A BILL

To require the Secretary of the Interior to conduct a theme study on the peopling of America, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Peopling of America
5 Theme Study Act”.

1 **SEC. 2. FINDINGS AND PURPOSES.**

2 (a) FINDINGS.—Congress finds that—

3 (1) an important facet of the history of the
4 United States is the story of how the United States
5 was populated;

6 (2) the migration, immigration, and settlement
7 of the population of the United States—

8 (A) is broadly termed the “peopling of
9 America”; and

10 (B) is characterized by—

11 (i) the movement of groups of people
12 across external and internal boundaries of
13 the United States and territories of the
14 United States; and

15 (ii) the interactions of those groups
16 with each other and with other popu-
17 lations;

18 (3) each of those groups has made unique, im-
19 portant contributions to American history, culture,
20 art, and life;

21 (4) the spiritual, intellectual, cultural, political,
22 and economic vitality of the United States is a result
23 of the pluralism and diversity of the American popu-
24 lation;

25 (5) the success of the United States in embrac-
26 ing and accommodating diversity has strengthened

1 the national fabric and unified the United States in
2 its values, institutions, experiences, goals, and ac-
3 complishments;

4 (6)(A) the National Park Service’s official the-
5 matic framework, revised in 1996, responds to the
6 requirement of section 1209 of the Civil War Sites
7 Study Act of 1990 (16 U.S.C. 1a–5 note; Public
8 Law 101–628), that “the Secretary shall ensure that
9 the full diversity of American history and prehistory
10 are represented” in the identification and interpreta-
11 tion of historic properties by the National Park
12 Service; and

13 (B) the thematic framework recognizes that
14 “people are the primary agents of change” and es-
15 tablishes the theme of human population movement
16 and change—or “peopling places”—as a primary
17 thematic category for interpretation and preserva-
18 tion; and

19 (7) although there are approximately 70,000
20 listings on the National Register of Historic Places,
21 sites associated with the exploration and settlement
22 of the United States by a broad range of cultures
23 are not well represented.

24 (b) PURPOSES.—The purposes of this Act are—

1 (1) to foster a much-needed understanding of
2 the diversity and contribution of the breadth of
3 groups who have peopled the United States; and

4 (2) to strengthen the ability of the National
5 Park Service to include groups and events otherwise
6 not recognized in the peopling of the United States.
