

influence in order the their decisions to be completely just and based only on the laws and facts of the cases.

When going to trial over serious, life changing issues, a litigant must be assured of the right to be treated fairly. When a judge sits in the position to over-turn the decision of another judge who is a close relative sitting on a panel of judges, the litigant clearly is going to question the impartiality and fairness of the final court decision. Preventing close family members from serving on the same court is a small price to pay to avoid the appearance of a loss of credibility of our court system.

This bill passed unanimously out of the Senate yesterday. I encourage my colleagues to support this bill and help uphold the just character and composition of one of our most revered institutions. I want to thank Chairman COBLE for allowing the expeditious consideration of this measure and urge my colleagues to support its passage.

SEC. 102. STATE GRANT PROGRAM FOR CRIMINAL JUSTICE IDENTIFICATION, INFORMATION, AND COMMUNICATION.

(a) IN GENERAL.—Subject to the availability of amounts provided in advance in appropriations Acts, the Office of Justice Programs relying principally on the expertise of the Bureau of Justice Statistics shall make a grant to each State, in a manner consistent with the national criminal history improvement program, which shall be used by the State, in conjunction with units of local government, State and local courts, other States, or combinations thereof, to establish or upgrade an integrated approach to develop information and identification technologies and systems to—

(1) upgrade criminal history and criminal justice record systems, including systems operated by law enforcement agencies and courts;

(2) improve criminal justice identification;

(3) promote compatibility and integration of national, State, and local systems for—

(A) criminal justice purposes;

(B) firearms eligibility determinations;

(C) identification of sexual offenders;

(D) identification of domestic violence offenders; and

(E) background checks for other authorized purposes unrelated to criminal justice; and

(4) capture information for statistical and research purposes to improve the administration of criminal justice.

(b) USE OF GRANT AMOUNTS.—Grants under this section may be used for programs to establish, develop, update, or upgrade—

(1) State centralized, automated, adult and juvenile criminal history record information

systems, including arrest and disposition reporting;

(2) automated fingerprint identification systems that are compatible with standards established by the National Institute of Standards and Technology and interoperable with the Integrated Automated Fingerprint Identification System (IAFIS) of the Federal Bureau of Investigation;

(3) finger imaging, live scan, and other automated systems to digitize fingerprints and to communicate prints in a manner that is compatible with standards established by the National Institute of Standards and Technology and interoperable with systems operated by States and by the Federal Bureau of Investigation;

(4) programs and systems to facilitate full participation in the Interstate Identification Index of the National Crime Information Center;

(5) systems to facilitate full participation in any compact relating to the Interstate Identification Index of the National Crime Information Center;

(6) systems to facilitate full participation in the national instant criminal background check system established under section 103(b) of the Brady Handgun Violence Prevention Act (18 U.S.C. 922 note) for firearms eligibility determinations;

(7) integrated criminal justice information systems to manage and communicate criminal justice information among law enforcement agencies, courts, prosecutors, and corrections agencies;

(8) noncriminal history record information systems relevant to firearms eligibility determinations for availability and accessibility to the national instant criminal background check system established under section 103(b) of the Brady Handgun Violence Prevention Act (18 U.S.C. 922 note);

(9) court-based criminal justice information systems that promote—

(A) reporting of dispositions to central State repositories and to the Federal Bureau of Investigation; and

(B) compatibility with, and integration of, court systems with other criminal justice information systems;

(10) ballistics identification and information programs that are compatible and integrated with the National Integrated Ballistics Network (NIBN);

(11) the capabilities of forensic science programs and medical examiner programs related to the administration of criminal justice, including programs leading to accreditation or certification of individuals or departments, agencies, or laboratories, and programs relating to the identification and analysis of deoxyribonucleic acid;

(12) sexual offender identification and registration systems;

(13) domestic violence offender identification and information systems;

(14) programs for fingerprint-supported background checks capability for noncriminal justice purposes, including youth service employees and volunteers and other individuals in positions of responsibility, if authorized by Federal or State law and administered by a government agency;

(15) criminal justice information systems with a capacity to provide statistical and research products including incident-based reporting systems that are compatible with the National Incident-Based Reporting System (NIBRS) and uniform crime reports; and

(16) multiagency, multijurisdictional communications systems among the States to share routine and emergency information among Federal, State, and local law enforcement agencies.

(c) ASSURANCES.—
