H. R. 5701

To foster local collaborations which will ensure that resources are effectively and efficiently used within the criminal and juvenile justice systems.

IN THE HOUSE OF REPRESENTATIVES

OCTOBER 24, 2002

Mr. STRICKLAND introduced the following bill; which was referred to the Committee on the Judiciary

A BILL

To foster local collaborations which will ensure that resources are effectively and efficiently used within the criminal and juvenile justice systems.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Mentally Ill Offender
5 Treatment and Crime Reduction Act of 2002”.

6 **SEC. 2. FINDINGS.**

7 Congress finds the following:

8 (1) According to the Bureau of Justice Statis-
9 tics, over 16 percent of adults incarcerated in United
10 States jails and prisons have a mental illness.

1 (2) According to the Office of Juvenile Justice
2 and Delinquency Prevention, approximately 20 per-
3 cent of youth in the juvenile justice system have se-
4 rious mental health problems, and a significant
5 number have co-occurring mental health and sub-
6 stance abuse disorders.

7 (3) According to the National Alliance for the
8 Mentally Ill, up to 40 percent of adults who suffer
9 from a serious mental illness will come into contact
10 with the American criminal justice system at some
11 point in their lives.

12 (4) According to the Office of Juvenile Justice
13 and Delinquency Prevention, over 150,000 juveniles
14 who come into contact with the juvenile justice sys-
15 tem each year meet the diagnostic criteria for at
16 least 1 mental or emotional disorder.

17 (5) A significant proportion of adults with a se-
18 rious mental illness who are involved with the crimi-
19 nal justice system are homeless or at imminent risk
20 of homelessness; and many of these individuals are
21 arrested and jailed for minor, nonviolent offenses.

22 (6) The majority of individuals with a mental
23 illness or emotional disorder who are involved in the
24 criminal or juvenile justice systems are responsive to

1 medical and psychological interventions that inte-
2 grate treatment, rehabilitation, and support services.

3 (7) According to the Bureau of Justice Statis-
4 tics, as of July 1999, 75 percent of mentally ill in-
5 mates had previously been sentenced at least once to
6 time in prison or jail or probation.

7 (8) Collaborative programs between mental
8 health, substance abuse, and criminal or juvenile
9 justice systems that ensure the provision of services
10 for those with mental illness or co-occurring mental
11 illness and substance abuse disorders can reduce the
12 number of such individuals in adult and juvenile cor-
13 rections facilities, while providing improved public
14 safety.

15 **SEC. 3. PURPOSE.**

16 The purpose of this Act is to increase public safety
17 by facilitating collaboration among the criminal justice, ju-
18 venile justice, mental health treatment, and substance
19 abuse systems. Such collaboration is needed to—

20 (1) reduce rearrests among adult and juvenile
21 offenders with mental illness, or co-occurring mental
22 illness and substance abuse disorders;

23 (2) provide courts, including existing and new
24 mental health courts, with appropriate mental health
25 and substance abuse treatment options;

1 (3) maximize the use of alternatives to prosecu-
2 tion through diversion in appropriate cases involving
3 non-violent offenders with mental illness;

4 (4) promote adequate training for criminal jus-
5 tice system personnel about mental illness and sub-
6 stance abuse disorders and the appropriate response
7 to people with such illnesses;

8 (5) promote adequate training for mental health
9 treatment personnel about criminal offenders with
10 mental illness and the appropriate response to such
11 offenders in the criminal justice system; and

12 (6) promote communication between criminal
13 justice or juvenile justice personnel, mental health
14 treatment personnel, nonviolent offenders with men-
15 tal illness, and other support services such as hous-
16 ing, job placement, community, and faith-based or-
17 ganizations.
