## A BILL

To accelerate the Wilderness designation process by establishing a timetable for the completion of wilderness studies on Federal Lands.

1 *Be it enacted by the Senate and House of Representa-*  
2 *tives of the United States of America in Congress assembled,*

1 **SECTION 1. SHORT TITLE.**

2 This Act may be cited as “America’s Wilderness Pro-  
3 tection Act”.

4 **SEC. 2. FINDINGS AND PURPOSE.**

5 The Congress finds that—

6 (1) The designation of certain Federal lands as  
7 Wilderness is beneficial to the American people.

8 (2) The Wilderness Act of 1964 and of the  
9 Federal Land Management and Policy Act of 1976  
10 provided for the study of certain lands for wilderness  
11 suitability. Areas undergoing such a study have been  
12 generally known as “Wilderness Study Areas”.—

13 (3) Wilderness Study Areas were intended as  
14 interim management designations pending comple-  
15 tion of wilderness suitability studies. Wilderness  
16 Study Area status was not intended as a substitute  
17 for wilderness designation by Congress.

18 (4) It was not the intent of Congress that areas  
19 continue under Wilderness Study Area status indefi-  
20 nitely. Perpetuation of Wilderness Study Area status  
21 is undesirable and hinders the Wilderness designa-  
22 tion process. Lands that merit Wilderness designa-  
23 tion should be granted the full protection that such  
24 a status would afford, and those lands which do not  
25 merit such a designation should be released so that

1 they can be managed for the public good as accorded  
2 by law.

3 (5) The establishment of a timetable for the  
4 completion of wilderness studies would facilitate the  
5 wilderness designation process by supplying a time-  
6 frame within which Congress must Act.

7 **SEC. 3. TIMETABLE FOR WILDERNESS STUDY COMPLETION.**

8 (a) **EXISTING WILDERNESS STUDY AREAS.**—All  
9 areas designated as wilderness study areas as of the date  
10 of the enactment of this Act shall be released from wilder-  
11 ness study area status on the earlier of the following:

12 (1) The date 10 years after the date of enact-  
13 ment of this Act.

14 (2) The date on which the area is designated by  
15 Act of Congress as wilderness.

16 (b) **SUBSEQUENT WILDERNESS STUDY AREAS.**—Any  
17 wilderness study area designated after the date of enact-  
18 ment of this Act shall remain in wilderness study area sta-  
19 tus until the earlier of the following:

20 (1) The date 10 years after the date of designa-  
21 tion.

22 (2) The date on which the area is designated by  
23 Act of Congress as wilderness.

1 After such 10-year period, any such area not designated  
2 as wilderness by Act of Congress shall be released from  
3 wilderness study area status.
