

Whereas a National Moment of Remembrance would provide citizens in the United States an opportunity to participate in a symbolic act of American unity: Now, therefore, be it

Resolved by the Senate (the House of Representatives concurring), That Congress—

(1) expresses its support for a National Moment of Remembrance at 3:00 p.m. eastern standard time on each Memorial Day in honor of the men and women of the United States who died in the pursuit of freedom and peace; and

(2) requests that the President issue a proclamation calling upon the people of the United States to observe a National Moment of Remembrance on each Memorial Day.

• Mr. HAGEL. Mr. President, I rise today with my colleague from Nebraska, Senator BOB KERREY, to submit a resolution expressing Congress' support for a national moment of remembrance, to be observed on Memorial Day each year, in order to appropriately honor American patriots lost in pursuit of peace and liberty around the world.

Should Congress pass this resolution, "Taps" will be played at 3 pm (Eastern Standard Time) on Memorial Day each year, in honor of those who have sacrificed their lives for their country. In other words, this resolution seeks to put the "memorial" back into Memorial Day.

It is my hope that this moment of remembrance will bring all Americans together in a spirit of respect, patriotism and gratitude. Our intention is to help restore the recognition our veterans deserve for the sacrifices they have made on behalf of our great Nation.

No Greater Love, a nonprofit organization which assists the families of Americans who died in service to their country or in terrorist acts, has helped support this resolution as part of their "Proud to Remember" campaign. We are all grateful for their efforts. •

THE FEDERAL GAS TAX

Mr. WARNER. Mr. President, I want to turn to the subject of the cloture vote that will be held tomorrow. It is scheduled on legislation to suspend 4.3 cents of the Federal gas tax and then the possibility, at some point in time, of the suspension of the full 18.4-cent gasoline tax; the 4.3, of course, is included in that.
