24 (4) ENHANCEMENT OF REVENUES TO UNITED
25 STATES.—In handling, marketing, and disposing of

1 royalty oil and royalty gas, a qualified marketing
2 agent shall utilize its experience and expertise to
3 seek opportunities to enhance revenues to the United
4 States, including opportunities for the sale of royalty
5 oil and royalty gas at or away from the lease prem-
6 ises, depending on the facts and circumstances rel-
7 evant to receiving, handling, transporting, delivering,
8 marketing, processing, disposition, brokering, and
9 sale of the royalty oil or royalty gas.

10 (5) AFFILIATE TRANSACTIONS.—Qualified mar-
11 keting agent sales to itself or an affiliate shall be
12 made in accordance with the following standards:

13 (A) When selling royalty oil and royalty
14 gas to an affiliate, a qualified marketing agent
15 shall not give preference to an affiliate, includ-
16 ing but not limited to, favoring the affiliate
17 with lower sales prices, rights of first refusal or
18 more favorable terms than those offered to non-
19 affiliated purchasers of royalty oil and royalty
20 gas.

2 qualified marketing agent who violates subpara-

4 **SEC. 4. COSTS RESPONSIBILITY.**

5 (a) **MERCHANTABLE CONDITION.**—The lessee shall
6 bear the costs of placing royalty oil and royalty gas in
7 merchantable condition at the delivery point, if not pro-
8 duced in such condition at the well: *Provided, however,*
9 That gathering and transportation costs under this Act
10 shall be governed solely by section 4(b) and section 5, and
11 responsibility for such costs shall not be dependent upon
12 whether the royalty oil or royalty gas is in merchantable
13 condition at the time of gathering or transportation.

14 (b) **GATHERING AND TRANSPORTATION OF ROYALTY**
15 **OIL AND ROYALTY GAS.**—

16 (1) **GATHERING.**—The lessee shall bear the
17 costs of gathering royalty oil and royalty gas.

18 (2) **TRANSPORTATION.**—The United States
19 shall bear the costs of transporting royalty oil and
20 royalty gas to and beyond the delivery point until
21 disposition or sale by the United States. Transpor-
22 tation costs shall include associated or related activi-
23 ties to facilitate movement, such as the costs of com-
24 pression and dehydration associated with transpor-
25 tation. The movement of unseparated, unidentifiable

1 lease production to a point not on or immediately
2 adjacent to the lease premises, unit or communitized
3 area and the movement of separated, identifiable
4 lease production regardless of whether such move-
5 ment on or off the lease premises, unit or
6 communitized area shall be considered transpor-
7 tation. Transportation costs shall be governed solely
8 by the definitions and provisions in this Act relating
9 to transportation and responsibility for the payment
10 of such costs shall not be dependent upon whether
11 the royalty oil or royalty gas is in merchantable con-
12 dition at the time of transportation.

13 (c) LIMITATION ON LESSEE'S RESPONSIBILITY FOR
14 COSTS.—With respect to all royalty oil and royalty gas
15 taken in kind by the United States, the lessee shall bear
16 no costs other than those specifically identified in this sec-
17 tion. After the royalty share is taken in kind, the United
18 States shall dispose of and market its royalty oil and roy-
19 alty gas and the lessee shall have no obligation to dispose
20 of or market the United States royalty share of produc-
21 tion.

22 (d) REIMBURSEMENT OF COSTS.—In bearing the
23 cost of transporting royalty oil and royalty gas, the United
24 States shall reimburse the lessee for transportation costs

1 without further appropriation in accordance with the pro-
2 visions of subsection (b) of this section and section 5.

3 **SEC. 5. TRANSPORTER CHARGES.**

4 (a) DETERMINATION.—The lessee or its affiliate shall
5 determine and calculate, where applicable, the transpor-
6 tation charges governed by this Act in accordance with
7 subsections (b) and (c).

8 (b) REIMBURSEMENT FOR TRANSPORTATION COSTS
9 PRIOR TO THE DELIVERY POINT.—

10 (1) TRANSPORT BY REGULATED PIPELINE OR
11 FACILITY.—Reimbursement to a lessee for costs of
12 transporting royalty oil and royalty gas produced by
13 the lessee and subsequently transported through a
14 regulated pipeline or facility before the delivery point
15 shall be—

16 (A) for nonaffiliated transactions, the ac-
17 tual rate paid under the tariff by the lessee; or

18 (B) for affiliated transactions, the lower of
19 the tariff rate or the actual rate paid under the
20 tariff.

21 (2) TRANSPORT BY SHIPMENT-BY-SHIPMENT
22 TARIFF JURISDICTION PIPELINE OR FACILITY.—Re-
23 imbursement to a lessee for transportation costs in-
24 curred to transport royalty oil through a pipeline or
25 facility for which jurisdiction for purposes of a tariff

1 is determined on a shipment-by-shipment basis, shall
2 be the tariff rate for all shipments by the lessee
3 through the same pipeline or facility if there is a
4 shipment through the pipeline or facility to which a
5 tariff applies.

6 (3) TRANSPORT BY UNREGULATED PIPELINE
7 OR FACILITY.—(A) Reimbursement to a lessee for
8 transportation costs incurred to transport royalty oil
9 or royalty gas through an unregulated pipeline or fa-
10 cility before the delivery point shall be—

11 (i) for nonaffiliated transactions, the ac-
12 tual costs incurred by the lessee; or

13 (ii) for affiliated transactions—

14 (I) if third party oil or gas is being
15 transported through the pipeline or facility,
16 the weighted average (by volume) third
17 party charge; or

18 (II) if no third party oil or gas is
19 being transported through the pipeline or
20 facility, not to exceed the pipeline or facil-
21 ity owner's or its affiliate's costs of operat-
22 ing the pipeline or facility, including a re-
23 turn on undepreciated capital investment,
24 subject to paragraph (4).

1 (B) For purposes of subparagraph (A)(ii)(II)
2 the term “costs of operating” means the sum of the
3 following:

4 (i) Direct operating, maintenance, and re-
5 pair costs and expenses.

6 (ii) Indirect costs (including but not lim-
7 ited to costs such as information systems, busi-
8 ness services and technical service) allocated to
9 the pipeline or facility, in an amount not ex-
10 ceeding 15 percent of the amount of direct
11 costs that applies under clause (I).

12 (iii) An allowance for capital investment
13 calculated on the basis of either of the follow-
14 ing, as may be, elected by the lessee:

15 (I) Depreciation, plus a return on the
16 undepreciated capital, or

17 (II) A return on depreciable capital
18 investment.

19 Return under subclauses (I) and (II) shall be a rate
20 equal to twice the rate payable for bonds with a
21 Standard and Poor’s industrial BBB bond rating.

22 (4) ALLOWANCE OF HIGHER TRANSPORTATION
23 COSTS.—If the amount specified in paragraph
24 (3)(A)(ii) does not adequately reflect the costs of the
25 transportation services provided by a lessee or its af-

1 affiliate, the lessee may request a different transpor-
2 tation reimbursement from the Secretary. For pipe-
3 lines in more than 200 meters of water, the Sec-
4 retary may allow a higher rate of return, sufficient
5 for an investment in the fabricating, installing, oper-
6 ating, and maintaining such pipelines as compared
7 to pipelines in waters of less than 200 meters.

8 (5) RESTRICTION ON DISCLOSURE.—The
9 United States and its qualified marketing agent
10 shall keep confidential and shall not disclose the
11 transportation charge or any facts or information re-
12 lated thereto used by a lessee or its affiliate for re-
13 imbursement under this subsection.

14 (c) CHARGES FOR TRANSPORTATION COSTS BEYOND
15 THE DELIVERY POINT.—

16 (1) IN GENERAL.—Charges by the lessee or its
17 affiliate for transportation of royalty oil or royalty
18 gas through an unregulated pipeline or facility be-
19 yond the delivery point shall be a negotiated rate,
20 that—

21 (A) shall not exceed the highest rate
22 charged for transportation provided to a third
23 party, if third party oil or gas is being trans-
24 ported through the pipeline or facility; or

1 (B) shall be the fair commercial value of
2 the transportation services provided by the les-
3 see or its affiliate if no third party oil or gas
4 is being transported through the pipeline or fa-
5 cility.

6 (2) DETERMINATION OF COMMERCIAL
7 VALUE.—The standard to be used to determine the
8 commercial value for purposes of paragraph (1)(B)
9 shall be based upon the transportation services pro-
10 vided and not on the ownership of the pipeline or fa-
11 cility by the lessee or its affiliate.

12 (d) ARBITRATION.—

13 (1) IN GENERAL.—If negotiations between a
14 qualified marketing agent and an entity owning the
15 pipeline or facility do not result in a mutually agree-
16 able negotiated charge for transportation under sub-
17 section (c), then the qualified marketing agent on
18 behalf of the Secretary or the entity owning the
19 pipeline or facility may, at any time during the nego-
20 tiation, require that such matter be submitted to ar-
21 bitration in accordance with this subsection.

22 (2) SELECTION OF ARBITRATORS.—Any dispute
23 regarding a charge for transportation that is not re-
24 solved by agreement shall be determined by a panel
25 of 3 arbitrators upon written notice given by either

1 party to the other, which notice shall also name one
2 arbitrator. The party receiving such notice shall,
3 within 10 business days thereafter, by written notice
4 to the other party, name the second arbitrator, or
5 failing to do so, the first party who gave notice shall
6 name the second arbitrator. The two arbitrators so
7 appointed shall name the third, or failing to do so
8 within 5 business days then upon the request of ei-
9 ther party, the third arbitrator shall be a certified
10 arbitrator appointed by a professional arbitrator as-
11 sociation. Whether appointed by the two party-
12 named arbitrators or by a professional arbitrator as-
13 sociation, the third arbitrator shall be knowledgeable
14 about and experienced in the transportation of oil or
15 gas or both, as applicable.

16 (3) HEARING.—An arbitration hearing shall be
17 held within 20 calendar days following the selection
18 of the third arbitrator. At the hearing, each party
19 shall submit a proposed transportation rate and evi-
20 dence to support such rate as it sees fit.

21 (4) DECISION.—The panel of arbitrators shall
22 determine which of the rates submitted by the par-
23 ties shall be the transportation charge used. The ar-
24 bitrators shall render a written decision within 10
25 calendar days after the hearing under paragraph (3)

1 based on a majority vote of the 3 arbitrators. Such
2 decision shall be final and binding on the United
3 States, the qualified marketing agent, and the lessee
4 and its affiliate, and shall be enforceable in any
5 court having jurisdiction.

6 (5) EXPENSES.—Each party shall bear its ex-
7 penses of prosecuting its own case in any arbitra-
8 tion, and the parties shall share equally any other
9 expenses of the arbitration, including compensation
10 for the third arbitrator at a rate that is fair and rea-
11 sonable to the United States.

12 (6) USE OF EMPLOYEE OF PARTY AS ARBITRA-
13 TOR.—(A) Any arbitrator named by the parties may
14 be a permanent or temporary officer or employee of
15 the Federal or a State Government, or an employee
16 of any party to the dispute, if all parties agree that
17 the person may serve.

18 (B) In implementing this paragraph, the quali-
19 fied marketing agent on behalf of the Secretary may
20 use the services of one or more employees of other
21 agencies to serve as arbitrators to be named by the
22 qualified marketing agent. The Secretary may enter
23 into an interagency agreement that provides for the
24 reimbursement by the user agency or the parties of

1 the full or partial costs of the services of such an
2 employee.

3 (7) LIMITATION ON DISCLOSURE.—Any party
4 (including the United States and its qualified mar-
5 keting agent) to an arbitration proceeding shall keep
6 confidential and shall not disclose the results of the
7 arbitration or any facts, evidence, or information re-
8 lated thereto provided in confidence to the arbitra-
9 tors.

10 (8) INTERIM RATE.—(A) The royalty oil and
11 royalty gas shall be transported at the disputed rate
12 during the interim period, subject to an obligation to
13 refund if the rate is later reduced as a result of arbi-
14 tration.

15 (B) Any refund under subparagraph (A) shall
16 be made with interest at the average short-term rate
17 as specified in section 6621 of the Internal Revenue
18 Code of 1986.

19 (9) DELAY OR CURTAILMENT OF PRODUCTION
20 PROHIBITED.—At no time during such arbitration or
21 dispute shall lease production be delayed or cur-
22 tailed.

23 **SEC. 6. IMBALANCES.**

24 (a) REQUIREMENT TO RESOLVE IMBALANCES.—

1 (1) IN GENERAL.—If the amount of royalty oil
2 or royalty gas production taken by the United States
3 from a lease premises during a calendar month dif-
4 fers from the amount of royalty oil or royalty gas
5 production attributable to that lease premises for
6 that calendar month, and the difference results from
7 the circumstances described in paragraph (2), the
8 difference (in this section referred to as a “royalty
9 share imbalance”) shall be resolved in accordance
10 with this section.

11 (2) CIRCUMSTANCES.—The circumstances re-
12 ferred to in paragraph (1) are the following:

17 qualified marketing agent to receive, transport,
18 and market its royalty oil or royalty gas ten-
19 dered for a one-time occurrence of not more
20 than 3 consecutive days in any calendar quar-
21 ter; or

22 (C) A difference between the amount made
23 available to the United States at the delivery

20 (i) submit a royalty share imbalance report
21 to the qualified marketing agent for the United
22 States with respect to the lease no later than
23 60 days after the expiration of each month of
24 production from the lease; or

1 (ii) if all information for the report is not
2 available by such date, file or cause to be filed
3 with the qualified marketing agent a report that
4 contains estimated quantities, and file a revised
5 final report showing actual quantities no later

10 ing agent shall constitute formal notice of a royalty
11 share imbalance, which shall be remedied in accord-
12 ance with subsection (c).

13 (c) MANAGING IMBALANCES.—

14 (1) IN GENERAL.—If a royalty share imbalance
15 occurs during any calendar month, the lease opera-
16 tor shall work with the United States (through its
17 qualified marketing agent) to settle the royalty share
18 imbalance in a manner consistent with the existing
19 production balancing agreements or practices among
20 operating rights owners.

21 (2) ROYALTY OIL IMBALANCE.—In the case of
22 a royalty share imbalance with respect to royalty oil,
23 and in the absence of multiple operating rights own-

4 (3) ROYALTY GAS IMBALANCE.—(A) In the case
5 of a royalty share imbalance with respect to royalty
6 gas during any calendar month and in the absence
7 of multiple operating rights owners, the lease opera-
8 tor shall work with the United States (through its
9 qualified marketing agent) to arrange for increase or
10 decreased quantities of gas to be taken beginning
11 the month after receipt of such notice by the quali-
12 fied marketing agent, to expeditiously settle such
13 royalty share imbalances as soon as is reasonably
14 practicable.

15 (B) Additional quantities taken in a month by
16 either a lessee or the United States to reduce a roy-
17 alty share imbalance with respect to royalty gas
18 shall not exceed 25 percent of that month's royalty
19 gas.

20 (C) Until final settlement pursuant to sub-
21 section (d), royalty share imbalances with respect to
22 royalty gas shall be reduced chronologically in the
23 order in which they were created.

24 (d) FINAL IMBALANCE REPORT AND FINAL SETTLE-

15 within 60 days of the final imbalance report, each
16 party that received excess quantities shall, at its op-
17 tion, make delivery of the excess quantities or make
18 a cash payment, to the parties who received insuffi-
19 cient quantities. The cash payment shall be based on
20 the net proceeds (in terms of actual value received)
21 from the sale of such excess quantities for value at
22 the lease premises or the lessee may make delivery
23 of the imbalance volume. No interest shall accrue,
24 prior to the date of any settlement, on any imbal-

1 **SEC. 7. ROYALTY-IN-KIND FOR TRUCKED, TANKERED, OR**
2 **BARGED OIL OR GAS.**

3 (a) APPLICATION.—This section shall apply to roy-
