YESTERDAY'S DREAM

SEPTEMBER 9, 1998.—Ordered to be printed

Mr. MCCAIN, from the Committee on Commerce, Science, and
Transportation, submitted the following

REPORT

[To accompany S. 2139]

The Committee on Commerce, Science, and Transportation, to which was referred the bill (S. 2139) "A Bill to authorize the Secretary of Transportation to issue a certificate of documentation with appropriate endorsement for employment in the coastwise trade for the vessel YESTERDAYS DREAM", having considered the same, reports favorably thereon and recommends the bill do pass.

PURPOSE OF THE BILL

S. 2139, as reported, grants coastwise trading privileges to the vessel YESTERDAYS DREAM.

BACKGROUND AND NEEDS

Subject to certain limited exceptions, the law known as the Jones Act (section 27 of the Merchant Marine Act, 1920), section 8 of the Act of June 19, 1886, and sections 12106 and 12108 of title 46, U.S. Code, provide that only those vessels built in the United States, continuously documented under the laws of the United States and continuously owned by U.S. citizens may transport merchandise or passengers in the coastwise trade, or engage in the fisheries, of the United States.

Where the facts applicable to a particular vessel suggest the U.S.-built or U.S.-owned requirements have not been satisfied, the Coast Guard may not issue a document granting coastwise trading or fisheries privileges for that vessel unless the requirements of those Acts are statutorily waived.

The vessel YESTERDAYS DREAM, United States official number 680266, is a 48-foot sailing vessel that was constructed in France in 1983. It is owned by Mr. Duncan MacRae III of Colum-

bus, South Carolina. The owner intends to use the vessel for charters out of South Carolina and Georgia.

Because the vessel is foreign-built, the owner has not been able to obtain coastwise trade privileges for it. Therefore, the owner is seeking a statutory waiver of the Jones Act and other laws for the vessel.

LEGISLATIVE HISTORY

S. 2139 was introduced in the Senate on June 5, 1998, by Senator Thurmond. In open executive session on July 9, 1998, the Committee considered S. 2139, and ordered the legislation reported favorably without objection and without amendment.

ESTIMATED COSTS

In accordance with paragraph 11(a) of rule XXVI of the Standing Rules of the Senate and section 403 of the Congressional Budget Act of 1974, the Committee provides the following cost estimate, prepared by the Congressional Budget Office:

U.S. CONGRESS,
CONGRESSIONAL BUDGET OFFICE,
Washington, DC, August 3, 1998.

Hon. JOHN MCCAIN,
*Chairman, Committee on Commerce, Science, and Transportation,
U.S. Senate, Washington, DC.*

DEAR MR. CHAIRMAN: The Congressional Budget Office has reviewed S. 2139, a bill to authorize the Secretary of Transportation to issue a certificate of documentation with appropriate endorsement for employment in the coastwise trade for the vessel YESTERDAYS DREAM. S. 2139 was ordered reported by the Senate Committee on Commerce, Science, and Transportation on July 9, 1998.

CBO estimates that enacting S. 2139 would have no significant impact on the federal budget. Because the bill would not affect direct spending or receipts, pay-as-you-go procedures would not apply.

If you wish further details on this estimate, we will be pleased to provide them. The CBO staff contact is Deborah Reis.

Sincerely,

JUNE E. O'NEILL, *Director.*

REGULATORY IMPACT STATEMENT

In accordance with paragraph 11(b) of rule XXVI of the Standing Rules of the Senate, the Committee provides the following evaluation of the regulatory impact of the legislation, as reported:

Because S. 2139 does not create any new programs, the legislation will have no additional regulatory impact, and will result in no additional reporting requirements. The legislation will have no further effect on the number or types of individuals and businesses regulated, the economic impact of such regulation, the personal privacy of affected individuals, or the paperwork required from such individuals and businesses.

SECTION-BY-SECTION ANALYSIS

The bill consists of one section. It provides that, notwithstanding section 27 of the Merchant Marine Act, 1920 (46 App. U.S.C. 883), section 8 of the Act of June 19, 1886 (24 Stat. 81, chapter 421; 46 U.S.C. App. 289), and sections 12106 and 12108 of title 46, United States Code, the Secretary of Transportation may issue a certificate of documentation with appropriate endorsement for employment in the coastwise trade for the vessel YESTERDAYS DREAM, United States official number 680266.

CHANGES IN EXISTING LAW

In compliance with paragraph 12 of rule XXVI of the Standing Rules of the Senate, the Committee states that the bill as reported would make no change to existing law.
