

1920's, and continuing through the 1970's, the four most recognized American boat builders were headquartered in Michigan: Chris Craft in Algonac; Gar Wood in Marysville; Hacker Craft in Mount Clemens; and Century in Manistee. Thus, I think that it is only right that the 25th Anniversary of the Antique and Classic Boat Society be celebrated in the Water Wonderland State of Michigan.

Mr. President, I applaud the ACBS for having grown into the world's largest organization dedicated to the preservation and enjoyment of historic, antique and classic boats, a fact which pays tribute to the many people who have devoted themselves not only to promoting the heritage of boating, but also to promoting the ACBS and the many wonderful things it does to preserve this heritage. On behalf of the entire United States Senate, I congratulate the Antique and Classic Boat Society on its 25th Anniversary, and wish the organization continued success in the future.●

#### A TRIBUTE TO MRS. PATRICIA JANKOWSKI

● Mr. ABRAHAM. Mr. President, on August 25, 2000, Mrs. Patricia Jankowski of Garden City, Michigan, took office as National President of the Ladies Auxiliary to the Veterans of Foreign Wars at the organization's 87th National Convention. On September 23, 2000, there will be a Homecoming celebration in her honor at the Marriott Hotel in the Detroit Renaissance Center, and I rise today to offer my congratulations to Mrs. Jankowski as she returns to Michigan.

Mrs. Jankowski is a Life Member of Northville Auxiliary #4012. Since becoming a member of the Ladies Auxiliary to the VFW, she has been actively involved on all levels of the organization. She has served as Auxiliary President, District #4 President, and in 1990-91 was selected the Outstanding President of the Year in her membership group when she served as State President.

On the national level, Mrs. Jankowski has served as National Flag Bearer, National Cancer Aid and Research Director, and National Director for the VFW National Home program. As a member of Blazette Color Guard for five years, she holds two Bronze and one Silver Medal for competition at National VFW Convention. In 1989, she earned National Aide-de-Camp status for recruiting members. And just last year, as National Senior Vice-President, she represented the Auxiliary on a tour of Europe.

Mrs. Jankowski's election to this national office is the highlight of a career dedicated to public service. During her term in office, she will encourage fellow members to raise \$3 million for the Auxiliary Cancer Aid and Research Fund for the 13th consecutive year, with her ultimate goal being to top all previous program records.

Mr. President, I applaud Mrs. Jankowski for the wonderful work that she has done for the Ladies Auxiliary to the VFW. Her supreme dedication to that cause and her unending desire to help our Nation's veterans is both admirable and inspirational. On behalf of the entire United States Senate, I congratulate Mrs. Jankowski on taking office as National President of the Ladies Auxiliary to the Veterans of Foreign Wars of the United States, and wish her great success as she leads this outstanding organization.●

#### DEPUTY CHIEF CHARLES L. BIDWELL CELEBRATES 50 YEARS OF SERVICE

● Mr. ABRAHAM. Mr. President, I rise today to recognize Deputy Chief Charles L. Bidwell of the Brighton, Michigan, Area Fire Department, who will be honored for 50 years of fire service to the City of Brighton at a dinner on September 19, 2000.

Deputy Chief Bidwell has been an active or on-call firefighter since September 14, 1950. He spent his entire career with the City of Brighton Fire Department until July 1, 1998, when the City of Brighton Fire Department and the Brighton Township Fire Department merged to form the Brighton Area Fire Department.

Deputy Chief Bidwell is retired from the General Motors Proving Grounds in Milford, Michigan. He has held the position of Deputy Chief since 1988, and remains one of the most active members of the Brighton Area Fire Department. For the past decade, he has led the department in alarm response.

From June 27, 1994 until January 15, 1995, Mr. Bidwell acted as interim Chief of the City of Brighton Fire Department. He was named the City of Brighton's Firefighter of the Year in 1987, and, at the annual conference of the Michigan State Firemen's Association in Ludington earlier this year, he was selected as Michigan's Firefighter of the Year in honor of this remarkable achievement.

Mr. President, I applaud Deputy Chief Bidwell on his extensive firefighting career and his dedication to the City of Brighton. He is one of the State of Michigan's true role models, and I am glad that the City of Brighton and the Brighton Area Fire Department have taken this opportunity to recognize his many contributions. On behalf of the entire United States Senate, I congratulate Deputy Chief Charles L. Bidwell on 50 years of service, and wish him continued success in the future.●

#### 30TH BIRTHDAY OF HARBOR TOWER APARTMENTS

● Mr. ABRAHAM. Mr. President, I rise today to recognize the 30th birthday of Harbor Tower Apartments in Escanaba, Michigan, which was officially celebrated on July 13, 2000. For thirty years, the presence of Harbor Tower

Apartments has enabled the Escanaba Housing Commission, in coalition with the Department of Housing and Urban Development, to provide low-income housing to members of the Escanaba community.

Harbor Tower, an 18 floor, 175 apartment building, was built in 1970. The official dedication of the building took place on July 13th of that same year, and was attended by Miss America Pamela Anne Eldred. The Harbor Tower Apartments are managed by the Escanaba Housing Commission, a group comprised of five full-time employees and a five member Board of Commissioners appointed by the City Council of Escanaba.

To qualify to live in Harbor Tower Apartments, individuals must meet the income guidelines set out by HUD. If they qualify under these guidelines, their rent is determined by their income, with HUD providing subsidy funds. Harbor Tower Apartments is considered a high performer by HUD's PHMAP scoring system. The PHMAP is a grade given to the management and staff on their performance and upkeep of the building.

Perhaps the most important element of Harbor Tower Apartments, at least to the Escanaba Housing Commission, is to make residents feel as if they are a part of a community. They can participate in a variety of activities, including a weekly Rosary, monthly church services, a monthly club meeting, a summer picnic, and other special dinners. In addition, membership in the Harbor Tower Club is available to any resident for only \$6 per year. The club's activities include a monthly catered dinner and dance, an annual Christmas Bazaar, and special holiday parties.

Mr. President, I congratulate all of the people whose hard work over the years has made this 30th birthday possible. It is because of their dedication that quality housing remains an option to Escanaba citizens of all income levels. On behalf of the entire United States Senate, I wish the Harbor Tower Apartments continued success in the future.●
