Ms. PRYCE, from the Committee on Rules, submitted the following

REPORT

[To accompany H. Res. 258]

The Committee on Rules, having had under consideration House Resolution 258, by a non-record vote, report the same to the House with the recommendation that the resolution be adopted.

BRIEF SUMMARY OF PROVISIONS OF RESOLUTION

The rule provides for consideration of H.R. 629, the “Texas Low-Level Radioactive Waste Disposal Compact Consent Act” under an open rule. The rule provides for one hour of general debate equally divided and controlled by the chairman and ranking minority member of the Committee on Commerce.

The rule permits the Chairman of the Committee of the Whole to accord priority in recognition to those Members who have pre-printed their amendments in the Congressional Record prior to their consideration. The rule further allows the Chairman of the Committee of the Whole to postpone recorded votes and to reduce to five minutes the voting time on any postponed question, provided the voting time on the first in any series of questions is not less than 15 minutes.

Finally, the rule provides one motion to recommit, with or without instructions.
