3 ered military beneficiaries in the managed care option of  
4 the TRICARE program shall be voluntary, except that the  
5 total number of Medicare-eligible covered military bene-  
6 ficiaries so enrolled shall be subject to the capacity and  
7 funding limitations specified in section 4.

8 (c) EFFECT OF ENROLLMENT.—In the case of a  
9 Medicare-eligible covered military beneficiary who enrolls  
10 in the managed care option of the TRICARE program,  
11 payments may not be made under title XVIII of the Social

4 TRICARE program.

5 (f) COST SHARING.—The Secretary of Defense may

14 tions of the TRICARE program if, in the report submitted  
15 under section 713 of the National Defense Authorization  
16 Act for Fiscal Year 1997 (Public Law 104–106; 110 Stat.  
17 2591), the Secretaries determined that such expansion is  
18 feasible and advisable.

19 **SEC. 4. DETERMINATION OF REIMBURSEMENT AMOUNTS.**

20 (a) REIMBURSEMENT OF DEPARTMENT OF DE-  
21 FENSE.—

22 (1) BASIS OF PAYMENTS.—Beginning October  
23 1, 1997, monthly payments to the Department of  
24 Defense under the subvention program shall be  
25 made from the Medicare program under title XVIII

1 of the Social Security Act (42 U.S.C. 1395 et seq.)  
2 on the basis that payments are made under section  
3 1876(a) of the such Act (42 U.S.C. 1395mm(a)).

4 (2) AMOUNT OF PAYMENTS.—The Secretary of  
5 Health and Human Services shall make payments to  
6 the Department of Defense from the Federal Hos-  
7 pital Insurance Trust Fund and the Federal Supple-  
8 mentary Medical Insurance Trust Fund (allocated  
9 by the Secretary of Health and Human Services be-  
10 tween each trust fund based on the relative weight  
11 that each trust fund contributes to the required pay-  
12 ment) at a per capita rate equal to 93 percent of the  
13 applicable adjusted average per capita cost for each  
14 Medicare-eligible covered military beneficiary en-  
15 rolled in the managed care option of the TRICARE  
16 program in excess of the number of such bene-  
17 ficiaries calculated under subsection (b) for the De-  
18 partment of Defense maintenance of health care ef-  
19 fort.

20 (b) MAINTENANCE OF DEFENSE HEALTH CARE EF-  
21 FORT.—

1           (1) MAINTENANCE OF EFFORT REQUIRED.—

2           The Secretary of Defense shall maintain the Depart-  
3           ment of Defense health care efforts for Medicare-eli-  
4           gible covered military beneficiaries so as to avoid im-  
5           posing on the Medicare program those costs that the  
6           Department of Defense would be expected to incur  
7           to provide health care services to Medicare-eligible  
8           covered military beneficiaries in the absence of the  
9           subvention program.

10          (2) ESTIMATE OF PRIOR EFFORT.—For the

11          first fiscal year of the subvention program, the Sec-  
12          retaries shall estimate the amount expended by the  
13          Department of Defense for fiscal year 1997 for pro-  
14          viding health care items and services (other than  
15          pharmaceuticals provided to outpatients) to Medi-  
16          care-eligible covered military beneficiaries. For sub-  
17          sequent fiscal years, the amount so estimated shall  
18          be adjusted for inflation, for differences between es-  
19          timated and actual amounts expended, and for  
20          changes in the Department of Defense health care  
21          budget that exceed \$100,000,000.

22          (3) TARGET FOR DEFENSE EFFORT.—On the

23          basis of the estimate made under paragraph (2), the  
24          Secretaries shall establish monthly targets of the

1 number of Medicare-eligible covered military bene-  
2 ficiaries for whom reimbursement will not be pro-  
3 vided to the Department of Defense under sub-  
4 section (a).

5 (c) PROTECTION OF MEDICARE PROGRAM AGAINST  
6 INCREASED COSTS.—

7 (1) PURPOSE.—The purpose of this subsection  
8 is to protect the Medicare program against costs in-  
9 curred under subsection (a) in connection with the  
10 provision of health care services to Medicare-eligible  
11 covered military beneficiaries that would not have  
12 been incurred by the medicare program in the ab-  
13 sence of the reimbursement requirement.

14 (2) REVIEW BY COMPTROLLER GENERAL.—Not  
15 later than December 31 of each year, the Comptrol-  
16 ler General shall determine and submit to the Sec-  
17 retaries and Congress a report on the extent, if any,  
18 to which the costs of the Secretary of Defense under  
19 the TRICARE program and the costs of the Sec-  
20 retary of Health and Human Services under the  
21 Medicare program have increased as a result of the  
22 subvention program.

23 (3) ACTIONS TO PREVENT INCREASED COSTS.—  
24 If the Secretaries determine that the trust funds  
25 under title XVIII of the Social Security Act (42

1 U.S.C. 1395 et seq.) still incur excess costs as a re-  
2 sult of the subvention program, the Secretaries shall  
3 take such steps as may be necessary to offset those  
4 excess costs (and prevent future excess costs), in-  
5 cluding suspension or termination of the subvention  
6 program, adjustment of the payment rate under sub-  
7 section (a)(2), or an adjustment of the maintenance  
8 of effort requirements of the Department of Defense  
9 under subsection (b).
