## A BILL

To amend title IX of the Public Health Service Act to revise and extend the Agency for Health Care Policy and Research.

1        *Be it enacted by the Senate and House of Representa-*  
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4        *This Act may be cited as the “Health Research and*  
5 *Quality Act of 1999”.*

6 **SEC. 2. AMENDMENT TO THE PUBLIC HEALTH SERVICE ACT.**

7        *(a) IN GENERAL.—Title IX of the Public Health Serv-*  
8 *ice Act (42 U.S.C. 299 et seq.) is amended to read as follows:*

9 **“TITLE IX—AGENCY FOR HEALTH**  
10 **RESEARCH AND QUALITY**

11 **“PART A—ESTABLISHMENT AND GENERAL**  
12 **DUTIES**

13 **“SEC. 901. MISSION AND DUTIES.**

14        *“(a) IN GENERAL.—There is established within the*  
15 *Public Health Service an agency to be known as the Agency*  
16 *for Health Research and Quality, which shall be headed by*  
17 *a director appointed by the Secretary. The Secretary shall*  
18 *carry out this title acting through the Director.*

19        *“(b) MISSION.—The purpose of the Agency is to en-*  
20 *hance the quality, appropriateness, and effectiveness of*  
21 *health services, and access to such services, through the es-*  
22 *tablishment of a broad base of scientific research and*  
23 *through the promotion of improvements in clinical and*  
24 *health system practices, including the prevention of diseases*

1 *and other health conditions. The Agency shall promote*  
2 *health care quality improvement by—*

3           “(1) *conducting and supporting research that de-*  
4 *velops and presents scientific evidence regarding all*  
5 *aspects of health, including—*

6                   “(A) *the development and assessment of*  
7 *methods for enhancing patient participation in*  
8 *their own care and for facilitating shared pa-*  
9 *tient-physician decision-making;*

10                   “(B) *the outcomes, effectiveness, and cost-ef-*  
11 *fectiveness of health care practices, including*  
12 *preventive measures and long-term care;*

13                   “(C) *existing and innovative technologies;*

14                   “(D) *the costs and utilization of, and access*  
15 *to health care;*

16                   “(E) *the ways in which health care services*  
17 *are organized, delivered, and financed and the*  
18 *interaction and impact of these factors on the*  
19 *quality of patient care;*

20                   “(F) *methods for measuring quality and*  
21 *strategies for improving quality; and*

22                   “(G) *ways in which patients, consumers,*  
23 *purchasers, and practitioners acquire new infor-*  
24 *mation about best practices and health benefits,*

1           *the determinants and impact of their use of this*  
2           *information;*

3           “(2) *synthesizing and disseminating available*  
4           *scientific evidence for use by patients, consumers,*  
5           *practitioners, providers, purchasers, policy makers,*  
6           *and educators; and*

7           “(3) *advancing private and public efforts to im-*  
8           *prove health care quality.*

9           “(c) *REQUIREMENTS WITH RESPECT TO RURAL*  
10 *AREAS AND PRIORITY POPULATIONS.—In carrying out sub-*  
11 *section (b), the Director shall undertake and support re-*  
12 *search, demonstration projects, and evaluations with respect*  
13 *to—*

14           “(1) *the delivery of health services in rural areas*  
15           *(including frontier areas);*

16           “(2) *health services for low-income groups, and*  
17           *minority groups;*

18           “(3) *the health of children;*

19           “(4) *the elderly; and*

20           “(5) *people with special health care needs, in-*  
21           *cluding disabilities, chronic care and end-of-life*  
22           *health care.*

23 **“SEC. 902. GENERAL AUTHORITIES.**

24           “(a) *IN GENERAL.—In carrying out section 901(b), the*  
25 *Director shall support demonstration projects, conduct and*

1 *support research, evaluations, training, research networks,*  
2 *multi-disciplinary centers, technical assistance, and the dis-*  
3 *semination of information, on health care, and on systems*  
4 *for the delivery of such care, including activities with re-*  
5 *spect to—*

6           “(1) *the quality, effectiveness, efficiency, appro-*  
7 *priateness and value of health care services;*

8           “(2) *quality measurement and improvement;*

9           “(3) *the outcomes, cost, cost-effectiveness, and use*  
10 *of health care services and access to such services;*

11           “(4) *clinical practice, including primary care*  
12 *and practice-oriented research;*

13           “(5) *health care technologies, facilities, and*  
14 *equipment;*

15           “(6) *health care costs, productivity, organization,*  
16 *and market forces;*

17           “(7) *health promotion and disease prevention,*  
18 *including clinical preventive services;*

19           “(8) *health statistics, surveys, database develop-*  
20 *ment, and epidemiology; and*

21           “(9) *medical liability.*

22           “(b) *HEALTH SERVICES TRAINING GRANTS.—*

23           “(1) *IN GENERAL.—The Director may provide*  
24 *training grants in the field of health services research*  
25 *related to activities authorized under subsection (a),*

1       to include pre- and post-doctoral fellowships and  
2       training programs, young investigator awards, and  
3       other programs and activities as appropriate. In car-  
4       rying out this subsection, the Director shall make use  
5       of funds made available under section 487.

6               “(2) *REQUIREMENTS.*—In developing priorities  
7       for the allocation of training funds under this sub-  
8       section, the Director shall take into consideration  
9       shortages in the number of trained researchers ad-  
10      dressing the priority populations.

11           “(c) *MULTIDISCIPLINARY CENTERS.*—The Director  
12      may provide financial assistance to assist in meeting the  
13      costs of planning and establishing new centers, and operat-  
14      ing existing and new centers, for multidisciplinary health  
15      services research, demonstration projects, evaluations,  
16      training, and policy analysis with respect to the matters  
17      referred to in subsection (a).

18           “(d) *RELATION TO CERTAIN AUTHORITIES REGARD-*  
19      *ING SOCIAL SECURITY.*—Activities authorized in this sec-  
20      tion shall be appropriately coordinated with experiments,  
21      demonstration projects, and other related activities author-  
22      ized by the Social Security Act and the Social Security  
23      Amendments of 1967. Activities under subsection (a)(2) of  
24      this section that affect the programs under titles XVIII, XIX

1 *and XXI of the Social Security Act shall be carried out*  
2 *consistent with section 1142 of such Act.*

3 “(e) *DISCLAIMER.—The Agency shall not mandate na-*  
4 *tional standards of clinical practice or quality health care*  
5 *standards. Recommendations resulting from projects funded*  
6 *and published by the Agency shall include a corresponding*  
7 *disclaimer.*

8 “(f) *RULE OF CONSTRUCTION.—Nothing in this sec-*  
9 *tion shall be construed to imply that the Agency’s role is*  
10 *to mandate a national standard or specific approach to*  
11 *quality measurement and reporting. In research and qual-*  
12 *ity improvement activities, the Agency shall consider a wide*  
13 *range of choices, providers, health care delivery systems,*  
14 *and individual preferences.*

15 **“PART B—HEALTH CARE IMPROVEMENT**

16 **RESEARCH**

17 **“SEC. 911. HEALTH CARE OUTCOME IMPROVEMENT RE-**  
18 **SEARCH.**

19 “(a) *EVIDENCE RATING SYSTEMS.—In collaboration*  
20 *with experts from the public and private sector, the Agency*  
21 *shall identify and disseminate methods or systems that it*  
22 *uses to assess health care research results, particularly*  
23 *methods or systems that it uses to rate the strength of the*  
24 *scientific evidence behind health care practice, recommenda-*  
25 *tions in the research literature, and technology assessments.*

1 *The Agency shall make methods or systems for evidence rat-*  
2 *ing widely available. Agency publications containing health*  
3 *care recommendations shall indicate the level of substantiat-*  
4 *ing evidence using such methods or systems.*

5       “(b) *HEALTH CARE IMPROVEMENT RESEARCH CEN-*  
6 *TERS AND PROVIDER-BASED RESEARCH NETWORKS.—*

7               “(1) *IN GENERAL.—In order to address the full*  
8 *continuum of care and outcomes research, to link re-*  
9 *search to practice improvement, and to speed the dis-*  
10 *semination of research findings to community prac-*  
11 *tice settings, the Agency shall employ research strate-*  
12 *gies and mechanisms that will link research directly*  
13 *with clinical practice in geographically diverse loca-*  
14 *tions throughout the United States, including—*

15                       “(A) *Health Care Improvement Research*  
16 *Centers that combine demonstrated multidisci-*  
17 *plinary expertise in outcomes or quality im-*  
18 *provement research with linkages to relevant*  
19 *sites of care;*

20                       “(B) *Provider-based Research Networks, in-*  
21 *cluding plan, facility, or delivery system sites of*  
22 *care (especially primary care), that can evaluate*  
23 *outcomes and promote quality improvement; and*

24                       “(C) *other innovative mechanisms or strate-*  
25 *gies to link research with clinical practice.*

1           “(2) *REQUIREMENTS.*—*The Director is author-*  
2           *ized to establish the requirements for entities applying*  
3           *for grants under this subsection.*

4   **“SEC. 912. PRIVATE-PUBLIC PARTNERSHIPS TO IMPROVE**  
5           **ORGANIZATION AND DELIVERY.**

6           “(a) *SUPPORT FOR EFFORTS TO DEVELOP INFORMA-*  
7           *TION ON QUALITY.*—

8           “(1) *SCIENTIFIC AND TECHNICAL SUPPORT.*—*In*  
9           *its role as the principal agency for health research*  
10           *and quality, the Agency may provide scientific and*  
11           *technical support for private and public efforts to im-*  
12           *prove health care quality, including the activities of*  
13           *accrediting organizations.*

14           “(2) *ROLE OF THE AGENCY.*—*With respect to*  
15           *paragraph (1), the role of the Agency shall include—*

16                   “(A) *the identification and assessment of*  
17                   *methods for the evaluation of the health of—*

18                           “(i) *enrollees in health plans by type of*  
19                           *plan, provider, and provider arrangements;*  
20                           *and*

21                           “(ii) *other populations, including those*  
22                           *receiving long-term care services;*

23                           “(B) *the ongoing development, testing, and*  
24                           *dissemination of quality measures, including*  
25                           *measures of health and functional outcomes;*

1           “(C) the compilation and dissemination of  
2 health care quality measures developed in the  
3 private and public sector;

4           “(D) assistance in the development of im-  
5 proved health care information systems;

6           “(E) the development of survey tools for the  
7 purpose of measuring participant and bene-  
8 ficiary assessments of their health care; and

9           “(F) identifying and disseminating infor-  
10 mation on mechanisms for the integration of in-  
11 formation on quality into purchaser and con-  
12 sumer decision-making processes.

13       “(b) *CENTERS FOR EDUCATION AND RESEARCH ON*  
14 *THERAPEUTICS.*—

15           “(1) *IN GENERAL.*—*The Secretary, acting*  
16 *through the Director and in consultation with the*  
17 *Commissioner of Food and Drugs, shall establish a*  
18 *program for the purpose of making one or more*  
19 *grants for the establishment and operation of one or*  
20 *more centers to carry out the activities specified in*  
21 *paragraph (2).*

22           “(2) *REQUIRED ACTIVITIES.*—*The activities re-*  
23 *ferred to in this paragraph are the following:*

24           “(A) *The conduct of state-of-the-art research*  
25 *for the following purposes:*

1 “(i) To increase awareness of—

2 “(I) new uses of drugs, biological  
3 products, and devices;

4 “(II) ways to improve the effective  
5 use of drugs, biological products, and  
6 devices; and

7 “(III) risks of new uses and risks  
8 of combinations of drugs and biological  
9 products.

10 “(ii) To provide objective clinical in-  
11 formation to the following individuals and  
12 entities:

13 “(I) Health care practitioners and  
14 other providers of health care goods or  
15 services.

16 “(II) Pharmacists, pharmacy ben-  
17 efit managers and purchasers.

18 “(III) Health maintenance orga-  
19 nizations and other managed health  
20 care organizations.

21 “(IV) Health care insurers and  
22 governmental agencies.

23 “(V) Patients and consumers.

1                   “(iii) To improve the quality of health  
2                   care while reducing the cost of health care  
3                   through—

4                                 “(I) an increase in the appro-  
5                                 priate use of drugs, biological products,  
6                                 or devices; and

7                                 “(II) the prevention of adverse ef-  
8                                 fects of drugs, biological products, and  
9                                 devices and the consequences of such ef-  
10                                 fects, such as unnecessary hospitaliza-  
11                                 tions.

12                                 “(B) The conduct of research on the com-  
13                                 parative effectiveness, cost-effectiveness, and safe-  
14                                 ty of drugs, biological products, and devices.

15                                 “(C) Such other activities as the Secretary  
16                                 determines to be appropriate, except that a grant  
17                                 may not be expended to assist the Secretary in  
18                                 the review of new drugs.

19                   “(c) REDUCING ERRORS IN MEDICINE.—The Director  
20                   shall conduct and support research and build private-public  
21                   partnerships to—

22                                 “(1) identify the causes of preventable health  
23                                 care errors and patient injury in health care delivery;

1           “(2) develop, demonstrate, and evaluate strate-  
2           gies for reducing errors and improving patient safety;  
3           and

4           “(3) promote the implementation of effective  
5           strategies throughout the health care industry.

6   **“SEC. 913. INFORMATION ON QUALITY AND COST OF CARE.**

7           “(a) *IN GENERAL.*—In carrying out 902(a), the  
8   Director shall—

9           “(1) conduct a survey to collect data on a  
10          nationally representative sample of the population on  
11          the cost, use and, for fiscal year 2001 and subsequent  
12          fiscal years, quality of health care, including the  
13          types of health care services Americans use, their ac-  
14          cess to health care services, frequency of use, how  
15          much is paid for the services used, the source of those  
16          payments, the types and costs of private health insur-  
17          ance, access, satisfaction, and quality of care for the  
18          general population and also for populations identified  
19          in section 901(c); and

20          “(2) develop databases and tools that provide in-  
21          formation to States on the quality, access, and use of  
22          health care services provided to their residents.

23          “(b) *QUALITY AND OUTCOMES INFORMATION.*—

1           “(1) *IN GENERAL.*—*Beginning in fiscal year*  
2 *2001, the Director shall ensure that the survey con-*  
3 *ducted under subsection (a)(1) will—*

4           “(A) *identify determinants of health out-*  
5 *comes and functional status, the needs of special*  
6 *populations in such variables as well as an un-*  
7 *derstanding of changes over time, relationships*  
8 *to health care access and use, and monitor the*  
9 *overall national impact of Federal and State*  
10 *policy changes on health care;*

11           “(B) *provide information on the quality of*  
12 *care and patient outcomes for frequently occur-*  
13 *ring clinical conditions for a nationally rep-*  
14 *resentative sample of the population; and*

15           “(C) *provide reliable national estimates for*  
16 *children and persons with special health care*  
17 *needs through the use of supplements or periodic*  
18 *expansions of the survey.*

19           *In expanding the Medical Expenditure Panel Survey,*  
20 *as in existence on the date of enactment of this title*  
21 *in fiscal year 2001 to collect information on the qual-*  
22 *ity of care, the Director shall take into account any*  
23 *outcomes measurements generally collected by private*  
24 *sector accreditation organizations.*

1           “(2) *ANNUAL REPORT.*—*Beginning in fiscal year*  
2           *2003, the Secretary, acting through the Director, shall*  
3           *submit to Congress an annual report on national*  
4           *trends in the quality of health care provided to the*  
5           *American people.*

6   **“SEC. 914. INFORMATION SYSTEMS FOR HEALTH CARE IM-**  
7                                   **PROVEMENT.**

8           “(a) *IN GENERAL.*—*In order to foster a range of inno-*  
9           *vative approaches to the management and communication*  
10          *of health information, the Agency shall support research,*  
11          *evaluations and initiatives to advance—*

12                   “(1) *the use of information systems for the study*  
13                   *of health care quality and outcomes, including the*  
14                   *generation of both individual provider and plan-level*  
15                   *comparative performance data;*

16                   “(2) *training for health care practitioners and*  
17                   *researchers in the use of information systems;*

18                   “(3) *the creation of effective linkages between*  
19                   *various sources of health information, including the*  
20                   *development of information networks;*

21                   “(4) *the delivery and coordination of evidence-*  
22                   *based health care services, including the use of real-*  
23                   *time health care decision-support programs;*

24                   “(5) *the structure, content, definition, and cod-*  
25                   *ing of health information data and medical vocabu-*

1 *laries in consultation with appropriate Federal enti-*  
2 *ties and shall seek input from appropriate private en-*  
3 *tities;*

4 *“(6) the use of computer-based health records in*  
5 *outpatient and inpatient settings as a personal health*  
6 *record for individual health assessment and mainte-*  
7 *nance, and for monitoring public health and outcomes*  
8 *of care within populations; and*

9 *“(7) the protection of individually identifiable*  
10 *information in health services research and health*  
11 *care quality improvement.*

12 *“(b) DEMONSTRATION.—The Agency shall support*  
13 *demonstrations into the use of new information tools aimed*  
14 *at improving shared decision-making between patients and*  
15 *their care-givers.*

16 **“SEC. 915. RESEARCH SUPPORTING PRIMARY CARE AND AC-**

18 *“(a) PREVENTIVE SERVICES TASK FORCE.—*

19 *“(1) PURPOSE.—The Agency shall provide ongo-*  
20 *ing administrative, research, and technical support*  
21 *for the operation of the Preventive Services Task*  
22 *Force. The Agency shall coordinate and support the*  
23 *dissemination of the Preventive Services Task Force*  
24 *recommendations.*

1           “(2) *OPERATION.*—*The Preventive Services Task*  
2           *Force shall review the scientific evidence related to the*  
3           *effectiveness, appropriateness, and cost-effectiveness of*  
4           *clinical preventive services for the purpose of develop-*  
5           *ing recommendations for the health care community,*  
6           *and updating previous recommendations, regarding*  
7           *their usefulness in daily clinical practice. In carrying*  
8           *out its responsibilities under paragraph (1), the Task*  
9           *Force shall not be subject to the provisions of Appen-*  
10           *dix 2 of title 5, United States Code.*

11           “(b) *PRIMARY CARE RESEARCH.*—

12           “(1) *IN GENERAL.*—*There is established within*  
13           *the Agency a Center for Primary Care Research (re-*  
14           *ferred to in this subsection as the ‘Center’) that shall*  
15           *serve as the principal source of funding for primary*  
16           *care practice research in the Department of Health*  
17           *and Human Services. For purposes of this paragraph,*  
18           *primary care research focuses on the first contact*  
19           *when illness or health concerns arise, the diagnosis,*  
20           *treatment or referral to specialty care, preventive*  
21           *care, and the relationship between the clinician and*

6           cine and the public and private sector to develop an  
7           electronic clearinghouse of currently available assess-  
8           ments and those in progress.

9           “(b) SPECIFICATION OF PROCESS.—

10           “(1) IN GENERAL.—Not later than December 31,  
11           2000, the Director shall develop and publish a de-  
12           scription of the methods used by the Agency and its  
13           contractors for practice and technology assessment.

14           “(2) CONSULTATIONS.—In carrying out this sub-  
15           section, the Director shall cooperate and consult with  
16           the Assistant Secretary for Health, the Administrator  
17           of the Health Care Financing Administration, the Di-  
18           rector of the National Institutes of Health, the Com-  
19           missioner of Food and Drugs, and the heads of any  
20           other interested Federal department or agency, and  
21           shall seek input, where appropriate, from professional  
22           societies and other private and public entities.

23           “(3) METHODOLOGY.—The Director shall, in de-  
24           veloping the methods used under paragraph (1),  
25           consider—

1           “(A) safety, efficacy, and effectiveness;

2           “(B) legal, social, and ethical implications;

3           “(C) costs, benefits, and cost-effectiveness;

4           “(D) comparisons to alternate technologies  
5           and practices; and

6           “(E) requirements of Food and Drug Ad-  
7           ministration approval to avoid duplication.

8           “(c) *SPECIFIC ASSESSMENTS.*—

9           “(1) *IN GENERAL.*—*The Director shall conduct*  
10          *or support specific assessments of health care tech-*  
11          *nologies and practices.*

12          “(2) *REQUESTS FOR ASSESSMENTS.*—*The Direc-*

22           *and evaluations with respect to health care;*

23           “(B) *3 shall be individuals distinguished in*  
24           *the practice of medicine of which at least 1 shall*  
25           *be a primary care practitioner;*

1           “(C) 3 shall be individuals distinguished in  
2           the other health professions;

3           “(D) 3 shall be individuals either represent-  
4           ing the private health care sector, including  
5           health plans, providers, and purchasers or indi-  
6           viduals distinguished as administrators of health  
7           care delivery systems;

8           “(E) 3 shall be individuals distinguished in  
9           the fields of health care quality improvement, ec-  
10          onomics, information systems, law, ethics, busi-  
11          ness, or public policy; and

12          “(F) 3 shall be individuals representing the  
13          interests of patients and consumers of health  
14          care.

15          “(3) *EX OFFICIO MEMBERS.*—The Secretary shall  
16          designate as *ex officio* members of the Advisory  
17          Council—

18                 “(A) the Assistant Secretary for Health, the  
19                 Director of the National Institutes of Health, the  
20                 Director of the Centers for Disease Control and  
21                 Prevention, the Administrator of the Health Care  
22                 Financing Administration, the Assistant Sec-  
23                 retary of Defense (Health Affairs), and the  
24                 Under Secretary for Health of the Department of  
25                 Veterans Affairs; and

1                   “(B) such other Federal officials as the Sec-  
2                   retary may consider appropriate.

3                   “(d) *TERMS.*—Members of the Advisory Council ap-  
4                   pointed under subsection (c)(2) shall serve for a term of 3  
5                   years. A member of the Council appointed under such sub-  
6                   section may continue to serve after the expiration of the  
7                   term of the members until a successor is appointed.

8                   “(e) *VACANCIES.*—If a member of the Advisory Council  
9                   appointed under subsection (c)(2) does not serve the full  
10                  term applicable under subsection (d), the individual ap-  
11                  pointed to fill the resulting vacancy shall be appointed for  
12                  the remainder of the term of the predecessor of the individ-  
13                  ual.

14                  “(f) *CHAIR.*—The Director shall, from among the  
15                  members of the Advisory Council appointed under sub-  
16                  section (c)(2), designate an individual to serve as the chair  
17                  of the Advisory Council.

18                  “(g) *MEETINGS.*—The Advisory Council shall meet not  
19                  less than once during each discrete 4-month period and  
20                  shall otherwise meet at the call of the Director or the chair.

21                  “(h) *COMPENSATION AND REIMBURSEMENT OF*  
22                  *EXPENSES.*—

23                         “(1) *APPOINTED MEMBERS.*—Members of the Ad-  
24                         visory Council appointed under subsection (c)(2) shall  
25                         receive compensation for each day (including travel

1       *time) engaged in carrying out the duties of the Advi-*  
2       *sory Council unless declined by the member. Such*  
3       *compensation may not be in an amount in excess of*  
4       *the maximum rate of basic pay payable for GS-18*  
5       *of the General Schedule.*

6               “(2) *EX OFFICIO MEMBERS.*—*Officials des-*  
7       *ignated under subsection (c)(3) as ex officio members*  
8       *of the Advisory Council may not receive compensation*  
9       *for service on the Advisory Council in addition to the*  
10       *compensation otherwise received for duties carried out*  
11       *as officers of the United States.*

12               “(i) *STAFF.*—*The Director shall provide to the Advi-*  
13       *sory Council such staff, information, and other assistance*  
14       *as may be necessary to carry out the duties of the Council.*

15       **“SEC. 922. PEER REVIEW WITH RESPECT TO GRANTS AND**  
16               **CONTRACTS.**

17               “(a) *REQUIREMENT OF REVIEW.*—

18               “(1) *IN GENERAL.*—*Appropriate technical and*  
19       *scientific peer review shall be conducted with respect*  
20       *to each application for a grant, cooperative agree-*  
21       *ment, or contract under this title.*

22               “(2) *REPORTS TO DIRECTOR.*—*Each peer review*  
23       *group to which an application is submitted pursuant*  
24       *to paragraph (1) shall report its finding and rec-*  
25       *ommendations respecting the application to the Direc-*

1        *tor in such form and in such manner as the Director*  
2        *shall require.*

3        *“(b) APPROVAL AS PRECONDITION OF AWARDS.—The*  
4        *Director may not approve an application described in sub-*  
5        *section (a)(1) unless the application is recommended for ap-*  
6        *proval by a peer review group established under subsection*  
7        *(c).*

8        *“(c) ESTABLISHMENT OF PEER REVIEW GROUPS.—*

9            *“(1) IN GENERAL.—The Director shall establish*  
10        *such technical and scientific peer review groups as*  
11        *may be necessary to carry out this section. Such*  
12        *groups shall be established without regard to the pro-*  
13        *visions of title 5, United States Code, that govern ap-*  
14        *pointments in the competitive service, and without re-*  
15        *gard to the provisions of chapter 51, and subchapter*  
16        *III of chapter 53, of such title that relate to classifica-*  
17        *tion and pay rates under the General Schedule.*

18            *“(2) MEMBERSHIP.—The members of any peer*  
19        *review group established under this section shall be*  
20        *appointed from among individuals who by virtue of*  
21        *their training or experience are eminently qualified*  
22        *to carry out the duties of such peer review group. Of-*  
23        *ficers and employees of the United States may not*  
24        *constitute more than 25 percent of the membership of*  
25        *any such group. Such officers and employees may not*

1 *receive compensation for service on such groups in ad-*  
2 *dition to the compensation otherwise received for these*  
3 *duties carried out as such officers and employees.*

4 “(3) *DURATION.*—*Notwithstanding section 14(a)*  
5 *of the Federal Advisory Committee Act, peer review*  
6 *groups established under this section may continue in*  
7 *existence until otherwise provided by law.*

8 “(4) *QUALIFICATIONS.*—*Members of any peer-re-*  
9 *view group shall, at a minimum, meet the following*  
10 *requirements:*

11 “(A) *Such members shall agree in writing*  
12 *to treat information received, pursuant to their*  
13 *work for the group, as confidential information,*  
14 *except that this subparagraph shall not apply to*  
15 *public records and public information.*

16 “(B) *Such members shall agree in writing*  
17 *to recuse themselves from participation in the*  
18 *peer-review of specific applications which present*  
19 *a potential personal conflict of interest or ap-*  
20 *pearance of such conflict, including employment*  
21 *in a directly affected organization, stock owner-*  
22 *ship, or any financial or other arrangement that*  
23 *might introduce bias in the process of peer-re-*  
24 *view.*

1           “(d) *AUTHORITY FOR PROCEDURAL ADJUSTMENTS IN*  
2 *CERTAIN CASES.—In the case of applications for financial*  
3 *assistance whose direct costs will not exceed \$100,000, the*  
4 *Director may make appropriate adjustments in the proce-*  
5 *dures otherwise established by the Director for the conduct*  
6 *of peer review under this section. Such adjustments may*  
7 *be made for the purpose of encouraging the entry of individ-*  
8 *uals into the field of research, for the purpose of encourag-*  
9 *ing clinical practice-oriented or provider-based research,*  
10 *and for such other purposes as the Director may determine*  
11 *to be appropriate.*

12           “(e) *REGULATIONS.—The Director shall issue regula-*  
13 *tions for the conduct of peer review under this section.*

16          “(b) *STATISTICS AND ANALYSES.—The Director*  
17 *shall—*

18           “(1) take appropriate action to ensure that sta-  
19 tistics and analyses developed under this title are of  
20 high quality, timely, and duly comprehensive, and  
21 that the statistics are specific, standardized, and ade-  
22 quately analyzed and indexed; and

23           “(2) publish, make available, and disseminate  
24 such statistics and analyses on as wide a basis as is  
25 practicable.

1       “(c) *AUTHORITY REGARDING CERTAIN REQUESTS.*—  
2 *Upon request of a public or private entity, the Director may*  
3 *conduct or support research or analyses otherwise author-*  
4 *ized by this title pursuant to arrangements under which*  
5 *such entity will pay the cost of the services provided.*  
6 *Amounts received by the Director under such arrangements*  
7 *shall be available to the Director for obligation until ex-*  
8 *pended.*

9       “**SEC. 924. DISSEMINATION OF INFORMATION.**

10       “(a) *IN GENERAL.*—*The Director shall—*

11               “(1) *without regard to section 501 of title 44,*  
12 *United States Code, promptly publish, make avail-*  
13 *able, and otherwise disseminate, in a form under-*  
14 *standable and on as broad a basis as practicable so*  
15 *as to maximize its use, the results of research, dem-*  
16 *onstration projects, and evaluations conducted or sup-*

5 *title 5, United States Code.*

6 “(B) *LIMITATION.—Expenses specified in*  
7 *subparagraph (A) may not be allowed in connec-*  
8 *tion with the assignment of an expert or consult-*  
9 *ant whose services are obtained under paragraph*  
10 *(1) unless and until the expert agrees in writing*  
11 *to complete the entire period of assignment, or 1*  
12 *year, whichever is shorter, unless separated or re-*  
13 *assigned for reasons that are beyond the control*  
14 *of the expert or consultant and that are accept-*  
15 *able to the Secretary. If the expert or consultant*  
16 *violates the agreement, the money spent by the*  
17 *United States for the expenses specified in sub-*  
18 *paragraph (A) is recoverable from the expert or*  
19 *consultant as a statutory obligation owed to the*  
20 *United States. The Secretary may waive in*  
21 *whole or in part a right of recovery under this*  
22 *subparagraph.*

4        **HEALTH SERVICES.**

5        *Subpart I of part D of title III of the Public Health*  
6    *Service Act (42 U.S.C. 254b et seq.) is amended by adding*  
7    *at the end the following section:*

8    **“SEC. 330D. CENTERS FOR STRATEGIES ON FACILITATING**  
9        **UTILIZATION OF PREVENTIVE HEALTH SERV-**  
10       **ICES AMONG VARIOUS POPULATIONS.**

11        *“(a) IN GENERAL.—The Secretary, acting through the*  
12    *appropriate agencies of the Public Health Service, shall*  
13    *make grants to public or nonprofit private entities for the*  
14    *establishment and operation of regional centers whose pur-*  
15    *pose is to identify particular populations of patients and*  
16    *facilitate the appropriate utilization of preventive health*  
17    *services by patients in the populations through developing*  
18    *and disseminating strategies to improve the methods used*  
19    *by public and private health care programs and providers*  
20    *in interacting with such patients.*

21        *“(b) RESEARCH AND TRAINING.—The activities car-*  
22    *ried out by a center under subsection (a) may include estab-*  
23    *lishing programs of research and training with respect to*  
24    *the purpose described in such subsection, including the de-*

1 *velopment of curricula for training individuals in imple-*  
2 *menting the strategies developed under such subsection.*

3       “(c) *QUALITY MANAGEMENT.*—*A condition for the re-*  
4 *ceipt of a grant under subsection (a) is that the applicant*  
5 *involved agree that, in order to ensure that the strategies*  
6 *developed under such subsection take into account prin-*  
7 *ciples of quality management with respect to consumer sat-*  
8 *isfaction, the applicant will make arrangements with one*  
9 *or more private entities that have experience in applying*  
10 *such principles.*

11       “(d) *PRIORITY REGARDING INFANTS AND CHIL-*  
12 *DREN.*—*In carrying out the purpose described in subsection*  
13 *(a), the Secretary shall give priority to various populations*  
14 *of infants, young children, and their mothers.*

15       “(e) *EVALUATIONS.*—*The Secretary, acting through the*  
16 *appropriate agencies of the Public Health Service, shall (di-*  
17 *rectly or through grants or contracts) provide for the eval-*  
18 *uation of strategies under subsection (a) in order to deter-*  
19 *mine the extent to which the strategies have been effective*  
20 *in facilitating the appropriate utilization of preventive*  
21 *health services in the populations with respect to which the*  
22 *strategies were developed.*

23       “(f) *AUTHORIZATION OF APPROPRIATIONS.*—*For the*  
24 *purpose of carrying out this section, there are authorized*

- 1 *to be appropriated such sums as may be necessary for each*
- 2 *of the fiscal years 2000 through 2004.”.*
