Let us pray.

When we meditate on what You would have us be, O gracious God, and where our heart and mind ought focus, we become aware that our most noble self is achieved when we are filled with the spirit of thanksgiving and gratitude for Your wonderful gifts to us. You have given us the marvelous blessings of our lives, and in spite of the difficulties or discouragements that inevitably crowd about, yet You inspire us to lift our voices and our very beings in a spirit of praise to You for Your faith and hope and love. COMMUNICATION FROM THE CLERK OF THE HOUSE

The SPEAKER pro tempore laid before the House the following communication from the Clerk of the House of Representatives:

OFFICE OF THE CLERK, U.S. HOUSE OF REPRESENTATIVES, Washington, DC, May 28, 1997. Hon. NEWT GINGRICH,

The Speaker, U.S. House of Representatives, Washington, DC.

DEAR MR. SPEAKER: Pursuant to the permission granted in Clause 5 of Rule III of the Rules of the U.S. House of Representatives. I have the honor to transmit a sealed envelope received from the White House on May 28, 1997 at 11:00 a.m. and said to contain a message from the President whereby he notifies the Congress of the continuation of the national emergency with respect to the Federal Republic of Yugoslavia (Serbia and Montenegro) and the Bosnian Serbs.

> With warm regards, ROBIN H CARLE Clerk, U.S. House of Representatives.

CONTINUATION OF EMERGENCY WITH RESPECT TO THE FED-ERAL REPUBLIC OF YUGOSLAVIA (SERBIA AND MONTENEGRO) AND THE BOSNIAN SERBS—MESSAGE FROM THE PRESIDENT OF THE UNITED STATES (H. DOC. NO. 105-

The SPEAKER pro tempore laid before the House the following message from the President of the United States; which was read and, together with the accompanying papers, without objection, referred to the Committee on International Relations and ordered to be printed:

To the Congress of the United States:

Section 202(d) of the National Emergencies Act (50 U.S.C. 1622(d)) provides for the automatic termination of a national emergency unless, prior to the anniversary date of its declaration, the President publishes in the Federal Register and transmits to the Congress a notice stating that the emergency is to continue in effect beyond the anniversary date. In accordance with this provision, I have sent the enclosed notice to the Federal Register for publication, stating that the emergency declared with respect to the Federal Republic of Yugoslavia (Serbia and Montenegro), as expanded to address the actions and policies of the Bosnian Serb forces and the authorities in the territory that they control within the Republic of Bosnia and Herzegovina, is to continue in effect beyond May 30, 1997.

On December 27, 1995, I issued Presidential Determination No. 96-7, directing the Secretary of the Treasury, inter alia, to suspend the application of sanctions imposed on the Federal Republic of Yugoslavia (Serbia and Montenegro) and to continue to block property previously blocked until provision is made to address claims or encumbrances, including the claims of the other successor states of the former Yugoslavia. This sanctions relief, in conformity with United Nations Security Council

Resolution 1022 of November 22, 1995 (hereinafter the "Resolution"), was an essential factor motivating Serbia and Montenegro's acceptance of the General Framework Agreement for Peace in Bosnia and Herzegovina initialed by the parties in Dayton on November 21, 1995, and signed in Paris on December 14, 1995 (hereinafter the "Peace Agreement"). The sanctions imposed on the Federal Republic of Yugoslavia (Serbia and Montenegro) were accordingly suspended prospectively, effective January 16, 1996. Sanctions imposed on the Bosnian Serb forces and authorities and on the territory that they control within the Republic of Bosnia and Herzegovina were subsequently suspended prospectively, effective May 10, 1996, also in conformity with the Peace Agreement and the Resolution.

Sanctions against both the Federal Republic of Yugoslavia (Serbia and Montenegro) and the Bosnian Serbs were subsequently terminated by United Nations Security Council Resolution 1074 of October 1, 1996. This termination, however, did not end the requirement of the Resolution that blocked funds and assets that are subject to claims and encumbrances remain blocked, until unblocked in accordance with applicable law. In the last year, substantial progress has been achieved to bring about a settlement of the conflict in the former Yugoslavia acceptable to the parties. Elections occurred in the Republic of Bosnia and Herzegovina, as provided for in the Peace Agreement, and the Bosnian Serb forces have continued to respect the zones of separation as provided in the Peace Agreement. The ultimate disposition of the various remaining categories of blocked assets are now being addressed, beginning with the unblocking of five Yugoslav vessels located in various United States ports effective May 19, 1997.

Until the status of all remaining blocked property is resolved, the Peace Agreement implemented, and the terms of the Resolution met, this situation continues to pose a continuing unusual and extraordinary threat to the national security, foreign policy interests, and the economy of the United States. For these reasons, I have determined that it is necessary to maintain in force these emergency authorities beyond May 30, 1997.

WILLIAM J. CLINTON. THE WHITE HOUSE, May 28, 1997.

EXTENSIONS OF REMARKS

U.S. WINS IN THE WTO AGAINST EUROPEAN UNION IMPORT RE-STRICTIONS

HON. PHILIP M. CRANE

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES Friday, May 30, 1997

Mr. CRANE. Mr. Speaker, I rise today to congratulate the Office of the United States Trade Representative [USTR] for its success in the World Trade Organization [WTO] case against the European Union's [EU] banana regime. Ruling in favor of the United States, a WTO panel recently found that numerous aspects of the EU import licensing system are squarely in violation of WTO provisions. As an institution, the new WTO offers the United States enhanced opportunities to break open foreign markets which are unfairly closed to U.S. companies. Through skilled use of the WTO dispute settlement system, Ambassador Barshefsky and her negotiators have secured a more level-playing field for U.S. businesses in the EU market.

I want my colleagues to be aware that this decision against EU licensing procedures represents a big win for U.S. trade objectives. First, it will help demonstrate that trade agreements can serve as an effective means of resolving trade disputes. And, by doing so, it underscores the value of pushing ahead with new trade negotiations. The banana case represents the first U.S. victory against the EU in the WTO, and should provide renewed hope for resolving numerous contentious disputes, particularly those we have which concern protectionist EU agricultural policies. Also, in her statement yesterday announcing the decision, Ambassador Barshefsky mentioned that the report does not find that duty-free preferences for Caribbean imports are inconsistent with WTO obligations, and she pledged to support future economic diversification in the Caribbean.

Finally, by giving life to some of the new WTO agreements—such as the General Agreement on Trade in Services and the Licensing Agreement—the panel outcome will contribute to international trade rules which will be of benefit to a wide range of U.S. trade interests in many WTO disputes to come.

Again, I congratulate Ambassador Barshefsky and request that my colleagues join me in calling on the EU to step up to the plate and support the new multilateral system by expeditiously bringing its unfair practices into conformity with the WTO ruling.

THE 180TH ANNIVERSARY OF ST. PAUL'S EPISCOPAL CHURCH

HON. BILL PASCRELL. JR.

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES $Friday,\ May\ 30,\ 1997$

Mr. PASCRELL. Mr. Speaker, I would like to call to your attention the momentous occasion

of the 180th anniversary of St. Paul's Episcopal Church of Paterson, N.J.

As one of the oldest parishes in Paterson, St. Paul's was founded in 1817 by newly arrived English immigrants Mr. and Mrs. Mark W. Collet who missed the Anglican worship services they had enjoyed so much in their homeland. The church's first formal service was the baptism of the Collet's infant son, performed by a clergyman traveling to Paterson from Burlington and the congregation's first members consisted of friends and neighbors who attended the christening.

Over the past 180 years, north Jersey residents have been able to practice their Episcopal faith in Paterson and have done so under three different roofs. The first services were held in the old Dutch Reformed Church of Totowa on Water Street and the old Paterson Academy Building on Market Street. Following its incorporation as St. Paul's Episcopal Church in 1825, the church acquired 13,000 square feet of land at Hamilton Square (Market and Colt Streets) gratis from Roswell Colt, head of the Society of Establishing Useful Manufacturers. A few months later, members of the congregation began constructing a church of their own, a simple wood edifice with a square belfry, and worshipped there until June 28, 1848, when the building was destroyed by a horrendous fire that erupted at a nearby machine shop.

One parishioner, Robert Johnson, lost his life when he rushed into the sanctuary to save the church's organ, which had been played every Sunday by Mrs. Collet, the parish's founder and first organist. While parishioners were devastated, they did not lose hope or faith. While holding worship services at Odd Fellow's Hall on Main Street, they immediately began making plans for a new church at the site of the original structure.

On a bright, cold January day in 1851, members happily gathered at their new Gothic-style limestone church for dedication services. A year later, a gallery was installed to accommodate an overflow of worshipers. A house on Church Street was acquired for a rectory.

When membership continued to increase, the church purchased land to construct a larger building on the fashionable "Eastside," on Broadway and East 18th Street.

Ground was broken October 9, 1893 and the cornerstone was laid on May 10, 1895. Designed by William Halsey Wood of Newark, the new church, styled after Durham Cathedral of England. Wood left no stone unturned in creating his masterpiece. A stickler for detail, he outfitted the building with strong, lofty towers with slitted windows like those Anglicans historically installed in their churches to withstand assaults by mighty armies. The interior of the parish was designed by Louis Comfort Tiffany, who complimented the congregation's handsome mosaic and marble alter with nine magnificent Tiffany windows.

As membership in the congregation grew, St. Paul's took on many new ventures in the community. In addition to serving as a house

of worship, it became a pacesetter for innovative, humanitarian programs. In so doing, it has continued to practice teachings of the Bible and serve the entire community as a 20th century Good Samaritan.

Mr. Speaker, I would like for you to join me, our colleagues, the congregation of St. Paul's Episcopal Church and the city of Paterson in recognizing the momentous occasion of the 180th anniversary of St. Paul's Episcopal Church and in celebrating the church's survival and importance in the community.

MAY IS PHYSICAL FITNESS AND SPORTS MONTH

HON. ROGER F. WICKER

OF MISSISSIPPI

IN THE HOUSE OF REPRESENTATIVES

Friday, May 30, 1997

Mr. WICKER. Mr. Speaker, May is National Physical Fitness and Sports Month, conducted by the President's Council on Physical Fitness and Sports. This observance is important because it focuses attention on the health benefits of physical activity in the daily lives of all Americans. The 1996 Surgeon General's Report on Physical Activity and Health revealed that more than 60 percent of adults do not achieve the recommended amount of physical activity. The report brought together, for the first time, what has been learned about physical activity and health. The report found that people who are usually inactive can improve their health by becoming even moderately active on a regular basis. In addition, the report shows that physical activity does not have to be strenuous to achieve health benefits.

In March, voluntary health organizations and State health groups briefed Members of Congress and their staff members on the importance of physical activity and health. I attended this briefing and heard from one of my fellow Mississippians, Dr. Ed Thompson. He noted that even slight increases in daily exercise would greatly reduce the number of premature deaths due to heart disease, stroke, and diabetes. Dr. Thompson urged Mississippians, as well as all Americans, to follow the recommendations of the Surgeon General's report and to get physically active.

One organization dedicated to helping motivate more Americans to be physically active is the National Coalition for Promoting Physical Activity. This organization represents over 100 groups which have identified physical activity and health as their primary mission. The NCPPA will use its nationwide network to provide leadership to State and Federal policy-makers as they work to increase the understanding, communication, and promotion of physical activity and health.

I encourage all Americans to look for ways to incorporate physical activity into their daily routine by taking the stairs, working in the garden, walking the dog, or biking to work. It takes only 30 minutes of physical activity per day to make a difference.

• This "bullet" symbol identifies statements or insertions which are not spoken by a Member of the Senate on the floor. Matter set in this typeface indicates words inserted or appended, rather than spoken, by a Member of the House on the floor. I encourage all Americans to paricipate in the Physical Fitness and Sports Month by developing a daily physical activity routine.

THE 12TH ANNUAL SALUTE TO THE PASSAIC SEMI-PRO BASE-BALL LEAGUE

HON. BILL PASCRELL, JR.

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

Friday, May 30, 1997

Mr. PASCRELL. Mr. Speaker, I would like to bring to your attention the Passaic Semi-Pro Baseball League, as they celebrate their 12th annual salute to Passaic semi-pro baseball reunion dinner, in honor of the baseball greats who left behind a legacy of greatness and fond memories in the sport of baseball.

This year's event is truly a special occasion as the careers of four great men are high-lighted in recognition of their outstanding and invaluable contributions they have made not only to the Passaic Semi-Pro Baseball League, but also to themselves, their family, and friends, and their teammates. The distinguished group of honorees includes Al lanuzzi, Emil Majka, John Kopec, Jr., and Ed Szerencsits. Although a tribute to the Passaic Semi-Pro Baseball League, I feel that is only fitting and proper that the careers of these four gentlemen are equally recognized for their proud accomplishments.

Al lanuzzi, born 1923, began his distinguished baseball career when he played varsity baseball at East Rutherford High School as a first-baseman. In his senior year, Al's contributions helped lead the Wildcats to the group 2 State championship and earned him a place on the Passaic Valley Conference All-

Star Team. He continued to play even when in the U.S. Army, and after he was discharged, Al played semi-pro baseball with great area teams, such as the Carlstadt Cubs and the Carlstadt Pros. He finished his outstanding career with the Passaic Demuro Comets.

Emil Majka, born 1926, began his distinguished baseball career when, as a young teenager, he played for several years with the Passaic Industrials. A well-rounded player, Emil served the Industrials as a second- and third-baseman, and also at shortstop. He also played second base with the Holy Rosary St. Stan's in the Clifton Recreational League, eventually helping the team to a first-place finish. Later, Emil played Legion baseball, playing third base for Passaic Memorial Post No. 200 and batting over .400. An integral part of the team, he contributed significantly to the Post's Legion championship and played an outstanding game in the State championship in Trenton where he batted over .500. During this time, he also played shortstop for the All-Passaics. Upon entering service with the U.S. Air Force in 1944, Emil played third-base with his squadron's softball team and after being discharged, played third-base for the Okonite Co. of Passaic, of which he was also an employee. Emil is currently retired and lives in Garfield with his wife Anne, and has two sons.

John Kopec, Jr., born 1931, began his distinguished baseball career early on, playing at Pulaski Park—South Field, mostly with the Bisons. He also played shortstop for the American Legion Rosoc-Duc Post No. 359 and the Passaic High School Indians as a second-baseman. John's superb playing contributed to the Indians 1948 Valley Conference cochampionship and their 1949 championship. In 1949, John made first-team All-Valley Conference as a second-baseman. His semi-pro activities include stints with the Bisons, the Maple Leafs, the Comets, and the Clifton Dodgers.

Ed Szerencsits, born 1937, began his distinquished baseball career as a pitcher at Pope Pius XII High School in Passaic from 1953 to 1955. He went undefeated in high school and led the team to the parochial group B north Jersey sectional championship. During this time, Ed made first- and second-team all-State for private schools. His semi-pro career began in 1955 playing for teams such as the Demuro Comets, under Ted Lublanecki, the Granatell Indians, under Milt Stein, and the Clifton Dodgers, under Ray Mastrobert. Ed also had pitched for Seton Hall University under coach Ownie Carroll, taking the Pirates to the metropolitan collegiate baseball title in 1959. He was 22d in the Nation E.R.A. in 1958 and 10th in the Nation E.R.A. in 1959. In 1959, Ed was signed to a professional contract with the Milwaukee Braves by Honey Russell and the current manager of the New York Yankees, Joe Torre but was released by current Chicago White Sox manager, Roland Hemond, after spring training.

Mr. Speaker, I ask that you join me, our colleagues, Al's, Emil's, John's and Ed's family and friends, and the people of north Jersey in recognizing the outstanding and invaluable contributions to the sport of baseball, made by these four gentlemen, during the 12th annual salute to the Passaic Semi-Pro Baseball League.

Friday, May 30, 1997

Mr. DAVIS of Virginia. Mr. Speaker, it gives me great pleasure to rise and pay tribute to Nancy Weisgerber, who has served the Fairfax County public schools system for the past 26 years as a teacher, counselor, and principal. June 3, 1997 marks the retirement of this exceptional member of our local community, who has dedicated years of service to Fairfax County, and its students.

After receiving her bachelors degree from Muskingum College in 1964, Nancy began her long and distinguished career in Fairfax County, as a health and physical education teacher at Falls Church High School. She received her masters of education from the University of Virginia in 1971, and became a counselor at Falls Church High School. In 1976 she was appointed an assistant principal at Falls Church. In 1989, she was appointed to her current position as principal of J.E.B. Stuart High School, a high school noted for its ethnic diversity and innovative programming. In 1995, Nancy was recognized for her priceless knowledge and skills by her election by her peers to the position of president of the Fairfax County High School Principals.

Nancy's numerous, notable accomplishments with the Fairfax County Public Schools has helped mold the future of the school system. Her participation in numerous conferences and seminars such as the NASSP Assessment Center Seminar, Family Life Education Advisory Committee and the Marketing Education Advisory Board has shaped the educational curriculum in our community. In particular, Nancy recently participated in the Workforce 2000 Advocacy Council to determine how best to equip our students for their future in our changing economy.

Nancy's membership in the Phi Delta Kappa Educational Fraternity, the National Association of Secondary School Principals, the Association for Supervision of Curriculum & Development, and the Northern Virginia Secondary School Administrators Association has given her valuable knowledge and insight into the changing nature of education today.

Nancy has enriched our community through the many presentations she has given, and her team building skills, bringing business partnerships to her school and bringing an ethnically diverse community together. Nancy has offered a wide variety of material on counseling, the international baccalaureate, block scheduling and on the role of a principal. In particular, her seminar on violence prevention instructed schools on how to provide a safe and drug-free environment for learning.

Mr. Speaker, I know that my colleagues will join me in applauding Nancy Weisgerber for her extraordinary efforts to provide the citizens of Fairfax County a school system which brings quality education to our children. Although her presence will be sorely missed, we wish her great success in her future endeavors.

Mr. PASCRELL. Mr. Speaker, I would like to call to your attention Susan Amirian of Clifton, NJ, who is being honored tonight by the Clifton Optimist Club in recognition of her outstanding community service to the city of Clifton. Susan began the fundraising efforts to obtain high-tech infrared imaging fire helmets for the Clifton Fire Department which cost \$25,000 each and thanks to her extraordinary efforts, Clifton firefighters are now able to see through smoke, observe body heat from victims, notice heat behind walls, floors and ceilings and move swiftly through unfamiliar surroundings. In recognition of her accomplishments, Susan has received numerous awards statewide and was Citizen of the Year for the New Jersey Firefighters Association.

Susan is a native of New York State and received a citation from the mayor of New York and the New York Police Department for volunteer work at the 72d Precinct in Brooklyn. AN AWARD FOR NATURAL SOCIAL WORKERS FROM THE UNIVERSITY OF PENNSYLVANIA

HON. CHAKA FATTAH

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

Friday, May 30, 1997

Mr. FATTAH. Mr. Speaker, I rise today to honor the recipients of the first Crystal Stair Award from the University of Pennsylvania School of Social Work. This award is given to natural social workers—those volunteers and professionals from any discipline who have

worked passionately for social justice and the elimination of prejudice and oppression.

The four recipients include Marian Wright Edelman, a nationally known advocate for children, C.B. Kimmins, an activist from a drug ridden Philadelphia neighborhood, and Jeffrey Lobach and Craig Trebilcock, two attorneys whose pro bono work assisted Chinese refugees.

Marian Wright Edelman is founder and president of the Children's Defense Fund [CDF], based in Washington, DC. She has been an advocate for disadvantaged Americans her entire professional career, which began as the first black woman admitted to the Mississippi Bar. Ms. Edelman founded the Washington Research Project, a public interest law firm and the parent organization of the Children's Defense Fund, which under her leadership has become a strong national voice for children and families.

C.B. Kimmins, is executive director and chief of staff of Mantua Against Drugs, Inc., and chief executive officer and president of C.B.'s Role Models, both based in Philadelphia. Mr. Kimmins has become a Philadelphia institution, who has made Mantua Against Drugs, Inc., well known beyond these city limits through his efforts to bring diverse elements of the community together to work with law enforcement to wage the war on drugs. Mr. Kimmins has the ability to empower neighborhoods to take back their communities.

Jeffrey D. Lobach and Craig T. Trebilcock are attorneys from York, PA, who have provided pro bono advocacy for years on behalf of Chinese refugees from the freighter *Golden Venture*, who were detained in York County prison. During Mr. Lobach's presidency of the York County Bar Association, Mr. Trebilcock chaired its pro bono committee on Chinese refugees. Mr. Lobach is a 1981 graduate of the law school at Penn.

Each of these recipients worked tirelessly against significant odds for the benefit of others. They have demonstrated extraordinary leadership in moving us forward collectively as a society. In doing so, they have touched all our lives and exemplified the spirit of the Langston Hughes poem "Mother to Son" from which the award derives its name.

In his poem, Hughes writes of a mother's encouragement to her son: In a world where "life ain't been no crystal stair," a natural social worker struggles unremittingly to bring light from darkness and create a crystal staircase, one stair at a time. It is this quality of determination and commitment that the Crystal Stair Award recognizes.

The award, given April 16, 1997, highlights the University of Pennsylvania School of Social Work and the profession of social work, encouraging and inspiring others to join this effort. The award's benefits go well beyond the important work of calling attention to the selfless efforts of these recipients. Funds for scholarships and research will also be generated because of this award to further the objectives of Penn's School of Social Work.

I hope that all Members will take time to learn more about this important award and encourage its recognition as our Nation moves forward in its effort to mobilize citizens to volunteer time to their communities.

TRIBUTE TO THE JOHN RAAD POST NO. 438 OF THE AMERICAN LEGION

HON. BILL PASCRELL, JR.

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES Friday, May 30, 1997

Mr. PASCRELL. Mr. Speaker, I would like to call to your attention the John Raad Post No. 438 of the American Legion as it celebrates its 50th anniversary.

The John Raad Post elected its first slate of officers on February 9, 1947 and was granted its American Legion charter No. 438, on December 7, 1947.

Since that time, the Post has been a tremendous resource to its members and to the community. As a former mayor and south Paterson native, I am aware firsthand of the contributions of the John Raad Post. It has been the center of civic and social activity in south Paterson for many years. The Post has been a place for veterans to congregate and for members of the community, including the variety of new immigrant groups who settled in Paterson, to use for social gatherings.

The members of the Post themselves have been active. Members of the Legion not only take care of veterans by visiting them in hospitals and sponsoring recreation activities, but they care for the community. They and their auxiliary sponsor boys and girls to participate in Boys' Town and Girls' Town. They give donations to charity and their concerns for the welfare of our children, Americanism and the world around them are evident.

The Post has 25 members who were original with the Post when it was first conceived 50 years ago.

Mr. Speaker, I therefore ask that you join me, our colleagues, the members of the John Raad Post, and members of the entire community, as we recognize the invaluable services of this American Legion Post on its 50th anniversary.

TRIBUTE TO WILLIAM MORTIMER

HON. ROBERT A. WEYGAND

OF RHODE ISLAND
IN THE HOUSE OF REPRESENTATIVES
Friday, May 30, 1997

Mr. WEYGAND. Mr. Speaker, it gives me great pleasure to pay tribute to an exceptional young man, Mr. P. William Mortimer, who has devoted much hard earned effort to achieving the Boy Scout's highest rank of Eagle Scout. This award reflects great initiative, determination and hard work.

Bill currently serves as junior assistant Scoutmaster of Boy Scout Troop 7 of Warwick, RI. By coordinating a horticulture project at Meadowbrook Terrace, a senior citizen retirement community, Bill demonstrated organizational and leadership abilities that have enabled him to achieve his goal of becoming an Eagle Scout. He not only oversaw the entire cultivation process of planting beautiful flowers for the senior community, but he also managed more than 30 other Boy Scouts and parents during the day of planting. His efforts to improve the quality of life for others should be commended.

The 16-year-old son of Paul and Mary Ellen Mortimer and a 1996 recipient of the Who's

Who in American High Schools, Bill resides in Warwick, RI, where he is a student at Warwick Veterans Memorial High School. I am sure his parents are extremely proud of their son's numerous awards and achievements. As an active member of the Warwick Police Department's cadets program, Bill will continue to serve the public to pursue his dream of working for the FBI.

I have confidence that the Boy Scouts have prepared him to face life's challenges with great determination and character. Bill is an example of the best of America's youth, those dedicated to improving life in their community and who strive to reach their highest potential. On behalf of the people of Rhode Island, I would like to thank Bill for his service to the community and wish him great success in the future.

Skip serves the community in a volunteer capacity and remains an active member of the Nutley Volunteer Emergency and Rescue Squad. Considering the average volunteer emergency medical technicians active participation is between 4 to 6 years, Skip's dedication is truly outstanding and noteworthy.

Throughout his 36 years of service, Skip has compiled an impressive record. His volunteer hours are estimated to be over 75,000 and he has answered well over 5,100 calls for assistance. He has devoted thousands of hours to receiving training and providing training to other members. Skip has served eight terms as captain of the Nutley Volunteer Emergency and Rescue Squad and two terms as its president.

In addition, Skip is also the mechanic who ensures that when someone needs emergency medical care, the ambulances and equipment are functioning at peak performance. He also leads the squad in the maintenance of the headquarter's building.

Skip is looked upon throughout the State of New Jersey as a volunteer EMT [Emergency Medical Technician] with significant expertise in the emergency medical field. His vast knowledge has enabled new volunteers to learn from him and to develop their skills under his direction. TRIBUTE TO ATIM ENEIDA GEORGE OGUNBA

HON. SOLOMON P. ORTIZ

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES Friday, May 30, 1997

Mr. ORTIZ. Mr. Speaker, I rise today to commend a talented and committed public servant, Atim Eneida George Ogunba, the principal officer of the United States Consulate in Matamoros, Mexico, the sister city of Brownsville, TX, on the international border.

Consul Ogunba was made principal officer in Matamoros in 1994 and has proven herself an outstanding diplomat in the south Texas-Northern Mexico region. She is a wealth of information to area business people and tourists who wish to come to the United States.

My office has numerous dealings with the consulate on a weekly basis. Any time we have asked Consul Ogunba for assistance, she has always been willing to go the extra mile and help. She is an eloquent advocate for the Consulate and has developed a reputation in the State Department, south Texas, and Northern Mexico for fairness, a valuable attribute for a diplomat.

Consul Ogunba was an enormous help to me in 1995, when the U.S. Consulate in Matamoros was targeted for closure by the budget cutters at the State Department and in Congress. She worked closely with me on this issue, and we were ultimately successful in persuading the State Department to remove the U.S. Consulate in Matamoros from their list of recommended closures.

Ms. Ogunba joined the U.S. Foreign Service in 1982, serving in Tijuana, Mexico, the Dominican Republic, Washington, DC, Nicaragua, and Costa Rica. She is a highly decorated consul officer. She was honored with the Harriman Award for her "extraordinary contributions to the practice of diplomacy, intellectual courage and a wazzu zeal for creative accomplishment" in 1994. That same year, she won a State Department Meritorious Honor Award for her service in Costa Rica.

As a result of her efforts to spare the consulate in Matamoros from closure, in 1996 she was recognized with the State Department Superior Honor Award for "creative and inspired leadership as Principal Officer in Matamoros during a difficult period when post faced prospect of closing."

Her next posting will be South Africa, an experience which will be both challenging and rewarding for her. She studied Africa extensively, both in Nairobi, Kenya, and at Rutgers University here in the United States. I ask my colleagues to join me in offering her best wishes and thanks for outstanding public service.

THE 20TH ANNIVERSARY OF THE PREPARATORY CENTER FOR THE ARTS AT MONTCLAIR STATE UNIVERSITY

HON. BILL PASCRELL, JR.

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

Friday, May 30, 1997

Mr. PASCRELL. Mr. Speaker, I would like to bring to your attention the momentous occasion of the 20th anniversary of the Preparatory Center for the Arts at Montclair State University. This occasion will be celebrated on Saturday, May 3, 1997 with a concert showcasing the winning compositions from the Music Division Composition contest in which some 250 scores from composers in seven countries were entered.

In 1976, Dr. Ruth Rendleman, professor of music at Montclair State University, was the driving force behind what was then called the Music Preparatory Division. The division was created by the Department of Music to seek out, encourage, and develop the talents of qualified music students of all ages from the State of New Jersey and adjacent areas.

The Preparatory Division officially opened its doors in September 1976, with an enrollment of 54 students. It offered courses in private instrumental instruction, class piano, music theory, and chamber ensembles. Today, the Music Preparatory Division has evolved into the Preparatory Center for the Arts. Three hundred and twenty students participate in similar music courses as those offered 20 years ago, and can also be involved in large ensembles such as orchestra and choir. They can also take classes in jazz, dalcroze and eurythmics, traditional and electronic music composition, and introductory music history.

In addition to its curriculum, the Preparatory Center for the Arts now offers classes in ballet and tap dancing. It further has inaugurated its Theatre Kids program of drama classes for children, ages 5 through 10.

The scholarship program, for which students and faculty perform a few benefit performances each year, allows Montclair State University to offer both talent- and need-based scholarships to many deserving students. This year, the center will be hosting their fifth summer music camp at the New Jersey School of Conservation at Stokes Forest. This camp is a 2-week extension of the 30-week academic year program in which students from various parts of the country can come to study music and the environment. The Preparatory Center clearly has come a long way since its inception.

Mr. Speaker, I ask that you join me, our colleagues, the students and faculty of the Preparatory Center for the Arts, and all of Montclair State University in recognizing the outstanding and invaluable service to musical development Montclair State University has made on the occasion of the 20th anniversary of the Preparatory Center for the Arts at Montclair State University.

MRS. ANNA CRINCOLI: 1997 MOTHER OF THE YEAR

HON. BILL PASCRELL, JR.

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES Friday, May 30, 1997

Mr. PASCRELL. Mr. Speaker, I would like to bring to your attention Mrs. Anna Crincoli who is being honored by the Italian Tribune News as the 1997 Mother of the Year.

Anna was born on August 29, 1907 at 37 Hayes Street in Newark. She attended Newton Street School. When she was 10 years old, Anna and her family moved to 383 South 9th Street in Newark where she attended the 14th Avenue School.

Anna managed to complete the seventh grade in a time when daughters were not encouraged to stay in school and receive an education. At the age of 13, she was forced to leave school and go to work. There were 10 children in her family and she and her older sister had to work in a local tailor shop. She worked on a sewing machine all week and attended the continuation school 1 day each week so that she could receive her working papers.

When Anna was 21 years old, she married Angelo Crincoli. She and Angelo worked in a small grocery store. Anna was relieved to work in a grocery store because she would never again have to worry about food. She knew there would always be plenty to eat.

Anna has two sons, Anthony and Dominick, seven grandchildren and eight great-grandchildren who are the joy of her life. She fondly remembers her mother who lived to be 96 years of age and would share with Anna many stories of Italy. She also remains close to her four sisters and five brothers. Always active in the community, Anna belongs to the Rosary Altar Society in St. Rocco's Church in Newark, the Belleville Club on Mill Street and the Friday Club in Bloomfield.

Mr. Speaker, I ask that you join me, our colleagues, and Anna's family and friends in recognizing the outstanding achievement of Anna Crincoli as the 1997 Mother of the Year.
