106TH CONGRESS 2D SESSION H.R. 5083

IN THE SENATE OF THE UNITED STATES

OCTOBER 13 (legislative day, SEPTEMBER 22), 2000 Received

AN ACT

To extend the authority of the Los Angeles Unified School District to use certain park lands in the City of South Gate, California, which were acquired with amounts provided from the land and water conservation fund, for elementary school purposes.

1	Be it enacted by the Senate and House of Representa-
2	tives of the United States of America in Congress assembled,
3	SECTION 1. FINDINGS.
4	Congress finds the following:
5	(1) In 1988, the Los Angeles Board of Edu-
6	cation voted to close Tweedy Elementary School in
7	the City of South Gate, California, due to concerns
8	about health risks at the site of the school.
9	(2) The school was temporarily relocated to
10	South Gate Park on park land that was originally
11	acquired with amounts provided by the Secretary of
12	the Interior from the land and water conservation
13	fund.
14	(3) In March 1991, the lease with the city that
15	allowed the Los Angeles Unified School District to
16	operate the school on park land expired, and no
17	progress had been made in constructing new facili-
18	ties to relocate the school and its students.
19	(4) In 1992, Congress enacted Public Law
20	$102{-}443$ (106 Stat. 2244), which authorized an 8-
21	year extension in the lease for the use of the park
22	land pending the construction of the new school.
23	(5) This 8-year extension is due to expire on
24	October 23, 2000, and little progress has been made

1	on the part of the Los Angeles Unified School Dis-
2	trict to relocate Tweedy Elementary School.
3	(6) In addition to the long-delayed Tweedy Ele-
4	mentary School relocation, recent studies have iden-
5	tified the need for additional educational facilities in
6	the City of South Gate, including a new high school,
7	junior high, and three primary centers in the near
8	future.
9	(7) The lack of commitment, oversight, and ac-
10	countability in finding a new site for Tweedy Ele-
11	mentary School must be corrected in any further
12	lease extension, and a similar situation also must be
13	avoided in addressing the construction of other edu-
14	
14	cation facilities in the City of South Gate.
