1           cational agency or school in the State, to carry  
2           out the State or local improvement plan;

3           (B) the State educational agency has  
4           waived, or agrees to waive, similar requirements  
5           of State law;

20           (2) APPLICATION.—(A)(i) To request a waiver  
21           under paragraph (1), a local educational agency or

2           waiver.

3           (3) TIMELINESS.—The Secretary shall act  
4           promptly on a request for a waiver under paragraph

7           (4) DURATION.—Each waiver under paragraph  
8           (1) shall be for a period not to exceed 4 years. The  
9           Secretary may extend such period if the Secretary

12          to carry out reform plans.

13          (b) INCLUDED PROGRAMS.—The statutory or regu-  
14          latory requirements subject to the waiver authority of this

4 (e) FLEXIBILITY DEMONSTRATION.—

5 (1) SHORT TITLE.—This subsection may be  
6 cited as the “Education Flexibility Partnership  
7 Demonstration Act”.

8 (2) PROGRAM AUTHORIZED.—

16 formance of the students who are affected by such  
17 waivers.

18 (4) STATE APPLICATION.—(A) Each State edu-  
19 cational agency desiring to participate in the edu-

13 utory and regulatory requirements relating to  
14 education that the State educational agency will  
15 waive.

16 (B) The Secretary may approve an application  
17 described in subparagraph (A) only if the Secretary  
18 determines that such application demonstrates sub-  
19 stantial promise of assisting the State educational  
20 agency and affected local educational agencies and  
21 schools within such State in carrying out com-  
22 prehensive educational reform, after considering—

23 (i) the comprehensiveness and quality of  
24 the educational flexibility plan described in sub-  
25 paragraph (A);

1           (ii) the ability of such plan to ensure ac-

3           scribed in such plan;

4           (iii) the significance of the State statutory  
5           or regulatory requirements relating to education  
6           that will be waived; and

7           (iv) the quality of the State educational  
8           agency's process for approving applications for  
9           waivers of Federal statutory or regulatory re-  
10          quirements described in paragraph (2)(A) and  
11          for monitoring and evaluating the results of  
12          such waivers.

13          (5) LOCAL APPLICATION.—(A) Each local edu-  
14          cational agency or school requesting a waiver of a  
15          Federal statutory or regulatory requirement de-  
16          scribed in paragraph (2)(A) and any relevant State  
17          statutory or regulatory requirement from a State  
18          educational agency shall submit an application to  
19          the State educational agency at such time, in such  
20          manner, and containing such information as the  
21          State educational agency may reasonably require.  
22          Each such application shall—

1           (ii) describe the purposes and overall ex-  
2           pected results of waiving each such require-  
3           ment;

4           (iii) describe for each school year specific,  
5           measurable, educational goals for each local  
6           educational agency or school affected by the  
7           proposed waiver; and

8           (iv) explain why the waiver will assist the  
9           local educational agency or school in reaching  
10          such goals.

11          (B) A State educational agency shall evaluate  
12          an application submitted under subparagraph (A) in  
13          accordance with the State's educational flexibility  
14          plan described in paragraph (4)(A).

15          (C) A State educational agency shall not ap-  
16          prove an application for a waiver under this para-  
17          graph unless—

18               (i) the local educational agency or school  
19               requesting such waiver has developed a local re-  
20               form plan that is applicable to such agency or  
21               school, respectively; and

22               (ii) the waiver of Federal statutory or reg-  
23               ulatory requirements described in paragraph  
24               (2)(A) will assist the local educational agency  
25               or school in reaching its educational goals.

1           (6) MONITORING.—Each State educational  
2 agency participating in the demonstration program  
3 under this subsection shall annually monitor the ac-

6 mit an annual report regarding such monitoring to  
7 the Secretary.

8           (7) DURATION OF FEDERAL WAIVERS.—(A)  
9 The Secretary shall not approve the application of a  
10 State educational agency under paragraph (4) for a  
11 period exceeding 5 years, except that the Secretary  
12 may extend such period if the Secretary determines  
13 that such agency’s authority to grant waivers has  
14 been effective in enabling such State or affected  
15 local educational agencies or schools to carry out  
16 their local reform plans.

17           (B) The Secretary shall periodically review the  
18 performance of any State educational agency grant-  
19 ing waivers of Federal statutory or regulatory re-  
20 quirements described in paragraph (2)(A) and shall  
21 terminate such agency’s authority to grant such  
22 waivers if the Secretary determines, after notice and  
23 opportunity for hearing, that such agency’s perform-  
24 ance has been inadequate to justify continuation of  
25 such authority.

1 (f) ACCOUNTABILITY.—In deciding whether to extend  
2 a request for a waiver under subsection (a)(1), or a State  
3 educational agency’s authority to issue waivers under sub-  
4 section (e), the Secretary shall review the progress of the  
5 State educational agency, local educational agency, or  
6 school affected by such waiver or authority to determine  
7 if such agency or school has made progress toward achiev-  
8 ing the desired results described in the application sub-  
9 mitted pursuant to subsection (a)(2)(B)(iii) or  
10 (e)(5)(A)(ii).
