

107TH CONGRESS
1ST SESSION

H. R. 3224

To amend the Safe Drinking Water Act to establish a program to provide assistance to small communities for use in carrying out projects and activities necessary to achieve or maintain compliance with drinking water standards.

IN THE HOUSE OF REPRESENTATIVES

NOVEMBER 1, 2001

Mrs. WILSON (for herself, Mr. SKEEN, and Mr. GIBBONS) introduced the following bill; which was referred to the Committee on Energy and Commerce

A BILL

To amend the Safe Drinking Water Act to establish a program to provide assistance to small communities for use in carrying out projects and activities necessary to achieve or maintain compliance with drinking water standards.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Community Drinking
5 Water Assistance Act”.

6 **SEC. 2. FINDINGS.**

7 Congress finds that—

1 (1) drinking water standards proposed and in
2 effect as of the date of enactment of this Act will
3 place a large financial burden on many public water
4 systems, especially those public water systems in
5 rural communities serving small populations;

6 (2) the limited scientific, technical, and profes-
7 sional resources available in small communities com-
8 plicate the implementation of regulatory require-
9 ments;

10 (3) small communities often cannot afford to
11 meet water quality standards because of the ex-
12 penses associated with upgrading public water sys-
13 tems and training personnel to operate and maintain
14 the public water systems;

15 (4) small communities do not have a tax base
16 for dealing with the costs of upgrading their public
17 water systems;

18 (5) small communities face high per capita
19 costs in improving drinking water quality;

20 (6) small communities would greatly benefit
21 from a grant program designed to provide funding
22 for water quality projects;

23 (7) as of the date of enactment of this Act,
24 there is no Federal program in effect that ade-
25 quately meets the needs of small, primarily rural

1 communities with respect to public water systems;
 2 and

3 (8) since new, more protective arsenic drinking
 4 water standards proposed by the Clinton and Bush
 5 administrations, respectively, are expected to be im-
 6 plemented in 2006, the grant program established
 7 by the amendment made by this Act should be im-
 8 plemented in a manner that ensures that the imple-
 9 mentation of those new standards is not delayed.

10 **SEC. 3. ASSISTANCE FOR SMALL PUBLIC WATER SYSTEMS.**

11 (a) DEFINITION OF INDIAN TRIBE.—Section
 12 1401(14) of the Safe Drinking Water Act (42 U.S.C.
