EXTENDING APPRECIATION TO CHAIRMAN OF SUBCOMMITTEE ON AGRICULTURE APPROPRIATIONS

(Ms. KAPTUR asked and was given permission to address the House for 1 minute)

Ms. KAPTUR. Mr. Speaker, I wish to use this moment with all of our colleagues to extend deepest appreciation to our fine chairman of the Subcommittee on Agriculture, Rural Development, Food and Drug Administration and Related Agencies, the gentleman from New Mexico (Mr. SKEEN), for his leadership and great victory on this bill. It has been a joy to work with him, and I know that under the rules of the House because of rotation, he may not be able to serve in this capacity in the next year, although I hope we can change those rules. But I want to say he has been a true gentleman, a real scholar, someone who understands farming and ranching from the get-go. He truly is an advocate for our farmers and ranchers and a real friend to every single Member of this House. It has been a joy to work with him on this bill in this first year of the new century.

Mr. SKEEN. If the gentlewoman will yield, I thank all my colleagues. I would like to say I am very humbled about this, but I do not let it show. I thank her for being the great lady that she is because she has been a real joy to work with and so for the rest of our committee. Just as with most of the people that sit in this Chamber day after day, I appreciate what wonderful people they are and what a wonderful job they are doing for the public that we represent. I thank them very much from the bottom of my heart.

Ms. KAPTUR. I am sure the gentleman would agree with me that the gentleman from Iowa (Mr. NUSSLE) did

an excellent, very fair-handed job with dispatch in the chair throughout these deliberations which lasted many, many hours, 16, 17, 18, 19, 20 hours on this bill alone. To Hank Moore, Martin Delgado, John Ziolkowski, Joanne Orndorf; and our detailees, Anne DuBey and Maureen Holohan; and certainly Jim Richards from your staff and Roger Szemraj from my own and David Reich from the minority staff, I think they did an outstanding job on this very complicated bill.

Mr. SKEEN. They are the real movers and shakers. We just do not let them know it too often because they get a little bit large in the head. But they are wonderful folks. I thank all the staff folks who have done so much for all of us. They make us look good every day.

Ms. KÄPTUR. In closing, Mr. Speaker, I just want to say that the judge of every Member in this House really is the character of that individual in the end. The gentleman from New Mexico truly is a gentleman of his word. There is not a Member of this House on either side of the aisle that cannot go up to him and get a fair hearing. In the end, that is the measure of ourselves as an institution. It is just a joy to work with him and to serve with him.

Mr. SKEEN. I thank the gentlewoman for those kind words. After listening to all the work that we have done, particularly on one of these programs, I am going to mail a coyote to everybody who is left because we do not need them at the ranch anymore.

Mrs. CLAYTON. Mr. Speaker, if the gentlewoman will yield, I just wanted to ditto what the gentlewoman from Ohio has said, thanking the gentleman who is a gentleman in the truest sense, not the political sense.

PERSONAL EXPLANATION

Mrs. ROUKEMA. Mr. Speaker, I ask unanimous consent that the RECORD show that I intended to vote "yes" on rollcall 378, the Sanford amendment to H.R. 4461, that was taken yesterday, July 10. I was recorded as a "no," but my vote was intended to be approval.

ANNOUNCEMENT BY THE SPEAKER PRO TEMPORE

The SPEAKER pro tempore (Mr. LAHOOD). Pursuant to clause 8 of rule XX, the Chair announces that he will postpone further proceedings today on the remaining motions to suspend the rules on which a recorded vote or the yeas and nays are ordered, or on which the vote is objected to under clause 6 of rule XX.
