A BILL

To amend title 38, United States Code, to provide for preservation and protection of historic buildings under the jurisdiction of the Secretary of Veterans Affairs, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Veterans National
5 Heritage Preservation Act of 2002”.

1 **SEC. 2. PURPOSE.**

2 The purpose of this Act is to provide for the preserva-
3 tion and protection of the most historically significant
4 buildings of the Department of Veterans Affairs, to pro-
5 vide for the documentation and appreciation of the historic
6 significance of those buildings, and to increase public un-
7 derstanding of the Nation's long commitment to honoring
8 veterans.

9 **SEC. 3. FINDINGS.**

10 The Congress finds the following:

11 (1) One of the last Acts signed by President
12 Lincoln before his assassination in 1865 established
13 the National Asylum for disabled volunteer soldiers
14 and sailors of the Civil War (renamed the National
15 Home for Disabled Volunteer Soldiers in 1873 and
16 often referred to as the National Military Home).

17 (2) The National Home eventually expanded to
18 comprise ten branches and one sanatorium in Togus,
19 Maine (1866); Milwaukee, Wisconsin (1867); Day-
20 ton, Ohio (1867); Hampton, Virginia (1870); Leav-
21 enworth, Kansas (1885); Santa Monica, California
22 (1888); Marion, Indiana (1888); Danville, Illinois
23 (1898); Johnson City, Tennessee (1901); Hot
24 Springs, South Dakota (1902); and Bath, New York
25 (1929).

1 (3) Until it was combined with the Veterans
2 Bureau to become the United States Veterans Ad-
3 ministration in 1930, the National Home cared for
4 more than 100,000 Civil War and other veterans,
5 many of whom were shattered physically and spir-
6 itually from the carnage of war.

7 (4) The National Home evolved into complete
8 planned communities with barracks, mess halls, gate
9 houses, chapels, schools, hotels, libraries, band
10 stands, amusements halls, theaters, shops, and other
11 structures, many of which still stand, and include
12 outstanding examples of 19th and early 20th cen-
13 tury architecture.

14 (5) The National Home is an important part of
15 the Nation's history, representing many historical
16 developments, including the Nation's first non-reli-
17 gious planned communities, the first Federal effort
18 to establish large-scale rehabilitation programs, a
19 significant expansion of Federal benefits to citizen-
20 veterans, a landmark in the development of Federal
21 responsibility for the social safety net, and the first
22 permanent churches constructed by the Federal Gov-
23 ernment.

24 (6) The branches of the National Home made
25 significant contributions to the history, identity, and

1 culture of the communities in which they are lo-
2 cated.

3 (7) The Department of Veterans Affairs has ju-
4 risdiction over about 1,680 historic buildings in
5 nearly every State of the Union.

6 (8) Preservation of historic buildings under the
7 jurisdiction of the Department of Veterans Affairs
8 contributes to the heritage of all Americans and rep-
9 resents a powerful symbol of the national debt to the
10 Nation's war veterans.

11 (9) Partnerships between the Department of
12 Veterans Affairs, other Federal agencies, and State
13 and local governments and nonprofit organizations
14 have the potential to help restore, maintain, inter-
15 pret, and reuse the historic buildings under the ju-
16 risdiction of the Department of Veterans Affairs.

17 (10) The veterans service organizations
18 AMVETS, Disabled American Veterans, Paralyzed
19 Veterans of America, and Veterans of Foreign Wars
20 jointly support establishing historic preservation as a
21 responsibility of the Department of Veterans Affairs,
22 systematically preserving the Department's most im-
23 portant historic buildings, and reducing legal, ad-
24 ministrative, and financial barriers to adaptive reuse
25 of historic properties by local communities.

1 (11) More than 100 historic buildings under the
2 jurisdiction of the Department of Veterans Affairs,
3 including the Nation’s first permanent church build-
4 ing constructed by the Federal Government, are un-
5 derutilized or vacant and are threatened with dete-
6 rioration and demolition.

7 (12) Providing for the Department of Veterans
8 Affairs’ historic preservation requirements in no way
9 need diminish funding for the Department’s other
10 missions and is fully consistent with the Depart-
11 ment’s broader goal of honoring and caring for the
12 Nation’s veterans.

11 the leasing authority for historic buildings that is
12 provided for Federal agencies under section 111 of

15 “(5) the Secretary should reduce barriers to
16 reuse of historic buildings by non-Department pri-
17 vate and public organizations if such reuse would en-
18 hance historic preservation of those buildings;

19 “(6) the Secretary should work with the Sec-
20 retary of the Interior to coordinate historic preserva-
21 tion activities of the Department; and

22 “(7) the Secretary should form a partnership
23 with the National Trust for Historic Preservation,
24 within the context of the Capital Asset Realignment
25 for Enhancement of Services (CARES) process of

1 the Department, to ensure the appropriate, lawful,
2 and financially prudent management of the Depart-
