Renewal or reissuance of any such authorization shall be in accordance with applicable law and the regulations of the agency having jurisdiction, except that the change of administrative jurisdiction shall not in itself constitute a ground to deny the renewal or reissuance of any such authorization.

#### SEC. 5. LIABILITY.

Effective on the date of the conveyance of the remaining undivided  $\frac{1}{4}$  right and interest in the Pine River Project to the Tribe pursuant to subsection 3(b), the United States shall not be held liable by any court for damages of any kind arising out of any act, omission, or occurrence relating to such Project, except for damages caused by acts of negligence committed by the United States or by its employees, agents, or contractors prior to the date of conveyance. Nothing in this section shall be deemed to increase the liability of the United States beyond that currently provided in the Federal Tort Claims Act (28 U.S.C. 2671 et seq.)

Such agreement shall supercede the Memorandum of Agreement referred to in section 3(b) of this Act.

(6) The submission of a plan by the District to manage the Project in a manner substantially similar to the manner in which it was managed prior to the transfer and in accordance with applicable Federal and State laws, including management for the preservation of public access and recreational values and for the prevention of growth on certain lands to be conveyed hereunder, as set forth in an Agreement dated March 20, 1998, between the District and residents of Vallecito Reservoir. Any future change in the use of the water supplied by Vallecito Reservoir shall comply with applicable law.

(7) The development of a flood control plan by the Secretary of the Army acting through the Corps of Engineers which shall direct the District in the operation of Vallecito Dam for such purposes.
