

105TH CONGRESS
2D SESSION

S. 1968

To amend title 49, United States Code, to authorize the Secretary of Transportation to implement a pilot program to improve access to the national transportation system for small communities, and for other purposes.

IN THE SENATE OF THE UNITED STATES

APRIL 22, 1998

Mr. FORD (for himself, Mr. ROCKEFELLER, Mr. DORGAN, Mr. HOLLINGS, and Mr. HARKIN) introduced the following bill; which was read twice and referred to the Committee on Commerce, Science, and Transportation

A BILL

To amend title 49, United States Code, to authorize the Secretary of Transportation to implement a pilot program to improve access to the national transportation system for small communities, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Air Service Restoration
5 Act”.

6 **SEC. 2. FINDINGS.**

7 The Congress finds that—

1 (1) a national transportation system providing
2 safe, high quality service to all areas of the United
3 States is essential to interstate commerce and the
4 economic well-being of cities and towns throughout
5 the United States;

6 (2) taxpayers throughout the United States
7 have supported and helped to fund the United
8 States aviation infrastructure and have a right to
9 expect that aviation services will be provided in an
10 equitable and fair manner to every region of the
11 country;

12 (3) some communities have not benefited from
13 airline deregulation and access to essential airports
14 and air services has been limited;

15 (4) air service to a number of small commu-
16 nities has suffered since deregulation;

17 (5) studies by the Department of Transpor-
18 tation have documented that, since the airline indus-
19 try was deregulated in 1978—

20 (A) 34 small communities have lost service
21 and many small communities have had jet air-
22 craft service replaced by turboprop aircraft
23 service;

24 (B) out of a total of 320 small commu-
25 nities, the number of small communities being

1 served by major air carriers declined from 213
2 in 1978 to 33 in 1995;

3 (C) the number of small communities re-
4 ceiving service to only one major hub airport in-
5 creased from 79 in 1978 to 134 in 1995; and

6 (D) the number of small communities re-
7 ceiving multiple-carrier service decreased from
8 136 in 1978 to 122 in 1995; and

9 (6) improving air service to small and medium-
10 sized communities that have not benefited from fare
11 reductions and improved service since deregulation
12 will likely entail a range of Federal, State, regional,
13 local, and private sector initiatives.

14 **SEC. 3. PURPOSE.**

15 The purpose of this Act is to facilitate, through a
16 pilot program, incentives and projects that will help com-
17 munities to improve their access to the essential airport
18 facilities of the national air transportation system through
19 public-private partnerships and to identify and establish
20 ways to overcome the unique policy, economic, geographic,
21 and marketplace factors that may inhibit the availability
22 of quality, affordable air service to small communities.

1 **SEC. 4. ESTABLISHMENT OF SMALL COMMUNITY AVIATION**
2 **DEVELOPMENT.**

3 Section 102 of title 49, United States Code, is
4 amended by adding at the end thereof the following:

5 “(g) **SMALL COMMUNITY AIR SERVICE DEVELOP-**
6 **MENT OFFICE.**—

7 “(1) **ESTABLISHMENT.**—The Secretary shall es-
8 tablish within the Department of Transportation an
9 Office of Aviation Development. The Office shall be
10 headed by a Director, designated by the Secretary.

12 “(A) function as a facilitator between
13 small communities and air carriers;

14 “(B) carry out section 41743 of this title;

15 “(C) carry out the airline service restora-
16 tion program under subchapter III of chapter
17 417 of this title;

18 “(D) ensure that the Bureau of Transpor-
19 tation Statistics collects data on passenger in-
20 formation to assess the service needs of small
21 communities;

22 “(E) work with and coordinate efforts with
23 other Federal, State, and local agencies to in-
24 crease the viability of service to small commu-
25 nities and the creation of aviation development
26 zones; and

1 “(F) provide policy recommendations to
2 the Secretary and the Congress that will ensure
3 that small communities have access to quality,
4 affordable air transportation services.

5 “(3) REPORTS.—The Director shall provide an
6 annual report to the Secretary and the Congress be
7 ginning in 1999 that—

8 “(A) analyzes the availability of air trans-
9 portation services in small communities, includ-
10 ing, but not limited to, an assessment of the air
11 fares charged for air transportation services in
12 small communities compared to air fares
13 charged for air transportation services in larger
14 metropolitan areas and an assessment of the
15 levels of service, measured by types of aircraft
16 used, the availability of seats, and scheduling of
17 flights provided to small communities;

18 “(B) identifies the policy, economic, geo-
19 graphic and marketplace factors that inhibit the
20 availability of quality, affordable air transpor-
21 tation services to small communities; and

22 “(C) provides policy recommendations to
23 address the policy, economic, geographic, and
24 marketplace factors inhibiting the availability of

1 quality, affordable air transportation services to
2 small communities.”.

3 **SEC. 5. COMMUNITY-CARRIER AIR SERVICE PROGRAM.**

4 (a) IN GENERAL.—Subchapter II of title 49, United
5 States Code, is amended by adding at the end thereof the
6 following:

7 **“§ 41743. Air service program for small communities**

8 “(a) COMMUNITIES PROGRAM.—Under advisory
9 guidelines prescribed by the Secretary of Transportation,
10 a small community or a consortia of small communities
11 or a State may develop an assessment of its air service
12 requirements, in such form as the Director of the Office
13 of Aviation Development may require, and submit the as-
14 sessment and service proposal to the Office.

15 “(b) SELECTION OF PARTICIPANTS.—In selecting
16 community programs for participation in the communities
17 program under subsection (a), the Director shall apply cri-
18 teria, including geographical diversity and the presen-
19 tation of unique circumstances, that will demonstrate the
20 feasibility of the program.

21 “(c) CARRIERS PROGRAM.—The Director shall invite
22 part 121 air carriers and regional/commuter carriers (as
23 such terms are defined in section 41715(d) of this title)
24 to offer service proposals in response to, or in conjunction
25 with, community aircraft assessments submitted to the of-

1 fice under subsection (a). A service proposal under this
2 paragraph shall include—

3 “(1) an assessment of potential daily passenger
4 traffic, revenues, and costs necessary for the carrier
5 to offer the service;

6 “(2) a forecast of the minimum percentage of
7 that traffic the carrier would require the community
8 to garner in order for the carrier to start up and
9 maintain the service; and

10 “(3) the costs and benefits of providing jet serv-
11 ice by regional or other jet aircraft.

12 “(d) OFFICE SUPPORT FUNCTION.—The Director
13 shall work with small communities and air carriers, taking
14 into account their proposals and needs, to facilitate the
15 initiation of service. The Director—

16 “(1) may work with communities to develop in-
17 novative means and incentives for the initiation of
18 service;

19 “(2) may obligate funds available to carry out
20 this subchapter to make up the difference between
21 the carrier’s forecast and the community’s ability to
22 generate the necessary percentage of traffic;

23 “(3) shall continue to work with both the car-
24 riers and the communities to develop a combination

1 of community incentives and carrier service levels
2 that—

3 “(A) are acceptable to communities and
4 carriers; and

5 “(B) do not conflict with other Federal or
6 State programs to facilitate air transportation
7 to the communities;

8 “(4) may designate an airport in the program
9 as an Air Service Development Zone and work with
10 the community on means to attract business to the
11 area surrounding the airport, to develop land use op-
12 tions for the area, and provide data, working with
13 the Department of Commerce and other agencies;
14 and

15 “(5) may take such other action under sub-
16 chapter III of this chapter as may be appropriate.

17 “(e) LIMITATIONS.—

18 “(1) COMMUNITY SUPPORT.—The Director may
19 not provide financial assistance under subsection
20 (c)(2) to any community unless the Director deter-
21 mines that—

22 “(A) a public-private partnership exists at
23 the community level to carry out the commu-
24 nity’s proposal;

1 “(B) the community will make a substan-
2 tial financial contribution that is appropriate
3 for that community’s resources;

4 “(C) the community has established an
5 open process for soliciting air service proposals;
6 and

7 “(D) the community will accord similar
8 benefits to air carriers that are similarly situ-
9 ated.

10 “(2) AMOUNT.—The Director may not provide
11 financial assistance under subsection (d)(2) to any
12 community in excess of the lesser of—

13 “(A) up to 75 percent of the financial con-
14 tribution made by the community; or

15 “(B) \$500,000 per year.

16 “(f) REPORT.—The Director shall report through the
17 Secretary to the Congress annually on the progress made
18 under this section during the preceding year in expanding
19 commercial aviation service to smaller communities.”.

20 (b) CONFORMING AMENDMENT.—The chapter analy-
21 sis for chapter 417 of such title is amended by inserting
22 after the item relating to section 41742 the following:

9 **“§ 41761. Pilot program project authority**

10 “(a) IN GENERAL.—The Director of the Office of
 11 Aviation Development shall establish a pilot program—

12 “(1) to assist communities and States with in-
 13 adequate access to the national transportation sys-
 14 tem to improve their access to that system; and

15 “(2) to facilitate better link-ups to support the
 16 improved access.

17 “(b) PROJECT AUTHORITY.—Under the pilot pro-

7 to, the criteria developed under subchapter II for deter-
8 mining which airports are eligible under that subchapter.
9 The Secretary shall also, to the extent possible, provide
10 incentives where no direct, viable, and feasible alternative
11 service exists, taking into account geographical diversity
12 and appropriate market definitions.

13 “(d) MAXIMIZATION OF PARTICIPATION.—The Sec-
14 retary shall structure the program established pursuant
15 to section 41761(a) in a way designed to—

15 community, then that community may receive a one-time
16 incentive grant to ensure the continued success of that
17 program.

18 “(f) PROGRAM TO TERMINATE IN 5 YEARS.—No new
19 financial assistance may be provided under this sub-
20 chapter for any fiscal year beginning more than 5 years

15 time as the Secretary may require.

16 “(b) SECRETARY MAY COMPEL JOINT FARE STRUC-

18 in order to facilitate service to small communities, the Sec-
19 retary may require any air carrier to enter into a joint-
20 fare or interline agreement with any qualifying air carrier
21 that serves an under-served market to facilitate air trans-
22 portation.

23 “(c) APPLICATION LIMITED TO SERVICE TO COMMU-
24 NITIES RECEIVING DOT ASSISTANCE.—The Secretary
25 may not require an air carrier to enter into an agreement
26 under subsection (a) or (b) except to the extent deter-

1 mined by the Secretary to be necessary to the provision
 2 of air service to a community receiving financial assistance
 3 under section 41761. Nothing in this section provides au-
 4 thority for the Secretary to establish air fares for service
 5 to which this section applies.

 23 marketing practices of air carriers that may inhibit the
 24 availability of quality, affordable air transportation serv-

7 have the same effect.

8 “(c) REGULATIONS.—If the Secretary finds, after
9 conducting the review required by subsection (b), that
10 marketing practices inhibit the availability of such service
11 to such communities, then, after public notice and an op-
12 portunity for a hearing, the Secretary shall promulgate
13 regulations that address the problem.”.
