6       SEC. 108. (a) SENSE OF SENATE.—It is the sense of  
7   the Senate that it should be the goal of the Department of  
8   Veterans Affairs to serve all veterans equitably at health  
9   care facilities in urban and rural areas.

10       (b) REPORT REQUIRED.—(1) Not later than six  
11   months after the date of the enactment of this Act, the Sec-  
12   retary of Veterans Affairs shall submit to the Committees  
13   on Veterans' Affairs of the Senate and the House of Rep-  
14   resentatives a report on the impact of the allocation of funds  
15   under the Veterans Equitable Resource Allocation (VERA)  
16   funding formula on the rural subregions of the health care  
17   system administered by the Veterans Health Administra-  
18   tion.

19       (2) The report shall include the following:

20           (A) An assessment of impact of the allocation of  
21   funds under the VERA formula on—

22               (i) travel times to veterans health care in  
23   rural areas;

24               (ii) waiting periods for appointments for  
25   veterans health care in rural areas;

1                   (iii) the cost associated with additional  
2                   community-based outpatient clinics;  
3                   (iv) transportation costs; and  
4                   (v) the unique challenges that Department  
5                   of Veterans Affairs medical centers in rural, low-  
6                   population subregions face in attempting to in-  
7                   crease efficiency without large economies of scale.

8                   (B) The recommendations of the Secretary, if  
9                   any, on how rural veterans' access to health care serv-  
10                  ices might be enhanced.

11               SEC. 109. Notwithstanding any other provision of this  
12               Act, none of the funds appropriated or otherwise made  
13               available in this Act for the Medical Care appropriation  
14               of the Department of Veterans Affairs may be obligated for  
15               the realignment of the health care delivery system in VISN  
16               12 until 60 days after the Secretary of Veterans Affairs cer-  
17               tifies that the Department has (1) consulted with veterans  
18               organizations, medical school affiliates, employee represent-  
19               atives, State veterans and health associations, and other in-  
20               terested parties with respect to the realignment plan to be  
21               implemented, and (2) made available to the Congress and  
22               the public information from the consultations regarding  
23               possible impacts on the accessibility of veterans health care  
24               services to affected veterans.

1        *SEC. 110. (a) FINDINGS.—The Senate makes the fol-*  
2 *lowing findings:*

3            (1) *One of the most outrageous examples of the*  
4 *failure of the Federal Government to honor its obliga-*  
5 *tions to veterans involves the so-called “atomic vet-*  
6 *erans”, patriotic Americans who were exposed to ra-*  
7 *diation at Hiroshima and Nagasaki and at nuclear*  
8 *test sites.*

9            (2) *For more than 50 years, many atomic vet-*  
10 *erans have been denied veterans compensation for dis-*  
11 *eases, known as radiogenic diseases, that the Depart-*  
12 *ment of Veterans Affairs recognizes as being linked to*  
13 *exposure to radiation. Many of these diseases are le-*  
14 *thal forms of cancer.*

15           (3) *The Department of Veterans Affairs almost*  
16 *invariably denies the claims for compensation of*  
17 *atomic veterans on the grounds that the radiation*  
18 *doses received by such veterans were too low to result*  
19 *in radiogenic disease, even though many scientists*  
20 *and former Under Secretary for Health Kenneth*  
21 *Kizer agree that the dose reconstruction analyses con-*  
22 *ducted by the Department of Defense are unreliable.*

23           (4) *Although the Department of Veterans Affairs*  
24 *already has a list of radiogenic diseases that are pre-*  
25 *sumed to be service-connected, the Department omits*

1       *three diseases—lung cancer, colon cancer, and central*  
 2       *nervous system cancer—from that list, notwith-*  
 3       *standing the agreement of scientists that the evidence*  
 4       *of a link between the three diseases and low-level ex-*  
 5       *posure to radiation is very convincing and, in many*  
 6       *cases, is stronger than the evidence of a link between*  
 7       *such exposure and other radiogenic diseases currently*  
 8       *on that list.*

9       *(b) SENSE OF SENATE.—It is the sense of the Senate*  
 10       *that lung cancer, colon cancer, and brain and central nerv-*  
 11       *ous system cancer should be added to the list of radiogenic*  
 12       *diseases that are presumed by the Department of Veterans*  
 13       *Affairs to be service-connected disabilities.*

 26       *\$11,051,135,000, to remain available until expended: Pro-*

1 vided, That of the total amount provided under this head-

4 gram; and for the relocation of witnesses in connection with  
5 efforts to combat crime in public and assisted housing pur-  
6 suant to a request from a law enforcement or prosecution

8 under this heading, \$40,000,000 shall be made available to  
9 nonelderly disabled families affected by the designation of

12 651 of the Housing and Community Development Act of  
13 1992 (42 U.S.C. 1361l), or the restriction of occupancy to  
14 elderly families in accordance with section 658 of such Act,  
15 and to the extent the Secretary determines that such amount  
16 is not needed to fund applications for such affected families,  
17 to other nonelderly disabled families: Provided further, That  
18 no funds under this heading may be used for Regional Op-  
19 portunity Counseling: Provided further, That all balances  
20 for the section 8 rental assistance, section 8 counseling, new  
21 construction sub-rehabilitation, relocation/replacement/  
22 demolition, section 23 conversions, rental and disaster  
23 vouchers, loan management set-aside, section 514 technical  
24 assistance, and programs previously funded within the  
25 “Annual Contributions” account shall be transferred to this

1 account, to be available for the purposes for which they were  
2 originally appropriated: Provided further, That all bal-  
3 ances previously recaptured in the “Section 8 Reserve Pres-  
4 ervation” account shall be transferred to this account, to  
5 be available for the purposes for which they were originally  
6 appropriated: Provided further, That the unexpended
