretary shall—

(i) direct that the Airports Authority take appropriate measures to have that part of the property be used for airport purposes; and

(ii) retake possession of the property if the Airports Authority fails to have that part of the property be used for airport purposes within a reasonable period of time, as the Secretary decides.

(3) The Airports Authority is subject to section 47107(a)–(c) and (e) of this title and to the assurances and conditions required of grant recipients under the Airport and Airway Improvement Act of 1982 (Public Law 97–248, 96 Stat. 671) as in effect on June 7, 1987. Notwithstanding section 47107(b) of this title, all revenues generated by the Metropolitan Washington Airports shall be expended for the capital and operating costs of the Metropolitan Washington Airports.

(4) In acquiring by contract supplies or services for an amount estimated to be more than \$200,000, or awarding concession contracts, the Airports Authority to the maximum extent practicable shall obtain complete and open competition through the use of published competitive procedures. By a vote of 7 members, the Airports Authority may grant exceptions to the requirements of this paragraph.

(5)(A) Except as provided in subparagraph (B) of this paragraph, all regulations of the Metropolitan Washington Airports (14 C.F.R. part 159) become regulations of the Airports Authority as of June 7, 1987, and remain in effect until modified or revoked by the Airports Authority under procedures of the Airports Authority.

(B) Sections 159.59(a) and 159.191 of title 14, Code of Federal Regulations, do not become regulations of the Airports Authority.

(C) The Airports Authority may not increase or decrease the number of instrument flight rule takeoffs and landings authorized by the High Density Rule (14 C.F.R. 93.121 et seq.) at Washington National Airport on October 18, 1986, and may not impose a limitation on the number of passengers taking off or landing at Washington National Airport.

(6)(A) Except as specified in subparagraph (B) of this paragraph, the Airports Authority shall assume all rights, liabilities, and obligations of the Metropolitan Washington Airports on June 7, 1987, including leases, permits, licenses, contracts, agreements, claims, tariffs, accounts receivable, accounts payable, and litigation related to those rights and obligations, regardless whether judgment has been entered, damages awarded, or appeal taken. The Airports Authority must cooperate in

*allowing representatives of the Attorney General and the Secretary adequate access to employees and records when needed for the performance of duties and powers related to the period before June 7, 1987. The Airports Authority shall assume responsibility for the Federal Aviation Administration's Master Plans for the Metropolitan Washington Airports.*

*(B) The procedure for disputes resolution contained in any contract entered into on behalf of the United States Government before June 7, 1987, continues to govern the performance of the contract unless otherwise agreed to by the parties to the contract. Claims for monetary damages founded in tort, by or against the Government as the owner and operator of the Metropolitan Washington Airports, arising before June 7, 1987, shall be adjudicated as if the lease had not been entered into.*

*(C) The Administration is responsible for reimbursing the Employees' Compensation Fund, as provided in section 8147 of title 5, for compensation paid or payable after June 7, 1987, in accordance with chapter 81 of title 5 for any injury, disability, or death due to events arising before June 7, 1987, whether or not a claim was filed or was final on that date.*

*(D) The Airports Authority shall continue all collective bargaining rights enjoyed by employees of the Metropolitan Washington Airports before June 7, 1987.*

*(7) The Comptroller General may conduct periodic audits of the activities and transactions of the Airports Authority in accordance with generally accepted management principles, and under regulations the Comptroller General may prescribe. An audit shall be conducted where the Comptroller General considers it appropriate. All records and property of the Airports Authority shall remain in possession and custody of the Airports Authority.*

*(8) The Airports Authority shall develop a code of ethics and financial disclosure to ensure the integrity of all decisions made by its board of directors and employees. The code shall include standards by which members of the board will decide, for purposes of section 49106(d) of this title, what constitutes a substantial financial interest and the circumstances under which an exception to the conflict of interest prohibition may be granted.*

*(9) A landing fee imposed for operating an aircraft or revenues derived from parking automobiles—*

*(A) at Washington Dulles International Airport may not be used for maintenance or operating expenses (excluding debt service, depreciation, and amortization) at Washington National Airport; and*

*(B) at Washington National Airport may not be used for maintenance or operating expenses (excluding debt service, depreciation, and amortization) at Washington Dulles International Airport.*

*(10) The Airports Authority shall compute the fees and charges for landing general aviation aircraft at the Metropolitan Washington Airports on the same basis as the landing fees for air carrier aircraft, except that the Airports Authority may*

require a minimum landing fee that is not more than the landing fee for aircraft weighing 12,500 pounds.

(11) *The Secretary shall include other terms applicable to the parties to the lease that are consistent with, and carry out, this chapter.*

(b) *PAYMENTS.—Under the lease, the Airports Authority must pay to the general fund of the Treasury annually an amount, computed using the GNP Price Deflator, equal to \$3,000,000 in 1987 dollars. The Secretary and the Airports Authority may renegotiate the level of lease payments attributable to inflation costs every 10 years.*

(c) *ENFORCEMENT OF LEASE PROVISIONS.—The district courts of the United States have jurisdiction to compel the Airports Authority and its officers and employees to comply with the terms of the lease. An action may be brought on behalf of the United States by the Attorney General, or by any aggrieved party.*

(d) *EXTENSION OF LEASE.—The Secretary and the Airports Authority may at any time negotiate an extension of the lease.*

**§49105. Capital improvements, construction, and rehabilitation**

(a) *SENSE OF CONGRESS.—It is the sense of Congress that the Metropolitan Washington Airports Authority—*

*(1) should pursue the improvement, construction, and rehabilitation of the facilities at Washington Dulles International Airport and Washington National Airport simultaneously; and*

*(2) to the extent practicable, should cause the improvement, construction, and rehabilitation proposed by the Secretary of Transportation to be completed at Washington Dulles International Airport and Washington National Airport within 5 years after the earliest date on which the Airports Authority issues bonds under section 49106(b)(1)(B) of this title for that improvement, construction, or rehabilitation.*

(b) *SECRETARY'S ASSISTANCE.—The Secretary shall assist the 3 airports serving the District of Columbia metropolitan area in planning for operational and capital improvements at those airports and shall accelerate consideration of applications for United States Government financial assistance by whichever of the 3 airports is most in need of increasing airside capacity.*

**§49106. Metropolitan Washington Airports Authority**

(a) *STATUS.—The Metropolitan Washington Airports Authority shall be—*

(B) does not include a resolution that specifies more than one action.

(2) This subsection is enacted by Congress—

(B) A motion to discharge may be made only by an individual favoring the resolution and is highly privileged (except that the motion may not be made after the committee has reported a resolution on the same action). Debate on the motion is limited to not more than one hour, to be divided equally between those favoring and those opposing the resolution. An amendment to the motion is not in order. (C) Motions to postpone shall be decided without debate.

(D) If the motion to discharge is agreed to or disagreed to, the motion may not be renewed and another motion to discharge the committee from another resolution on the same action may not be made.

(5)(A) After the Committee on Commerce, Science, and Transportation of the Senate reports, or is discharged from further consideration of, a resolution, a motion to proceed to the consideration of the resolution is in order at any time, even though a similar previous motion has been disagreed to. The motion is highly privileged and is not debatable. An amendment to the motion is not in order. A mo-

(B) With respect to a joint resolution described in subparagraph (A) of this paragraph of the House receiving the joint resolution—

(i) the procedure in that House shall be the same as if no joint resolution had been received from the other House; but

(ii) the vote on final passage shall be on the joint resolution of the other House.

(C) On disposition of the joint resolution received from the other House, consideration of the joint resolution that originated in the receiving House is not in order.
