FRANKED MAIL

During the 105th Congress, the Rules Committee adopted one revision to the Regulations Governing Official Mail for FY99. A clarification was made to the regulations regarding town meeting notices.

Effective October 1, 1998, town meeting notices, in excess of 500 notices per town, may not be sent fewer than 60 days immediately before the date of any primary or general election (whether regular, special or runoff) for any Federal, state or local office for which a Member of the Senate is a candidate for election unless the Senator's candidacy is uncontested.

ADVANCE PAYMENT

During the 105th Congress, the Rules Committee adopted one revision to the Regulations Governing Advance Payment.

Added to the list of items approved for advance payment is state office rents. These may now be paid up to one year in advance.

TRAVEL REGULATIONS

During the 105th Congress, the Rules Committee approved several changes to the travel regulations which were clarifying and technical in nature. Key among these changes was allowing the calculation of mileage for the purpose of incurring per diem to be done by highway miles, rather than a radius; and, allowing round trip

travel to begin and end in either the duty station or residence, whichever is more advantageous to the Senate.

PUBLIC TRANSPORTATION SUBSIDY REGULATIONS

Committee regulations implementing the Tax Reform Act of 1986 authorized \$21 per month as a tax free “de minimis fringe benefit” for employees using public transportation. During the 105th Congress, the Rules Committee increased the benefit to \$40 which approximates the average subsidy given by Federal agencies within the District of Columbia metropolitan area.

REGULATION FOR DISPLAY OF FLAGS IN HALLWAYS

Regulations permit only one flag, either the United States or an individual state flag to be flown outside a member’s office. During the 105th Congress, the Rules Committee amended the regulation to permit the flying of both the United States and individual state flags outside a member’s office.

AMENDMENT TO RULES FOR REGULATION OF THE SENATE WING OF THE UNITED STATES CAPITOL

During the 105th Congress, the Rules Committee amended Rule X in the Rules for Regulation of the Senate Wing of the United States to also include Senate Office Buildings. The change adopted prohibits smoking in all public places and unassigned space within the Senate Wing of the Capitol and each of the Senate Office Buildings. Senators, Chairmen of Committees in consultation with their Ranking Members, the Secretary of the Senate, the Sergeant at Arms, Architect of the Capitol, the Chaplain, and heads of support organizations assigned space may each establish smoking policies for all office space assigned to them.

PROCUREMENT REGULATIONS

The Rules Committee, in consultation with the Sergeant at Arms, the Secretary of the Senate, Senate Legal Counsel, the Senate Ethics Committee and the Senate Counsel for Employment, did an extensive review of the Senate Procurement Regulations adopted by the Committee in 1983. Those regulations were updated to streamline the contracting process while still providing for healthy competition and appropriate protest and contract dispute procedures to ensure fairness in Senate procurement actions.
