## A BILL

To provide for a reduction in the volume of steel imports,

and to establish a steel import notification and monitoring program.

1       *Be it enacted by the Senate and House of Representa-*  
2       *tives of the United States of America in Congress assembled,*

3       **SECTION 1. REDUCTION IN VOLUME OF STEEL IMPORTS.**

4       (a) REDUCTION.—Notwithstanding any other provi-  
5       sion of law, within 60 days after the date of the enactment  
6       of this Act, the President shall take the necessary steps,  
7       by imposing quotas, tariff surcharges, negotiated enforce-  
8       able voluntary export restraint agreements, or otherwise,  
9       to ensure that the volume of steel products imported into  
10      the United States during any month does not exceed the  
11      average volume of steel products that was imported  
12      monthly into the United States during the 36-month pe-  
13      riod preceding July 1997.

14      (b) ENFORCEMENT AUTHORITY.—Within 60 days  
15      after the date of the enactment of this Act, the Secretary  
16      of the Treasury, through the United States Customs Serv-  
17      ice, and the Secretary of Commerce shall implement a pro-  
18      gram for administering and enforcing the restraints on  
19      imports under subsection (a). The Customs Service is au-  
20      thorized to refuse entry into the customs territory of the  
21      United States of any steel products that exceed the allow-  
22      able levels of imports of such products.

23      (c) APPLICABILITY.—

1           (1) CATEGORIES.—This section shall apply to  
2       the following categories of steel products: semi-  
3       finished, plates, sheets and strips, wire rods, wire  
4       and wire products, rail type products, bars, struc-  
5       tural shapes and units, pipes and tubes, iron ore,  
6       and coke products.

7           (2) VOLUME.—Volume of steel products for  
8       purposes of this section shall be determined on the  
9       basis of tonnage of such products.

10       (d) EXPIRATION.—This section shall expire at the  
11   end of the 3-year period beginning 60 days after the date  
12   of the enactment of this Act.

13   **SEC. 2. STEEL IMPORT NOTIFICATION AND MONITORING**  
14                           **PROGRAM.**

15       (a) IN GENERAL.—Not later than 30 days after the  
16   date of enactment of this Act, the Secretary of Commerce,  
17   in consultation with the Secretary of the Treasury, shall  
18   establish and implement a steel import notification and  
19   monitoring program. The program shall include a require-  
20   ment that any person importing a product classified under  
21   chapter 72 or 73 of the Harmonized Tariff Schedule of  
22   the United States obtain an import notification certificate  
23   before such products are entered into the United States.

24       (b) STEEL IMPORT NOTIFICATION CERTIFICATES.—

1           (1) IN GENERAL.—In order to obtain a steel  
2       import notification certificate, an importer shall sub-  
3       mit to the Secretary of Commerce an application  
4       containing—

5                   (A) the importer’s name and address;

6                   (B) the name and address of the supplier  
7       of the goods to be imported;

8                   (C) the name and address of the producer  
9       of the goods to be imported;

10                  (D) the country of origin of the goods;

11                  (E) the country from which the goods are  
12       to be imported;

13                  (F) the United States Customs port of  
14       entry where the goods will be entered;

15                  (G) the expected date of entry of the goods  
16       into the United States;

17                  (H) a description of the goods, including  
18       the classification of such goods under the Har-  
19       monized Tariff Schedule of the United States;

20                  (I) the quantity (in kilograms and net  
21       tons) of the goods to be imported;

22                  (J) the cost insurance freight (CIF) and  
23       free alongside ship (FAS) values of the goods to  
24       be entered;

1           (K) whether the goods are being entered  
2           for consumption or for entry into a bonded  
3           warehouse or foreign trade zone;

4           (L) a certification that the information  
5           furnished in the certificate application is cor-  
6           rect; and

7           (M) any other information the Secretary of  
8           Commerce determines to be necessary and ap-  
9           propriate.

10          (2) ENTRY INTO CUSTOMS TERRITORY.—In the  
11          case of merchandise classified under chapter 72 or  
12          73 of the Harmonized Tariff Schedule of the United  
13          States that is initially entered into a bonded ware-  
14          house or foreign trade zone, a steel import notifica-  
15          tion certificate shall be required before the merchan-  
16          dise is entered into the customs territory of the  
17          United States.

18          (3) ISSUANCE OF STEEL IMPORT NOTIFICATION  
19          CERTIFICATE.—The Secretary of Commerce shall  
20          issue a steel import notification certificate to any  
21          person who files an application that meets the re-  
22          quirements of this section. Such certificate shall be  
23          valid for a period of 30 days from the date of  
24          issuance.

25          (c) STATISTICAL INFORMATION.—

1           (1) IN GENERAL.— The Secretary of Commerce  
2       shall compile and publish on a weekly basis informa-  
3       tion described in paragraph (2).

4           (2) INFORMATION DESCRIBED.—Information  
5       described in this paragraph means information ob-  
6       tained from steel import notification certificate ap-  
7       plications concerning steel imported into the United  
8       States and includes with respect to such imports the  
9       Harmonized Tariff Schedule of the United States  
10      classification (to the tenth digit), the country of ori-  
11      gin, the port of entry, quantity, value of steel im-  
12      ported, and whether the imports are entered for con-  
13      sumption or are entered into a bonded warehouse or  
14      foreign trade zone. Such information shall also be  
15      compiled in aggregate form and made publicly avail-  
16      able by the Secretary of Commerce on a weekly basis  
17      by public posting through an Internet website. The  
18      information provided under this section shall be in  
19      addition to any information otherwise required by  
20      law.

21      (d) FEES.—The Secretary of Commerce may pre-  
22      scribe reasonable fees and charges to defray the costs of  
23      carrying out the provisions of this section, including a fee  
24      for issuing a certificate under this section.

1       (e) SINGLE PRODUCER AND EXPORTER COUN-  
2 TRIES.—Notwithstanding any other provision of law, the  
3 Secretary of Commerce shall make publicly available all  
4 information required to be released pursuant to subsection  
5 (c), including information obtained regarding imports  
6 from a foreign producer or exporter that is the only pro-  
7 ducer or exporter of goods subject to this section from a  
8 foreign country.

9       (f) REGULATIONS.—The Secretary of Commerce may  
10 prescribe such rules and regulations relating to the steel  
11 import notification and monitoring program as may be  
12 necessary to carry the provisions of this section.
