

mortgage, now we have refinanced it to less than a 15-year mortgage. We are going to pay it off a lot quicker under our balanced budget. We promote tax fairness for families and children and seniors and farmers and small businesspeople. And we eliminate the marriage tax penalty. We wiped out the Social Security earnings penalty. That will help millions of families like the Hallihans. That is again why we want to eliminate that marriage tax penalty so that Shad and Michelle can keep that \$1,400 and spend it back home in Joliet on their family's needs. When we think about it, \$1,400, they have a new baby, that is almost 4,000 diapers that the Hallihans could have spent back in Joliet, Illinois. That is probably a year's worth that they could have used to take care of their child. We strengthen America's defense. We also strengthen support for education and science.

Ladies and gentlemen, we have made a lot of progress, balancing the budget, cutting taxes for the middle class, reforming our welfare system, paying down the national debt, stopping the raid on Social Security. Those are great achievements. I am proud of that. This year we are going to continue that effort, our effort to strengthen Social Security and Medicare to help our local schools, to bring fairness to the tax code and to pay off that credit card by paying down the national debt.
