---

## A BILL

To establish limits on medical malpractice claims, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*  
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Medical Malpractice  
5 Rx Act”.

6 **SEC. 2. FEDERAL REFORM OF HEALTH CARE LIABILITY AC-**  
7 **TIONS.**

8 (a) **APPLICABILITY.**—This Act shall apply with re-  
9 spect to any health care liability action brought in any

1 State or Federal court and to any health care liability  
2 claim subject to an ADR, except that this Act shall not  
3 apply to—

4 (1) an action for damages arising from a vac-  
5 cine-related injury or death to the extent that title  
6 XXI of the Public Health Service Act applies to the  
7 action, or

8 (2) an action under the Employee Retirement  
9 Income Security Act of 1974 (29 U.S.C. 1001 et  
10 seq.).

11 (b) PREEMPTION.—This Act shall not preempt any  
12 State law that—

13 (1) provides for defenses or places limitations  
14 on a person’s liability in addition to those contained  
15 in this Act or otherwise imposes greater restrictions  
16 than those provided in this Act; or

17 (2) imposes greater restrictions on liability or  
18 damages than those provided in this Act.

19 No provision of this Act shall be construed to preempt or  
20 displace the implementation of any State sponsored or pri-  
21 vate ADR system.

22 (c) LIMITATIONS.—This Act supersedes chapter 171  
23 of title 28, United States Code, (relating to tort claims  
24 procedure) and preempts State law with respect to both  
25 procedural and substantive matters only to the extent that

1 such chapter or State law differs from any provision of  
2 this Act or provision established under this Act. Section  
3 5 shall supersede or preempt any provision of such chapter  
4 or State law which prohibits the introduction of evidence  
5 regarding collateral source benefits or mandates or per-  
6 mits subrogation or a lien on the plaintiff's award for the  
7 cost of providing collateral source benefits. Any issue that  
8 is not governed by any provision of this Act shall be gov-  
9 erned by otherwise applicable Federal or State law.

10 (d) EFFECT ON SOVEREIGN IMMUNITY AND CHOICE  
11 OF LAW OR VENUE.—Nothing in subsection (c) shall be  
12 construed to—

13 (1) waive or affect any defense of sovereign im-  
14 munity asserted by any State under any provision of  
15 law;

16 (2) waive or affect any defense of sovereign im-  
17 munity asserted by the United States;

18 (3) affect the applicability of any provision of  
19 the Foreign Sovereign Immunities Act of 1976;

20 (4) preempt State choice-of-law rules with re-  
21 spect to claims brought by a foreign nation or a cit-  
22 izen of a foreign nation; or

23 (5) affect the right of any court to transfer  
24 venue or to apply the law of a foreign nation or to  
25 dismiss a claim of a foreign nation or of a citizen

1 of a foreign nation on the ground of inconvenient  
2 forum.

3 (e) AMOUNT IN CONTROVERSY.—In an action to  
4 which this Act applies and which is brought under section  
5 1332 of title 28, United States Code, the amount of non-  
6 economic damages or punitive damages, and attorneys'  
7 fees or costs, shall not be included in determining whether  
8 the matter in controversy exceeds the sum or value of  
9 \$75,000.

10 (f) FEDERAL COURT JURISDICTION NOT ESTAB-  
11 LISHED ON FEDERAL QUESTION GROUNDS.—Nothing in  
12 this Act shall be construed to establish any jurisdiction  
13 in the district courts of the United States over health care  
14 liability actions on the basis of section 1331 or 1337 of  
15 title 28, United States Code.

16 **SEC. 3. STATUTE OF LIMITATIONS.**

17 A health care liability action may not be brought  
18 after the expiration of the 2-year period that begins on  
19 the date on which the alleged injury that is the subject  
20 of the action was discovered or should reasonably have  
21 been discovered, but in no case after the expiration of the  
22 5-year period that begins on the date the alleged injury  
23 occurred.

1 **SEC. 4. CALCULATION AND PAYMENT OF DAMAGES.**

2 (a) **JOINT AND SEVERAL LIABILITY.**—In any health  
3 care liability action, a defendant shall be liable only for  
4 the amount of noneconomic damages attributable to such  
5 defendant in direct proportion to such defendant's share  
6 of fault or responsibility for the claimant's actual dam-  
7 ages, as determined by the trier of fact. In all such cases,  
8 the liability of a defendant for noneconomic damages shall  
9 be several and not joint.

10 (b) **LIMITATION ON NONECONOMIC DAMAGES.**—The  
11 total amount of noneconomic damages that may be award-  
12 ed to a claimant for losses resulting from the injury which  
13 is the subject of a health care liability action may not ex-  
14 ceed \$500,000, regardless of the number of parties against  
15 whom the action is brought or the number of actions  
16 brought with respect to the injury. The limitation under  
17 this paragraph shall not apply to an action for damages  
18 based solely on intentional denial of medical treatment  
19 necessary to preserve a patient's life that the patient is  
20 otherwise qualified to receive, against the wishes of a pa-  
21 tient, or if the patient is incompetent, against the wishes  
22 of the patient's guardian, on the basis of the patient's  
23 present or predicated age, disability, degree of medical de-  
24 pendency, or quality of life.

25 (c) **TREATMENT OF PUNITIVE DAMAGES.**—

1           (1) GENERAL RULE.—Punitive damages may,  
2           to the extent permitted by applicable State law, be  
3           awarded in any health care liability action for harm  
4           in any Federal or State court against a defendant if  
5           the claimant establishes by clear and convincing evi-  
6           dence that the harm suffered was the result of  
7           conduct—

8                     (A) specifically intended to cause harm, or

9                     (B) conduct manifesting a conscious, fla-  
10           grant indifference to the rights or safety of oth-  
11           ers.

12           (2) APPLICABILITY.—This subsection shall  
13           apply to any health care liability action brought in  
14           any Federal or State court on any theory where pu-  
15           nitive damages are sought. This subsection does not  
16           create a cause of action for punitive damages. This  
17           subsection does not preempt or supersede any State  
18           or Federal law to the extent that such law would  
19           further limit the award of punitive damages.

20           (3) BIFURCATION.—At the request of any  
21           party, the trier of fact shall consider in a separate  
22           proceeding whether punitive damages are to be  
23           awarded and the amount of such award. If a sepa-  
24           rate proceeding is requested, evidence relevant only  
25           to the claim of punitive damages, as determined by

1 applicable State law, shall be inadmissible in any  
2 proceeding to determine whether actual damages are  
3 to be awarded.

4 (4) DRUGS AND DEVICES.—

5 (A) IN GENERAL.—(i) Punitive damages  
6 shall not be awarded against a manufacturer or  
7 product seller of a drug or medical device which  
8 caused the claimant's harm where—

9 (I) such drug or device was subject to  
10 premarket approval by the Food and Drug  
11 Administration with respect to the safety  
12 of the formulation or performance of the  
13 aspect of such drug or device which caused  
14 the claimant's harm, or the adequacy of  
15 the packaging or labeling of such drug or  
16 device which caused the harm, and such  
17 drug, device, packaging, or labeling was  
18 approved by the Food and Drug Adminis-  
19 tration; or

20 (II) the drug is generally recognized  
21 as safe and effective pursuant to conditions  
22 established by the Food and Drug Admin-  
23 istration and applicable regulations, includ-  
24 ing packaging and labeling regulations.

1           (ii) Clause (i) shall not apply in any case  
2 in which the defendant, before or after pre-  
3 market approval of a drug or device—

4           (I) intentionally and wrongfully with-  
5 held from or misrepresented to the Food  
6 and Drug Administration information con-  
7 cerning such drug or device required to be  
8 submitted under the Federal Food, Drug,  
9 and Cosmetic Act (21 U.S.C. 301 et seq.)  
10 or section 351 of the Public Health Service  
11 Act (42 U.S.C. 262) that is material and  
12 relevant to the harm suffered by the claim-  
13 ant, or

14           (II) made an illegal payment to an of-  
15 ficial or employee of the Food and Drug  
16 Administration for the purpose of securing  
17 or maintaining approval of such drug or  
18 device.

19           (B) PACKAGING.—In a health care liability  
20 action for harm which is alleged to relate to the  
21 adequacy of the packaging or labeling of a drug  
22 which is required to have tamper-resistant  
23 packaging under regulations of the Secretary of  
24 Health and Human Services (including labeling  
25 regulations related to such packaging), the

1 manufacturer or product seller of the drug shall  
2 not be held liable for punitive damages unless  
3 such packaging or labeling is found by the court  
4 by clear and convincing evidence to be substan-  
5 tially out of compliance with such regulations.

6 (d) PERIODIC PAYMENTS FOR FUTURE LOSSES.—

7 (1) GENERAL RULE.—In any health care liabil-  
8 ity action in which the damages awarded for future  
9 economic and noneconomic loss exceeds \$50,000, a  
10 person shall not be required to pay such damages in  
11 a single, lump-sum payment, but shall be permitted  
12 to make such payments periodically based on when  
13 the damages are found likely to occur, as such pay-  
14 ments are determined by the court.

15 (2) FINALITY OF JUDGMENT.—The judgment  
16 of the court awarding periodic payments under this  
17 subsection may not, in the absence of fraud, be re-  
18 opened at any time to contest, amend, or modify the  
19 schedule or amount of the payments.

20 (3) LUMP-SUM SETTLEMENTS.—This sub-  
21 section shall not be construed to preclude a settle-  
22 ment providing for a single, lump-sum payment.

23 (e) TREATMENT OF COLLATERAL SOURCE PAY-  
24 MENTS.—

1           (1) INTRODUCTION INTO EVIDENCE.—In any  
2 health care liability action, any defendant may intro-  
3 duce evidence of collateral source payments. If any  
4 defendant elects to introduce such evidence, the  
5 claimant may introduce evidence of any amount paid  
6 or contributed or reasonably likely to be paid or con-  
7 tributed in the future by or on behalf of the claim-  
8 ant to secure the right to such collateral source pay-  
9 ments.

10           (2) NO SUBROGATION.—No provider of collat-  
11 eral source payments shall recover any amount  
12 against the claimant or receive any lien or credit  
13 against the claimant’s recovery or be equitably or le-  
14 gally subrogated the right of the claimant in a  
15 health care liability action.

16           (3) APPLICATION TO SETTLEMENTS.—This sub-  
17 section shall apply to an action that is settled as well  
18 as an action that is resolved by a fact finder.

19 **SEC. 5. AWARD OF ATTORNEY’S FEES.**

20           (a) LIMITATIONS ON CONTINGENT FEES.—

21           (1) IN GENERAL.—The total of all contingent  
22 fees for representing all claimants in a health care  
23 liability claim or action shall not exceed the following  
24 limits:

1 (A) 40 percent of the first \$50,000 recov-  
2 ered by the claimant.

3 (B)  $33\frac{1}{3}$  percent of the next \$50,000 re-  
4 covered by the claimant.

5 (C) 25 percent of the next \$500,000 recov-  
6 ered by the claimant.

7 (D) 15 percent of any amount by which  
8 the recovery by the claimant exceeds \$600,000.

9 (2) APPLICABILITY.—The limitations prescribed  
10 by paragraph (1) shall apply whether the recovery is  
11 by judgment, settlement, mediation, arbitration, or  
12 any other form of ADR. A court acting in a health  
13 care liability claim or action involving a minor or in-  
14 competent person retains the authority to authorize  
15 or approve a fee that is less than the maximum per-  
16 mitted under paragraph (1).

17 (3) DEFINITIONS.—For purposes of this sub-  
18 section:

19 (A) CONTINGENT FEE.—The term “contin-  
20 gent fee” includes all compensation to any per-  
21 son which is payable only if a recovery is ef-  
22 fected on behalf of one or more claimants.

23 (B) RECOVERY.—The term “recovery”  
24 means the net sum recovered after deducting  
25 any disbursements or costs incurred in connec-

1           tion with prosecution or settlement of the claim,  
2           including all costs paid or advanced by any per-  
3           son. Costs of health care incurred by the plain-  
4           tiff and the attorney's office overhead costs or  
5           charges for legal services are not deductible dis-  
6           bursements of costs for such purpose.

7           (b) HOURS WORKED.—Counsel of record in a health  
8           care liability action shall maintain accurate and up-to-date  
9           records of hours worked for such action regardless of the  
10          fee arrangement with the attorney's client.

11          (c) COSTS.—Nothing in this section shall affect the  
12          right of a party to be awarded costs under applicable law.

13          (d) EFFECTIVE DATE.—This section shall apply with  
14          respect to a health care liability action which is brought  
15          after the date of the enactment of this Act for a claim  
16          arising from an injury occurring after such date of enact-  
17          ment.

18          **SEC. 6. ALTERNATIVE DISPUTE RESOLUTION.**

19          Any ADR used to resolve a health care liability action  
20          or claim shall contain provisions relating to statute of limi-  
21          tations, noneconomic damages, joint and several liability,  
22          punitive damages, collateral source rule, periodic pay-  
23          ments, and award of attorney's fees which are consistent  
24          with the provisions relating to such matters in this Act.

18 the claimant’s legal guardian.

19 (4) CLEAR AND CONVINCING EVIDENCE.—The  
20 term “clear and convincing evidence” is that meas-  
21 ure or degree of proof that will produce in the mind  
22 of the trier of fact a firm belief or conviction as to  
23 the truth of the allegations sought to be established.  
24 Such measure or degree of proof is more than that  
25 required under preponderance of the evidence but

1 less than that required for proof beyond a reason-  
2 able doubt.

3 (5) COLLATERAL SOURCE PAYMENTS.—The  
4 term “collateral source payments” means any  
5 amount paid or reasonably likely to be paid in the

9 claimant, as a result of an injury or wrongful death,

11 (A) any State or Federal health, sickness,  
12 income-disability, accident or workers’ com-

21 benefits; and

22 (D) any other publicly or privately funded  
23 program.

24 (6) DRUG.—The term “drug” has the meaning  
25 given such term in section 201(g)(1) of the Federal

3 (10) HEALTH CARE LIABILITY ACTION.—The  
4 term “health care liability action” means a civil ac-  
5 tion brought in a State or Federal court or pursuant  
6 to alternative dispute resolution against a health  
7 care provider, an entity which is obligated to provide  
8 or pay for health benefits under any health benefit  
9 plan (including any person or entity acting under a  
10 contract or arrangement to provide or administer  
11 any health benefit), or the manufacturer, distributor,  
12 supplier, marketer, promoter, or seller of a medical  
13 product, in which the claimant alleges a claim (in-  
14 cluding third party claims, cross claims, counter  
15 claims, or contribution claims) based upon the provi-  
16 sion of (or the failure to provide or pay for) health  
17 care services or the use of a medical product, re-  
18 gardless of the theory of liability on which the claim
