In the event that the contract is not executed by December 31, 1998, the transfer described in this subsection shall occur on December 31, 1998 (so long as condition (i) of this subparagraph has been satisfied), based on application of the contract terms described in paragraph (3)(E), which terms shall be enforceable under this Act. Upon the

approval of the Secretary, the Tribe may contract with third parties to operate the Black River facilities.

“(C) Power lines currently operated by Phelps Dodge on the Tribe’s Reservation, and the right-of-way associated with such power lines, shall be surrendered by Phelps Dodge to the Tribe, without cost to the Tribe. Prior to the surrender of the power lines, the Bureau of Reclamation shall arrange for an inspection of the power lines and associated facilities by a qualified third party and shall obtain a certification that such power lines and facilities are of sound design and are in good working order. Phelps Dodge shall pay for the cost of such inspection and certification. Concurrently with the surrender of the power lines and the right-of-way, Phelps Dodge shall construct a switch station at the boundary of the Reservation at which the Tribe may switch power on or off and shall deliver ownership and control of such switch station to the Tribe. Subsequent to the transfer of the power lines and the right-of-way and the delivery of ownership and control of the switch station to the Tribe, Phelps Dodge shall have no further obligation or liability of any nature with respect to the ownership, operation, or maintenance of the power lines, the right-of-way, or the switch station.

“(D) The Tribe and the United States will enter into an exchange agreement with the Salt River Project which will deliver CAP water controlled by the Tribe to the Salt River Project in return for the diversion of water from the Black River into the Black River facilities. The exchange agreement shall be subject to review and approval by Phelps Dodge, which approval shall not be unreasonably withheld. Notwithstanding any other provision of law, the contract referred to in this subparagraph is ratified and confirmed.

“(E) The Tribe, the United States, and Phelps Dodge will execute a contract covering the lease and delivery of CAP water from the Tribe to Phelps Dodge on the following terms:

“(i) The Tribe will lease to Phelps Dodge 14,000 acre feet of CAP water per year as of the date on which the interim period referred to in paragraph (2) expires. The lease shall be subject to the terms and conditions identified in the Tribal CAP Delivery Contract referenced in section 3706(b). The leased CAP water shall be delivered to Phelps Dodge from the Black River pursuant to the exchange referred to in subparagraph (D) above, based on diversions from the Black River that shall not exceed an annual average of 40 acre feet per day and shall not cause the flow of Black River to fall below 20 cubic feet per second. Such CAP water shall be delivered to Phelps Dodge at that location where the channel of Eagle Creek last exits the Reservation, to be utilized in the Morenci mine complex and the towns of Clifton and Morenci, and at no other location.

“(ii) The leased CAP water shall be junior to the diversion and use of up to 7,300 acre feet per year

from the Black and Salt Rivers by the San Carlos Apache Tribe.

“(iii) The lease will be for a term of 50 years or, if earlier, the date upon which mining activities at the Morenci mine complex cease, with a right to renew for an additional 50 years upon a finding by the Secretary that the water is needed for continued mining activities at the Morenci mine complex. The lease shall have the following financial terms:

“(I) The Tribe will lease CAP water at a cost of \$1,200 per acre foot. Phelps Dodge shall pay to the United States, on behalf of the Tribe, the sum of \$5,000,000 upon the earlier of the execution of the agreement, or upon the expiration of the interim period referred to in paragraph (2) hereof, which amount shall be a prepayment for and applicable to the first 4,166 acre feet of CAP water to be delivered in each year during the term of the lease.

“(II) Phelps Dodge shall pay the United States, on behalf of the Tribe, the sum of \$65 per acre foot per year, with an annual CPI adjustment for the remaining 9,834 acre feet of water to be delivered pursuant to the lease each year. Such payments shall be made in advance on January 1 of each year, with a reconciliation made at year-end, if necessary, in the event that less than 14,000 acre feet of CAP water is diverted from the Black River due to shortages in the CAP system or on the Black River.

“(III) Phelps Dodge shall pay in advance each month the Tribe’s reasonable costs associated with the Tribe’s operation, maintenance, and replacement of the Black River facilities for purposes of delivering water to Phelps Dodge pursuant to the lease, which costs shall be based upon the experience of the Bureau of Reclamation in operating the Black River facilities during the interim period referred to in paragraph (2), subject to an annual CPI adjustment, and providing for a credit for power provided by Phelps Dodge to the Tribe. In addition, Phelps Dodge shall pay a monthly fee of \$30,000 to the United States, on behalf of the Tribe, to account for the use of the Tribe’s distribution system.

“(IV) Phelps Dodge shall pay the United States operation, maintenance, and replacement charges associated with the leased CAP water and such reasonable interconnection charges as may be imposed by Salt River Project in connection with the exchange referred to in subparagraph (D) above.

“(iv) Notwithstanding the provisions of section 3707(b), any moneys, except Black River facilities OM&R, CAP OM&R and any charges associated with an exchange agreement with Salt River Project, paid to the United States on behalf of the Tribe from the

lease referred to under paragraph (3)(D)(iii) shall be held in trust by the United States for the benefit of the Tribe. There is hereby established in the Treasury of the United States a fund to be known as the 'San Carlos Apache Tribe Lease Fund' for such purpose. Interest accruing to the Fund may be used by the Tribe for economic and community development purposes upon presentation to the Secretary of a certified copy of a duly enacted resolution of the Tribal Council requesting distribution and a written budget approved by the Tribal Council. Such income may thereafter be expended only in accordance with such budget. Income not distributed shall be added to principal. The United States shall not be liable for any claim or causes of action arising from the Tribe's use or expenditure of moneys distributed from the Fund.

“(v) The lease is not assignable to any third party, except with the consent of the Tribe and Phelps Dodge, and with the approval of the Secretary.

“(vi) Notwithstanding subsection (b) hereof, section 3706 shall be fully effective immediately with respect to the CAP water lease provided for in this subparagraph and the Secretary shall take all actions authorized by section 3706 necessary for purposes of implementing this subparagraph. Notwithstanding any other provision of law, the contract referred to in this subparagraph is ratified and confirmed and shall be enforceable in United States district court. In the event that no lease authorized by this subparagraph is executed, this subparagraph, notwithstanding any other provision of law, shall be enforceable as a lease among the Tribe, the United States, and Phelps Dodge in the United States district court, and the Secretary shall take all action authorized by section 3706 for purposes of implementing this subparagraph in such an event.

“(F) Any questions regarding the water claims associated with Phelps Dodge's use of the Eagle Creek Wellfield, its diversions of surface water from lower Eagle Creek, the San Francisco River, Chase Creek, and/or its use of other water supplies are not addressed by this title. No provision in this subsection shall affect or be construed to affect any claims by the Tribe, the United States, or Phelps Dodge to groundwater or surface water.

“(4) EAGLE CREEK.—From the effective date of this subsection, and during the Interim Period, the Tribe shall not, in any way, impede, restrict, or sue the United States regarding the passage of water from the Black River facilities into those portions of the channels of Willow Creek and Eagle Creek which flow through the Reservation. Phelps Dodge agrees to limit pumping from the Upper Eagle Creek Wellfield so that the combination of water from the Black River facilities and water pumped from the Upper Eagle Creek Wellfield does not exceed 22,000 acre feet per year of delivered water at the Phelps Dodge Lower Eagle Creek Pump Station below the Reservation. In calculating the pumping rates allowed under this subparagraph, transmission losses from Black River

and the Upper Eagle Creek Wellfield shall be estimated, but in no event shall such transmission losses be more than 10 percent of the Black River or Upper Eagle Creek Wellfield water. Based on this agreement, the Tribe shall not, in any way, impede, restrict, or sue Phelps Dodge regarding the passage of water from the Phelps Dodge Upper Eagle Creek Wellfield, except that—

“(A) Phelps Dodge shall pay to the United States, on behalf of the Tribe, \$5,000 per month, with an annual CPI adjustment from July 23, 1997, to account for the passage of such flows; and

“(B) the Tribe and the United States reserve the right to challenge Phelps Dodge’s claims regarding the pumping of groundwater from the Upper Eagle Creek Wellfield, in accordance with paragraphs (2)(E) and (3)(F) above. In the event that a court determines that Phelps Dodge does not have the right to pump the Upper Eagle Creek Wellfield, the Tribe will no longer be subject to the restriction set forth in this subparagraph regarding the passage of water from the Wellfield through the Reservation. Nothing in this subsection shall affect the rights, if any, that Phelps Dodge might claim regarding the flow of water in the channel of Eagle Creek in the absence of this subsection.

“(5) PAST CLAIMS.—The Act does not address claims relating to Phelps Dodge’s prior occupancy and operation of the Black River facilities. The Tribe agrees not to bring any such claims against the United States. The Tribe also agrees that within 30 days after Phelps Dodge has vacated the Reservation, it shall dismiss with prejudice the suit that it has filed in Tribal Court against Phelps Dodge (*The San Carlos Apache Tribe v. Phelps Dodge, et al.*, Case No. C-97-118), which such dismissal shall not be considered a decision on the merits, and any claims that it might assert against Phelps Dodge in connection with Phelps Dodge’s prior occupancy and operation of the Black River facilities shall be brought exclusively in the United States district court.

“(6) RELATIONSHIP TO SETTLEMENT.—

“(A) The term ‘Agreement’, as defined by section 3703(2), shall not include Phelps Dodge.

“(B) Section 3706(j) and section 3705(f) shall be repealed and shall have no effect.

“(7) RATIFICATION OF SETTLEMENT.—The agreement between the San Carlos Apache Tribe, the Phelps Dodge Corporation, and the Secretary of the Interior, as set forth in this subsection, is hereby ratified and approved.”

(g) TECHNICAL AMENDMENT.—Section 3702(a)(3) is amended by striking “qualification” and inserting “quantification”.

SEC. 5004. Paragraph (5) of section 104(c) of the Marine Mammal Protection Act of 1972 (16 U.S.C. 1374(c)(5)) is amended as follows:

(1) In subparagraph (A), by striking “, including polar bears taken but not imported prior to the date of enactment of the Marine Mammal Protection Act Amendments of 1994,”.

(2) By adding the following new subparagraph at the end thereof:

“(D) The Secretary of the Interior shall, expeditiously after the expiration of the applicable 30 day period under subsection (d)(2), issue a permit for the importation of polar bear parts (other than internal organs) from polar bears taken in sport hunts in Canada before the date of enactment of the Marine Mammal Protection Act Amendments of 1994, to each applicant who submits, with the permit application, proof that the polar bear was legally harvested in Canada by the applicant. The Secretary shall issue such permits without regard to the provisions of subparagraphs (A) and (C)(ii) of this paragraph, subsection (d)(3) of this section, and sections 101 and 102. This subparagraph shall not apply to polar bear parts that were imported before the effective date of this subparagraph.”

SEC. 5005. (a) FINDINGS.—The Congress finds that—

(1) section 2477 of the Revised Statutes (R.S. 2477) was repealed on October 21, 1976 by the Federal Land Policy and Management Act (43 U.S.C. 1701 et seq.);

(2) the Federal Land Policy and Management Act did not terminate valid rights of way established under R.S. 2477 prior to its repeal;

(3) the Federal Land Policy and Management Act included four provisions which explicitly preserved “valid existing rights” and made the actions of the government “subject to valid existing rights”;

(4) after the repeal of R.S. 2477, disagreement and confusion has surrounded the existence and extent of rights of way established under R.S. 2477;

(5) in 1994 the Secretary of the Interior published proposed regulations for processing claims regarding R.S. 2477 rights of way;

(6) in 1995 and 1996 the Congress passed, and the President enacted, three separate pieces of legislation that prevented the Secretary of the Interior from finalizing those regulations;

(7) the Omnibus Consolidated Appropriations for Fiscal Year 1997 (Public Law 104–208) permanently prohibited the promulgation of final rules or regulations regarding the recognition, validity, or management of R.S. 2477 rights of way unless such regulations were specifically authorized by a subsequent Act of Congress;

(8) the position of the Clinton Administration on this issue is reflected in the written policy statement issued by the Secretary of the Interior in January 1997 regarding R.S. 2477;

(9) western State representatives strongly disagree with the Administration’s policy guidance; and

(10) a process is needed to recommend expeditiously a legislative mechanism to resolve all outstanding R.S. 2477 claims.

(b) PROCESS.—

(1) ESTABLISHMENT OF COMMISSION.—

(A) There is established a commission to be known as the Commission on Section 2477 of the Revised Statutes (hereinafter referred to in this section as “the Commission”). The Commission shall be composed of 13 members, as follows:

(i) two officials from Federal land management agencies, which shall be the Secretary of the Interior and the Secretary of Agriculture, or their designees;

(ii) six Members of Congress (or their staff designee), of whom two shall be appointed by the Majority Leader of the Senate and one by the Minority Leader of the Senate, and of whom two shall be appointed by the Speaker of the House of Representatives and one by the Minority Leader of the House of Representatives;

(iii) four State officials with land management or transportation development responsibilities, two of whom shall be from affected western States with a Republican Governor and two of whom shall be from affected western States with a Democratic Governor, with the four States selected by mutual agreement between the President, the Senate Majority Leader, and the Speaker of the House; and

(iv) a chairman, who shall be a former member of the Federal judiciary with experience in property and land management law, to be selected by consensus (or failing all reasonable attempts at consensus, majority vote) of the other 12 members of the Commission.

(B) The Commission shall be appointed within 90 days after the date of enactment of this section. The Secretary of the Interior shall provide any necessary support to the Commission.

(C) The chairman of the Commission shall receive compensation at the daily rate of GS-15, step 7 of the General Schedule, when engaged in the actual performance of duties for the Commission, and shall be reimbursed for actual expenses in the performance of such duties by the Secretary of the Interior. All other members of the Commission shall be reimbursed and compensated as appropriate by their respective employers and shall not be considered Federal employees solely because of their activities on the Commission.

(D) The Commission shall conduct its first meeting no later than 120 days after the date of enactment of this section, at which time the Commission shall select by consensus or majority vote the chairman. The Secretary of the Interior shall recommend to Commission members the names of at least three persons who meet the requirements of subparagraph (A)(iv) for consideration at the first meeting. Any other member of the Commission may also recommend persons who meet the requirements of subparagraph (A)(iv) for the consideration of the members at the first meeting.

(2) DUTIES OF COMMISSION.—

(A) The Commission shall recommend changes to law that should be enacted to provide for an expeditious resolution of all outstanding claims of a right of way across Federal lands established pursuant to section 2477 of the Revised Statutes (43 U.S.C. 932).

(B) The Commission shall hold a public hearing in each affected State upon the request of the Governor of each such State, and shall consult with the Governor of each affected State in developing its recommendations. The Commission may hold such other hearings as it deems necessary. All hearings conducted by the Commission shall

be open to the public, and notice of each hearing shall be provided in media of general circulation within the State at least 14 days prior to each such hearing. The Secretary of the Interior shall publish a public record of each hearing.

(C) The Commission shall make its recommendations and all decisions by consensus, or failing all reasonable attempts at consensus, by majority vote. The Commission shall keep a record of its discussions. The Commission may, by majority vote, open its meetings to the public. If the Commission does conduct public meetings, it shall provide public notice of the time and place at least seven days in advance of each such meeting.

(D) The Commission shall submit its recommendations to the Secretary of the Interior by March 1, 1998. Not later than 15 days prior to this date, the Commission shall provide a draft of its recommendations to the Governor of each affected State, and shall include any letters submitted by such Governors with respect to such recommendations as an appendix to the Commission's submission to the Secretary of the Interior.

(3) REVIEW BY SECRETARY; SUBMISSION TO CONGRESS.—The Secretary of the Interior shall review and either approve or disapprove of the Commission's recommendations in their entirety by March 31, 1998. If the Secretary of the Interior approves of the Commission's recommendations, the Secretary shall submit all of the Commission's recommendations to the Committee on Energy and Natural Resources of the Senate and the Committee on Resources of the House of Representatives by April 1, 1998. If the Secretary of the Interior disapproves of the Commission's recommendations, the Secretary shall state the reasons in writing for such disapproval and send a copy of such reasons with the Commission's recommendations to the Congress.

(4) CONGRESSIONAL PROCEDURE.—

(A) INTRODUCTION.—The Chairman of the Committee on Energy and Natural Resources of the Senate and the Chairman of the Committee on Resources of the House of Representatives (or their designees) shall introduce the Commission's recommendations as a bill in their respective Houses no later than 10 calendar days after such recommendations are approved and submitted by the Secretary of the Interior pursuant to paragraph (3). The provisions of this paragraph hereinafter set forth shall not apply to any bill containing the recommendations of the Commission if the Secretary of the Interior disapproves the Commission's recommendations under paragraph (3).

(B) CONSIDERATION IN THE HOUSE.—

(i) Any committee of the House of Representatives to which a bill introduced pursuant to subsection (A) is referred shall report it, with or without amendment and with or without recommendation, not later than 60 days of session after the date of such referral. If any committee fails to report the bill within that period, it is in order to move that the House discharge the committee from further consideration of the bill. A motion to discharge the bill may only be made by

a member favoring the bill (but only at a time or place designated by the Speaker in the legislative schedule of the day after the calendar day on which the member offering the motion announces to the House his intention to do so and the form of the motion). The motion is highly privileged. Debate thereon shall be limited to not more than one hour, the time to be divided in the House equally between a proponent and opponent. The previous question shall be considered as ordered on the motion to its adoption without intervening motion. A motion to reconsider the vote by which the motion was agreed to or disagreed to shall not be in order.

(ii) After a bill introduced pursuant to subparagraph (A) is reported or a committee has been discharged from further consideration, it is in order to move that the House resolve into the Committee of the Whole House on the State of the Union for consideration of the bill. If reported and the report has been available for at least one calendar day, all points of order against the bill and against consideration of the bill are waived. If discharged, all points of order against the bill and against consideration of the bill are waived. The motion is highly privileged. A motion to reconsider the vote by which the motion was agreed to or disagreed to shall not be in order. During consideration of the bill in the Committee of the Whole, the first reading of the bill shall be dispensed with. General debate shall proceed, shall be confined to the bill, and shall not exceed four hours equally divided and controlled by a proponent and opponent of the bill. The bill shall be considered as read for amendment under the five-minute rule. Only one motion to rise shall be in order, except if offered by the manager. Consideration of the bill for amendment shall not exceed four hours excluding time for recorded votes and quorum calls. At the conclusion of the consideration of the bill for amendment, the Committee shall rise and report the bill to the House with such amendments as may have been adopted. The previous question shall be considered as ordered on the bill and amendments thereto to final passage without intervening motion. A motion to reconsider the vote on passage of the bill shall not be in order.

(iii) Appeals from the decision of the Chair regarding application of the rules of the House of Representatives to the procedure relating to a bill introduced pursuant to subparagraph (A) shall be decided without debate.

(iv) It shall not be in order to consider under this subparagraph more than one bill introduced pursuant to subparagraph (A) except for consideration of a Senate bill introduced pursuant to subparagraph (A).

(C) CONSIDERATION IN THE SENATE.—

(i) A bill introduced pursuant to subparagraph (A) shall be referred to the appropriate committee or committees. A committee to which the bill is referred

shall report the bill not later than 60 days of session after such referral. If any committee fails to report the bill within that period, that committee shall be automatically discharged from further consideration of the bill and the bill shall be placed on the calendar.

(ii) A motion to proceed to consideration of a bill introduced pursuant to subparagraph (A) and reported or automatically discharged pursuant to subparagraph (C)(i) shall not be debatable. It shall not be in order to move to reconsider the vote by which the motion to proceed was adopted or rejected, although subsequent motions to proceed may be made under this clause.

(iii) After no more than 30 hours of consideration of a bill introduced pursuant to subparagraph (A), the Senate shall proceed, without intervening action or debate, to vote on final disposition thereof to the exclusion of all amendments not then pending and to the exclusion of all motions, except a motion to reconsider or to table. The time for debate on the bill shall be equally divided between the Majority Leader and the Minority Leader or their designees.

(iv) Only relevant amendments to the bill shall be in order. Debate on any amendment shall be limited to one hour, equally divided and controlled by the Senator proposing the amendment and the majority manager, unless the majority manager is in favor of the amendment, in which case the minority manager shall be in control of the time in opposition.

(v) A motion to recommit a bill introduced pursuant to subparagraph (A) shall not be in order.

(vi) If the Senate receives a message from the House on a bill introduced pursuant to subparagraph (A), consideration in the Senate of all motions, amendments, or appeals necessary to dispose of such message shall be limited to four hours, equally divided in the usual form.

(D) EXERCISE OF RULEMAKING POWERS.—The provisions of this paragraph are enacted by the Congress—

(i) as an exercise of the rulemaking power of the House of Representatives and the Senate, respectively, and as such they shall be considered as part of the rules of each House, respectively, or of that House to which they specifically apply, and such rules shall supersede other rules only to the extent they are inconsistent therewith; and

(ii) with full recognition of the Constitutional right of either House to change such rules (so far as to relating to such House) at any time, in the same manner, and to the same extent as in the case of any other rule of such House.

(5) APPLICABILITY OF OTHER LAW.—

(A) NO EXPRESS AUTHORIZATION.—This section shall not be construed as an express authorization for any final rule or regulation under any law.

H. R. 1469—36

(B) FEDERAL ADVISORY COMMITTEE ACT.—The Federal Advisory Committee Act (5 U.S.C. App. 2) shall not apply to the Commission established by this section.
