

condition by tripling the size of its endowment. The University has built six new buildings at its Grafton campus and a new fieldhouse. The school's student-faculty ratio has dropped to 8:1, one of the best of any major college or university. Since Dr. DiBiaggio became president, the University has established study abroad programs in Chile, Moscow, Japan and Ghana.

Most recently, he announced the creation of a new school of public service. In my judgment, The University College of Citizenship and Public Service will be one of Dr. DiBiaggio's most enduring legacies at Tufts. Despite the large increase in volunteer rates among Tufts students, Massachusetts residents and citizens nationwide, voter apathy and cynicism are at all-time highs. This new school will be a "virtual college," which aims to incorporate the goals of public service into the school's curriculum. In April, the College of Citizenship and Public Service received a \$10 million donation from Pierre and Pam Omidyar, the founders of the person-to-person online trading website, eBay. This gift allowed the College of Citizenship and Public Service to grant twenty-one scholarships to undergraduates to participate in programs geared to develop values and skills of active citizenship and covers the financial aid needs of students who are eligible for scholarship assistance.

Tufts is no longer one of Massachusetts' best kept secrets. Under Dr. DiBiaggio's guidance, Tufts' undergraduate, medical, dental, nutrition, international relations, and veterinary schools have grown in stature and are consistently ranked among the nation's elite. The number of applicants increased by more than 70 percent in just the past five years. The test scores, grades and class rank of the incoming freshmen continues to break school records. The University is now standard on U.S. News and World Report's annual list of top colleges and universities, rubbing elbows with Harvard, MIT and Boston College.

I again commend Dr. DiBiaggio on a successful term as President of Tufts University. All of us in Massachusetts know the tremendous vision and scholarship that will be the legacy of Dr. DiBiaggio's service at Tufts. I know that he will be missed by students, parents and alumni alike, but I thank him for his service, and I am genuinely happy for him and for Nancy. I wish them the best of luck in their future endeavors.●

TRIBUTE TO JOSHUA S. WESTON

● Mr. LAUTENBERG. Mr. President, I rise today to pay tribute to Joshua S. Weston, a longtime friend, and one of New Jersey's most actively involved citizens, on the occasion of his receiving the "Distinguished Achievement Award" by B'nai B'rith International.

Mr. President, over the years Josh and I have worked together on many

endeavors. In 1949, Josh joined me and a childhood friend to form Automatic Data Processing (ADP), a small payroll services company. Thanks to the tireless efforts of many and Josh's leadership as Chairman, ADP is now the leading provider of payroll services worldwide.

When I first heard that Josh was being honored, I was not surprised. Josh has always been an active participant of worthy causes. Josh and his wife, Judy, formed the Weston Science Scholars Program, an innovative science program that affords selected ninth- and tenth-grade students from Montclair High School the opportunity to work with Ph.D. scientists at Montclair State University.

While Josh knows the educational value of a good math and science program, he also recognizes the need for American Jewish students to form a bond with Israel. For more than five years, Josh has underwritten the costs of a United Jewish Federation program in which a college student attends a semester abroad in Israel.

In addition to Josh's philanthropic contributions, he sits on many committees. Josh is the president of the Josh and Judy Weston Family Foundation of Montclair. He serves on the governing boards of the International Rescue Committee, the New Jersey Symphony, the New Jersey Business Partnership, the Liberty Science Center, Mountinside Hospital, Boys Town of Jerusalem and Yeshiva University Business School, among others. He is the recipient of many awards, including an honorary degree from Montclair State University.

Mr. President, I am pleased to honor my good friend Joshua Weston on this acclaimed occasion. We are indebted to him for his service. He has demonstrated to his family, his friends, and his community that this honor is well-deserved. I salute him on yet another great achievement.●

125TH ANNIVERSARY OF THE WYANDOTTE BOAT CLUB

● Mr. ABRAHAM. Mr. President, I rise today to recognize the 125th Anniversary of the Wyandotte, Michigan, Boat Club, which will be celebrated on September 23, 2000. Established in 1875, the club is revered in the annals of rowing, and for 125 years it has been a staple of the Wyandotte community, encouraging the citizens of Southeastern Wayne County to flourish physically, mentally and morally.

The Wyandotte Boat Club is located on the Detroit River, approximately 15 miles "downriver" of Detroit. It was formed in 1875 when a group of Wyandotte men, led by Mr. John McKnight, officially organized and together purchased a ten-oar barge. The first home of the club was at the foot of Pine Street in a shed behind the summer home of a resident of Wyandotte. And though the club has come a very long way since this time, in a literal man-

ner it has not moved an inch, for on January 14, 1997, the club moved back to the foot of Pine Street, into a state of the art, multi-million dollar facility.

The boat club has come to play a very large role in the lives of Wyandotte citizens. Its more than 700 members assist in the coaching, maintenance and administration of the club's activities and regattas. They teach rowing programs to individuals of all ages. Furthermore, in the mid 1940's, the club began to sponsor a program offering rowing to area high school students. In its 50 plus years, the program has now expanded to include elementary and middle school students as well as high school students. The school programs are open to all students and there is no charge to the student or the school for participation. Many of the high school oarsmen who have participated in the program have become known both nationally and internationally as top competitors in the rowing arena.

Mr. President, I applaud the members of the Wyandotte Boat Club for the many beneficial things they do for the citizens of Wyandotte on a daily basis. In particular, to sponsor rowing for children of all ages, which not only provides these children with a lifelong hobby, but also helps to teach them some of life's most basic and important lessons. On behalf of the entire United States Senate, I congratulate the Wyandotte Boat Club on 125 successful years, and wish the group continued success in the future.●

THE 25TH ANNIVERSARY OF THE ANTIQUE AND CLASSIC BOATING SOCIETY

● Mr. ABRAHAM. Mr. President, I rise today to recognize the 25th Anniversary of The Antique and Classic Boat Society (ACBS), which will be celebrated from September 21-24, 2000, at the Grand Hotel on Mackinac Island, Michigan. For 25 years, the ACBS has united individuals with an interest in historic, antique and classic boats, allowing them to share fellowship, information, and experiences.

The ACBS is an international organization headquartered on the St. Lawrence River in the Thousand Islands region of Clayton, New York. It currently has 44 chapters worldwide, and a membership of over 6,500 individuals. The organization was founded not only to unite individuals with an interest in antique and classic boats, but also to protect and promote the heritage of boating. It does this through the preservation and restoration of historic boats, as well as by encouraging members to share their love and enjoyment of all aspects of historic, antique and classic boating with both other members and the general public.

I think it is important to note here the large role that the State of Michigan has played in the growth and development of the recreational boating industry. Beginning as early as the
